EAST LANSING

Michigan State College
Student Handbook

1933-1934

This book is presented to Freshmen
and to all other students who apply.

Foreword

THIS STUDENT HANDBOOK is published by the College in an effort to provide a short, yet complete, summary of official rules and regulations, established organizations, and traditional events affecting college life.

Though planned principally for Freshmen, its contents are such that every undergraduate will find it valuable as a source of reference. For that reason, the Handbook should be preserved during the ensuing year.

President Shaw's Message

FRESHMAN STUDENTS entering Michigan State College for the year 1933-34 are to be most heartily congratulated, for the privilege of attending college may not be attained by all who desire it. Higher education is more important now than ever before, in order to prepare us to meet the numerous and greatly varied problems presented by a world-wide readjustment.

Sacrifices must necessarily be made by the student and the home folks assisting him. But these experiences are sure to result in much good, tempering methods of living, thinking, and acting, and leading to the development of greater consideration for others, eliminating much of the selfishness. Struggles against adversity are productive of good results if we overcome them, thereby adding new strength.

May we recognize and avoid the futility of unnecessary elaborations in education, religion, recreation and amusements, in our homes and in our lives, and recognize the value of thoughtfulness, studiousness, uprightness and all the virtues which will attend the new and simple life.

As you enter college, if you have to face adversities, meet them bravely and overcome them. You will find the officials, faculty and upper classmen of Michigan State College interested in helping you solve your problems. To you a most hearty welcome is extended.

*Directions and Complete Programs for
the Four-day Freshman Week*

FRESHMAN WEEK

Michigan State College puts forth every effort to assist the student in starting a college career that will be a success. With this purpose in mind Freshman Week was inaugurated. Fifty members of the faculty give liberally of their time to serve as freshman advisers. They place themselves at your service during Freshman Week and throughout your freshman and sophomore years to assist you in selecting your course of study, to guide you through the various activities of Freshman Week, to advise you regarding the proper use of your time in college and to serve as intimate friends in any problems that may arise in connection with your college career. If you make proper use of your adviser, you will not be likely to meet problems that you cannot surmount. It is the student who comes to college confident that he needs no adviser who most often finds himself faced with scholastic or other difficulties before the close of the freshman year. Fortify yourself against these difficulties by availing yourself of the service of your adviser whenever you are perplexed about any detail of your life at college, whether it pertains to college problems or to off-campus problems.

During Freshman Week you are required to complete a number of activities. These are set forth clearly in the programs for the various groups in the pages that follow. Coupon books are furnished you containing a coupon for each of the activities. These coupons are taken up as the respective activities are completed and attendance is immediately checked. Included among these activities are an English Placement examination and a Psychological examination. Your record in the English examination will determine whether you will be required to complete four or only three terms of English in College. Your record in the Psychological examination is given to your adviser and is made a part of your permanent record in the Registrar's office. **NO STUDENT IS EXCUSED FROM ANY ACTIVITY.**

If the directions which follow are observed carefully, much confusion will be avoided, the program of Freshman Week will run smoothly, and you will have no difficulty in entering your program of studies when the first class meets on Monday morning.

DIRECTIONS FOR FRESHMEN

1. You have been assigned to an adviser, a group and a section. See page 12 for the programs of the various groups and follow exactly the program of your group. Advisers and their group and section are arranged in alphabetical order on page 10. Consult this list in case you do not remember the number of your group.

2. See that you have the proper coupon ready and leave it as directed on the face of the coupon for each activity.

3. Be on time for every activity. Remember that you are moving with a group that cannot wait for anyone who is tardy.

4. We have provided vacant hours that you may use to become acquainted with the campus. Use the map in the Handbook and learn to identify the various buildings. You will need to have this information when you start to attend classes. Visit any departments of the college that you may be interested in and talk with the head of the department or other members of the staff.

5. Feel free to ask questions of the faculty, of other students, or of anyone you meet on the campus. You will find everyone willing to help you. However, many of your questions can be answered by this Handbook, so consult it first.

6. Every freshman in the Liberal Arts and Applied Science Divisions will register for at least one Saturday class, unless his adviser has given him in writing an exemption from this requirement.

Transfer Students

(Students entering with credits from other institutions)

Students entering the College for the first time who have credits from other colleges or universities are required to complete most of the activities of Freshman Week. An appointment for each of these required events is definitely given in the coupon book furnished each transfer student.

Rules and Regulations

REGISTRATION

1. **TIME OF REGISTRATION.** In the fall term of 1933, freshmen and transfer students will register on Wednesday, September 20. Former students will register on Friday and Saturday, September 22 and 23, (Saturday morning only).

2. **DROPPING A SUBJECT, OR CHANGES IN REGISTRATION.** No changes in classification are permitted unless authorized by the student's class adviser or dean, and the Registrar. A student cannot drop a subject except upon a written recommendation of the head of the department concerned and the approval of his adviser. In case such permission is granted and the subject is dropped before the close of the first four weeks (five weeks in the case of a freshman) of the term, no grade will be reported; after that time a grade of "F" will be reported in the subject, except in the case of illness when the grade of "Inc.", or no grade, will be recommended. Attendance in the class should be continued until the drop has been recorded by the Registrar.

3. **ENROLLMENT CARDS.** Students may be admitted to classes only by an enrollment card. Credit will not be granted to any student who enters a class without having been properly registered in the subject.

4. **CLASS ADVISER.** Each student in the College is placed under the immediate charge of a member of the faculty who is his adviser. The student reports to him for assignment to classes, and consults with him for advice and direction in matters pertaining to college work.

5. **PREREQUISITES.** Two conditions, "X", or one failure, "F", in prerequisite work for any subject excludes the student from that subject. The term end grade in any subject is the determining grade in ascertaining the eligibility of a student for advanced work.

6. **PROMOTION TO HIGHER CLASS.** Promotion from one class to another will be made when the total credits earned are not more than eight less than the number re-

quired to complete the year of the course in which the student is registered, except that promotion from one class to another will not be made in the spring term.

7. **CHANGE IN DIVISION.** A student changing from one division to another must not be deficient in more than sixteen points and must secure the authorization of both the dean of the division in which he has been enrolled and the dean of the division which he wishes to enter. He must procure a transcript of his credits from the Registrar to be presented to the dean of the division in which he wishes to enroll. Changes will not be permitted except at the opening of a term.

8. **LATE REGISTRATION.** Students registering after the regular registration date are required to pay for the first day of tardiness a fee of three dollars (\$3), and an additional fee of one dollar (\$1) per day up to the limit of five dollars (\$5). A penalty of five absences is imposed for each day missed at the opening of a term. Students will not ordinarily be admitted to any of the four-year courses or to any classes later than Monday of the second week of the term.

9. **ADMISSION WITH DEFICIENCY.** When a student is permitted to enter with deficiencies in required entrance subjects, such deficiencies must be made up during the first year of attendance in college. Other deficiencies must be made up before the opening of the third year of college work.

STUDIES AND CREDITS

1. **CREDITS PER TERM.** With the exception of fixed courses which may require more, any number of credits above seventeen and one-half per term will be considered an excess. The minimum number of credits permitted is twelve and the maximum is twenty, at the discretion of the dean.

2. **EXCESS CREDITS.** An adviser may enroll a student in excess credits or in reduced credits subject to the ap-

proval of the dean of the division, or a divisional committee. No student may register for extra credits in any term unless the points earned during the preceding term exceed by one-half the number of credits carried.

3. **SENIOR CREDITS FOR SPRING TERM.** Seniors, whose points for winter term meet the requirements, may register in not to exceed twenty credits in the spring term. All incompletes and conditions in necessary work are included as a part of the spring term work unless made up not later than the opening week of that term.

4. **SUBSTITUTION OF COURSES.** Requests for the substitution of one subject for another should be made before the term in which the subject for which substitution is asked occurs in the course. Candidates for graduation must make all requests for substitutions before the beginning of the spring term of the senior year.

5. **MINIMUM CREDITS REQUIRED.** A student must spend at least one year in residence at this college and earn not less than fifty credits of satisfactory grade before a bachelor's degree may be granted.

6. **TO REPEAT A COURSE.** A student desiring to repeat a course in which he has already received credit may do so with the understanding that the last grade received will be the final grade, and that no additional credit will be given.

7. **VISITORS IN CLASSES.** Matriculated students are not permitted to enter classes as visitors unless authorized by the class officer and Registrar. Credit will not be granted for work taken as a visitor, either by special examination or by back registration.

