2010 SPRING SEMESTER

MICHIGAN STATE  
UNIVERSITY

# COMMENCEMENT

*Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever.*

John A. Hannah (1902-1991)  
President, Michigan State University (1941-1969)

*Photo above is a Michigan State University entrance marker (located at Trowbridge Road and Harrison Avenue). This one, of brick and limestone, displays MSU's proud history as the nation's pioneer land-grant university. On this—and other markers—is a band of alternating samara and acorns derived from maple and oak trees commonly found on campus—this pattern is repeated on the University Mace (see page 6).*

# MICHIGAN STATE UNIVERSITY

## MISSION STATEMENT

*The following statement was approved by the Board of Trustees on April 18, 2008.*

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders;
- conducting research of the highest caliber that seeks to answer questions and create solutions in order to expand human understanding and make a positive difference, both locally and globally;
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

# MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to *Advancing Knowledge and Transforming Lives* across the State, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 577 buildings. Today, throughout Michigan, 15,000 acres are used for agricultural, animal, and forestry research.

MSU has more than 47,000 students from all 83 counties in Michigan, all 50 states in the United States, and about 130 other countries. More than 420,000 Spartan alumni live around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, and is the only university in the country with three on-campus medical schools.

The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study. MSU has produced more Rhodes Scholars in the past 25 years than any other Big Ten school.

Sponsored research totals nearly \$400 million a year. The top federal funding agencies include, the National Science Foundation, U.S. Department of Health and Human Services, U.S. Department of Energy, and the U.S. Department of Agriculture. Other externally funded research programs include the MSU-U.S. Department of Energy Plant Research Laboratory, Center for Advancing Microbial Risk Assessment, Great Lakes Bioenergy Research Center, Energy and Automotive Research Laboratories, Composite Vehicle Research Center, U.S.-China Center for Research on Educational Excellence, Center for Advanced Study of International Development, and

the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. Department of Energy selected MSU to design and establish the Facility for Rare Isotope Beams (F-RIB). The proposed \$550 million facility will bring together an international community of top scientists. Their work will help unlock the mysteries of nature and the universe and promote breakthrough applications for medicine, national security, and the environment.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The Michigan Agricultural Experiment Station (MAES) encompasses the research of more than 300 scientists in six colleges and at a network of 14 field research stations in Michigan. Their work ranges from the development of forest products to food safety, new varieties of fruits and vegetables, water quality, livestock production, rural and community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in study abroad among U.S. public universities with more than 260 programs on all continents in more than 60 countries. Nearly 3,000 students study abroad each year.

MSU-Dubai, a new instructional site, offers undergraduate and graduate degree programs and the MSU Dubai Academy provides a venue for students who aspire to meet the admissions requirements of top universities in the world.

Michigan State University is a member of the Association of American Universities, Association of Public and Land-grant Universities, American Council on Education, American Council of Learned Societies, International Association of Universities, Association of Graduate Schools, Council of Graduate Schools, and the Committee on Institutional Cooperation.

# CONGRATULATORY LETTER

May 2010

Dear Graduates and Families:

Graduation is an important milestone for our graduates and their families. At commencement ceremonies we celebrate our graduates and their accomplishments at Michigan State University, and we acknowledge the encouragement and support that family and other significant individuals have provided them. Reaching this milestone marks the completion of a degree program and the beginning of the next chapter in each student's life.

Graduates become a part of a tradition that spans more than 150 years. As a person with a long-standing connection to Michigan State, I have had many opportunities to interact with alumni, students, faculty, and staff who, on a daily basis, are *Advancing Knowledge and Transforming Lives*. Although much has changed along the banks of the Red Cedar River since I first enrolled in 1970, the core values of the University remain—quality, inclusiveness, and connectivity.

MSU continues to lead as a “community-engaged university.” Our faculty and students are involved in outreach and forge partnerships to serve the public good. Through research, education, and practice, we are making the world and our campus better places. Our commitment to sustainability is evidenced this commencement season with expanded “green” initiatives.

Our faculty and students are globally engaged. MSU is a long-time leader in research, study abroad and international student enrollment. Study abroad has offered many of you the opportunity to bridge cultures and accomplish mutual understanding and cooperation. We hope, as alumni, that you will continue to bring your Spartan spirit wherever you travel.

Our graduates go forth as caring global citizens, and although we bid you farewell and wish you a very bright future, we invite you to come home often.

