## THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

"Not by might, nor by power, but by my spirit, saith the Lord of hosts."

Such is our motto and we use it as a greeting and a foreword to all new students. Through it our Association has developed until it is in better condition than ever before. Its membership consists of the women students and members of the faculty resident in the Women's building. YOU will be asked to join. We need you. You need us. Plan to attend our first meeting. You cannot afford to neglect this part of your education.

The regular meeting, led by the girls or once in a while by some outside speaker, is held every Thursday evening from 6:30 to 7:30 in the recitation room of the Women's building.

Every Sunday evening a meeting is held in conjunction with the Y. M. C. A. in the auditorium of the People's church. These meetings are addressed by some person outside the student body.

The work of the Y. W. C. A. does not only consist in the maintenance of these meetings. Occasionally a social event is given in order to further acquaintance-ship among the girls and provide entertainment which might otherwise be lacking.

### **Bible and Mission Study.**

Bible and Mission classes are held during the year, and these you will be asked to join. Should you do so, you will find them a mighty factor in broadening and deepening your life; and is not that the primary object of an education and of your coming here?

## THE YOUNG MEN'S CHRISTIAN ASSOCIATION

The student department of the Y. M. C. A. is the largest intercollegiate organization in existence. There are 730 student associations in the colleges and universities of North America, with a membership of 47,000. The Y. M. C. A. of North America is affiliated with the student organizations of other lands in one gigantic world-embracing student federation. Thus one in allying with this body is not only joining himself to a local organization, but he becomes a part of a great world-wide movement, far reaching in its effect. By entering its membership, a student associates himself with those who are endeavoring to promote Christian activity at M. A. C.

All who have sympathy with such a purpose and all others who believe in right living are urged to join the Association within the first week of the fall term.

### Slogan for 1912-1913

"500 Active Members."

### Meetings

The regular meetings are held every Thursday evening during the college year in the Association rooms in Williams Hall. These meetings are effective in keeping those who attend in touch with the moral and spiritual side of college life, and inspire them to live a cleaner and better life. At these meetings the new men have an opportunity to become better acquainted with the upper classmen.

The Union meetings of the Y. M. and Y. W. C. A., held on Sunday evenings, are of practical value. Members of the faculty, business and professional men give the addresses at these services. Musical selections are furnished by the Y. W. C. A. These meetings are always interesting and instructive to those who attend.

## **Bible Study.**

We believe that a practical knowledge of the Bible is a necessary part of a student's education, as well as a source of moral and spiritual strength. It is a truism that your Bible will aid you more if you know it than if you don't.

Classes will be organized at the beginning of the fall term. Every student is urged to join one of these classes and take up an active and consistent course in the study of the greatest book of the times.

## **Missions**

During the winter term it is intended to take up mission study. Classes will be conducted in the progress of Christianity in foreign lands. The recent Chinese revolution will be made a special object of study. You will find these classes of great interest and value.

## **Social**

As a social organ, the Y. M. C. A. aims to fill the need evidenced by those not accorded the privileges of a literary society. By holding a joint social affair with the Y. W. C. A. every term, an opportunity is given to every M. A. C. student to enjoy that factor which is lacking in so many a college career, an acquaintance with the other sex. Also a number of stag parties are held during the year, at which the men are gathered for a good time and to get acquainted.

Remember the stag reception for the new men the first Friday evening of the fall term; also the joint reception of the Y. M. and Y. W. C. A. on the second Friday evening.

## **Our Rooms**

The Y. M. C. A. rooms are located in the northwest corner of Williams Hall. They consist of a reading and assembly room, and also an office. The reading room is always open and furnishes an excellent place for study. There is also a telephone, piano, etc., for the use of anyone at any time.

Check your baggage, books or anything in the office. The office hours are from 8:00 a. m. to 4:00 p. m. You are at liberty to come here for information or advice, and make use of the rooms at all times.

### **Hospital Committee**

The Y. M. C. A. is for the good of the students. We believe in doing good when people are well and also when they are sick. During the past year we have endeavored to visit the sick in the hospitals and remember them with flowers or otherwise.

This year, Bibles are to be placed in the hospitals for the use of the patients.

The easiest way to win the heart of a man is to do him some kindness, especially when he is sick or in trouble. That is the very aim of this branch of our organization.

### **Summer Conference**

The annual summer Conference was held at Lake Geneva last year. M. A. C. was represented by a delegation. These conferences are one of the greatest factors in stimulating an active interest in Christian work. We hope to send even a still larger delegation next year.

### **Purposes of the Association**

To assist all students

To provide uplifting social environments.

To promote high college ideals.

To provide practical religious instruction.

To lead men to follow Jesus Christ.

To present the responsibilities of citizenship.

To lead men to join the church.