GRADES

1. **CLASS GRADES.** The class work of a student will be rated as follows: "A", excellent; "B", superior; "C", average; "D", inferior; "X", condition; "F", failure; "Inc.", incomplete; "WA", withdrawn on account of absence.

The grade of "Inc." will be given only upon the approval of the dean of the division when a student is prevented by illness from completing his work.

2. POINTS. In connection with the grading scheme, a system of points has been adopted. In all courses, points equal to the number of credits earned are required for graduation.

The number of points per credit for the various marks follows:

- "A"—3 points per credit
- "B"—2 points per credit
- "C"—1 point per credit
- "D"—0 points per credit
- "X"—1 negative point per credit
- "F"—1 negative point per credit
- "WA"—1 negative point per credit.

3. TO REMOVE "F", "X", or "Inc.", (See under Examinations).

4. TO REMOVE "WA". (See under Attendance.)

EXAMINATIONS

1. ENTRANCE EXAMINATIONS. Examinations for entrance requirements, when necessary, may be taken either during the week preceding the opening of college, or the week following the close of the college year.

2. SPECIAL EXAMINATIONS TO REMOVE CONDITIONS OR INCOMPLETES. Students receiving conditions, "X", have the privilege of taking a special examination in the subject, provided such examination is taken before the opening of the corresponding term of the next year in which the student is in attendance.

Students receiving incompletes, "Inc.," must complete their work within a year if in residence, or the grade becomes a failure.

Students receiving a failure, "F", and those not removing their conditions or incompletes by the above mentioned

method may receive credit only by repeating the subject in class, or by a special faculty authorization for a special examination.

The fee for special examination to remove deficiencies is one dollar (\$1), payable at the Treasurer's office. Permits must first be secured at the Registrar's office.

Subject to regulations stated above, special examinations, to remove conditions may be taken only during the first week of any term. Examinations to remove the grade of incomplete may be taken at any time during the year satisfactory to the instructor.

3. EXAMINATIONS FOR ADVANCED STANDING. Students applying for special examinations for advanced credit shall secure the written approval of the head of the department and the dean of division in which the work is given before applying to the Registrar for the necessary permit. Such examinations are given only during the first week of a term.

4. SPECIAL EXAMINATION FOR THOSE NOT IN RESIDENCE. Examinations may be given to persons not in residence, but who are regularly matriculated, upon the payment of the fee of \$2.50 per credit.

5. EXAMINATIONS FOR SENIORS. In their final term, seniors are excused from examination in any subject in which a grade of "B" has been maintained throughout the term.

6. REGULAR EXAMINATIONS. Examinations are given at the close of each term in all subjects offered except for a few laboratory courses in which examination is not required.

ATTENDANCE SYSTEM

The faculty has adopted the following resolutions:

1. That seniors who, in any term, have registered in all work necessary to complete their graduation requirements

be granted the privilege of voluntary class attendance. (See exception in 9.)

2. That all sophomore, junior and senior students whose average in the two preceding terms taken as a unit is "B" or above, and who have made no grade below "C" in these two terms shall constitute an Honor Roll and shall be granted the privilege of voluntary class attendance. (See exception in 9.)

3. Absences for field trips, conventions, athletic trips, sickness of more than one day, etc., may be excused as follows: The student must present to the Attendance Officer, not later than one week from the Saturday noon following the absence, such information relative to the absence as the Attendance Officer may require, except at the close of the term, when the closing day of the term will be considered the final date for acceptance of an excuse. Each application for excuse should be accompanied by a voucher signed by a physician, parent, house-matron or equally responsible party. If the student does not have the proper voucher, additional time will be given to enable him to secure such voucher, but explanation of cause of absence must be made to the Attendance Officer before the time limit expires.

4. That absences due to illness of not more than one day's duration, and those due to Wolverine appointments, dentist appointments, missed trains, late registration, etc., shall be counted the same as unexcused absences; provided, however, that the number of unexcused absences allotted in any course due to late registration shall not exceed the number of class meetings per week in the subject. Absences for the half day immediately preceding and following a holiday shall be counted as double.

5. That students not on scholastic probation and not on the Honor Roll be warned by the Attendance Officer when they receive as many unexcused absences in a single subject as there are meetings of the class in the subject per week.

That the registration in any subject in which the total number of unexcused absences is twice the number of class meetings per week in the subject be cancelled and a grade

of "WA" be reported in the subject. The Attendance Officer shall notify the dean, the student, and his parents whenever the student is warned and shall notify these and the Registrar when a student's registration in a subject is cancelled on account of absences.

6. That students who are on scholastic probation will have their registration cancelled in a course when the total of unexcused absences in that course is equal to the number of class meetings per week.

7. In no case will a student's registration in a course be cancelled for less than three (in the case of probation students, two) unexcused absences.

8. That students whose credit in two subjects has been withdrawn within a given year on account of unexcused absences will have their registration cancelled immediately and grades of "WA" will be entered for each subject carried. The Attendance Officer will send notices of this action as in 5. This penalty will be subject to the approval of the scholarship committee of the various divisions.

9. That no student may receive credit for any course in which he is absent more than 25% of the time, except when a student's absences are due to prolonged illness or to entering college after the first two weeks of a term. In such cases it shall be within the power of the dean of division in consultation with the Attendance Officer to grant exceptions to this rule provided the student is required to carry a reduced schedule.

10. Grades of "WA" will carry negative points the same as the grade of "F" and may be removed only by repeating the subject in class.

Additional Information On Attendance System

Attention of all students is called to the fact that they are held for attendance in all classes in which they are enrolled until they are **officially dropped**; that is, until the drop is recorded by the Registrar. This is important as absences will be reported in the subject until it is dropped

or until the student receives sufficient cuts for a "WA" grade. Dropping any subject does not excuse absences previous to the drop.

Students taking subjects without credit will not be counted absent.

Students not completing their registration within the required time will be marked absent from all scheduled classes up to the close of the day on which they complete their registration and **these cuts cannot be excused**. This is in addition to the cash penalty collected by the Treasurer, provided however, that the number of unexcused absences allotted in any course due to late registration shall not exceed the number of class meetings per week in the subject.

Payment of fees is part of registration and no student will be considered registered until such payment has been made. Payment may be made by cash, note or other arrangement satisfactory to the Treasurer but transaction must be completed before the student is enrolled. Students enrolling for the first time will not be held for the late registration penalty.

No student may be considered officially present in any class unless the instructor has his enrollment card. Full attendance and roll call is expected to begin with the first class. Students already enrolled but missing classes at the beginning of the term will be given double cuts for the first half day and single cuts thereafter. Excused cuts will not be charged in subjects which are added after registration has been completed for class periods in that subject previous to the enrollment date.

Excused cuts will be counted only for Section 9.

Absences will be charged for each failure to report at any announced meeting of any class in which the student is properly enrolled.

Applied to Military Science and the Band, this includes all special drills and parades; and for the Band, all public performances. As it is necessary for the Band to have a perfect attendance in order to do credit to itself and the College, members of the Band absenting themselves from

such public performances shall receive two cuts for each absence. Students should consider this feature before joining the Band.

Students entering any class more than ten minutes past the hour are considered absent but may be marked present if the attention of the instructor is called to the tardiness and a sufficiently good reason presented therefor. Tardiness not corrected by the student before the next class period must stand as an absence.

WITHDRAWALS

1. VOLUNTARY WITHDRAWAL FROM COLLEGE. A student voluntarily withdrawing from college should first obtain from the dean of his division written permission. This he presents to the Registrar. He may then be entitled to a refund under the regulations outlined in the Catalog. Women students should also obtain permission from the Dean of Women.

Students withdrawing without notification will be reported as having failed in work for that term.

In case of voluntary withdrawal from college before the close of the first eight weeks of the term, no grade will be reported. After that time the grade of incomplete, "Inc.", will be given in subjects in which the work was satisfactory; in others, a grade of "F".

2. WITHDRAWALS FROM ANY CLASS. (See under Registration.)

3. REQUESTS TO WITHDRAW. A student whose work proves unsatisfactory may be warned, placed on probation, or requested to withdraw from College. If placed on probation, he is not permitted to participate in extra-curricular activities. (See under Eligibility.)

