Approval exer-
cise of Consumer
Power Rights

2. Recommendation from Scudder, Stevens & Clark that the University exercise the Consumer Power Rights in accounts where funds are available.

3. At the March meeting of the Board of Trustees, it was reported that the Trustees for the Matilda Wilson Estate had requested that funds in the John F. Dodge Professorship Fund not be placed in equities until the estate had been settled.

At that time the University had purchased 1,068 shares of Texaco, Inc., and it was reported to the Trustees that these shares of stock would be sold when the market was at its greatest advantage.

Mr. George Cress reported that this transaction had been completed, and it was requested that the Trustees approve this action.

7. A schedule of scholarships for Graduate Assistants was approved at the January 16, 1970 meeting of the Board of Trustees. The intent of providing scholarships in lieu of increased stipends was to provide a tax free increase to the Graduate Assistants. However, we have received an opinion from Ernst & Ernst which in essence says that a scholarship contingent upon services performed is taxable unless these services are required of all candidates for a particular degree.

Changes in
Grad. Asst.
scholarships

The latter statement concerning the requirement of all candidates is presently a determining factor for the taxability of stipends. Therefore, scholarships would not only confuse the issue of taxability but perhaps be detrimental to the recipient who would otherwise not be subject to taxes on stipends received.

Provost Cantlon requested Board approval of the following modifications affecting the new Graduate Assistant Scholarships:

<u>Level I</u>	<u>Nine Months</u>	<u>Monthly</u>
1/4 time	\$1300 - 1700	\$144.44 - \$188.88
1/2 time	2600 - 3400	288.88 - 377.77
3/4 time	3900 - 5100	433.33 - 566.66
<u>Level II</u>		
1/4 time	1400 - 1800	155.55 - 200.00
1/2 time	2800 - 3600	311.11 - 400.00
3/4 time	4200 - 5400	466.66 - 600.00
<u>Senior Level</u>		
1/4 time	1500 - 2500	166.66 - 277.77
1/2 time	3000 - 5000	333.33 - 555.55
3/4 time	4500 - 7500	500.00 - 833.33

The Board agreed that this matter would be given final approval at the time the final University budget for 1970-71 is approved.

8. Vice President Wilkinson recommended approval of the following item:

The Board of Trustees had previously authorized the Alumni Office to convert their records to a computer operation with the understanding that the cost would be shared by a \$30,000 expenditure to the Alumni Office and the balance of approximately \$30,000 to be financed from University funds.

This conversion has been completed for a period of time and the Alumni Office has contributed \$30,000 to the program. The balance unfunded to date is \$37,416.45, and this is to request that a General Fund allocation be made to complete the University's commitment on this program.

tion to convert

gram

On motion by Mr. Nisbet, seconded by Mr. Stevens, it was unanimously voted to approve the above request.

Approval complete review of Academic Freedom Report

9. President Wharton presented to the Board recommendations concerning the incorporation of the State News.

It was also recommended that the Board approve revisions to the Academic Freedom Report affecting the State News that passed the Academic Council in May. Dr. Wharton distributed copies of these revisions and a copy is on file in the Secretary's Office.

After lengthy discussion relative to the proposed incorporation of the State News, it was moved by Mr. Merriman, seconded by Mr. Huff, that the Board ask for a complete review of the Academic Freedom Report. Mr. Stevens moved to amend the motion by adding, "This review and discussion will be in a public meeting." Mr. Stevens' amendment was seconded by Dr. Martin. On a 4 to 4 vote, the amendment did not pass. Voting "Yes," Trustees Huff, Martin, Stevens, and White; voting "No," Trustees Hartman, Merriman, Nisbet, and Thompson. Mr. Merriman's original motion passed by a vote of 5 to 3. Voting "Yes," Trustees Hartman, Huff, Merriman, Nisbet, and Thompson; voting "No," Trustees Martin, Stevens, and White.

Recommendation re incorporation of State News tabled

On the motion of Mr. Huff, seconded by Mr. Hartman, it was voted that the proposed incorporation of the State News be tabled for further study. Mr. Stevens wished to be recorded as voting "No" because he felt the Board should have acted on the President's recommendation of incorporation of the State News. (See minutes of July 17, 1970 meeting, page)

Closing entries for fiscal year ended June 30, 1970 approved

10. President Wharton and Vice President Wilkinson requested authorization to complete the closing entries of the books for the fiscal year ended June 30, 1970.

