

COMMENCEMENT

2012 SPRING SEMESTER

MICHIGAN STATE
UNIVERSITY

COMMENCEMENT CEREMONIES

SPRING 2012

“Your degree acknowledges that you are—and forever will be—a part of the amazing Spartan network that spans the globe. You are part of this university—our annals—and, I hope, MSU is in your heart forever. You have before you the opportunity to extend your positive influence into the wider world for years to come.”

Lou Anna K. Simon Ph.D.
President
Michigan State University

Photo above is an MSU entrance marker. This one, of brick and limestone, displays our proud history as the nation's pioneer land-grant university. On this—and other markers—is a band of alternating samara and acorns derived from maple and oak trees commonly found on campus. This pattern is repeated on the University Mace (see page 6).

Inside Cover: Pattern of alternating samara and acorns.

Michigan State University photos provided by University Relations.

ENVIRONMENTAL
STEWARDSHIP

Mock Diplomas and the
Commencement Program Booklet

Commencement mock diplomas, which are presented to degree candidates at their commencement ceremonies, are 30% post-consumer recycled content. The Commencement program booklet is 100% post-consumer recycled content.

Caps and Gowns

Graduating seniors' caps and gowns and master's degrees' caps and gowns are made of post-consumer recycled content; each cap and gown is made of a minimum of 13 plastic bottles.

Graduating Seniors and Master's
Degree Candidates

Once all of your favorite photos are taken on campus, please recycle your gown at the MSU Union Spartan Spirit Shop—a recycle bin for gowns will be placed in the hall when the store is closed.

For additional information about environmental stewardship at MSU, please visit Be Spartan Green at www.bespartangreen.msu.edu.

GRADUATING CLASS

MSU Alumni Association

Invites you to activate your two-year complimentary membership for 2012 graduates.

For information please visit www.alumni.msu.edu.

Senior Class Gift

Information is available at www.givingto.msu.edu/seniorgift.

MISSION STATEMENT

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders
- conducting research of the highest caliber that seeks to answer questions and create solutions to expand human understanding and make a positive difference, both locally and globally
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

UNIVERSITY MACE

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150th birthday in 2005. The mace was designed by University Relations and produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries at commencement, inaugural, and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial depicts the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road and other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," that is, from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts in 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-41) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to advancing knowledge and transforming lives across the state, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 561 buildings. Today, 15,000 acres are used throughout Michigan for agricultural, animal, and forestry research.

MSU has more than 47,000 students from all 83 counties in Michigan, all 50 states, and 130 other countries. Nearly 500,000 Spartan alumni live around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, and is the only university in the country with three on-campus medical schools.

The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study. MSU has produced more Rhodes Scholars in the past 25 years than any other Big Ten school.

Research and other grants total nearly \$500 million a year. The top federal funding agencies include the National Science Foundation, the U.S. Department of Health and Human Services, and the U.S. Department of Agriculture. Other externally funded research programs include the MSU-U.S. Department of Energy Plant Research Laboratory, the Center for Advancing Microbial Risk Assessment, the Great Lakes Bioenergy Research Center, the Energy and Automotive Research Laboratories, the Composite Vehicle Research Center, the U.S.-China Center for Research on Educational Excellence, the Center for Advanced Study of International Development, and the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. Department of Energy selected MSU to design and establish the Facility for Rare Isotope Beams (FRIB). The proposed \$600 million facility will bring together an international community of leading scientists. Their work will help unlock the mysteries of the universe and promote breakthrough applications for medicine, national security, and the environment.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The AgBioResearch (formerly Michigan Agricultural Experiment Station) encompasses the research of more than 400 scientists in six colleges and at a network of 14 field research stations in the state. Their work ranges from the development of forest products to food safety, new varieties of fruits and vegetables, water quality, livestock production, rural and community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in study abroad among U.S. public universities with more than 270 programs on all continents in more than 60 countries. Nearly 3,000 MSU students participate in study abroad each year.

