2014 SPRING SEMESTER

MICHIGAN STATE
UNIVERSITY

COMMENCEMENT CEREMONIES
SPRING 2014

“Your degree acknowledges that you are—and forever will be—a part of the amazing Spartan network that spans the globe. You are part of this university—our annals—and, I hope, MSU is in your heart forever. You have before you the opportunity to extend your positive influence into the wider world for years to come.”

Lou Anna Kimsey Simon Ph.D.
President
Michigan State University

Photo above: an MSU entrance marker of brick and limestone, displaying our proud history as the nation's pioneer land-grant university. On this—and other markers—is a band of alternating samara and acorns derived from maple and oak trees commonly found on campus. This pattern is repeated on the University Mace (see page 10).
Inside Cover: Pattern of alternating samara and acorns.

ENVIRONMENTAL
STEWARDSHIP

Mock Diplomas and the
Commencement Program Booklet

Commencement mock diplomas, which are presented to degree candidates at their commencement ceremonies, are 30% post-consumer recycled content. The Commencement program booklet is 100% post-consumer recycled content.

Caps and Gowns

Graduating seniors' caps and gowns and master's degrees' caps and gowns are made of post-consumer recycled content; each cap and gown is made of a minimum of 13 plastic bottles.

Graduating Seniors and Master's
Degree Candidates

Once all of your favorite photos are taken on campus, please recycle your gown at the MSU Union Spartan Spirit Shop.

For additional information about environmental stewardship at MSU, please visit Be Spartan Green at www.bespartangreen.msu.edu.

GRADUATING CLASS

MSU Alumni Association

Invites you to activate your two-year complimentary membership for 2014 graduates.

For information please visit www.alumni.msu.edu.

Senior Class Gift

Information is available at www.givingto.msu.edu/seniorgift.

MISSION STATEMENT

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders
- conducting research of the highest caliber that seeks to answer questions and create solutions to expand human understanding and make a positive difference, both locally and globally
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

From the President May 2014

CONGRATULATORY LETTER

DEAR GRADUATES AND FAMILIES:

Graduation is an important milestone. At commencement ceremonies, we celebrate our graduates and their accomplishments at Michigan State University, and we acknowledge the encouragement and support that family and other significant individuals have provided them. Reaching this milestone marks the completion of a degree program and the beginning of the next chapter in each student's life.

Graduates become part of a tradition that spans more than 150 years. As a person with a long-standing connection to Michigan State, I have had many opportunities to interact with alumni, students, faculty, and staff who, on a daily basis, are advancing knowledge and transforming lives. Although much has changed along the banks of the Red Cedar River since I first enrolled in 1970, the core values of the University remain—quality, inclusiveness, and connectivity.

MSU leads as a "community-engaged university." Our faculty and students are involved in outreach and forge partnerships to serve the public good. Through research, education, and practice, we make the world and our campus better places. To be a Spartan is to be a part of something big. There are more than 500,000 Spartans at work on every continent, rising to practically every challenge imaginable. Every day, we make the world more sustainable, healthy, safe, and beautiful, proving again and again that "Spartans Will."

Our graduates go forth as caring global citizens, and although we bid you farewell I ask you to recall what our legendary President John A. Hannah confirmed. A special bond is forged with our graduates.

Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University ...forever.

Forever starts now. May you have a very bright future and come home often.

Sincerely,

Lou Anna Kimsey Simon Ph.D.
President

From the Provost and Executive Vice President
for Academic Affairs May 2014

CONGRATULATORY LETTER

DEAR GRADUATES AND FAMILIES:

Congratulations to our graduates and your families! As President Simon encourages you to come home often, so do I!

As you may or may not know, I earned my degrees at Michigan State University. This education has served me well.

It gives me great pleasure to be here at a time when Michigan State University continues to create new opportunities at home, in the state of Michigan, and around the world. With our students and faculty, we are achieving new levels of excellence even as we face many new challenges. Our students are enthusiastic in taking advantage of the opportunities to study and to expand their views, and to grow as individuals and global citizens.

As a student of Michigan State University you are a member of a vibrant community united by the common interest we share as scholars. I hope that even after earning your degree, you will always remain members of this community—that is, be hungry to learn, to seek new knowledge, and to share and apply that knowledge for the betterment of others and to contribute to a more sustainable planet for the generations of Spartans who follow you.

As you and your families celebrate your accomplishments at Michigan State University, we join you in that celebration and wish you the best in all of your personal and professional pursuits and in your future endeavors as Spartans. May the relationships you forged here with your professors and other students continue to inspire you.