Vice President Wilkinson indicated that bids would be received on June 29 on roads and sewers to the site of Life Science I. Mr. Wilkinson asked that the Board approve the telephone poll of the Board for the awarding of contracts assuming the bids came within the dollars allotted.

V.P. Wilkinson authorized to conduct telephone poll to award contracts for roads to site of Life Sci I

On motion by Mr. Merriman, seconded by Mr. Huff, it was unanimously voted to approve the closing entries for the fiscal year ending June 30, 1970 and the awarding of the contracts as requested by Vice President Wilkinson.

Consideration and approval of several items re Oakland Univ independence

11. Vice President Wilkinson presented to the Board four items that need consideration as Oakland University becomes independent.

A. The consolidated investment fund

The Ann Arbor Trust Company will liquidate the units relating to Oakland University, and we will issue a check in the approximate amount of \$130,000 to represent their value as of the date of separation.

On motion by Mr. Huff, seconded by Mr. Hartman, it was unanimously voted to approve this procedure.

B. Term loan of \$900,000 due from Oakland University to Michigan State University.

The Board of Trustees authorized Michigan State University to loan Oakland University up to \$1,000,000 for working capital with a $4\frac{1}{2}\%$ interest rate to be paid by Oakland to Michigan State University. This loan will have to be repaid from working capital to Michigan State University. Mr. Swanson and Mr. Wilkinson will have to work out a repayment schedule which will have to be approved by the Board of Trustees.

On motion by Mr. Huff, seconded by Mr. Hartman, it was unanimously voted to increase the interest on this loan from $4\frac{1}{2}\%$ to 5%, effective immediately.

C. Temporary construction loan from Michigan National Bank of approximately \$3,825,000 is outstanding and will have to be permanently financed.

Michigan State University has placed cash in certificates at Michigan National Bank in order to guarantee this loan. This commitment is through December 15, 1970. Discussions have taken place between Mr. Swanson, Mr. Wilkinson, and the Ann Arbor Trust Company to arrange the financing of this project.

D. Trust 4604 - Intramural Building and Student Center

This trust holds Michigan State University with a contingent liability wherein if Oakland University does not meet its commitments, Michigan State University will be obligated. This results in approximately \$142,000 in fees with the maturity of 1992. The bonds are held by All-State and the Detroit Bank and Trust Company.

Motion was made by Mr. Nisbet, seconded by Mr. White, that Vice President Wilkinson should ask representatives of the Ann Arbor Trust Co. to request the two firms involved to remove this contingent liability. Unanimously approved.

12. The Executive Vice President presented the new schedules of salary rates for Clerical-Technical and Administrative-Professional employees to be effective July 1, 1970.

Contract and budget for Fee Hall apartments, cont.

13. Bids on conversion of Fee Hall apartments, continued

Buehler Mechanical, Inc., submitted a bid and reported to the University before the bid was read that they had made an error in their computations. They requested to have their bid withdrawn. Following University policy, the bid was read, however, University staff is aware that an error was made and recommend that this firm be permitted to withdraw their bid without penalty.

It is recommended that a single contract be awarded to the Haussman Construction Company of Lansing, Michigan, with assignment of United Piping and Erecting Company, Lansing, as mechanical contractor and assignment of Kent Electric Company, Ravenna, Michigan, electrical contractor, as sub-contractors. The amount of the Haussman Construction Company contract to be as follows:

Haussman Construction Company - base bid	\$114,691.00
United Piping and Erecting Co. - base bid	31,849.00
Kent Electric Company - base bid	<u>68,500.00</u>
Amount of Haussman contract	\$215,040.00

It was further recommended that the following budget be established for this project:

Construction	\$215,040.00
Fixed equipment:	
Porcelain panels	\$ 9,000.00
Air conditioners	12,000.00
Kitchen units	<u>40,000.00</u>
Furnishings	61,000.00
Architect	130,000.00
Inspection-contingency	20,000.00
	<u>23,960.00</u>
	\$450,000.00

Funds are provided for this work in Dormitory reserve accounts.