RESIDENCE REQUIREMENTS FOR MEN

1. Students must room in houses approved by the housing director of Michigan State College.
2. Students will not be allowed to room in a house, except fraternity houses, where the owner or householder or duly authorized agent does not live,
3. Men and women students may not room in the same rooming house.
4. Students are expected to stay the entire term in rooms engaged for that period. Changes can be made only with the approval of the housing director of the College.
5. A householder shall not ask a student to leave his or her house without first consulting the housing director of the College.
6. No guest shall be lodged in a student's room at any time without the knowledge and consent of the householder.
7. To reserve a room, a deposit of \$5.00 shall be paid to the householder to apply on the last part of the room rent for the term.
8. Room rent shall be paid for at least one week in advance. Receipt shall be given by the householder. Any extra charges for vacation room rental must be arranged for at the beginning of the term.
9. Absolutely no intoxicating liquor and no gambling shall be allowed in approved houses.
10. No disorder will be permitted in rooms or halls at any time. Ungentlemanly conduct on the part of a student may be reported to the housing director's office.
11. Quiet hours shall be maintained after 8:30 p. m. each night except Friday and Saturday nights and after 11:00 p. m. on these nights. During these quiet hours there shall be no loud talking in rooms or halls and no use of musical instruments in a manner that may disturb other occupants of the house.

12. A student shall be held liable for any damage to his room and the furnishings in it other than that due to ordinary wear and tear.

13. Care shall be exercised by the student to turn off lights, gas and water when not in use.

14. Reasonable bathing facilities shall be provided for the student roomers.

Information

1. Room rents will be prepared in printed form and placed in the hands of all incoming students at the beginning of the school year.

2. It is suggested that all houses having four or more roomers be organized and a president elected the first Tuesday following the first week of a term. The president should be an upperclassman if possible and should hold office for one term.

It shall be his duty to maintain good order and good will among the house members, to report all cases of illness, and to discuss with the householder and students any maladjustments which may arise between students or between householder and students.

3. A copy of these rules shall be posted in each student's room and mailed to each new student when his credentials have been accepted.

RESIDENCE REQUIREMENTS FOR WOMEN

1. **GENERAL REGULATIONS.** By action of the State Board of Agriculture, governing body of the College, all undergraduate women students must be housed in college supervised houses. All freshman women must live in dormitories. Those students who are not planning to live in sorority houses should make reservations in the dormitories or consult the Dean of Women regarding other approved places

of residence. Special arrangements are to be made by women who are obliged to work for their room and board.

Application for room reservations should be made to the housing supervisor, care of the office of the Dean of Women. All dormitories are located on the campus and are open to all undergraduate women. Graduate women students may apply for residence if they care to live under undergraduate regulations.

Every application should be accompanied by a \$10 deposit fee. This fee will not apply on the room rent, but will be held as a breakage fee and will be refunded at the close of the residence period subject to the regulations in the catalog, or it may be withdrawn two weeks prior to the opening of the school year.

2. **THOSE WORKING FOR ROOM AND BOARD.** Women students who wish to earn room and board by working in private families should obtain the addresses of the approved homes from the office of the Dean of Women. Any addresses not obtained from this source are subject to approval of the housing supervisor. Twenty-four hours of service a week is considered as equivalent to payment of room and board.

3. **WOMEN UNDER A. W. S. RULES.** All women students are under the Associated Women Students code of rules, except those residing with their own families or in the homes of relatives.

4. **LIVING WITH RELATIVES.** Women students living with relatives are under the jurisdiction of those relatives, as are those students living with their own families in Lansing or East Lansing.

5. **CONTRACTS.** By action of the State Board of Agriculture, women registering for rooms in dormitories will be expected to continue their residence in the dormitory for the remainder of the college year.

Students who find it necessary to make a change of residence should apply for a permit at the office of the Dean of Women. Release from the contract will be by action of the Housing Committee.

6. **LIVING CONDITIONS.** Any unsatisfactory living conditions should be promptly referred to the office of the Dean of Women.

7. **FRESHMAN WOMEN AND SORORITY HOUSES.** No freshman woman may live in a sorority house. First-term transfer students above the rank of freshmen may obtain a special permit for sorority house residence when they are ready for initiation.

MILITARY TRAINING

1. **REGULAR REQUIREMENTS.** Freshman and sophomore men are required to take courses in Military Science each term until all the basic courses (numbered 101 to 206 inclusive) are passed.

2. **EXCUSES AND EXEMPTIONS.** Excuses are granted at the discretion of the Professor of Military Science and Tactics. His decisions may be appealed to the faculty committee on Military Science and Physical Education. Exemptions from Military Science are granted men who fall under the following classes:

- a. All Federal Aid men.
- b. Aliens, whose parents do not reside in the United States.
- c. Any married man with one or more children.
- d. Short Course students.
- e. Those found unfit by the College Health Service.
- f. Those who are 30 years of age or over.
- g. Those who have received equivalent training in the armed forces of the United States during war, at the United States Military Academy, or in a Senior R. O. T. C. unit.
- h. Those who have received previous training in the following services on the basis indicated:
 1. Regular armed services, such as the Army and

the Navy. One year excuse for each year of service.

2. National Guard. One term excuse for one year of service.
3. C. M. T. C. One term excuse for one camp. One year excuse for two camps.
4. Junior R. O. T. C. One year excuse for two years junior R. O. T. C.

3. BAND. Students who qualify may elect band to fulfill the military requirements for the first two years. The band tryouts will be held in Room 113, Abbott Hall, during Freshman week from 10:00 to 12:00 on Wednesday, Thursday, Friday, and Saturday; and from 2:00 to 5:00 on Wednesday, Thursday, and Friday.

PHYSICAL EDUCATION

1. REQUIREMENTS FOR MEN. All men students are required to take one year of physical education unless excused because of physical disability.

2. REQUIREMENTS FOR WOMEN. All women students must take two years of physical education unless excused because of physical disability.

3. EXCUSES. An excuse from Physical Education because of disability must come from the Health Service. A permit for postponement of Physical Education or Military Science for men must come from the faculty committee on Physical Education and Military Science; for women, a permit for postponement of Physical Education should be obtained from the faculty committee on Physical Education for Women.

4. SUBSTITUTION OF ACADEMIC CREDITS. If excused from Physical Education, the student must substitute academic credits in lieu of the Physical Education.

HEALTH SERVICE

1. THE ORGANIZATION. The Michigan State College Health Service is equipped to carefully safeguard the health of the students of the college. The college hospital with a capacity of forty beds and a dispensary is directed by a staff of nurses supervised by Dr. R. M. Olin. Student fees cover free care for sixty days in the College Hospital and every student is entitled to unlimited advice and treatment at the dispensary, and a medical examination by appointment. A fee is charged, however, when it is necessary for the college physician to call at the student's room.

Community health demands intelligent cooperation on the following points:

- a. Students who are ill are not to be cared for in their lodging houses for more than thirty-six hours except with special permission granted by the Health Service.
- b. All cases must be reported to the College Health Service within the first twenty-four hours of development of illness. If an outside physician is in charge, this fact should be stated.
- c. The employment of outside physicians is to be discouraged because of the expense to the student and because the parents look to the College to protect the health of the students. If the student employs outside physicians, it is impossible for the College health authorities to keep track of epidemics which usually start with simple colds.
- d. Students who have been cared for by an outside physician must report to the College Health Service when ready to return to classes.

2. HEALTH SERVICE HOURS. Although in case of emergencies the hospital is open day and night, regular hours at which time students may go to the hospital for treatment are as follows: Regular days, 8:30-10:30 a. m., 2:00-4:00 p. m.; Saturdays, 8:30-10:30; Sundays by appointment only.

RULES OF ELIGIBILITY FOR PARTICIPATION IN COLLEGE ACTIVITIES

Matters of eligibility are under the jurisdiction of a special faculty committee, whose duty it is to determine eligibility for participation in all college activities.

The following rules have been established:

1. No student who has conditions or failures in more than eight credits is eligible to participate in intercollegiate athletics.

(Note: Eligibility is based on a record of the student in the Registrar's office.)

2. No student who is deficient more than 16 points is eligible to participate in intercollegiate athletics.

3. No student who is classified in less than 12 credits is eligible to participate in intercollegiate athletics.

4. No student who is on probation is eligible to participate in intercollegiate athletics.

5. The eligibility of a student transferring from one division to another shall be based upon his record in the first division at the time of transfer, and the complete record shall go with him until the end of the first term when all failures, conditions and points in arrears due to work not required or accepted by the new division shall be stricken from his record.

