"(d)" I give all the rest, residue and remainder of my estate to Michigan State Board of Agriculture, a constitutional body, for the use and benefit of Michigan State College, with my love, to be used for or toward a permanent building on the Campus, such as a Graduate College, Faculty Club, or for the Social Sciences, or a branch thereof, but not for Religious use which, however good, rests upon some form of faith only, and is, therefore, outside of true education. A name such as "Owen Hall" may be used if so desired.

"(e)" It is my direction that all of the cash legacies referred to in sub-paragraphs (a) and (b) of this paragraph IV and the specific bequests referred to in sub-paragraph (c) of this paragraph IV shall be paid to said beneficiaries free of all death duties and that any death duties on said legacies and bequests shall be paid out of the residue of my estate passing under sub-paragraph (d) of this paragraph IV.

VCompensation of Executors

"Since Michigan State College receives nearly all of my estate and the income therefrom, I do not believe my Executors would ask or accept any statutory or other "fee", and in lieu thereof, I direct that any "out-of-pocket" expenses plus the sum of ONE THOUSAND AND 00/100 DOLLARS (\$1,000.00) be reserved and paid by my estate to each of my two good Executors for their services with my best thanks.

VI

"FINALLY: I have planned for rapid, safe and economic management, distribution and termination of my estate (with a letter covering details) hoping the friendship and vigilance of my able Executors will prevent the too common delay, depreciation and dissipation of my life savings. My grateful thanks to all who will be helping to execute my will."

Mr. May reported to the Board that this estate should net the University something in excess of \$400,000.

22. Communication from Mildred Shelters on behalf of the cousins of Dr. Floyd Owen expressing appreciation for the kindness and care rendered Dr. Owen during his lifetime by Michigan State University.

Hoosen Jones

November 26, 1956

Dear Mr. McDone:

Your letter of the 20th came to hand with the very fine resolution enclosed. I am deeply grateful for the expression of gratitude contained therein. It is a very fine gesture that the Board chooses to spread the resolution on the minutes. Will you please convey my feeling to the Board.

I wish at this time to extend an invitation to the Board and Administrative Officers to come to the farm at any time and look over the acreage.

Thank you for your consideration of the insurance. Mr. Pierson called me yesterday about the buildings. I am pleased to arrange the matter most convenient for the University.

Best personal regards.

Sincerely,  
/s/ Sarah Van Hoosen Jones