To present the claims of religious callings.

## ATTEND SUNDAY SCHOOL.

---

Just because you are away from home, there is no reason why you should give up the habit of going to Sunday school. All of our churches have active young men's classes, and they invite you to join them.

### **People's Church.**

The young men's class of the People's church of East Lansing meets every Sunday morning, under the guidance of Mr. and Mrs. Wood, to discuss present day questions in the light of Christ's life and teachings. They also meet every Friday evening for a social and literary hour, at the church. Everybody welcome.

### **First Baptist Church.**

The Baraca class of our church extends a cordial invitation to all young men to spend the Sunday school hour with them. Our room is open at all hours and is provided with a reading table. We also have a literary and social evening every other week.

### **Central M. E. Church.**

The Zeta Eta Gamma class is made up almost entirely of college students. We also claim the best teacher in our whole Sunday school, Mrs. Redfern. You will find our Sunday school hour a helpful one and will be welcome to join our class, also to enjoy our monthly social function with the GIRLS.

## THE COMPASS

Four things a man must learn to do  
If he would make his record true:  
To think without confusion clearly;  
To love his fellowmen sincerely;  
To act from honest motives purely;  
To trust in God and heaven securely.

Henry Van Dyke.

---

Let your light so shine before men that  
they may see your good works and glorify  
your Father which is in heaven.

---

For God so loved the world that He  
gave His only begotten Son, that whoso-  
ever believeth in Him should not perish  
but have everlasting life.

---

Let the words of my mouth and the  
mediation of my heart be acceptable in  
thy sight, O, Lord, my strength and my  
redeemer.

## ATHLETICS

Those interested in athletics who wish  
to lend their support to this branch of  
college activity, are urged to join the  
athletic association. All students are  
eligible, and for the fee of one dollar,  
special rates are secured on all season  
tickets. Several games selected by the  
board of control are witnessed free, and  
you are permitted to vote for the mem-  
bers of this board each year.

Some time during the fall term a cross  
country race will be held and all are  
urged to compete. Anyone with particu-  
lar ability along any line of athletics is  
requested to lend his support, if possible.  
The president of the association will be  
glad to give you any information you de-  
sire with regard to our athletics.

### STRAY STRAWS FOR STRANGE STUDENTS.

Christianity is a man's job.

'Stick to your aim; a mongrel's hold will slip; naught but a crowbar can loose a bulldog's grip.

It has been said that the first three weeks of a college man's career determines his whole college life. How are you going to start?

"He that humbleth himself shall be exalted."

If you do not use your talent, you lose it.

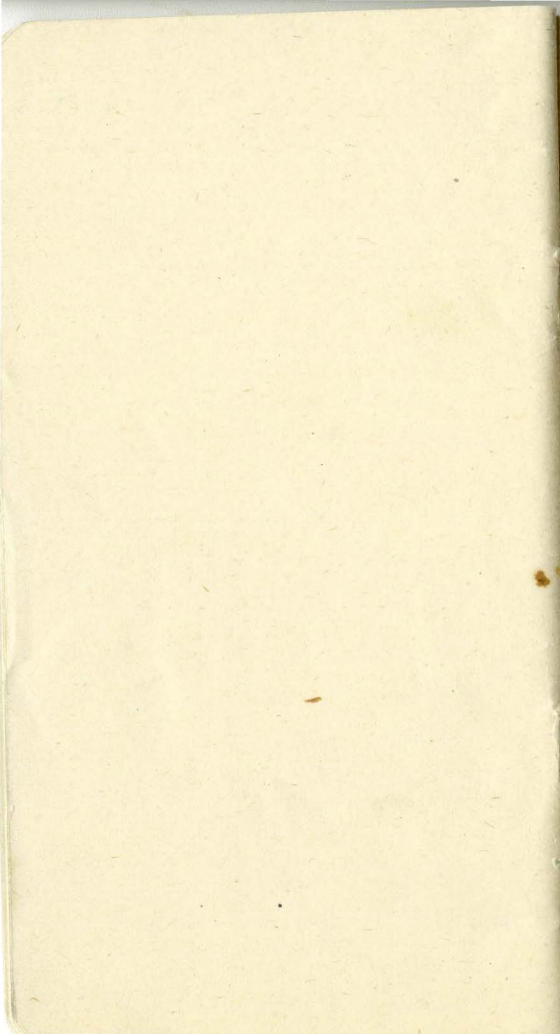

We can gain power and acquire strength of will by overcoming resistance; by doing what we ought to do; by being what we ought to be; by going where we ought to go, no matter what the obstacle.

If you think about your past records, think of them for one thing only, and that as a stimulus to greater deeds.

The way to be useful and happy is to forget self—do something for others.

"Be fair minded."

—Theodore Roosevelt.
