MISCELLANEOUS REPORTS

1. Report on the payment of the bill submitted by Shields, Silsbee, Ballard and Jennings in the amount of \$338.75 for services rendered from January 10, 1934 to February 4, 1935 inclusive (referred to the President and Secretary at the April 18th Board meeting).

Payment of bill to Shields, Silsbee, etc. approved.

On motion of Mr. Brody, seconded by Mr. Berkey, it was voted to approve the above report.

2. Report of the Committee (President, Secretary, and Comptroller) appointed at the April 18th Board meeting to study matters relating to the College accounting system and make recommendations to the Board.

Report of committee appointed to study matters re: college accounting system.

1. It is recommended that the Accounts Receivable be handled in the same manner as at present, which will make it unnecessary to purchase additional bookkeeping machinery. (It is understood that the total Accounts Receivable are to be shown on each monthly statement).
2. It is recommended that Mary Mayo bonds and Accounts Receivable from the Athletic Association (Stadium) be carried as at present in the Capital Investment Fund.
3. It is recommended that a local resident auditing firm be engaged as regular auditors for this and the ensuing year.
The Board adopted the following in place of this item:
It is recommended that an auditing firm be engaged as regular auditors for this year, said firm to be selected by a committee consisting of President Shaw, Secretary Hannah, Mr. Berkey and Mr. Halstead with power to act.

MISCELLANEOUS REPORTS, continued

2. Continued.

4. It is recommended that the monthly financial reports as submitted to the Board members be continued in essentially the same form, with the addition of a recapitulation summary.

/s/ J. A. Hennah

Secretary

/s/ C. O. Wilkins

Comptroller

On motion of Mr. Brody, seconded by Mrs. Wilson, it was voted to approve the above recommendations of the Committee with the correction indicated in item 3.

BUILDING COMMITTEE ITEMS

Fence to be built enclosing basketball & football fence.

1. In item 2 under Finance Committee Items of the Board meeting of April 18th. allocation of certain funds as per request of Mr. Wilkins was made by the Board. This included the request for shifts in the budget of the Athletic Department as approved by the Athletic Council and included a provision of \$2,000 for a fence extending from the bridge in a westerly direction enclosing the basketball and football practice field. The river is the boundary on three sides. The Building Committee in March took no action on a request for this item. It is now recommended that this fence be authorized.

On motion of Mr. Brody, seconded by Mr. Downing, it was voted to approve the above item.

Request for wooden floor in wrestling rooms to be delayed until fall.

2. Request from Athletic Department for installation of wooden floor in wrestling rooms and removal of steam radiators and re-location at a height that will prevent injury to wrestlers.
It is recommended that this alteration be delayed until fall.

Action deferred.

FERA Project 33-B3-154 approved.

3. At the April meeting of the Board, the Board authorized the filing with the FERA of certain projects listed as Class A projects. The FERA required that these be filed as four separate items. (Items 3, 4, 5, 6)

On May 10, the FERA approved the item known as 33-B3-154 covering:

- (a) the horse breeding barn
- (b) the piggery feeding platform
- (c) the dairy research addition
- (d) the oil and paint storage
- (e) the re-roofing of the Halladay and two farm houses on Farm Lane.

The total of these items calls for an expenditure of \$8,798.75 of college funds and the FERA has agreed to furnish labor and equipment totalling \$21,444.25. It is recommended that immediate progress on these projects be authorized, and that \$4,000 of the \$8,798.75 be made available from the Creamery revolving fund covering the cost of material for the dairy research barn and \$4,798.75 of college funds be made available. These funds will be expended over a period of several months.

FERA project grading, filling of athletic field- Const. 4 ft. walks, etc.

4. The FERA project covering the grading and filling of the athletic and drill fields, the construction of 1700 feet of four-foot walks on the campus and the filling in the the grade crossings on Farm Lane calls for \$5,030 of college funds and \$23,895 of FERA funds. Of the \$5,030 of college funds, \$250 are for a foreman who will be an employee of the Buildings and Grounds Department and \$4600 are for truck hire in transporting dirt. If college teams can be used for part of it, this amount can be reduced and will not entail an actual expenditure of funds. This project requires considerable labor and the FERA is now ready to furnish the labor. It is suggested that immediate progress on this project be authorized.

FERA project irrigation lines for For. & Bot.

5. The FERA project covering the irrigation lines for Forestry and Botany call for an expenditure of \$774 of college money and \$3688 of FERA money. The irrigation lines should be repaired and installed before the advent of hot, dry weather and it is suggested that immediate progress on this project be authorized.

FERA project repair of the dam in Red Cedar

6. The FERA project covering the repair of the dam in the Red Cedar calls for an expenditure of \$2,717.50 of college money and \$4085 by FERA. It is suggested that funds be made available for this project to be undertaken in July or August.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve Building Committee items 3, 4, 5, and 6 insofar as funds are available.

Great need for addition to Chem. Eng. Laboratory.

7. Dean Dirks requests the consideration of the Committee of the great need for an addition to the Chemical Engineering Laboratory. More than two years ago plans for an addition to this building were completed and bids were about to be received.

Recommended that the Secretary and Mr. Davenport be authorized to review the plans already prepared and inquire into costs and submit a report with additional information for the June meeting of the Committee.

BUILDING COMMITTEE ITEMS, continued.

8. At the April meeting of the Board a lease covering 160 acres of land leased for the Lake City Station from the Gaffney Estate was approved. It was suggested that inquiry be made as to the cost of purchase. The Gaffney Estate through its administrator, Mary G. Cornwall, of Chicago, offers the 160 acres at \$5,000.

No action.

9. The Secretary reports the filing with the PWA of the formal request for the grant and loan covering the construction of a men's dormitory. The amount requested is \$450,000.
10. The Secretary reports that bids on the Cavalry Barn were submitted by several bidders and the contract let to Fogle and Hodge at \$3,668. The transfer of State Horse Racing funds to cover this item has been authorized by the State Administrative Board, - the amount transferred to the State Board of Agriculture will be \$4,533. Construction is under way.

On motion of Mr. Downing, seconded by Mr. Brody, it was voted to accept the reports in items 9 and 10.

MISCELLANEOUS

1. Recommendation of the Committee on Scholarships for the continuance of the ten competitive scholarships in Band (granting exemption from tuition fees) which were authorized for one year by the Board. The Committee recommends the same conditions set up previously, except that transfer students may in the future be approved for scholarships as well as entering students. Such students may not have transferred later than the beginning of their junior year, however, nor may the number of transfer student scholarships exceed one-third of the total number of scholarships granted.

On motion of Mr. Berkey, seconded by Mr. Brody, it was voted to approve the above item.