Sincerely,

June Pierce Youatt Ph.D.
Provost and Executive Vice President
for Academic Affairs

MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to advancing knowledge and transforming lives across the state, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 532 buildings. Today, 17,500 acres are used throughout Michigan for agricultural, animal, and forestry research.

MSU has more than 48,000 students from all 83 counties in Michigan, all 50 states, and more than 130 other countries. There are more than one-half million Spartan alumni living around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, including graduate and graduate professional education. The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study.

Research and other grants total nearly \$500 million a year. The top federal funding agencies include the National Science Foundation, the U.S. Department of Health and Human Services, and the U.S. Department of Agriculture. Other externally funded research programs include the MSU-U.S. Department of Energy Plant Research Laboratory, the Center for Advancing Microbial Risk Assessment, the Great Lakes Bioenergy Research Center, the Energy and Automotive Research Laboratory Centers, the Composite Vehicle Research Center, the U.S.-China Center for Research on Educational Excellence, the Center for Advanced Study of

International Development, and the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. Department of Energy selected MSU to design and establish the Facility for Rare Isotope Beams (FRIB). The proposed \$730 million facility will bring together an international community of leading scientists. Their work will help unlock the mysteries of the universe and promote breakthrough applications for medicine, security, and industry.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The AgBioResearch (formerly Michigan Agricultural Experiment Station) encompasses the research of 350 scientists in six colleges and a network of 13 research centers across the state. Their work ranges from agricultural production, alternative energy and biofuel production, food safety and environmental stewardship to childhood obesity, community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in study abroad among U.S. public universities with more than 270 programs on all continents in more than 60 countries. Nearly 3,000 MSU students participate in study abroad each year.

Michigan State University is a member of the Association of American Universities, the Association of Public and Land-grant Universities, the American Council on Education, the American Council of Learned Societies, the Council of Graduate Schools, and the Committee on Institutional Cooperation.

CEREMONY LYRICS

THE STAR SPANGLED BANNER

O, say, can you see
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O, say, does that
star-spangled banner yet wave,
O'er the land of the free,
and the home of the brave.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

ALMA MATER*

M.S.U., We love thy shadows,
when twilight silence falls,
Flushing deep and softly paling,
o'er ivy-covered halls.
Beneath the pines we'll gather,
to give our faith so true,
Sing our love for Alma Mater,
and thy praises, M.S.U.

When from these scenes we wander,
and twilight shadows fade,
Our mem'ry still will linger,
where light and shadows played;
In the evening oft we'll gather,
and pledge our faith anew,
Sing our love for Alma Mater,
and thy praises, MSU.

MSU FIGHT SONG**

On the banks of the Red Cedar,
is a school that's known to all;
Its speciality is winning,
and those Spartans play good ball;
Spartan teams are never beaten,
all through the games they fight;
Fight for the only colors,
Green and White.
Go right thru' for MSU,
watch the points keep growing.
Spartan teams are bound to win,
they're fighting with a vim.
RAH! RAH! RAH!
See their team is weakening,
we're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

*The lyrics of *Alma Mater* were written by Bernard Traynor (MSC Athletic Department, 1925-1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSU Shadows* was finally adopted as the official *Alma Mater*.

**Lyrics by Francis Irvin Lankey (MSU Engineering, 1916).

UNIVERSITY MACE

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150th birthday in 2005. The mace was designed by University Relations and produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries at commencement, inaugural, and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial depicts the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road and other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," that is, from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts in 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-1941) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU). If the institution has more than one color, the chevron is used to introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science. Generally, the code for the velvet of the hood is the same as listed for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials "HC." Candidates graduating "With Honor" or "With High Honor" wear a gold braid.

HONORARY DEGREES

Alumnus Eli Broad, for whom MSU's Eli Broad College of Business is named, is a renowned business leader who built two Fortune 500 companies from the ground up. Not only is he a successful entrepreneur, but Mr. Broad and his wife, Edythe, are engaged in many important philanthropic endeavors. In fall 2002, Michigan State University proudly awarded Mr. Broad an honorary doctorate of humanities.

Eli Broad and his wife, Edythe, with a total gift of \$28 million, have made contemporary art available to the entire Michigan State University community and those who visit us from around the globe. The Eli and Edythe Broad Art Museum officially opened November 10, 2012. The world-class art museum is designed by Pritzker Prize-winning architect Zaha Hadid. For information about the facility, exhibitions and programs, please visit www.broadmuseum.msu.edu.

We tell our graduates to "Come Home Often." We hope that you, and your family, will come home often and include a visit to the Eli and Edythe Broad Art Museum.