This project had the previous approval of the Board of Trustees with the understanding that the bids and the budget would be submitted for Board approval.

On motion by Mr. Nisbet, seconded by Mr. Hartman, it was unanimously voted to approve the awarding of the contracts and the budget for the Fee Hall apartments.

Selection procedures for Presidential Fellows approved

14. President Wharton presented to the Board the proposed nomination and selection procedures to be used in identifying the presidential fellows.

On motion by Mr. Nisbet, seconded by Mr. Stevens, the nomination and selection procedures for the presidential fellows, as outlined by President Wharton, were unanimously approved.

Action on salary schedules for Academic and administrative personnel delayed

15. The salary schedules for all academic and administrative personnel for the year beginning July 1, 1970 were presented with the recommendation that they be approved for inclusion in the 1970-71 budget.

Action on the salary schedules for academic and administrative personnel was postponed until the final budget of the University for 1970-71 is approved.

Approval conversion of Boilers 1 & 2 Power Plant 65 to gas, and app budget for project

16. Vice President Wilkinson made the following recommendations relating to the converting of Boilers 1 and 2 of Power Plant 65 from coal to gas:

- A. It was recommended that the University proceed to convert Power Plant 65 from coal to a gas operation and that \$125,000 be allocated for this project.

It was also recommended that the following budget be approved for this conversion:

GAS CONVERSION ESTIMATE

16. Conversion of Power Plant 65 to gas, continued

A. Budget, continued

This is the recommendation of the University consultant, Commonwealth Associates, and it has been approved by the Joint Capital Outlay Committee of the State Legislature.

It is necessary that quotations be taken relating to this item in order to guarantee a conversion date by December of 1970.

- B. It was recommended that the University include in its capital outlay request for 1970-71 a request for \$340,000 from the State of Michigan to recover the loss of capacity due to the above conversion. This request would be included in our revised request for the addition to Power Plant 65.

On motion by Dr. Martin, seconded by Mr. Hartman, it was unanimously voted to approve the above recommendations.

17. Chancellor Donald D. O'Dowd of Oakland University requested the Board to authorize a consent election to establish whether or not the Oakland faculty wishes to designate a representative for collective bargaining.

On motion of Dr. Martin, seconded by Mr. Hartman, the Trustees, by a vote of 5 to 3, approved the authorizing of a consent election. Trustees Merriman, Huff, and White voted "No." Materials concerning this item are on file in the Secretary's Office and made a part of these minutes.

Adjourned.

MINUTES OF THE MEETING
of the
BOARD OF TRUSTEES
June 19, 1970

Present: Chairman Stevens, Vice Chairman Merriman, Trustees Hartman, Huff, Martin, Nisbet, and Thompson; President Wharton, Vice President Wilkinson, and Executive Vice President and Secretary Breslin. Also present: Assistant to the President Ballard, Provost Cantlon, Attorney Carr, Vice President Dickerson, Vice President Muelder, Chancellor O'Dowd.

Absent: Trustee White.

The Board convened in the Board Room at 11:20 a.m. - President Wharton presiding.

On motion by Mr. Nisbet, seconded by Mr. Hartman, the minutes of the May 15, 1970 meeting, with the exception of item 8 under Other Items, were unanimously approved.

Motion was made by Mr. Nisbet, seconded by Mr. Merriman, to approve item 8, Other Items, of the May 15 minutes. The following statement was made by Chairman Stevens:

My vote against approving item 8, page 41, of the May 15 minutes of the MSU Board of Trustees is based on the following reasons:

1. The Bylaws of the MSU Trustees permit only the President to poll the Board on such a vote -- this is not what happened. My information is that the President was advised of the vote after it was taken.
2. The Michigan State Constitution requires, and the State Attorney General has so ruled, that all public business be conducted in a meeting open to the press and the public -- this was not done.
3. The Bylaws of the MSU Trustees require that, "The business at each regular or special meeting shall be conducted under general parliamentary rules set forth in Robert's Rules of Order as modified by the rules and regulations of the Board." -- this procedure was not followed.