Sincerely,

Lou Anna Kimsey Simon, Ph.D.  
President

# CONGRATULATORY LETTER

May 2010

Dear Graduates and Families:

Congratulations to our graduates and your families! As President Simon encourages you to come home often, so do I!

More than three decades ago, I earned a bachelor's degree at Michigan State University, and although I earned advanced degrees at other institutions, that first college degree has served me well.

It gives me great pleasure to be here at a time when Michigan State University continues to create new opportunities at home, in the state of Michigan, and around the world. With our students and our faculty, we are achieving new levels of excellence. Our students are enthusiastic in taking advantage of the opportunity to study and to expand their views, and to grow as individuals and global citizens.

As a student of Michigan State University, you are a member of a vibrant community united by the common interest we share as scholars. I hope that, even after earning your degree, you will always remain members of this community—that is, be hungry to learn, to seek new knowledge, and to share and apply that knowledge for the betterment of others.

As you and your families celebrate your accomplishments at Michigan State University, we join you in that celebration and wish you the best in all of your personal and professional pursuits and in your future endeavors as Spartans. May the relationships you forged here with your professors and other students continue to inspire you.

Sincerely,

Kim A. Wilcox, Ph.D.  
Provost and Vice President for Academic Affairs

# ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU; burnt orange and white for the University of Texas; blue and gold for UCLA). If the institution has more than one color, the chevron is used to

introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden-yellow, representing science. Generally, the code for the velvet of the hood is the same as listed below for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials, HC. Candidates graduating "With Honor" or "With High Honor" wear a gold braid.

# UNIVERSITY MACE

## A GLIMPSE OF MICHIGAN STATE UNIVERSITY

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150<sup>th</sup> birthday in 2005. The mace is designed by University Relations and was produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries during commencement and inaugural and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial is the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road campus entrance that also adorns markers at other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts of 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-41) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University: to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

# HONORARY DEGREES

## Emil Boc

You are a political leader known for integrity, a passion for social and judicial reform, and a commitment to building a society that ensures equality, sustainability, and a desirable standard of living.

From an early age you recognized your interest in politics and the welfare of society. After earning undergraduate degrees in history and philosophy, a law degree, and a doctorate in philosophy and political science in your native Romania, you came to Michigan State University as a visiting scholar. While here you interned with the Michigan Legislature and worked with the Institute of Public Policy and Social Research to link MSU and Romanian universities in the Transylvania Political Leadership Program, serving as co-director of the academically beneficial exchange.

Recognized as a leader in your political party, you were elected to Parliament and became a Deputy in the Chamber of Deputies, the lower house of Parliament. There you were known as an advocate for constitutional reform and honest and open government.

In 2005, as mayor of Cluj-Napoca, Romania, you returned to East Lansing to establish a program to exchange ideas and provide planning and development assistance for implementing democratic principles in your city and country.

As your national reputation advanced in Romania, you served as executive president of the Democratic Party. Under your direction, the party grew to be the largest in the country and win the majority of seats in Parliament. You helped lead Romania to membership in NATO and the European Union and served as vice president of the Commission to Revise the Constitution. You were named Prime Minister in 2008.

For your visionary approach to government and civil liberties; your leadership in guiding your country to be a modern democratic, free market member of the world community; and your continued partnership with MSU, I am pleased to award you the honorary degree Doctor of Laws from Michigan State University.

## Joseph P. Kennedy, II

You are known for improving the lives of the poor and the disadvantaged through your leadership of the Citizens Energy Corporation and your work in Congress.

In 1986 you were elected to the U.S. House of Representatives where your initiatives on the Banking Committee expanded availability of credit for working Americans to buy homes and start businesses and helped create new affordable housing through tax credits that stimulated private investment. Your efforts led to disclosures of discriminatory lending practices and the first congressional hearings on access to insurance in low-income neighborhoods. You proposed expanding federal research funding to stimulate development of new technologies that can provide business and job growth.

On the House Veterans Affairs Committee you passed legislation to strengthen veterans' health care and investigate causes of Persian Gulf Syndrome. To help protect children, you proposed limiting television advertising of alcohol and banning outdoor alcohol advertisements near schools. In Massachusetts, you led a bipartisan effort to fight child hunger by expanding school breakfast and lunch programs.

You founded the nonprofit Citizens Energy Corporation in 1979 and have served as chair and president since you left Congress in 1998. Established to provide heating oil to low-income families in the Northeast, Citizens Energy has expanded to 23 states and the District of Columbia. The corporation now encompasses seven companies, including one of the largest U.S. energy conservation firms. It was one of the first energy firms to move large volumes of natural gas and was a pioneer in marketing electrical power over the grid.