Michigan State University is a member of the Association of American Universities, the Association of Public and Land-grant Universities, the American Council on Education, the American Council of Learned Societies, the International Association of Universities, the Association of Graduate Schools, the Council of Graduate Schools, and the Committee on Institutional Cooperation.

From the President May 2012

CONGRATULATORY LETTER

DEAR GRADUATES AND FAMILIES:

Graduation is an important milestone. At commencement ceremonies, we celebrate our graduates and their accomplishments at Michigan State University, and we acknowledge the encouragement and support that family and other significant individuals have provided them. Reaching this milestone marks the completion of a degree program and the beginning of the next chapter in each student's life.

Graduates become part of a tradition that spans more than 150 years. As a person with a long-standing connection to Michigan State, I have had many opportunities to interact with alumni, students, faculty, and staff who, on a daily basis, are advancing knowledge and transforming lives. Although much has changed along the banks of the Red Cedar River since I first enrolled in 1970, the core values of the University remain—quality, inclusiveness, and connectivity.

MSU leads as a "community-engaged university." Our faculty and students are involved in outreach and forge partnerships to serve the public good. Through research, education, and practice, we make the world and our campus better places. To be a Spartan is to be a part of something big. There are nearly 500,000 Spartans at work on every continent, rising to practically every challenge imaginable. Every day, we make the world more sustainable, healthy, safe, and beautiful, proving again and again that "Spartans Will."

Our graduates go forth as caring global citizens, and although we bid you farewell I ask you to recall what our legendary President John A. Hannah confirmed. A special bond is forged with our graduates.

Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University ...forever.

Forever starts now. May you have a very bright future and come home often.

Sincerely,

Lou Anna Kimsey Simon Ph.D.
President

From the Provost and Vice President for Academic Affairs May 2012

CONGRATULATORY LETTER

DEAR GRADUATES AND FAMILIES:

Congratulations to our graduates and your families! As President Simon encourages you to come home often, so do I!

As you may or may not know, I earned a bachelor's degree at Michigan State University, and although I earned advanced degrees at other institutions, that first college degree has served me well.

It gives me great pleasure to be here at a time when Michigan State University continues to create new opportunities at home, in the state of Michigan, and around the world. With our students and faculty, we are achieving new levels of excellence even as we face many new challenges. Our students are enthusiastic in taking advantage of the opportunities to study and to expand their views, and to grow as individuals and global citizens.

As a student of Michigan State University you are a member of a vibrant community united by the common interest we share as scholars. I hope that even after earning your degree, you will always remain members of this community—that is, be hungry to learn, to seek new knowledge, and to share and apply that knowledge for the betterment of others and to contribute to a more sustainable planet for the generations of Spartans who follow you.

As you and your families celebrate your accomplishments at Michigan State University, we join you in that celebration and wish you the best in all of your personal and professional pursuits and in your future endeavors as Spartans. May the relationships you forged here with your professors and other students continue to inspire you.

Sincerely,

Kim A. Wilcox Ph.D.
Provost and Vice President
for Academic Affairs

ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU). If the institution has more than one color, the chevron is used to introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science. Generally, the code for the velvet of the hood is the same as listed for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials "HC." Candidates graduating "With Honor" or "With High Honor" wear a gold braid.

EMIL BOC
You were the prime minister of Romania, from 2008 until earlier this year, during worldwide economic and financial turmoil, throughout which you championed economic reforms to help your country recover.

Your service to your country over the last decade includes your role as president of BPJ Cluj (County Standing Bureau), mayor of Cluj-Napoca, president of the Romanian Democratic Liberal Party, and then prime minister. Your leadership experience and your scholarship resulted in several books and articles on parliamentary systems, constitutional law, and the dynamics of presidential rule.

During your political career, you have argued for stronger economic supports for agriculture in an effort to move beyond Romania's dependence on foreign sources of food and build an agri-food products export industry that would create jobs in rural areas. You advocated for improvements in the basic infrastructure

in rural areas—water supply, sewers, electric lighting—to attract more urban dwellers. You also urged the elimination of government inefficiency and bureaucratic barriers, including a call to usher in an era of e-government.

