The M. A. C. RECORD.

ESTABLISHED IN 1896

M. A. C. Cannot Live on Her Past—What Will You Do for Her Future?

Entered as second-class matter October 30, 1916, at the post office at East Lansing, Michigan, under the Act of March 3, 1879.

Published every Friday during the College Year by the Michigan Agricultural College Association.

E. W. Ranney '00, Greenville - - - Pres.
H. C. Pratt '09, Lansing - - - Vice Pres.
W. K. Prudden '78, Lansing - - - Treas.
J. B. Hasselman, East Lansing - Acting-Editor
Members of Executive Committee.
Elected at Large:
C. S. Langdon, '11, Hubbardston.
A. C. Anderson, '06, Flint.
Mrs. Helen Esselstyn Wood, '09, Lansing.

MEMBERSHIP IN THE M. A. C. ASSOCIATION
which includes subscription to the Record, \$2.50 PER YEAR.

Make Remittances payable to the M. A. C. Association.

Unless members request a discontinuance it will be assumed that a renewal of membership is desired.

THE M. A. C. RECORD

VOL. XXVII. No. 32

EAST LANSING, MICHIGAN

JUNE 2, 1922

MUSICAL ENTERTAINMENT of an unusually high order has been scheduled by the college Liberal Arts Committee for the series to be presented next year. Theodore Karle, well known tenor; Marie Tiffany, soprano of the Metropolitan Opera Company; and The Elshuco Trio, outstanding organization of its class in America, are to give the three concerts scheduled. The Arts Council is following out a policy of securing the best possible talent, regardless of expense, for the coming year. This will mean a reduction in the number of concerts but will result in a much higher class of entertainment.

CAPTAIN W. H. WARREN, graduate of Amherst College in the class of 1915, has recently been added to the artillery staff of the college cadet corps. Captain Warren, who came to M. A. C. direct from a post in the Panama Canal zone, has had wide experience both in army and in college work. He has served as a college athletic coach, has won his wings in aviation, and has held various artillery assignments.

A CHAPTER ON THE BOTANIST has been contributed by Dr. E. A. Bessey, head of the college botany department, to a book entitled "Careers for College Men" which is being edited by Prof. R. L. Power, of the University of Southern California.

WITH FIFTY-SIX HIGH SCHOOL TEAMS, including nearly four hundred individual athletes, entered for the annual interscholastic track and field meet on Friday and Saturday, the college is ready to play host to the largest gathering of preparatory school men who ever visited the campus in a body. The teams entered will come from every section of Michigan and will represent schools of all sizes. There are different classes of competition for the schools of different enrollment. Institutions with an enrollment of more than 500 rank as Class A; under 500 but more than 175, as Class B; and under 175 as Class C. The various fraternity groups are to house the visiting athletes during their stay, while the whole group will be fed at the training table maintained in the East Lansing Masonic Temple. Director C. L. Brewer, of the athletic department, is serving as general manager of the meet, which is the official field day of the Michigan Interscholastic Athletic Association.

EXCAVATION WORK has been started for still another East Lansing business block. At the present rate of development, the north side of Grand River Avenue, opposite the campus, will soon be built up solid from the bank building on the west to M. A. C. Avenue on the east.

A SCHEDULE FOR FINAL examinations in spring term courses is being worked out by a special committee of the faculty. Under the proposed plan, examinations will be distributed over the entire final week of the term, instead of being allowed to accumulate on the last two or three days. The new system will result in opportunity for more careful preparation on the part of students and will also leave more time free for the enjoyment of commencement week activities.

NO M. A. C. TRACK MEN will be sent to the Western Conference Meet at Iowa City Saturday, according to word recently given out by the college athletic department. Interference with scholastic work of the representatives who were to take the long trip to the big meet is given as the reason for the decision to withdraw entries. Captain DeGay Ernst and one or two others on the squad were conceded excellent chances of placing high in the Conference events. The men will be sent to the national collegiate meet at Chicago later in the month. At this time it is expected that examinations will not interfere with the entrance of the M. A. C. men.

THE GRASS ON THE COLLEGE CAMPUS is performing its annual stunt of growing faster than Tommy Gunson's staff of mowing machines can keep it down. Rains and warm weather have caused the turf to send up shoots at an astonishing rate, and portions of the campus now resemble the old back pasture. That extra forces will be put to work in order to have the campus down to its customary velvety smoothness by commencement time is the word sent out by the powers that be.

FRESHMEN GIRLS of the future will learn all about electricity and its application to various household conveniences. A revised course in physics for the first year girls will give instruction in electrical wiring and lighting fixtures, as well as in labor saving devices and cooking appliances.

GREEN SWEATERS WERE AWARDED recently to members of the co-ed varsity rifle team, which competed successfully in a number of inter-collegiate meets during the winter months.

THE M. A. C. VARSITY CLUB gave a dance in honor of the visiting Wisconsin University baseball team last Saturday evening. The dance was held in the gymnasium.

DEAN MARY E. SWEENEY, M. A. C. home economics division, will be the principal speaker at a dinner and reception to be given by the business women's club of Lansing at the Lansing Chamber of Commerce on June 9. The event is in honor of the senior girls of the Lansing and East Lansing high schools.