Through Citizens Energy you have worked to influence public policy, encouraging investment in renewable energy and energy conservation, encouraging Congress to fund heating assistance programs, and advocating for using royalties from oil and gas extracted from federal holdings to help low-income families with energy costs.

For your public service, your commitment to improving the lives of the disadvantaged, and your energy-conservation efforts to help protect the planet, I am pleased to award you the honorary degree Doctor of Laws from Michigan State University.

# HONORARY DEGREES

## Daniel G. Nocera

You are a distinguished scientist acclaimed for your discovery of an efficient way to split water into hydrogen and oxygen. This important breakthrough has significant implications for solving the world's energy problems.

You initiated the pioneering studies that led to this advance when you were an assistant professor of chemistry at Michigan State University. By developing a new catalyst and using sunlight in a process that mimicked photosynthesis you established a mechanism that works at room temperature to store solar energy as fuel and use it as needed.

Among other scientific accomplishments, you have been able to define velocity fields that in turn allow determination of velocity and turbulence properties. This innovative method has advanced understanding of airfoil physics.

You have retained your connection to MSU, giving a guest lecture each year in the freshman chemistry seminar course. Students here and at the Massachusetts Institute of Technology,

where you are Henry Dreyfus Professor of Energy, consistently name you their best teacher. You are also in demand as a speaker able to communicate scientific complexity to the general public and create excitement about the possibilities for applying scientific discoveries to sustainability challenges.

Your accomplishments have been recognized around the world. You are a member of the U.S. National Academy of Sciences and have received the United Nations IREO Science and Technology Award and the Discovery Top 100 award, among other recognitions. You were invited by the chair of the Nobel Prize Committee to be the featured speaker at a conference on your discovery of artificial photosynthesis.

For your commitment to educating students and the general public about the value of science and for your expertise in photophysics and the transformative ideas that hold great promise for solving energy problems, I am pleased to award you the honorary degree Doctor of Science from Michigan State University.

# BACCALAUREATE DEGREES

## Star-Spangled Banner

Oh, say, can you see,  
by the dawn's early light,  
What so proudly we hailed  
at the twilight's last gleaming,  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched  
were so gallantly streaming?  
And the rockets' red glare,  
the bombs bursting in air,  
Gave proof thro' the night  
that our flag was still there.  
O, say, does that  
star-spangled banner yet wave  
O'er the land of the free,  
and the home of the brave!

## America the Beautiful

O beautiful for spacious skies  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America!  
God shed his grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

## Alma Mater\*

M.S.U., We love thy shadows,  
when twilight silence falls,  
Flushing deep and softly paling,  
o'er ivy-covered halls.  
Beneath the pines we'll gather,  
to give our faith so true,  
Sing our love for Alma Mater,  
and thy praises, M.S.U.

## MSU Fight Song\*\*

On the banks of the Red Cedar,  
is a school that's known to all;  
Its speciality is winning,  
and those Spartans play good ball;  
Spartan teams are never beaten,  
all through the games they fight;  
Fight for the only colors,  
Green and White.  
Go right thru' for MSU,  
watch the points keep growing.  
Spartan teams are bound to win,  
they're fighting with a vim.  
RAH! RAH! RAH!  
See their team is weakening,  
we're going to win this game.  
Fight! Fight! Rah! Team, Fight!  
Victory for MSU.

\*The lyrics of the Alma Mater were written by Bernard Traynor (MSC Athletic Department, 1925-1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSC Shadows* was finally adopted as the official Alma Mater. Today, the Alma Mater is known as the *MSU Shadows*.

\*\*Lyrics by Francis Irvin Lankey, (MSU Engineering, 1916).