As a visiting scholar here at Michigan State University fifteen years ago, you established a link between MSU and your alma mater, Babeş-Bolyai University in Cluj-Napoca, where you earned your doctoral degree in political science and political philosophy. Your experience with the Michigan Political Leadership/Transylvania Political Leadership Program was just one of the continuous learning experiences you have pursued in your career, having studied at several American universities, the University of Nottingham, England, and the Université libre de Bruxelles.

For your lifelong commitment to civic engagement and scholarship, I am pleased to award you the honorary degree of Doctor of Laws from Michigan State University.

MARY ROBINSON
You are a transformative leader who has had a global impact on human rights, workers' rights, women's rights, and gay rights. As the first woman president of Ireland, you revitalized the role of the presidency, using your professional knowledge and commitment to social justice to make significant progress. You continue to defend the most vulnerable among us: those who have few legal rights or are ill, hungry, and poor.

While president of Ireland, you reached across traditional cultural and political barriers to build productive relationships with the British Royal family, the Catholic Church, and even divisive forces in your own country. Your national successes led you to be named the United Nations High Commissioner for Human Rights. In that role, you served as an inspiring leader wherever you went, using controversy to raise consciousness and drive social change.

Your energy for social and legal reform has

driven you to become one of the elite members of The Elders, an independent group of world leaders chaired by Archbishop Desmond Tutu. You are currently president of the Mary Robinson Foundation for Climate Justice (MRFCJ), a center for thought leadership, education, and advocacy in the struggle to secure global justice for those many victims of climate change who are usually forgotten—the poor and the marginalized.

Your activism has been rewarded by nations throughout the world, bestowing on you such prestigious honors as the Presidential Medal of Freedom from the President of the United States; the Sydney Peace Prize; the Otto Hahn Peace Medal; the Dame Grand Cross of Merit; and knighthood from the Military and Hospitalier Order of Saint Lazarus of Jerusalem.

For your courage and for being the champion for those in need, I am pleased to award you the honorary degree of Doctor of Laws from Michigan State University.

HONORARY DEGREE CITATIONS

ROBERT J. SKANDALARIS

You are an entrepreneur, author, and philanthropist—an MSU-educated accountant—who founded several highly successful public and private companies. Your extraordinary sense of how to create economic value in industries as diverse as manufacturing auto parts to providing financial services has given you a unique perspective on how to drive innovation and how to prepare tomorrow's entrepreneurs.

Your own business experiences drove you to establish the highly regarded Skandalaris Center for Entrepreneurial Studies at Washington University in St. Louis, which provides education and internships for all students on the campus as well as support for the development of the broader St. Louis community.

An active philanthropist, you helped to establish the Skandalaris Family Foundation, which supports scholarships, the majority of which are awarded to Michigan residents. The foundation also funds such socially conscious proj-

ects as the Blessing Basket Project. Working with the foundation and the student entrepreneurs in the Skandalaris Center, the Blessing Basket Project was given the support it needed to become a successful, self-sustaining, transformative global initiative to fight poverty.

You continue to inspire others to achieve greatness. You are the author of *The Evolution of the American Dream* and *Rebuilding the American Dream*, both of which examine the importance of innovation and entrepreneurship to the American way of life, documenting how technology and innovation are changing the way we think, learn, and live, and how these changes will impact our future, both as a nation and as individuals.

For your tireless energy in promoting sustainable prosperity here and around the world, I am pleased to award you the honorary degree of Doctor of Business from Michigan State University.

SUBRA SURESH

You are a highly accomplished engineer and scholar, whose work has opened new paths for scientific inquiry on the mechanical properties of structural and functional materials, materials design and characterization, and the potential connections between cellular nanomechanical processes and human-disease states. You have co-authored more than 240 journal articles, registered 21 patents, and written three widely used materials science books.