HONORARY DEGREE CITATIONS

NORMAN RALPH AUGUSTINE

You are a defense industry legend who has spent a career advancing the role of technology, science, and engineering in assuring America's future.

From the time you graduated from Princeton University with a bachelor's degree in aeronautical engineering and a master of science in engineering, you have served both industry and the United States government, providing leadership in complex and critical areas of national defense. As Under Secretary of the Army and later as the first president of Lockheed Martin Corporation, you combined a commitment to public service with the practicality of the business world.

You have been rewarded with the National Medal of Technology, the Joint Chiefs of Staff Distinguished Public Service Award, and the Department of Defense's highest civilian decoration five times, the Distinguished Civilian Service Medal.

You have shown a commitment to public service in inspiring ways, serving as chairman and principal officer of the American Red Cross for nine years, president of the Boy Scouts of America, and chair of various industry associations. You serve as a regent of the University System of Maryland, trustee emeritus of Johns Hopkins, and a former member of the Board of Trustees of Princeton and the Massachusetts Institute of Technology.

Your government service includes membership on many influential advisory boards. You have been a member of the Hart-Rudman Commission on National Security, and served for 16 years on the President's Council of Advisors on Science and Technology under both Republican and Democratic presidents.

For your dedication to using your scientific knowledge and experience to fulfill your civic duty at the highest levels, I am pleased to award you the honorary degree of Doctor of Science from Michigan State University.

CLIFTON EDWARD HALEY

You are a tireless champion of the Michigan State University College of Law. For more than 15 years, you have exerted your professional influence, applied your considerable business acumen, and demonstrated your Spartan pride to assure that the Detroit College of Law would continue to thrive in its new environment.

As a trustee of the law college since 1997 until your service as chair ended last year, you guided the development of the college's Big Ten reputation and the growth of its substantial endowment. As chair of the Board Integration Committee, you advanced a recommendation that resulted in the historic transformation of the school into a constituent college of Michigan State University.

As an alumnus of both the Detroit College of Law and Michigan State University, you were well-positioned to recognize the value of having the two schools more closely aligned. Your

law school experience prepared you to serve Ford Motor Company in significant domestic and international management assignments for nearly two decades. Then you led the Budget Rent-A-Car Corporation as chairman and CEO, until you began your current entrepreneurial role as president and owner of the Drummond Island Resort and Conference Center on Drummond Island in Lake Huron.

A decade ago, you demonstrated an inspiring capacity for lifelong learning, earning a second bachelor of arts degree, this time from Michigan State University, nearly half a century after you earned your first bachelor's degree from the University of Detroit.

For your loyalty in serving both of your alma maters and for the professional successes in your lifetime that reflect great credit on both schools, I am pleased to award you the honorary degree of Doctor of Laws from Michigan State University.

HONORARY DEGREE CITATIONS

AZIM PREMJI

You are a globally successful entrepreneur, a top business leader in India, and a highly respected philanthropist.

For nearly half a century, you have been at the helm of Wipro Limited, one of the world's fastest growing companies. You were only 21 when you inherited Western Indian Vegetable Products from your father and diversified it from hydrogenated oil manufacturing to bakery fats, toiletries, lighting products, and hydraulic cylinders.

You recognized the importance of computer technology in the 1980s, and began manufacturing minicomputers. Your entrepreneurial drive, bolstered by your engineering degree from Stanford University, helped you lead India into a phenomenal high-tech boom. The Indian government recognized your contribution by bestowing the titles of Padma Vibhushan and Padma Bhushan—the second and the third

highest civilian awards in the Republic of India—for your outstanding work in trade and commerce.

As a leading philanthropist, you have embraced the opportunity to transform educational opportunities for the people of your country. Your Azim Premji Foundation is working to improve the quality and the equity of elementary education across several Indian states, primarily in rural areas. The Foundation's Trust recently made the largest donation of its kind for improving schools in India.

Further, you helped establish Azim Premji University to develop the next generation of educators and to explore alternative models of education.

For your entrepreneurial vision and your generous commitment to educational progress, I am pleased to award you the honorary degree of Doctor of Humane Letters from Michigan State University.

SHIRLEY ANN WEIS

You are a highly regarded health care innovator and business leader who has significantly impacted America's health care system.

You were the first woman and the first non-physician to serve as vice president and chief administrative officer of the Mayo Clinic in its 140-year history. In that role, you were responsible for the global business activities of 87 separate corporations located in seven states with more than 57,000 employees.

Under your leadership, the Mayo Clinic reorganized its governance structure, restructured services, and created new product lines to stimulate growth. You oversaw the development of the Mayo Clinic Network, which links more than 20 health care systems in the United States, Mexico, and Puerto Rico.