Further, I am voting in opposition in an effort to assure that official Board action will not again be upset by what I believe to be illegal procedure. In my view, the phone or mail vote was only intended to be used to avoid the necessity of calling a special meeting to approve such matters as (for example) accepting the lowest bid on projects that have Board approval. I am fearful that stretching this phone vote provision, as was done in the General Motors proxy matter, could result in making the legality of all such votes questionable.

Motion carried by a vote of 5 to 2, Trustees Martin and Stevens voting "No."

5. Grant of \$2,083.40 from the County of Osceola, Board of Supervisors, to be used under the direction of G. S. McIntyre in the Cooperative Extension Service as part of the salary of an additional Extension Agent for the period January 1, 1970 through December 31, 1970.
6. Grant of \$250 from the Rockefeller Foundation, New York, New York, to be used under the direction of D. E. Hathaway in Agricultural Economics to establish a fund for future support of graduate research assistants.
7. Grant of \$27,500 from the American Farm Bureau Research Foundation, Chicago, Illinois, to be used under the direction of Richard G. Pfister in Agricultural Engineering to determine the accident frequency rates for farm machinery.
8. Grant of \$4,000 from the Michigan Association of Cherry Producers, East Lansing, to be used under the direction of C. M. Hansen in Agricultural Engineering to develop a high-speed cherry pitter engineering concept.
9. Grant of \$1,000 from the National Pickle Growers Association, St. Charles, Illinois, to be used under the direction of B. F. Cargill in Agricultural Engineering to design equipment for the harvesting and handling of cucumbers.
10. Grant of \$1,000 from the National Red Cherry Institute, East Lansing, to be used under the direction of C. M. Hansen in Agricultural Engineering to develop high-speed cherry pitter engineering concept.
11. Grant of \$4,560 from the University of Michigan, Ann Arbor, to be used under the direction of D. E. Ullrey in Animal Husbandry to chemically characterize deer browse with respect to certain components of nutritional significance.
12. Grant of \$1,900 from the Jack F. Wolfram Foundation, Lansing, to be used under the direction of Ronald Nelson in Animal Husbandry for travel expenses in connection with beef cattle events in the United States and other countries.
13. Grant of \$1,000 from the American Oil Company, Whiting, Indiana, to be used under the direction of William F. Meggitt in Crop and Soil Sciences to study the effect of oil and oil-surfactant combinations on foliage penetration of herbicides.
14. Grant of \$2,720 from the Diamond Shamrock Chemical Company, Baltimore, Maryland, to be used under the direction of B. D. Knezek and J. F. Davis in Crop and Soil Science to study the relative effectiveness of manganese fertilizer carriers in soil application on organic soil.
15. Grant of \$500 from the Farmers and Manufacturers Beet Sugar Association, Saginaw to be used under the direction of D. D. Harpstead in Crop and Soil Sciences, for research on quality and storage work.
16. Grant of \$5,000 from the Farmers and Manufacturers Beet Sugar Association, Saginaw, to be used under the direction of William F. Meggitt in Crop and Soil Sciences to develop preemergence and postemergence herbicide treatments for sugar beets.
17. Grant of \$31,200 from the Michigan Bean Commission, Lansing, to be used under the direction of M. W. Adams in Crop and Soil Sciences for research to develop bean strains improved in respect to sensitivity to mechanical damage; row-spacing-fertility interactions; and use of systemic insecticides.
18. Grant of \$4,000 from the Michigan Water Resources Commission, Lansing, to be used under the direction of A. E. Erickson in Crop and Soil Sciences to determine the feasibility of a barriered landscape water renovation system to renovate swine feedlot waste.
19. Grant of \$500 from the Shell Chemical Company, Columbus, Ohio, to be used under the direction of William F. Meggitt in Crop and Soil Sciences to evaluate triazine herbicides for weed control in corn and soil residues resulting from treatments with these herbicides.
20. Grant of \$77,005 from the National Institute of General Medical Sciences, Bethesda, Maryland, to be used under the direction of J. W. Thomas in Dairy to train graduate students in nutrition.
21. Grant of \$500 from the BASF Corporation, South Kearny, New Jersey, to be used under the direction of A. R. Putnam in Horticulture to determine weed control performance and crop safety in using BASF herbicides.
22. Grant of \$700 from the Dwarf Fruit Tree Association, Hartford, Michigan to be used under the direction of R. F. Carlson in Horticulture for the education and dissemination of research results re scion/rootstock relationship of fruit trees.
23. Grant of \$700 from the Joseph H. Hill Foundation, East Lansing, to be used under the direction of William Carpenter in Horticulture to support on-going research on post-harvest physiology of roses.
24. Grant of \$1,000 from the Michigan Apple Committee, East Lansing, to be used under the direction of D. H. Dewey in Horticulture to support a program to improve the internal quality of apples for fresh market and processing.