6. No student who participates in intercollegiate athletics and does not complete the work of that term shall be permitted to compete in the same sport thereafter until he shall have been in attendance one full term subsequent to his last participation.

7. No student shall participate in intercollegiate athletics

until he shall have been in attendance in the college for one full collegiate year, exclusive of summer school.

8. No student shall participate in intercollegiate athletics for more than three years in the aggregate.

9. No student shall play in any game under an assumed name.

10. No student shall be permitted to play in any intercollegiate contest who receives any remuneration or pay, either directly or indirectly, for his services on the college team. No student shall participate in any intercollegiate contest who is not an amateur. No person who receives any compensation from the institution for services rendered by way of regular instruction shall be allowed to play on any team; but laboratory assistants or men holding analogous positions shall not be barred by this rule.

11. A subject repeated one or more times for credit shall be counted only once.

12. Rules 1, 2, 3, 4, 5, and 11 apply to the following college activities: (1) holding a class or college office, (2) service on student publications, (3) official connection with college functions such as the Junior Hop, Union Opera, etc., (4) participation in dramatic or musical exhibitions and oratorical or debating contests.

The manager or chairman of every above activity shall submit to the Student Council and the Faculty Eligibility Committee, a complete list of all students who expect to participate in such activities and to ascertain their eligibility before proceeding with the activity in question.

No student may be accepted for part in any college activity until an official certificate of eligibility from the Faculty Eligibility Committee is filed with the officer in charge of the activity.

PARTY RULES

1. **SUPERVISORY COMMITTEE.** The Social Committee of the faculty, composed of Prof. L. C. Emmons, chairman; Dean Elisabeth Conrad, secretary; and Deans Huston and Dye, has general supervision over all student social functions. Fraternities, organized social clubs and other recognized social groups wishing to promote any social function should make arrangements for this privilege with Dean Conrad. This means that the chairman of the events preregister proposed parties at the opening of each term and that patrons be listed two weeks prior to the date of the event.

2. **TIME FOR CLOSING PARTIES.** All parties and house dances during the fall and spring terms must close not later than midnight. Formal parties during winter term may continue until 12:30 a. m., except on Saturday evening when they must close at midnight.

3. **PETITIONS TO THE COMMITTEE.** Dances to be promoted by other groups than those noted in Section 1, or being given for profit, may be held only after the presentation of and favorable action on a petition to the committee. Such petition will receive action only when presented by an organization which is all-college in scope, and when accompanied by an estimated budget of receipts and expenses, and a clear statement of the purpose for which the profits will be used.

TRAFFIC REGULATIONS FOR STUDENTS

All students who intend to operate a motor vehicle on the Campus must first register such vehicle at the office of the Campus Police (Power House) and receive a driving permit. A complete list of Traffic Regulations will be furnished the student at that time.

All student cars must be registered by October 1.

USE OF COLLEGE BUILDINGS

1. CLEARING HOUSE. In order to avoid conflicts in the use of college buildings and to serve as a clearing house for all college activities, a special committee of the faculty assigns rooms on the campus to student or other groups desiring them for meetings, dances and other occasions. Before any rooms may be used for anything but classroom routine, permission must be obtained from the office of Prof. L. C. Emmons.

1. CLEARING HOUSE. In order to avoid conflicts in the use of certain rooms in college buildings. A deposit of \$10.00 is required to guarantee any charges for damages, but this is returned if the building is found in good condition. The rooms for which fees are charged include: the Little Theatre, \$10.00; Demonstration Hall ballroom, \$20.00; Gymnasium annex, \$5.00.

COLLEGE LOAN AND SCHOLARSHIP FUNDS

LOAN FUNDS: The College has a limited sum of money from various sources each year for loans to needy students. Due to the small amount of money available for this purpose, most of the loans are for short periods of time to tide students over some temporary emergency. In certain cases, however, loans are made to mature one year after the student leaves the Institution.

PREFERENCE TO UPPERCLASSMEN: In granting loans, preference is given to upperclassmen. In no case will a loan be granted to a student with an unsatisfactory scholarship record or to one who is under disciplinary action.

APPLYING FOR LOANS: Students who desire to obtain funds through a College loan should apply to Prof. L. C. Emmons who is chairman of the faculty committee on student loans.

SCHOLARSHIP FUNDS: Any student may compete for certain scholarships which the College has at its disposal. Most of the awards are made on a basis of excellence in scholarship, either general or in some specific line of work. The College Catalog covers this subject completely.

THE LIBRARY

1. **HOURS.** The Library will be open from 7:30 a. m. to 10:00 p. m. on week days and from 1:00 p. m. to 6:00 p. m. on Sundays.

2. **MAIN CIRCULATION DESK.** All books taken from this desk for home reading or for use in the main reading room should be properly charged.

Students must pay a fine of two cents a day, not including Sundays or holidays, for all books not returned to the main circulation desk two weeks from the date of borrowing. A fine of three cents a day is charged on over-due books designated for the limited circulation of one week or three days.

In case of lost books, the student borrower must pay the fine due plus the initial cost of the book to the Library. If the borrower does not adjust his delinquency to the satisfaction of the Librarian, the case is referred to the President as a violation of the state statute to protect public libraries.

3. **MAIN READING ROOM.** General reference books are placed in this room on open shelves while other books are kept for call. The reference librarian's desk is located in this room.

4. **ASSIGNED READING ROOM.** On the first floor there is an assigned reading room where books are kept containing references which various instructors assign to their students.

Students may not take books from the assigned reading room without permission from the attendant; only one book at a time may be taken for reading in the room, and

the book must be returned within two hours. Books may be taken out over night after 9:30 p. m., Sundays after 5:30 p. m., and must be returned before 8:00 a. m. on the following morning, with the exception of books taken out Saturday evenings, which must be returned on Sunday before 1:30 p. m. A fine of twenty-five cents per volume is charged for failure to return books by 8:00 a. m. or by 1:30 p. m. on Sundays. After 9:00 a. m., or 2:00 p. m. on Sundays, there is an additional fine of ten cents per volume per day.

5. **PERIODICAL ROOM.** On the first floor a periodical room gives the student access to nearly 850 currently received periodicals. Bound sets are kept in the library stacks. Volumes from the bound periodical sets are obtainable through the main circulation desk.

6. **NUMBER OF VOLUMES.** On June 30, 1933, the Michigan State College Library included 96,119 volumes, exclusive of the bound and unbound United States documents, of which the library is a depository.

Student Activities —

*Organizations and Their Relations
to the Student Body*

Government

THE STUDENT COUNCIL

The Student Council is an elective men's representative body which has jurisdiction over all student activities. In addition, the Council acts as the intermediary between the students and the faculty, bringing closer cooperation among the several groups.

The Student Council is composed of the following nine elected men: Louis Asmus, president; Milton Peasley, vice-president; Robert Armstrong, secretary-treasurer; Arthur Buss, senior representative; Gerald Muscott, senior president; Tom Ottey, junior representative; Charles Kelley, junior president; James Lewis, sophomore representative; Elton Mollet, sophomore president.

The ex-officio members of the Council are the following; Minard Farley, managing editor of the Michigan State news; Otto Pongrace, Varsity Club representative; Robert Stonecliffe, Inter-fraternity Council representative; and the president of the freshman class (elected in the fall term).

Meetings are held in the Council's room on the fourth floor of the Union each Tuesday. Individuals desiring a hearing or having business to present to the Council should appear at 7:30 p. m. on Tuesdays during the school year.

A complete list of the recognized honorary societies, with their officers, purpose, and time of meeting is kept on file at the Council office.

Limitation of Activities

The Student Council has adopted a system whereby any one student is limited in his participation in student activities.

Under this system, the positions, offices, and other activities that a student may hold or engage in are divided into

four distinct groups, lettered for convenience: A+, A, B, and C. The positions listed under A+ pay a stipulated yearly salary to their holders. Students who hold these positions may not hold any other office on the campus.

There are four possible combinations of the office in the other three groups. An individual may hold one A and one C office; two B offices; one B and two C offices; or three C offices.

Enforcement of these regulations is in the hands of a committee of the Student Council. This committee has the power to remove from office any student who has exceeded the stated number of positions possible in any combination.

The groupings are as follows:

The A+ Positions

Managing Editor, Michigan State News.
Associate Editor, Michigan State News.
Business Manager, Michigan State News.
Managing Editor, Wolverine.
Business Manager, Wolverine.

The A Positions

President, Student Council.