BACCALAUREATE DEGREES

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as *Academic Scholars* (A), from the *Honors College* (H), *With Honor* (\*), or *With High Honor* (\*\*). *Academic Scholars* completed a two-year honors program including at least four honors-caliber courses. *Honors College* graduates are academically-talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses. *Graduation Honors*: the current minimum grade-point average for seniors graduating *With Honor* is 3.65 and those graduating *With High Honor* is 3.86, which is approximately 20 percent of graduating seniors who have earned the highest grade-point averages. Recognition of graduation honors in the commencement program is based on the grade-point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

BACCALAUREATE DEGREES

Order of Ceremonies

COLLEGE OF ENGINEERING

Presiding

Satish S. Udpa, Dean

Processional The MSU Symphony Band, John T. Madden, *Conductor*

Star-Spangled Banner .....*Francis Scott Key*  
Kayla Kalmbach, Senior, Chemical Engineering  
The MSU Symphony Band and Audience  
*Lyrics, page 9*

Welcome Satish S. Udpa, *Dean*  
College of Engineering

MSU Board of Trustees Greetings The Honorable Donald W. Nugent

Senior Class Address Merek Roman, Chemical Engineering

2010 Claud R. Erickson  
Distinguished Alumnus Award Betty Shanahan, Electrical Engineering, B.S. 1978

Special Recognition Distinguished Alumni Awards  
Faculty Excellence in Teaching, Research, Public Service, and Student Service  
Outstanding Student Awards

Musical Interlude Fantasy on MSU Songs.....*James Curnow*  
The MSU Symphony Band  
John T. Madden, *Conductor*

Conferring of Degrees Satish S. Udpa, *Dean*  
College of Engineering

Recognition of Graduates *Dean and Department Chairpersons*

Alma Mater Gary L. Cloud, *University Distinguished Professor*, Mechanical Engineering  
The MSU Symphony Band and Audience  
*Lyrics, page 9*

Closing Remarks Satish S. Udpa, *Dean*  
College of Engineering

Recessional The MSU Symphony Band, John T. Madden, *Conductor*

# RESERVE OFFICERS TRAINING CORPS

Douglas W. Estry, Associate Provost for Undergraduate Education  
and Dean of Undergraduate Studies

Candidates—Spring and Summer, 2010

The following students have completed their ROTC education at Michigan State University and have received their commissions as reserve officers of the United States Air Force or the United States Army.

## Aerospace Studies

**Acquisitions Officer**  
Jordan Ray Bratton

**Medical Officer**  
Matthew Carlin Byrne  
Joel David Drallette

**Missile Officer**  
Ryan Mark Kohler  
Joshua David Moore

**Pilot**  
Jeremy Allen Blaney  
Martin William Geldhof  
John James Johnston  
S Jeffrey Manuel Movsesian

**Space Officer**  
Kyle Aaron Bruckner  
Lukasz Starosta

## Military Science

**Armor**  
S Matthew Richard Hunter

**Corps of Engineers**  
+ Neil Andrew Ferguson  
Andres Camilo Hernandez  
David Kenneth Metz  
++ Gregory Austin Swears

**Field Artillery**  
Zack James Grime  
+ Nathan William Walker

**Finance**  
+ Scott Douglas Goss

**Infantry**  
++ Robert Louis Reed

**Medical Service Corps**  
Darcy Lynn Sny

**Unassigned**  
+ Benjamin Andrew Arbitter  
Randall Paul Groller  
Cole Rowley Iaquinto  
Robert Anthony Pedrigi  
Christina Nicole Stants

# ADVANCED DEGREES

## Star-Spangled Banner

Oh, say, can you see,  
by the dawn's early light,  
What so proudly we hailed  
at the twilight's last gleaming.  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched  
were so gallantly streaming?  
And the rockets' red glare,  
the bombs bursting in air,  
Gave proof thro' the night  
that our flag was still there.  
O, say, does that  
star-spangled banner yet wave  
O'er the land of the free,  
and the home of the brave!

## Alma Mater\*

M.S.U., We love thy shadows,  
when twilight silence falls,  
Flushing deep and softly paling,  
o'er ivy-covered halls.  
Beneath the pines we'll gather,  
to give our faith so true,  
Sing our love for Alma Mater,  
and thy praises, M.S.U.

\*The lyrics of the Alma Mater were written by Bernard Traynor (MSC Athletic Department, 1925-1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSC Shadows* was finally adopted as the official Alma Mater. Today, the Alma Mater is known as the *MSU Shadows*.