Gifts and Grants

25. Grant of \$5,000 from the Michigan Cherry Producers Association, East Lansing, to be used under the direction of A. E. Mitchell in Horticulture to support continuing research on the effects of cultural practices and weather conditions on quality of processed red tart cherries.
26. Grant of \$600 from the Michigan State Horticultural Society, East Lansing, to be used under the direction of A. E. Mitchell in Horticulture for miscellaneous materials and expenditures of the Michigan State Horticultural Society.
27. Grant of \$68,100 from the National Institute of Health to be used under the direction of S. K. Ries in Horticulture to develop procedures for increasing the growth and protein content of crops and laboratory studies to define the mechanism of chemical regulation.
28. Grant of \$1,000 from the Shell Chemical Company, Atlanta, Georgia, to be used under the direction of A. E. Mitchell in Horticulture to support on-going research to determine the interaction of weather conditions on possible injury from the commercial use of Diodine and Gardonia on apple trees.
29. Grant of \$500 from the Stauffer Chemical Company, San Francisco, California, to be used under the direction of A. R. Putnam in Horticulture for herbicide research to support programs in progress relating to horticulture crops.
30. Grant of \$11,977 from the U. S. Atomic Energy Commission, Washington, D.C., to be used under the direction of Niles R. Kevern in Fisheries and Wildlife to study the effects of limnological factors on the uptake of ¹³⁷Cs fallout on fish.
31. Grant of \$18,500 from the U. S. Forest Service, North Central Forest Experiment Station, St. Paul, Minnesota, to be used under the direction of Robert Marty in Forestry to determine the economic impact of hypoxylon canker on aspen resources in the Lake States.
32. Grant of \$2,700 from the U. S. Forest Service, North Central Forest Experiment Station, St. Paul, Minnesota, to be used under the direction of Leighton Leighty in Resource Development to study litigation related to management of Forest Service lands and its effect on policy decisions.
33. Grant of \$3,000 from the Mink Farmers Research Foundation, Milwaukee, Wisconsin, to be used under the direction of Richard Aulerich in Poultry Science to continue research in physiology of mink and the techniques for artificial insemination and semen storage.
34. Grant of \$3,000 from the Mink Farmers Research Foundation, Milwaukee, Wisconsin, to be used under the direction of Richard Aulerich in Poultry Science, to study the effects of pesticides on reproduction and kit survival in mink; and determine the factors responsible for reproductive failure in mink fed Coho salmon.
35. Grant of \$47,450 from the U. S. Department of Health, Education and Welfare, Washington, D.C., to be used under the direction of William N. Hughes in German and Russian to provide foreign language fellowships to graduate students under NDEA Title VI.
36. Grant of \$3,000 from the American Fishing Tackle Manufacturers Association, Chicago, Illinois, to be used under the direction of Julian W. Smith in Administration and Higher Education for graduate assistance for a leader in outdoor education.
37. Grant of \$300 from the National Education Association, Washington, D.C., to be used under the direction of J. W. Smith in Administration and Higher Education for supplies, equipment and services for operation of the Outdoor Education Project.
38. Grant of \$1,000 from the National Association of Partners of the Alliance, Washington, D. C., to be used under the direction of J. E. Jordan in Counseling, Personnel Services and Educational Psychology, to implement programs connected with Partners of the Alliance Program.
39. Grant of \$8,847 from the School District of Battle Creek, Michigan, to be used under the direction of W. D. Van Huss in Health, Physical Education and Recreation to develop and implement an exemplary program of physical education in the Battle Creek schools.
40. Grant of \$105,600 from the U. S. Department of Health, Education and Welfare, Washington, D.C., to be used under the direction of J. F. Vinsonhaler in the Learning Systems Institute for improving the dissemination of information for research on the education of handicapped children and youth.
41. Grant of \$93,911 from the U. S. Department of Health, Education and Welfare, Washington, D. C., to be used under the direction of J. F. Vinsonhaler in the Learning Systems Institute for improving the administration of federal projects for the education of the handicapped.
42. Grant of \$3,000 from the Union Carbide Corporation, New York, New York, to be used under the direction of Julian Brandow in the Science and Mathematics Teaching Center as an unrestricted grant.