The B Positions

Member, Student Council.
Members of all publications staffs who are juniors.
Captains, Managers, and Members of all varsity athletic teams.
President, Union Board.
President, Inter-fraternity Council.

The C Positions

Cheerleader.
Captains, Managers, and Members of minor athletic teams.
Class Officers (other than president).
President, all honorary societies.
President, social fraternities.
Member, Union Board.

ASSOCIATED WOMEN STUDENTS

The Associated Women Students is the women's self-governing organization. All women are members, but the executive group is composed of five seniors, three juniors, two sophomores and the vice-president of the freshman class. This group legislates and enforces A. W. S. rulings and passes judicially on exceptional cases. All positions are elective. The office of the A. W. S. President is in the Women's Building. Detailed rules will be found in the A. W. S. booklet given all newcomers.

Helen Abbott is president of the organization.

Limitation of Activities

The Associated Women Students have adopted a system whereby any one woman student is limited in her participation in student activities.

Under this system, the positions, offices, and other activities that a woman student may hold or engage in are divided into three distinct groups lettered for convenience; A, B, and C.

Any student holding an A position may not hold any other on the campus. Possible combinations in the other two groups are: one B and one C office; or three C offices.

Enforcement of these regulations is in the hands of a committee under A. W. S. This committee has the power to remove from office any student who has exceeded the stated number of positions possible in any combination.

The groupings are as follows:

The A Positions

President, A. W. S.

The B Positions

Officers, A. W. S. Council.
President, Y. W. C. A.
President, W. A. A.
President, Panhellenic.
President, S. W. L.
President, Social Sororities.
President, Home Economics Club.
Co-ed Editor, Michigan State News.

The C Positions

Presidents of all Honorary Societies.
Members of Cabinet, S. W. L.
Board Members, W. A. A.
Board Members, Y. W. C. A.
Board Members, Home Economics Club.
Members, A. W. S. Council.
Member of Union Board.
Members of all publications staffs.

Freshman Counselors

Freshman Counselors are not to be confused with Freshman Advisers. The Advisers are faculty members officially assigned by the college. The Counselors are sophomore girls assigned by a student committee and under the direction of a senior girl.

Advisers are primarily interested in the scholastic success of the student. Counselors are expected to be close personal friends ready to give help and to advise on problems which they probably had to meet in their freshman year. These may be questions of fitting into new surroundings and of being successful in the student community.

The chairman for 1933-34 is Mary Elizabeth Boyce. Her headquarters are in the Women's Building. Every girl should have a Counselor; those who have not should notify Mary Boyce.

PANHELLENIC COUNCIL

Each sorority is a member of the Panhellenic Council and sends two representatives, a junior and a senior, to the meetings which are held throughout the year at the call of the President.

Panhellenic regulates rushing during the fall term and compiles scholarship statistics on the various sororities. All matters of common interest to these groups are discussed and reviewed at the meetings. A delegate is sent each year to the annual convention of the National Panhellenic Council.

Jane Stockton is president of the organization for 1933-34.

(Specific details on rushing rules and other pertinent information may be found on page 76.)

INTER-FRATERNITY COUNCIL

All fraternities send one delegate to the meetings of the Inter-fraternity Council held weekly in the Union Building. Matters of common interest are discussed and problems reviewed. Where action is needed, committees are appointed to investigate.

The Inter-fraternity Council regulates rushing during the fall term and initiation during the winter and spring terms. A delegate is sent each year to the convention of the National Inter-fraternity Council.

R. D. Mecklin is president of the organization.

(Complete details on rushing and initiation, together with suggestions to new men, may be found on page 74.)

Service

MICHIGAN STATE UNION

Built in 1925, the Michigan State Union Memorial building serves as a college center for students, faculty members, alumni and visitors.

When it was organized in 1916, the Michigan State Union set as its goal a completely equipped building that would act as a nucleus for extra-curricular activities. Construction of the building was begun in 1924 by voluntary student labor, and was completed a year later. Although still not completed, each year sees some improvements or innovation.

Located near the entrance to the campus, the Union Memorial building is well equipped to serve the purposes for which it was erected. The facilities include several private dining rooms, a ballroom, a cafeteria, soda fountain and grill, a main dining room, a spacious lobby, a billiard room, a barber shop, a beauty salon, a women's lounge, and student clubrooms. The Faculty Club has its quarters on the third floor, and the offices of the Michigan State News and the Student Council are located on the fourth floor. A complete hotel service is provided for visiting teams and guests of the college. Most of the college dances are held in the Union ballroom.

The Union has a desk in its lobby which has become a center of personal service for the general student body. Besides selling tobacco and class supplies, it operates a circulating rental library, has a Postal Telegraph sub-station, a complete bus-travel service, including tickets, maintains a second-hand textbook service, and is a general agency for tickets to all college functions.

The Union activities program is broad and varied. Tea

dances are held two afternoons a week, and fall term mixers are usually centered in the Union. Visiting athletic teams are met by the Union committees. During Homecoming, class reunions, and big games the Union building has always been the center of activity.

Every Michigan State student automatically becomes a member of the Union upon payment of the regular college fees.

The Union is managed by a board of directors whose personnel includes student, faculty, and alumni members. Student members are elected annually at the all-college winter term elections. Following this election, the board selects its officers for the ensuing year.

The 1933-34 officers and board of directors are as follows: Gary Morgan, '34, president; William Macauley, '34, first vice-president; Marion Lewis, '34, second vice-president; Glen O. Stewart, '17, secretary; Raymond H. Riggs, '26, general manager; Angelica Rodney, '35; Lyle Robinson, '35; Harold L. Decker, '36; President R. S. Shaw; Prof. R. K. Steward; Prof. L. C. Plant; Prof. O. L. Snow; Karl H. McDonel.

SPARTAN WOMEN'S LEAGUE

This organization was founded to create a stronger bond of friendship among college women, to enter teams in competitive intramural athletic sports, and to develop campus leadership.

During the year, the League sponsors such affairs as a student-faculty banquet, an all-college dance each term, various teas, and an Installation Banquet. Together with A. W. S., the League sponsors the annual Co-ed Prom. The general chairman for 1933-34 is Helen Hendrickson.

WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association annually sponsors an athletic program that is intended to make sports available to every co-ed at Michigan State. Although membership is limited to those women who earn one hundred or more athletic points, every girl on the campus is invited to take part in the varied sport events. Every co-ed is urged to take up some sport whether she knows anything about it or not.

The system of awards grants one hundred points to each girl making the first class team, fifty points for second team members, and twenty-five points to those who have the required number of practices but fail to make the team. The points accumulate as the co-ed branches out into the various sports and the following awards are presented: For one hundred points, the class numerals; five hundred points, class monogram; one thousand points, Old English "S"; and for fifteen hundred points, a place on the Honor Roll.

The W. A. A. activities have been divided into major and individual sports. A limitation provides that no student may carry more than two major activities per term in addition to the individual activities. The various sports have been divided as follows: Major—hockey, soccer, basketball, swimming, fencing, baseball, track, tennis, bowling, volleyball, marksmanship, archery, dancing, and golf; Individual—hiking, canoeing, roller and ice skating, and riding.

The organization now numbers over two hundred members. The officers are: Ethel Killham, president; Dorothy Werback, vice-president; Ruth Moore, secretary; Marie Pauli, treasurer.

STUDENT PUBLICATIONS

Three student publications are published during the school year at Michigan State: The Michigan State News, a weekly newspaper; the Wolverine, the annual yearbook; and the Michigan Agriculturist, a monthly agricultural magazine. Each of the publications is edited by a staff of students under the guidance of a faculty adviser.

The Board of Publications, composed of the managing editors, the business managers, and the advisers of the three publications, the comptroller of the college, the president of the Student Council, and the president of the Associated Women Students, is the governing body of all student publications.

The Michigan State News

The Michigan State News is the official student newspaper, issued weekly throughout the college year. Subscription to the paper is included in the fees paid upon registration.

The managing editor and the business manager are selected at the all-college elections during the winter term. Since 1929, the tradition has been established for the defeated candidate for editorship to continue his duties on the staff as associate editor. The remainder of the staff is appointive.

The office of the publication is located on the fourth floor of the Union; it is printed at the Campus Press. Try-outs for either the editorial or business staff may be arranged by calling at the office during weekday evenings.

The men who head the publication are Minard Farley, managing editor; Mott Heath, associate editor; Barbara Bedford, co-ed editor; Richard W. Harrison, business manager. Prof. A. H. Nelson is the faculty adviser.