# ADVANCED DEGREES

## Order of Ceremonies

### Presiding

Lou Anna Kimsey Simon, President, Michigan State University

Processional The MSU Wind Symphony  
Kevin L. Sedatole, *Conductor*

Star-Spangled Banner .....*Francis Scott Key*  
David J. Theis, Senior, College of Music

# MASTER'S DEGREES

## COLLEGE OF AGRICULTURE AND NATURAL RESOURCES

Jeffrey D. Armstrong, Dean

Candidates—Spring and Summer, 2010

### Degree of Master of Arts

**Environmental Design**  
Eunice Nyawira Chege

**Interior Design and  
Facilities Management**  
So Yun Park

### Degree of Master of Science

**Agricultural Economics**  
Susan Sou-I Chen  
Ana Fernandez-Martinez  
Natalie Bess Lenski  
S Sara Ratna Qanti

**Agricultural, Food and  
Resource Economics**  
Jennifer Ann Allwardt  
David Frederick Binkley  
Huilan Chen  
Xiaoxi Gao  
Joseph Christopher Goeb  
Laura Katherine James  
Karen Elizabeth Lewis  
Shan Ma  
Joshua Harold Nielsen

**Animal Science**  
Barbara Anne Casey  
Andrew Michael  
Cohen-Barnhouse  
Melissa Ann Liszewski  
Jaclyn Marie Mapes  
Joao Paulo Nascimento  
Martins  
Jeremy N. Moore  
Danielle Marie Scheertz  
Dustin Lee Tazelaar

**Biosystems Engineering**  
S Niroj Aryal  
Ying Liu  
Xiaorui Niu  
S Emma B. Settingington  
Charles David Teater  
S David Michael Wall  
Wen Yang

**Community, Agriculture,  
Recreation and Resource  
Studies**  
Kana Aoki  
S Lesley Wren Atwood  
James Robert Bennett  
S Patrick Michael Carolan  
S Stacia Marie Falat  
Huan-Sheng Huang  
Karena Alice Minor  
Katherine Jane Nault  
Lia Marie Spaniolo

**Construction Management**  
Qingwei Li  
Lipika Swarup

**Crop and Soil Sciences**  
Kelly Anna Barnett  
Rachel Kaye Bethke  
Calvin Farrell Glaspie  
S Ramkrishna Kandel  
Stephanie Ilene Peck  
Katherine Kelly Withers

**Entomology**  
Emily Yvonne Campbell  
Chenin Kathleen Limback  
Andrew David Pike  
John J. Stone  
Vianney Olivier Michael  
Willot

**Fisheries and Wildlife**  
S Brandon Michael Armstrong  
Robyn Leah Bailey  
Joshua David Booker

S Melinda Kay Cosgrove  
S Daniel Thomas Eichinger  
S Benjamin Wayne Felt  
Carol Emiko Fergus  
Jiarong Guo  
S Mustafa A. Mazher  
Ivan Orlic  
S Kimberly Ann Peters  
S Benjamin Robert Schmitt  
Ralph William Tingley III  
Matthew D. Wesener  
S Heidi Lisette Ziegenmeyer

**Food Science**  
S Susan D. Peaco  
Rico Susanto

**Forestry**  
Ellen Kathryn Holste

**Horticulture**  
Victoria Joy Ackroyd  
Attila Filo  
Amanda Jo Taylor

**Human Nutrition**  
Sarah Elizabeth Hojnacki  
S Sarah Josephine McCaskey

**Packaging**  
Patnarin Benyathiar  
Julia Corinna Breisinger  
Mamud Oyarebu Dako  
S Maria Kristina Irene  
Darsono  
Carly Jean DeHenau  
Reed Carlson Eppelheimer

Angela Marie Friend  
Kenneth Mechigian Gruhl  
MinJung Joo  
Ashish A. Kadam  
Nipun Kapoor  
S Satoru Kinoshita  
Karen Marie Knutson  
Apurva Nitin Kulabkar  
Bhupinder Kumar  
Pierre Eugène Labéjof  
Carrie Lynne Langkabel  
Katrina Noel-Marie Lively  
Nikhil Mehrotra  
Matthew Aaron Nicholls

Kuen Woong Park  
Praveen Rawal  
Gregory Brian Robinson  
Hayati Samsudin  
Rebecca Lynn Schaeff  
Won-Tae Seo  
Raafia Siddiq  
Christopher Harper Steckler  
Rajeev Raji Tebak

**Plant Breeding, Genetics  
and Biotechnology—  
Crop and Soil Sciences**  
Carmille Joanna Casinillo  
Bales

**Plant Pathology**  
S Paul Ryan Giordano  
Lina Maria  
Rodriguez-Salamanca  
Wenting Zeng

## COLLEGE OF ARTS AND LETTERS

Karin A. Wurst, Dean

Candidates—Spring and Summer, 2010

### Degree of Master of Arts

**American Studies**  
Adam Michael Haviland  
S Rebecca Jo Hector Kruth

**Applied Spanish Linguistics**  
Kathleen Jayne Avila  
Nicole M. Cuddie  
Bernard Ibrahim Issa  
Astrid I. Roman

**Critical Studies in  
Literacy and Pedagogy**  
Barbara A. Gerber  
S Kathleen Ann Livingston  
Natasha Louise Trace  
S Sarah L. Welch