June 19, 1970

43. Grant of \$53,700 from the National Science Foundation, Washington, D.C., to be used under the direction of R. K. Wen in the Division of Engineering Research to develop analytical methods for large scale three-dimensional structures subjected to dynamic loads.
44. Grant of \$900 from the Michigan Kidney Foundation, Ann Arbor, to be used under the direction of A. D. Hunt, Jr., in the College of Human Medicine as fellowship support for a medical student.
45. Grant of \$58,684 from the National Institutes of Health, Bethesda, Maryland, to be used under the direction of C. C. Sweeley in Biochemistry for the Chemistry and Metabolism of Sphingolipids.
46. Grant of \$25,000 from the Smith Kline and French Laboratories, Philadelphia, Pa., to be used under the direction of Fritz M. Rottman in Biochemistry for research into use of substituted-O-methyl nucleosides as interferon inducers and other nucleosides as therapeutic agents in general.
47. Grant of \$5,000 from the Gerber Products Company, Fremont, Michigan, to be used under the direction of William B. Weil, Jr., in Human Development as an unrestricted grant for nutrition research.
48. Grant of \$2,000 from the Michigan State Department of Public Health, Lansing, to be used under the direction of T. B. Haddy and W. B. Weil, Jr., in Human Development for diagnostic counseling in birth defects evaluation clinic.
49. Grant of \$36,680 from the National Institutes of Health to be used under the direction of Rudy A. Bernard in Physiology for electrophysiological studies of the gustatory system.
50. Grant of \$19,427 from the National Institutes of Health to be used under the direction of J. B. Scott in Physiology to study the relation of local PO_2 and PCO_2 to local blood flow.
51. Grant of \$20,600 from the National Institutes of Health to be used under the direction of J. B. Scott in Physiology as a research career program development award.
52. Grant of \$77,692 from the National Institutes of Health to be used under the direction of F. J. Haddy in Physiology as a training grant for cardiovascular physiology.
53. Grant of \$2,000 from Merck, Sharp & Dohme, Grand Rapids, to be used under the direction of Allen J. Enelow in Psychiatry to sponsor a 2-day meeting for mental health professionals on community mental health services for children.
54. Grant of \$7,076 from the National Institutes of Health, Washington, D.C., to be used under the direction of Edward Eisenstein in Biophysics for comparative studies in learning.
55. Grant of \$27,000 from the U.S. Atomic Energy Commission, Washington, D.C., to be used under the direction of Ashraf El-Bayoumi in Biophysics for research on the electronic excitation of composite systems.
56. Grant of \$750 from the Chemagro Corporation, Kansas City, Missouri, to be used under the direction of E. J. Klos in Botany and Plant Pathology to determine the fungicidal activity of several products against *Venturia inaequalis* of apple.
57. Grant of \$500 from the Chevron Chemical Company, San Francisco, California, to be used under the direction of Alan L. Jones in Botany and Plant Pathology to demonstrate the effectiveness of simple application techniques for fruit-tree disease control.
58. Grant of \$500 from the Diamond Shamrock Corporation, Cleveland, Ohio, to be used under the direction of E. J. Klos in Botany and Plant Pathology to determine the fungicidal activity of tetrachloroisophthalonitide against *Venturia inaequalis* and *Coccomyces hiemalis* (cherry leaf spot).
59. Grant of \$1,000 from Dow Chemical Company, Midland, to be used under the direction of H. S. Potter in Botany and Plant Pathology to study the effect of nutrient elements on control of potato scab.
60. Grant of \$1,250 from E. I. duPont de Nemours & Company, Inc., Wilmington, Delaware, to be used under the direction of E. J. Klos in Botany and Plant Pathology to study the fungicidal activity of benomyl Benlate against several fruit tree diseases.
61. Grant of \$3,150 from the Michigan Blueberry Growers Association, Grand Junction, to be used under the direction of G. R. Hooper in Botany and Plant Pathology for a disease control investigation in blueberries.
62. Grant of \$300 from the Niagara Chemical Division, FMC Corporation, to be used under the direction of G. R. Hooper in Botany and Plant Pathology for an evaluation of fungicides.