The Wolverine

Published late in the spring term, the Wolverine, annual yearbook, serves as a chronicle of the important events on the campus during the preceding year. Including a survey of campus activities, athletic contests, classes, and features, the Wolverine becomes a summary of the entire school year.

The staff is organized under a managing editor and a business manager who are selected at the all-college elections during the winter term. The office is located in the basement of the Library building.

The officers of the 1934 book are Robert Kline, managing editor, and Curtis Rogers, business manager. Prof. A. H. Nelson, is the faculty adviser.

The Michigan Agriculturist

Devoted to the interests of agricultural and home economics students, the Michigan Agriculturist is published monthly by a student staff. A fee of fifty cents is charged all agricultural students for the circulation of the magazine.

The managing editor and business manager of the publication are selected by the agricultural students at the winter term all-college elections. Frank DuByne and Don Barden are managing editor and business manager respectively. Prof. H. C. Rather is the faculty adviser.

STUDENT LECTURE COURSE COMMITTEE

Every year each student pays a blanket tax of a few cents and without additional expense may hear five or six of the best-informed, ablest and most interesting speakers in the United States, with an occasional eminent speaker from abroad. Speakers are chosen by a joint committee of stu-

dents and faculty. The lecture course has become an important part of the educational program of the college.

The program for 1933-34 includes Roy Chapman Andrews, Stuart Chase, Frederick Snyder, and the Rt. Hon. Lees-Smith.

The committee is composed of members of the faculty and student body. The student positions are elective, nominees being placed on the all-college ballot.

The present members of the committee include: Prof. W. W. Johnston, chairman; Prof. C. P. Halligan, treasurer; Mary Thorpe, '34; Albert Bradley, '34; James Quello, '35; Evelyn Robinson, '35.

MUSIC

Excellent facilities are provided for students interested in music. In addition to the regular courses offered by the department, there are many extra-curricular activities for both men and women students.

Tryouts for these organizations are held early in the fall term. The groups include the Military Band, under the direction of Leonard Falcone; a Men's and a Women's Glee Club; the College Chorus; and an Orchestra.

Complete information concerning music and the musical organizations may be obtained at the office in the Music building.

DEBATING AND ORATORY

Every year a number of men and women make places on the men's and women's teams that represent the College in various intercollegiate debates, some of which are held in Michigan, some in other states. A few of the best of these debaters, both men and women, enter the nation-wide

debate competition conducted by Pi Kappa Delta, national forensic society. Students interested in taking part in this activity should see Assistant Professor J. D. Menchhofer or Mr. O. J. Drake, coaches of men's and women's teams respectively.

The college also takes part in various contests in oratory. These likewise are directed by Mr. Menchhofer and Mr. Drake.

PLAYS

Several plays are staged during the year. Students interested in trying out for a part in these productions should consult E. S. King, Associate Professor of Speech.

ATHLETICS

Students who are interested in athletics have great opportunities at Michigan State. Under the guidance of Ralph H. Young, director of athletics, this institution holds a high position in mid-western competition in intercollegiate sports, while a well organized program of intramural athletics is available to every student.

INTERCOLLEGIATE ATHLETICS. The following are the four major sports at Michigan State College, their coaches and their captains, respectively, for the ensuing year: Football—Chas. W. Bachman, Bernard G. McNutt; Basketball—Benj. F. VanAlstyne, no Captain-elect; Track—Ralph H. Young, Otto W. Pongrace; Baseball—John H. Kobs, Floyd Morse.

The minor sports include the following: cross-country, wrestling, swimming, fencing, rifle, tennis, and golf.

FRESHMAN ATHLETICS: Due to the intercollegiate ruling that freshmen cannot compete in varsity athletics, the

first year athletes are given an opportunity to take part on freshman squads in all sports engaged in by varsity teams. Games with the varsity and with other college freshman teams enliven the schedules of the yearling aggregations.

INTRAMURAL ATHLETICS. Under the supervision of L. L. Frimodig, assistant director of athletics, Michigan State pursues a well organized intramural program. Providing sports for every student, the department offers tournaments in tennis, golf, basketball and horseshoe; in addition, various other lines of competition are offered for class teams representing each division, and dormitory teams. Small numerals are awarded to team members.

INTER-SOCIETY ATHLETICS. Fraternities and sororities are organized into leagues or blocks of four or five members. Each society engages with the other members of its block; then the champions of each block compete. Following this comes the competition for the finals and the consolations. Cups or other awards are made to runners-up and champions in each sport, and a large trophy is given the society claiming the most points for all-around competition in all events.

The sports offered for inter-society competition include: basketball, indoor and outdoor baseball, tennis, bowling, indoor and outdoor track, swimming and soccer.

CO-ED ATHLETICS. Jointly sponsored by the Women's Physical Education department and the Women's Athletic Association, a complete athletic program gives each woman student an opportunity to take part in athletic competition. No intercollegiate engagements are made, the program being limited to individual and team events. Sports offered include: hockey, golf, fencing, bowling, hiking, basketball, swimming, soccer, tennis, track, dancing, and playground ball.

Religion

THE PEOPLES CHURCH

W. Grand River and Michigan

The Peoples Church, an interdenominational religious organization, is the community religious center for Michigan State students and the citizens of East Lansing.

The completely equipped building was erected on Grand River a few years ago at a cost of \$375,000. It includes an auditorium, a chapel, a social hall, a gymnasium, and student organization rooms.

The staff of the Peoples Church is as follows:

Minister.....	Newell A. McCune, D. D.
Associate Minister (Acting).....	Martin L. Fox
Director of Student Work for Men.....	Norman W. Kunkel
Director of Student Work for Women	Miss Emma C. Sater
Church Secretary.....	Mrs. Grace E. Lyon

PEOPLES CHUCH STUDENT ORGANIZATIONS

STUDENT RELIGIOUS COUNCIL, Philip Aylesworth, president, is composed of representatives from all the other religious organizations, and meets monthly.

CAMPUS GIRLS ASSEMBLY, Phillis Meyer, president, meets every Sunday noon in the women students' parlors in the church.

SPARTAN Y. FORUM, the membership meeting of the

Y. M. C. A., meets in the student parlors for talks and discussions every Sunday noon.

STUDENT CHRISTIAN UNION, Arthur Anderson, president, is a group of college men and women which meets every Sunday afternoon or evening. Friendly social gatherings, discussion groups, and worship services round out its program.

CHURCH RECREATION LEAGUE, more popularly known as the "Friday Fun Nights," provides each Friday evening a program under the supervision of the two directors of student work. Entertainment consisting of games, dramatics, stunts, and refreshments makes up the program.

FRESHMAN COUNCIL, under the guidance of the Director of Student Work for Men, is a leadership training group for all freshman men. Meetings are held every Monday night.

Y. M. C. A.

Membership in the Y. M. C. A. is open to every male student at Michigan State and may be obtained upon application.

Activities of the organization are many and varied; they include a helpful service to freshmen during fall term, an employment and a rooming house service, a hospital service, student-faculty friendship meetings, and an annual banquet.

The president for 1933-34 is Harlan Clark. The president of the Spartan Y. Forum meeting every Sunday noon from 12:00 to 12:45 is Charles Noble. The general secretary is Norman W. Kunkel.

Y. W. C. A.

The Y. W. C. A. has an active student organization with offices in the Peoples Church. Every college woman is eligible to join this group; those interested are invited to apply for membership.

An annual drive for contributions, supported by the dormitory and sorority women, forms the principal source of financial income. The salary of the general secretary is paid through the Community Welfare Fund.

The president for 1933-34 is Jean Stickle. Miss Emma Sater is the general secretary.

Traditions

TRADITIONAL CUSTOMS

Traditions play a large part in the student life at Michigan State. Devised over a long period of time, the traditions have become a well-loved and important factor which gives the College a richer background.

Traditions are not laws and are never regarded as such. Rather, they are time-honored customs which have become universally accepted by the student body for many years. No one is absolutely compelled to obey these traditions, yet there are very few offenders. Every student seems to feel it his personal duty to comply with the rulings and as a result the traditions have become an intangible set of rules compiled by no one, enforced by no one, yet obeyed by all.

The more important of the traditional customs follow:

1. No one smokes on the campus, except in the Union building.
2. Everyone does his part to foster the congenial, democratic spirit of Michigan State. Whether he knows the person or not, a student greets each passerby on the campus.
3. All freshman men wear the traditional green "pots" at all times, except Sundays. This distinguishes them as newcomers to the campus, and is regarded as a privilege rather than a burden.
4. Freshman men are never openly seen in the company of a co-ed.
5. Sophomore men wear a hat or cap at all times.
6. No one cuts across the lawns.
7. No one defaces College property.