You have received worldwide recognition for your scientific contributions, having been elected to the U.S. National Academy of Engineering, the American Academy of Arts and Sciences, and the Spanish, German, Swedish, and Indian equivalents of these prestigious groups. Your many honors include the European Materials Medal, the Eringen Medal of the Society of Engineering Science, the Padma Shri Award from the President of India (one of the highest civilian honors from the Republic of India), the Nadai Medal from the American Society of Mechanical Engineers, and the R. F. Mehl Award from The Minerals, Metals and Materials Society.

As dean of the School of Engineering and the Vannevar Bush Professor of Engineering at the Massachusetts Institute of Technology (MIT), you helped create new state-of-the-art laboratories, the MIT Transportation Initiative, and the Center for Computational Engineering; led MIT's efforts in establishing the Singapore-MIT Alliance for Research and Technology (SMART) Center; and oversaw the recruitment of a record number of women faculty in engineering.

Since you became director of the \$7-billion-dollar National Science Foundation (NSF) in 2010, you have established several new initiatives including INSPIRE (Integrative NSF Support Promoting Interdisciplinary Research and Education), PEER (Partnerships for Enhanced Engagement in Research, in collaboration with USAID), the NSF Career-Life Balance Initiative, and the NSF Innovation Corps.

For your tireless pursuit of new knowledge and your international commitment to promoting the goals of science and engineering, I am pleased to award you the honorary degree of Doctor of Science from Michigan State University.

CEREMONY LYRICS

THE STAR SPANGLED BANNER

Oh, say, can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof thro' the night
that our flag was still there.
O, say, does that
star-spangled banner yet wave
O'er the land of the free,
and the home of the brave!

AMERICA THE BEAUTIFUL

O beautiful for spacious skies
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

ALMA MATER*

M.S.U., We love thy shadows,
when twilight silence falls,
Flushing deep and softly paling,
o'er ivy-covered halls.
Beneath the pines we'll gather,
to give our faith so true,
Sing our love for Alma Mater,
and thy praises, M.S.U.

MSU FIGHT SONG**

On the banks of the Red Cedar,
is a school that's known to all;
Its specialty is winning,
and those Spartans play good ball;
Spartan teams are never beaten,
all through the games they fight;
Fight for the only colors,
Green and White.
Go right thru' for MSU,
watch the points keep growing.
Spartan teams are bound to win,
they're fighting with a vim.
RAH! RAH! RAH!
See their team is weakening,
we're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

*The lyrics of *Alma Mater* were written by Bernard Traynor (MSC Athletic Department, 1925-1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSU Shadows* was finally adopted as the official *Alma Mater*.

**Lyrics by Francis Irvin Lankey (MSU Engineering, 1916).

BACCALAUREATE DEGREES

- Leads the nation in study abroad participation among public universities for the seventh consecutive year, according to the Institute of International Education
- One of the nation's top five campuses for sustainability, according to the National Wildlife Federation's Campus Environment Report Card
- Among the largest single-campus residence hall system in the country with undergraduate halls, graduate hall, and apartment villages
- MSU's residential college, study abroad, and service-learning programs are recognized as "outstanding programs" designed to foster student success in *U.S. News and World Report* 2012 edition of *America's Best Colleges*.

Photo above left: Beaumont Tower, an MSU icon.
Photo above right: Sparty standing proud while spring blossoms.

BACCALAUREATE DEGREES

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as Academic Scholars (A), from the Honors College (H), With Honor (*), or With High Honor (**). Academic Scholars completed a two-year honors program including at least four honors-caliber courses. Honors College graduates are academically talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses.