D. OTHER ITEMS, continued

Reorganization
and name change
of College of
Home Economics

4. Provost Cantlon presented the following proposed reorganization and name change for the College of Home Economics.
 - A. Change of name to the College of Human Ecology, effective July 1, 1970.
 - B. Reorganize the structure of the College to include the following:
 1. Four departments
 - 1.1 Human Nutrition and Foods
(combines present Foods and Nutrition and Institution Administration Departments)
 - 1.2 Human Environment and Design
(replaces present Textiles, Clothing and Related Arts)
 - 1.3 Family and Child Sciences
 - 1.4 Family Ecology
(new department concept)
 2. Institute for Family and Child Study (research)
(includes Head Start Research Center)

It was recommended that these changes become effective July 1, 1970.

The present organization includes four departments:

Foods and Nutrition, Institution Administration, Family and Child Sciences, and Textiles, Clothing and Related Arts, and the Institute for Study of Family and Child with Head Start Research Center (federally financed).

On motion by Mr. Stevens, seconded by Dr. Martin, it was voted to approve the name change and reorganization of the College of Home Economics. Trustee Hartman voted "No." Trustee Merriman stated that in the future he would like to give more time to the consideration of a name change.

Detroit Geo-
graphical Expe-
dition Institute
approved

5. In the fall term 1969 an experimental program of offering regular MSU courses for credit to disadvantaged students was established in inner Detroit. This program was called the Detroit Geographical Expedition Institute. Instruction was provided by faculty who were paid on an overload basis. Each faculty member contributed his overload pay to a special fund in Continuing Education. Tuition for these disadvantaged students was paid from this special fund.

In view of this program's experimental nature, its concentration on disadvantaged students, and the faculty's contribution of all salary to the special tuition fund, a fee of \$13 per student credit hour rather than the normal \$21 for off-campus instruction was charged.

Board approval of this past administrative action was sought.

On motion by Mr. Huff, seconded by Dr. Martin, it was voted to approve the Detroit Geographical Expedition Institute program.

Motion to
rescind action
amending
Ordinance 22
not passed

6. Motion was made by Mr. Thompson, seconded by Mr. Merriman, to approve the following resolution:

WHEREAS, the Board of Trustees at the meeting of April 16, 1970 authorized amendment of Ordinance 22 to permit the use or possession of alcoholic beverages, including beer and wine, subject to State law in housing facilities, rooms, suites, and apartments assigned by Michigan State University, and

WHEREAS, following the publicizing of this action a number of parents, taxpayers, and legislators have voiced opposition to the use or possession of alcoholic beverages in on-campus student housing by students and others, and

WHEREAS, no proofs were offered that liquor is a necessary and beneficial adjunct to education, and

WHEREAS, the action of the Trustees in approving such ordinance change constitutes an indulgence of student demands without compelling necessity of requirement,

NOW, THEREFORE, BE IT RESOLVED, upon mature reflection that prior action amending Ordinance 22 is hereby rescinded and the original language reinstated without amendment thereto.

Trustees Merriman, Nisbet, and Thompson voted "Yes," Trustees Hartman, Huff, Martin, and Stevens voted "No." Motion failed.

Facilities and
equipment prob-
lems of School
of Journalism to
be reviewed and
report to be
made at July
Board meeting

7. Chairman Stevens reported that he had recently toured the Journalism facilities and found that not many improvements had been made since some of the Trustees visited this department about a year ago. It was suggested that some year-end funds might be available for the procurement of equipment. The Trustees asked that facilities and equipment problems of the School of Journalism be studied and that a report be made to the Trustees at the July Board meeting.