TRADITIONAL EVENTS

CLASS DAY. One of the most popular underclass events is the Freshman-Sophomore Class Day. Competing in relay races, obstacle races, tug-of-war, and other track and field events, the two classes vie for superiority. The affair is under the supervision of the Student Council.

BARBECUE. After considerable rivalry during the fall term, the two lower classes "bury the hatchet" at the Barbecue sponsored by the sophomore class. With an abundance of food, cider and good fellowship, the event marks the close of the hostilities for the year. A big bonfire, speeches and an all-college dance round out the program.

MAY MORNING SING. Annually sponsored by the various musical organizations, the May Morning Sing has become one of the most beautiful of Michigan State traditions. An appropriate program of musical numbers is given at the Memorial Tower early in the morning before classes.

ANNIVERSARY DAY. During the second week in May, students and faculty join in commemorating the founding of the College. A special convocation with a suitable program is usually arranged for this occasion.

ACHIEVEMENT DAY. Early in the college year, a special convocation is called at which awards and cups for high scholarship are distributed and special recognition given to those students who have made better than a "B" average during the preceding year or years. The convocation has become an important factor in promoting scholarship and academic standards.

SENIOR SWINGOUT. The first of the numerous senior activities is the "Senior Swingout". Held late in May, the ceremonies include a line of march of the graduating seniors dressed in cap and gown. During the course of the march the seniors go under arches erected by the various classes which signify the passing of a year in college.

CAP NIGHT. Held early in June, one of the most popular traditions that Michigan State observes is the Cap Night ceremonies. This event marks the passing of seniors into the large alumni group while the other classes take up the duties of the next step in college.

During the course of the program the seniors march around the fire tossing in discarded books signifying the end of their college career while the pajama-clad freshmen toss away their green pots. A snake dance and an all-college dance usually close the evening's activities.

LANTERN NIGHT. Lantern night, in which only co-eds participate, is held late in the spring term and is one of the most popular co-ed traditions. Lantern Night symbolizes the transferring of duties from the upper classes to the next class in line.

Lanterns are carried by all senior women and by representatives of the other classes. The passing of the lantern to the class next in rank makes a picturesque finale after the intallation of the new A. W. S. officers, and the calling of the Sphinx members for the coming year. In 1934 the Panhellenic officers will be installed at the same time.

WATER CARNIVAL. The annual Water Carnival staged on the Red Cedar river near Farm Lane bridge is sponsored by the senior class. This event, held during the last week of college in the spring, consists of a program including a parade of floats, specialty acts, and contests. The Water Carnival is of two days' duration.

SENIOR PLAY. As a climax to the dramatic work of the year, the Senior class annually sponsors an out-of-door production presented in the Forest of Arden during the final week of the spring term. Although members of other classes are cast for some parts, the prominent senior thespians are usually selected for the leading roles.

Fraternalism—

*Honorary and Social Organizations,
with the governing rules
for the latter*

Honorary Fraternities

SCHOLASTIC HONORARIES

ALPHA PSI, national honorary veterinary fraternity, limits its membership to students who have excelled in work in the veterinary sciences.

ALPHA ZETA, national agricultural honorary, limits its membership to junior and senior men who rank in the upper two-fifths in their class in scholarship. The organization promotes high scholarship and acts as sponsor for several activities each year.

BETA ALPHA SIGMA, local honorary landscape architecture, floriculture, and allied arts fraternity, has as its purpose the promotion of scholastic attainment and advancement of appreciation and knowledge of landscape architecture and the allied arts.

LA COFRADIA, local Spanish honorary, limits its membership to students who excel in using the Spanish language.

MORTAR AND BALL, an honorary Coast Artillery fraternity, has as its purpose the better preparation of advanced artillery cadets for the R. O. T. C. camps through cooperation with the military department.

OMICRON NU, national home economics fraternity, limits its membership to junior and senior women of high academic rating in home economics.

PHI GAMMA PHI, national honorary German society, is limited to students who have maintained a high average in this language.

PHI KAPPA PHI, national scholastic honorary, restricts membership to those students who for their entire college

career have the highest averages regardless of the line of work they take up.

PHI LAMBDA TAU, local engineering honorary, limits its membership to junior and senior engineering students who have attained a high scholastic average.

PHI ALPHA XI, national floriculture honorary, has as its purpose the promotion of high scholarship, the fostering of good fellowship among its members, and the establishment of cordial relations among students, educators, and professional florists.

SIGMA XI, national honorary science fraternity, extends membership to exceptional students in the science division.

SIGMA ALPHA BETA, local honorary bacteriological fraternity, has as its purpose the encouragement of higher scholastic attainment in the field of bacteriology.

TAU BETA PI, national honorary engineering fraternity, limits its membership to students who have earned scholastic distinction in the engineering division. It was established at Michigan State in 1892.

TAU SIGMA, local honorary art and science fraternity, awards membership to those students who maintain a high average during the first three years of work at Michigan State.

XI SIGMA PI, national honorary forestry fraternity, draws membership from those showing scholastic proficiency in that course.

L'ALLIANCE FRANCAISE, honorary French club, selects as its members those students of advanced French who have proved themselves proficient in the language.

NON-SCHOLASTIC HONORARIES

ALPHA EPSILON MU, national musical fraternity, selects as its members men who have been active in the interests of the college band, glee club, or orchestra.

THE BAND CLUB, local honorary organization, is open to outstanding members of the Michigan State Military band. Sophomores and juniors are eligible for membership.

BLUE KEY is a national service honorary fraternity which has as its creed the welcoming of visitors to the campus, the planning of pep meetings, and other activities of a similar nature. Men who are outstanding in extra-curricular activities are picked at the close of their sophomore year in college.

EXCALIBUR, local senior men's honorary, has as its members men who have given exceptional service and leadership during their undergraduate days at M. S. C. New members are tapped at important all-college convocations.

GREEN SPLASH, the co-ed honorary swimming club, annually picks as its members girls who have fulfilled certain requirements, both in scholarship and in swimming. Various activities round out the program for the year.

LAMBDA SIGMA, local honorary speech fraternity, was established with the purpose of promoting the betterment of speech among students.

MU PHI EPSILON, national women's honorary music fraternity, limits membership to students who are majoring in music. The purpose of the organization is to encourage music on the campus.

PI KAPPA DELTA, national forensic honorary, limits its membership to students who have made enviable records in debating.

PORPOISE, national men's swimming honorary, has as its creed the promotion of swimming. The club sponsors various activities during the college year.

SIGMA EPSILON, local honorary business administration fraternity, limits its membership to students in that division. The organization promotes interest in business administration.

SCABBARD AND BLADE, national honorary military fraternity, has as its creed the promotion of interest in R. O. T. C. affairs. The membership is limited to outstanding advanced military students.

SIGMA DELTA PSI, national honorary athletic fraternity, is open to any man who can successfully meet certain specified requirements in athletics.

SPHINX, a local senior honorary for women, limits its membership to those who have taken a prominent part in extra-curricular activities and who have demonstrated leadership. Members are selected from the junior class at a college convocation.

THETA ALPHA PHI, national dramatics society, limits its membership to students who do outstanding dramatic work on the campus. The Michigan State chapter sponsors several plays each year.

VARSITY CLUB, a local honorary, picks its members annually from the ranks of the major sport letter winners.

"S" CLUB, a local honorary in Women's Athletics, includes those girls in the Women's Athletic Association who have accumulated 1000 athletic honor points during their college careers.

PROFESSIONAL HONORARIES

ALPHA CHI SIGMA, national in scope, is neither a social fraternity nor an honorary, but a professional society; the fact that many of its chapters maintain houses as well as its high scholastic requirements for membership give it qualities of both. Besides being open only to men majoring in chemistry, the society stipulates that the character of the men be carefully considered. The local chapter is composed entirely of upper classmen, graduate students, and faculty members. The chapter maintains a house at 406 M. A. C. Avenue.

SIGMA ALPHA IOTA, professional music fraternity for women, has as requirements for membership high scholarship and capable performance in music. Its aim is to promote high standards of productive musical work among women of colleges, universities and conservatories.