Graduation Honors: the current minimum grade point average for seniors graduating With Honor is 3.69 and those graduating With High Honor is 3.89 (which is approximately 20 percent of graduating seniors who have earned the highest grade point averages). Recognition of graduation honors in the commencement program is based on the grade point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

Satish S. Udpa, Dean

BACCALAUREATE DEGREES

ORDER OF CEREMONIES

Processional

The MSU Symphony Band
 John T. Madden, Conductor

The Star Spangled Banner (Lyrics, page 13)

Composed by Francis Scott Key
 Led by Jayson Blough, Mechanical Engineering
 The MSU Symphony Band and Audience

Welcome

Satish S. Udpa, Dean
 College of Engineering

Greetings from the Provost

Kim A. Wilcox, Provost and Vice President for Academic Affairs

Senior Class Address

Ralph Paulk, Applied Engineering Sciences

2012 Claud R. Erickson Distinguished Alumnus Award

Dr. Sami R. Al-Araji, Mechanical Engineering, B.S. 1967 and Ph.D. 1973

Special Recognition

Distinguished Alumni Awards
 Faculty Excellence in Teaching, Research, Public Service, and Student Service
 Outstanding Student Awards

Musical Interlude

Fantasy on MSU Songs
 Composed by James Curnow
 The MSU Symphony Band, John T. Madden, Conductor

Conferring of Degrees

Satish S. Udpa, Dean
 College of Engineering

Recognition of Graduates

Dean and Department Chairpersons

Alma Mater (Lyrics, page 13)

Led by Gary L. Cloud, University Distinguished Professor, Mechanical Engineering
 The MSU Symphony Band and Audience

Closing Remarks

Satish S. Udpa, Dean
 College of Engineering

Recessional

The MSU Symphony Band
 John T. Madden, Conductor

The audience is requested to remain seated during the processional and recessional.

These students have completed their Reserve Officers Training Corps education at Michigan State University and have received their commissions as reserve officers of the United States Air Force or the United States Army.

GRADUATE DEGREES AND GRADUATE PROFESSIONAL DEGREES

- Notable discoveries include homogenization of milk and the anticancer drug cisplatin
- *U.S. News & World Report* ranks MSU first in the nation for 17 years for graduate programs in elementary and secondary education rank
- Research and other grants totaled \$495 million in 2009-10. The top federal funding agencies: National Science Foundation, U.S. Department of Health and Human Services, U.S. Department of Energy, and U.S. Department of Agriculture
- *U.S. News & World Report* ranks MSU first in the nation for graduate programs in nuclear physics, industrial and organizational psychology
- MSU was selected by the U.S. Department of Energy to design and establish the Facility for Rare Isotope Beams, a \$600 million facility that will advance understanding of rare nuclear isotopes and the evolution of the cosmos and provide research opportunities for scientists and students from around the globe

Photo above left: One of many lanterns seen on campus—the original design dates back to the late 1920's.
Photo above right: Russell Thayer, *Windraps II*, steel, 2008. South entrance to the Biomedical Physical Sciences Building.

ADVANCED DEGREES

ORDER OF CEREMONIES

Presiding

Lou Anna Kimsey Simon, President
Michigan State University

Processional

The MSU Wind Symphony
Kevin L. Sedatole, Conductor

The Star Spangled Banner (Lyrics, page 13)

Composed by Francis Scott Key
Led by Derrick Fox, Doctoral Student, College of Music
The MSU Wind Symphony and Audience

Presentation of Honorary Degree Candidates

J. Ian Gray, Vice President for Research and Graduate Studies

Address

Dr. Subra Suresh
Director
National Science Foundation
Arlington, Virginia

Special Music

Esprit de Corps
Composed by Robert Jager
The MSU Wind Symphony, Kevin L. Sedatole, Conductor

Introduction and Remarks

The Honorable Melanie Foster, Vice Chairperson, The MSU Board of Trustees

Conferring of Degrees

Lou Anna Kimsey Simon, President

Alma Mater (Lyrics, page 13)

The MSU Wind Symphony, Mr. Fox, and Audience

Recessional

The MSU Symphony Band
Kevin L. Sedatole, Conductor

Professor John W. Powell, Chairperson, The Steering Committee of Academic Governance and Faculty Senate, is the academic mace bearer.

The audience is requested to remain seated during the processional and recessional.

Karen L. Klomparens, Associate Provost
for Graduate Education and Dean of
The Graduate School

"Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever."

John A. Hannah (1902-1991)
President, Michigan State University (1941-1969)