Before presenting the Oakland University items, Chancellor Donald D. O'Dowd made the following remarks:

Remarks by
Chancellor
O'Dowd on
separation of
Oakland Univ
from MSU

President Wharton and members of the Board of Trustees, I might take a moment, although I know it's late, to make a brief statement on this occasion.

A quick comp tells me that Oakland University has been on the agenda of this Board for approximately 120 meetings, 5 of which I have attended -- the last 5. And on behalf of the students and the alumni, the staff and faculty of the University, and also Woody Varner, who was associated with you for 18 years, I'd like to express the appreciation of Oakland University for the great support that it has received from this Board. I know that on many special occasions Board members have come down to Rochester to participate in University activities and have given continuous guidance to the University.

I am reminded that when this institution -- Oakland University -- was conceived in 1958 and 1959 it was a time of great economic constraint in the State of Michigan and Mr. Varner, on a number of occasions, pointed out that the year in which Oakland was started I believe the appropriation -- the only appropriation and the only money -- did not come through until some time in late June or early July to begin a new institution on the first of September of that year. And the Board was willing to support the University and to urge the Chancellor to go ahead and made arrangements and said they would find the money if the Legislature would not. I guess that, happily the Legislature came through when Oakland got under way with adequate support.

I might review for a moment the legislative situation. As you well know, the House acted about two months ago to support an independence resolution or bill and the Senate voted 32 to 4 about 10 days ago. My understanding is that the bill is on the Governor's desk and probably will be signed this coming week, though an exact time has not been set. I heard as of yesterday that Wednesday was a possible time for signing of the bill giving Oakland University separate authorization.

I'd like to comment on our gratefulness at the willingness of this Board to grant Oakland a unique status in American higher education. About 5 years ago when the North Central Association was reviewing its accreditation procedures, it selected Oakland as the least dependent of all branch campuses in the North Central region of 17 or 18 states and probably the most autonomous existing branch campus in the country. This is a daring course that the Board took and I think it gave Oakland an opportunity, in my judgment, to be uniquely successful. As far as I know, of those new campuses started in the post-World War II era, I think though a little biased at this, I would argue that Oakland probably has been the most successful if you take into account the economic and fiscal constraints under which we have operated. The University of California campuses which have been started in the last 20 years have had about 3 times the support per capita that Oakland has had, and the New York State campuses have been running between 2½ and 3 times the per capita support, so that what Oakland has accomplished could only have been done with the support of this Board.

So I would like to express thanks here to President Hannah for his guidance from the beginning and to President Wharton for his assistance during this past year, but particularly to the Board for its continuous concern with the growth of Oakland and giving of its prestige and of its strength to Oakland's development and to its support in every respect from 1957 when the idea first came into being until today.

C. OTHER ITEMS

Other Items

1. Request for approval of the establishment of a Department of Linguistics in the College of Arts and Sciences. The establishment of this department has been approved by the Assembly of the College of Arts and Sciences and the University Senate. A major in linguistics has been authorized by the State Board of Education.

Dept of
Linguistics
established

The University now has a number of qualified linguists in the faculty who carry appointments in existing departments. A number of these individuals would assume joint appointments in the Department of Linguistics and their present departments. No new faculty will be added to staff this department for at least one year.

2. Recommendation that the appropriate degrees be awarded to those students who according to the records of the Registrar completed the requirements for graduation at the end of the April 1970 term.

App granting of
degrees April
1970

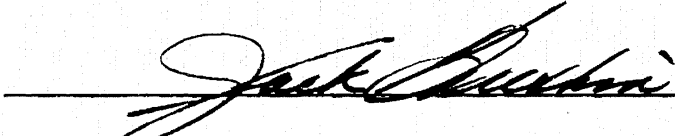

On motion by Dr. Martin, seconded by Mr. Stevens, it was voted to approve the Oakland University items.

Adjourned at 12:35 p.m.

Following the luncheon on June 19, Vice President Dickerson presented for the Board's information a final report of the Ad Hoc Committee for Family Planning. It was pointed out that as the University student health center evolves into a total University hospital, it will be mandatory to make changes within the University hospital that will provide total health services for all patients. The Trustees should be aware that some of the additional services provided in the University health center will include family planning.