**Digital Rhetoric and  
Professional Writing**  
Christopher Ryan Bell  
John Patrick Castronova

Kristen Lare Flory  
S Jeremy Alan Harder  
Frances Amelia Howes

**French**  
Stefanie Lynn Picmann  
Whitney Lynn Rantz

**Hispanic Literatures**  
Marina Cuzovic  
Alejandro Gonzalez Landeros

**Linguistics**  
Stephen Brigham Backman  
Hye Sun Park  
Tai-Heng Shih  
Vishwajeet Kumar Singh  
Yi-Hui Yang  
Zhiyan Zhang

**Literature in English**  
Shaina Osaretin Amienyi  
Gavin James Craig  
Emilie Ndione Diouf  
Faith Virginia Kirk  
Brittany Lynn West

**Teaching English to  
Speakers of Other  
Languages**  
Sally Jo Behrenwald  
Mary Frances Cappiello  
Allyssa Blythe Chamberlain  
Chen Chen  
Chanaichon Damsri  
Marie Nicole Hollenbeck  
Yu-Yen Huang  
Ji Hye Im  
Se Hoon Jung

## GRADUATING CLASS

**The Michigan State University Alumni Association:**  
invites you to activate your membership for 2010 graduates.  
For information  
please visit [www.msualum.com](http://www.msualum.com)

**Senior Class Gift:**  
information is available at  
[www.givingto.msu.edu/seniorgift](http://www.givingto.msu.edu/seniorgift)

## BE SPARTAN GREEN

At Michigan State University we are committed to environmental stewardship. After all, as Spartans, we have been "green" from the beginning. Commencement provides us an opportunity to continue to engage in innovative partnerships which contribute to a more sustainable planet. These are some of the steps we are taking with our partners and which will remain in place:

- Students who apply for graduation are sent e-mail invitations directing them to the Commencement Web site ([www.commencement.msu.edu](http://www.commencement.msu.edu)) for information and instructions.
- Commencement mock diplomas, which are presented to degree candidates at their commencement ceremonies, and the Undergraduate Convocation program booklet are 30% post-consumer recycled content. The Commencement program booklet is 100% post-consumer recycled content.

These two initiatives contribute to saving:

- 1,043 tons of wood (or the equivalent of 7,288 trees)
- 2,317 million British thermal units (or the equivalent of heating 25 homes)
- 694,768 pounds of carbon dioxide (or the equivalent of 64 cars off the road)
- 3,345,169 gallons of water (or the equivalent of six Olympic-sized swimming pools)
- 203,188 pounds of solid waste (or the equivalent of eight garbage trucks)
- Graduating seniors' caps and gowns, in an updated shade of green, and master's degrees' caps and gowns are made of post-consumer recycled content; each cap and gown is made of a minimum of 13 plastic bottles.

The graduating class of 2010 joins us in environmental stewardship by making the following contributions to sustainability:

- A minimum of 58,500 plastic bottles were recycled to robe the Class of 2010.
- Elimination of approximately 16,500 yards of fabric designed for one time use and then discarded in landfills.

Please recycle your gowns after taking photos on campus with your family and friends. You may return your cap and gown to the Spartan Spirit Shop, MSU Union Building: Monday–Friday: 9:00 a.m.–7:00 p.m.; Saturday: 10:00 a.m.–to 6:00 p.m.; Sunday: Noon–5:00 p.m. For more information visit [www.hfs.msu.edu/union/specials.html](http://www.hfs.msu.edu/union/specials.html).

- For many years we have been renting the plants which bring color to the commencement stages and add vibrancy to the ceremonies at Breslin Center, the MSU Auditorium, and Wharton Center.
- For more than a decade the bachelor's and master's degree diplomas issued by Michigan State University have been printed on paper which is 30% post-consumer recycled content.

For additional information about environmental stewardship at MSU, please visit *Be Spartan Green* at [www.bespartangreen.msu.edu/index.html](http://www.bespartangreen.msu.edu/index.html).

*Environmental impact estimates above for paperless communication and recycled paper were made using the Environmental Defense Fund Paper Calculator. For more information, visit [www.papercalculator.org](http://www.papercalculator.org).*