As an alumna of the College of Nursing, your significant personal accomplishments laid the foundation for your 40-year career: you were

the first member of your family to graduate from college. You then went on to earn a master of management degree from Aquinas College in Grand Rapids, Michigan. In 2007 and again in 2013, you were named one of the top 25 Women in Health Care by *Modern Healthcare* magazine.

You have always embraced your Spartan heritage. As a member of the College of Nursing Board of Visitors since 1999, you have maintained a dedicated connection to MSU faculty and students. With an eye on the future and a commitment to the next generation of nurses, you were instrumental in developing the business case for the new Bott Building for Nursing Education and Research.

For your outstanding leadership in the health care industry and your embodiment of Spartan values, I am pleased to award you the honorary degree of Doctor of Science from Michigan State University.

BACCALAUREATE DEGREES

- Leads the nation in study abroad participation among public universities for eighth consecutive year and ninth in the nation for international student enrollment
- Among the largest single-campus residence hall system in the country with twenty-seven halls in five neighborhoods, and two apartment villages
- Silver rating from the Association for the Advancement of Sustainability in Higher Education's STARS program, which measures and encourages sustainability in education and research; operations; and planning, administration, and engagement

BACCALAUREATE DEGREES

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as Academic Scholars (A), from the Honors College (H), With Honor (*), or With High Honor (**). Academic Scholars completed a two-year honors program including at least four honors-caliber courses. Honors College graduates are academically talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses.

Graduation Honors: the current minimum grade point average for seniors graduating With Honor is 3.69 and those graduating With High Honor is 3.87 (which is approximately 20 percent of graduating seniors who have earned the highest grade point averages). Recognition of graduation honors in the commencement program is based on the grade point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

The MSU Symphony Band
Joshua S. Kearney, Conductor

The College of Agriculture and Natural Resources commencement ceremony for students earning baccalaureate degrees in Crop and Soil Science in China will take place May 17 in Beijing. We congratulate these students and their families.

The audience is requested to remain seated during the processional and recessional.

GRADUATE DEGREES AND GRADUATE PROFESSIONAL DEGREES

- Notable discoveries include homogenization of milk and the anticancer drug cisplatin
- *U.S. News & World Report* ranks MSU first in the nation for 18 years for graduate programs in elementary and secondary education
- External funding totaled nearly \$500 million in 2012-2013. The top federal funding agencies: National Science Foundation, U.S. Department of Health and Human Services, U.S. Department of Energy, and U.S. Department of Agriculture
- *U.S. News & World Report* ranks MSU first in the nation for graduate programs in nuclear physics, industrial and organizational psychology
- MSU was selected by the U.S. Department of Energy to design and establish the Facility for Rare Isotope Beams, a more than \$700 million facility that will advance understanding of rare nuclear isotopes and the evolution of the cosmos and provide research opportunities for scientists and students from around the globe

Photo above: Russell Thayer, *Windraps II*, steel, 2008. South entrance to the Biomedical Physical Sciences Building.

ADVANCED DEGREES

ORDER OF CEREMONIES

Presiding

Lou Anna Kimsey Simon, President
Michigan State University

Processional

The MSU Wind Symphony
John T. Madden, Conductor

The Star Spangled Banner (Lyrics, page 9)

Composed by Francis Scott Key
Led by Johnathan D. Riesen, Master's degree candidate,
Music Performance, College of Music
The MSU Wind Symphony and Audience

Moment of Silence

Presentation of Honorary Degree Candidates

Stephen D. H. Hsu, Vice President for Research
and Graduate Studies

Address

Norman R. Augustine
Retired Chairman and Chief Executive Officer
Lockheed Martin Corporation
Bethesda, Maryland

Special Music

Esprit de Corps
Composed by Robert Jager
The MSU Wind Symphony, John T. Madden, Conductor

Remarks

The Honorable Joel I. Ferguson, Chairman
The MSU Board of Trustees

Conferring of Degrees

Lou Anna Kimsey Simon, President

Alma Mater (Lyrics, page 9)

The MSU Wind Symphony, Mr. Riesen, and Audience

Recessional

The MSU Symphony Band
John T. Madden, Conductor

Professor L. Susan Carter, Chairperson, The Steering Committee, MSU Academic Governance, is the academic mace bearer.

The audience is requested to remain seated while those in the processional are entering and leaving the arena.

Karen L. Klomparens, Associate Provost
for Graduate Education and Dean of
The Graduate School

"Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever."

John A. Hannah (1902-1991)
President, Michigan State University (1941-1969)

WE CONGRATULATE OUR GRADUATES. COME HOME OFTEN.