VOCATIONAL AND CULTURAL ORGANIZATIONS

ART CLUB, founded by students and members of the Art department, has as its purpose a furtherance of thought along artistic lines.

AMERICAN CHEMICAL SOCIETY, a national organization, devotes time to the promotion of interest in work in that field.

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS is open to both professors and students in electrical engineering.

AMERICAN MANAGEMENT ASSOCIATION is an organization which has as its purpose the sponsorship of meetings at which problems of industry are discussed. The club is a junior chapter of the national association.

AMERICAN SOCIETY OF CIVIL ENGINEERS limits its membership to junior and senior students in that field. Members of the campus group are eligible upon graduation to join the senior chapter.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS, a junior branch, is an organization to which all student junior and senior mechanical engineers are eligible.

AMERICAN VETERINARY MEDICAL ASSOCIATION, a student chapter, limits its membership to veterinary students.

BEE KEEPERS' SEMINAR is composed of students especially interested in this field. Regular meetings are held at which major problems are considered.

BLOCK AND BRIDLE is an organization open to all students interested in animal husbandry. Interesting meetings are held at regular intervals.

BOTANICAL SEMINAR is a group of students and faculty members who devote their time to study and research in botany.

COSMOPOLITAN CLUB is an organization of foreign

students which aids in the orientation program for foreign students.

DAIRY CLUB is an organization for students who are specializing in dairy production or manufacturing. Questions of dairy interest are discussed.

FORESTRY CLUB is a group composed of forestry students. Projects of interest are discussed at regular meetings and various social activities are sponsored annually.

HOME ECONOMICS CLUB, affiliated with the Michigan and National Home Economics associations, is open to all co-eds enrolled in the home economics division.

HORTICULTURE CLUB is open to all students who are either majoring or planning to major in horticulture.

MICHIGAN STATE COLLEGE PRESS CLUB, a new organization to further interest in journalistic activities on the campus, takes the place of Pi Delta Epsilon, which disbanded in the spring term of 1933. Besides sponsoring a series of lectures on Journalism, the club has established a press service for high school papers in the state.

M. S. C. GRANGE, affiliated with the national group, is open to students who are interested in work of this kind.

OFFICERS CLUB is an organization of the students who are taking advanced military science. The group annually sponsors the military ball, smokers, and other social functions for military men.

ORCHESIS, a branch of the national dancing organization, has as its purpose the promotion of interest in artistic dancing. Membership is limited to co-eds of advanced talent.

SIGMA RHO TAU is a national organization devoted to giving engineering students an opportunity to develop their speaking possibilities. Cognizant of the fact that very few chances are given the undergraduate engineer to speak to an audience, this group fosters speaking tournaments under the direction of a member of the speech department.

SEVEN ARTS CLUB, recently founded, furthers the cultural side of campus life by sponsoring several artistic movements.

Social Fraternities

FOREWORD

There are twenty-two men's social organizations on the campus, both national and local in nature, which are known as fraternities. These societies maintain houses in which members, and occasionally pledges, live, and they form an important part of college life.

Fraternities recruit their members by selecting them from the student body. It is not ethical, however, for a student to indicate his desire to join a particular fraternity, but rather he must wait to be asked. Each fraternity considers many men for membership. They learn all they can about everyone and very carefully select the ones who seem best suited to their group. These few are extended bids, and the student then accepts or refuses the invitation.

The better fraternities are extremely careful in their work of rushing (becoming acquainted with prospective members). A student who is boastful, vulgar, uncouth, or overbearing is at once dropped from the list of prospects. The good fraternity is not interested in the awkward, effeminate, or immoral type. Good students, men with strong moral convictions, and true gentlemen are the men who command the attention of the fraternities.

A fraternity's first impression of a freshman is very important. Make this first impression lasting by being alert, pleasant, and unartificial.

When the rushing period opens, with the start of college in the fall, you may be rushed or you may be overlooked. In either case, keep cool. The decision to pledge membership to a fraternity is an important step, one which deserves mature deliberation, and the freshman who escapes the necessity of making this decision is not altogether unfortunate. If you are overlooked in the early rushing, you will probably have another opportunity, even if it is not until your sophomore year.

To be a "misfit" in a fraternity is certainly a misfortune.

The choice of a fraternity is a serious proposition and it must be faced squarely in the most serious manner.

Don't be misled. When the time comes for you to state the choice of fraternities, be wise, look at things squarely and from all sides. Don't join a group because you feel obliged to, or because you find yourself in a "sweat-box" and are afraid to refuse. Keep your head at all times and remember that there never was a time limit on pledging and there never will be.

REGULATIONS

Pledging rules, as laid down by the Inter-fraternity Council, should be observed faithfully by all freshmen and other students. These are taken from the Council Constitution and follow:

Article IX—Pledging

Section 3. The pledging of a student to a fraternity shall be formally accomplished as follows: Upon invitation of a fraternity to become one of its members, a student shall be required to fill out an application blank supplied by the Council. This blank shall be presented to the secretary of the Council and no pledge pin may be issued by the fraternity until the fraternity shall have received a written notice of the secretary's acceptance of the application.

Section 4. No student's name may be dropped from the pledge-roll of any fraternity until the written notification has been sent to the secretary of the Council and the written notice of its acceptance has been received by the fraternity from whose pledge-roll the name is to be taken.

Section 5. No student may be pledged to any fraternity until seven days have elapsed since the official opening of classes.

Section 6. No student whose name has been dropped from the pledge-roll of any fraternity may be pledged to any other fraternity until six months have elapsed since his release, without the written consent of the releasing fraternity.

Sororities

FOREWORD

Each of the twelve sororities entertains during rushing season approximately one hundred freshman women. Of this number, only ten to thirty are invited to membership. However, Panhellenic, the governing body of all social sororities, wishes that the friendly relations established during this season may continue throughout the college career.

All groups are worthy of membership, and the rushee is urged to make her selection independently. Her choice of a group should be on the basis of congeniality; that is, the rushee should pick the sorority in which she, as a member, would be most happy. She should remember, in making her choice, that the associations formed in that organization are for a period of four years or more, and therefore are of the utmost importance. Nothing is more tragic than a misfit.

Each rushee is respectfully asked to cooperate during the period of silence.

It is considered beneath the standards of both the local and the national Panhellenic for any woman to speak disparagingly of any group or individual. A member of one organization who so forgets herself as to criticize any member of another group, or the group as a whole, discredits herself in the eyes of all prospective as well as active members.

The cost of joining a sorority is an important point to carefully investigate before taking any definite steps. Specific expense lists of the various sororities may be obtained at the office of the Dean of Women.

Simple afternoon dress will be appropriate for all parties except the formal party. This will be indicated on the invitation.

Should a woman be unavoidably detained, she should not hesitate to come after the appointed hour.

For the last three informal parties, the rushee should accept the invitations of those groups in which she is most interested. However, the acceptance of the invitation for the last party DOES NOT indicate her choice; nor does this invitation indicate the sorority's choice of rushee.

RUSHING RULES

Rushing rules are printed in full by Panhellenic and may be obtained, by anyone interested, in the office of the Dean of Women.

STATE SONGS

ALMA MATER

Close beside the winding Cedar's
Sloping banks of green,
Spreads thy campus, Alma Mater,
Fairest ever seen.

Chorus

Swell the chorus; let it echo
Over hill and vale;
Hail to thee, our loving mother,
M. S. C. all hail.

First of all thy race, fond mother,
Thus we greet thee now,
While with loving hands the laurel
Twine we o'er thy brow.

FIGHT SONG

On the banks of the Red Cedar
Is a college known to all;
Their specialty is winning,
And those Spartans play football.
State teams are never beaten,—
All through the games they fight,—
Fight for the only colors,
Green and white.

Chorus

Smash right through that line of blue,
Watch the points keep growing,
State teams are bound to win,
They're fighting with a vim,
RAH! RAH! RAH!

See their line is weakening,
We're going to win this game,
Fight! Fight! Rah! team, fight!
Victory for M. S. C.

M. S. C. SHADOWS

M. S. C., we love thy shadows
When twilight silence falls,
Flushing deep and softly paling
Our ivy covered halls.
Beneath the pines we'll gather
To give our hearts to thee,
Sing our love for Alma Mater
And thy praises, M. S. C.

When from thy scenes we wander
And twilight shadows fade,
Our mem'ry still will linger
Where light and shadows played;
In the ev'ning oft we'll gather
And turn our thoughts to thee,
Sing our love for Alma Mater
And thy praises, M. S. C.