Reunion Calls Going Out to Classes

Special letters to all the members of classes scheduled for reunions this June are being sent out by representatives of the various classes. Secretaries of those classes which have them, and appointed representatives in other cases, are assuming responsibility for the calling together of their classmates.

Generous response to the letters sent out from the alumni office and strength of the commencement program lined up for this June indicate one of the largest gatherings of alumni in the history of M. A. C. commencements.

Cadet Corps Standing Final Inspection

All units of the college cadet corps are standing final government inspection this week for qualification in the "distinguished" class of war department standings.

The inspection, which started Wednesday noon, is to finish on Friday afternoon with the annual field day and general review.

The inspecting board consists of Colonel Chitty of Chicago, Major Lull of Washington, and Major Hazlett of Dayton University. Detailed inspection of the various units, special drills, and the field day will be included in the general program.

The M. A. C. corps was placed in the distinguished class by the inspection board in 1919, and every effort is being made to repeat the ranking, the highest honor which can be granted a military school.

Appropriate Memorial Day Ceremony on Campus.

Students, faculty, and East Lansing citizens gathered on the campus last Tuesday to pay their respects to the M. A. C. men who have given their lives in military service. The Memorial Day ceremonies were impressive in every detail, the appropriate program being carried out smoothly.

Following an address, delivered in the college gymnasium by Dr. R. A. White of Chicago, the entire audience, with the cadet corps, the staff of officers, and the American Legion leading, marched to the memorial stone at the west end of the campus. Here Grant M. Hudson, of East Lansing, delivered a short invocation and eulogy. Wreaths were placed about the stone by the various campus societies and by the East Lansing lodge of F. & A. M.

The dropping of a wreath of lillies from an aeroplane by A. R. Davis, '22; a concert of national airs by the college band; and firing of appropriate salutes by firing squads from the cadet corps were features which added to the impressiveness of the ceremonies.

ATHLETICS

Track Team Wins Two Big Meets

The varsity track team won two overwhelming victories over the last week-end, taking high honors in the annual Michigan Intercollegiate Meet at East Lansing Saturday and placing first again at the DePaul College invitational meet on Memorial Day.

Coach Barron's men found but little difficulty in running up a top heavy score in the state meet, in spite of the fact that the competition was of the highest order in the history of the meets. The varsity men scored sixty points in a meet in which one field record was broken, five intercollegiate meet records were broken, and a sixth meet record was tied.

Kalamazoo College, winners of second place, scored 27 1-2 points, while Western State Normal was third with 24. Every one of the nine teams entered scored points, but the other totals were low.

Captain DeGay Ernst continued his sensational work, being high point man with firsts in the two hurdles and the 440 yard dash. His time in the 120 yard hurdles, 15.3-5 seconds, was a new field record, while he turned the quarter mile run in 50.1-5 seconds, tying his own field record made the week before in the Ohio State meet.

Brendel won the half mile in 1:59.4, a new college record. Herdel, with firsts in the two dashes, was another star in the M. A. C. line-up.

The varsity presented an unusually evenly balanced team, placing in every event except the broad jump.

On Tuesday, May 30, the team, although without the services of Captain Ernst and Fessenden, scored 67 1-2 points in the DePaul intercollegiates for an easy victory. Chicago Y. M. C. A. College, with 50 points, was second. The times in this meet were very good, although the competition was not as close as it was in the state meet.

Win From Chicago "Y" Team— Lose To Wisconsin

The baseball team split even in its games during the week, burying the Chicago Y. M. C. A. College under a 16 to 1 score on Tuesday, after having lost to Wisconsin University Saturday by the count 10 to 1.

The Wisconsin game was a pretty affair to watch during the first six innings, the visitors leading by a 2-1 score in this period. A passed ball and a questionable decision at the plate accounted for the first two Badger runs in the third inning. The varsity shoved over one marker in their half of the inning, and the game ran along as a fifty-fifty battle for three more sessions.

Kuhn, who had been pitching fine ball in the early innings, let down a little in the

seventh, and the visitors promptly started to run up their total. Misplays in the field and errors in judgment contributed to the big pitcher's downfall, and the Wisconsin sluggers had accounted for ten runs when the last man was retired in the ninth.

Numerous scoring chances were lost by the Green and White. In several innings men were on bases with no one out, only to have the following batters fail to deliver the necessary hits for scores.

The fact that Wisconsin stands second in the Western Conference race and boasts one of the strongest college teams in the West is but small consolation in view of the fact that the team demonstrated in the early innings that it had far more than a fighting chance to cop the game. The breaks went wrong, however, and once started the Badgers were hard to stop.

The Chicago "Y" game, played on college field Memorial Day, was a rout. The varsity hitters went on a rampage and slugged in 16 runs off the combined delivery of three visiting pitchers. Kuhn, again working in the box for the varsity, had a good day, letting the Chicago men down with three hits and a single run.

Hear Ye! Hear Ye! Class of 1920!

The wedding of Miss Home Economics and General Agriculture is to be celebrated at the Michigan Agricultural College, Wednesday, June 21, 1922. Miss Household Science will attend the bride and Mr. Civil Engineering will be best man. All the members of the best class that ever slept through one of Prof. King's ravings or tried to get a square meal at Club C are cordially invited to attend.

Claude, the Coleman, has offered the services of his Ford and will transport all loyal '20ites from the depot to the College. Already he has started to Currie down the car (?) and decorate it with Bunting. When you cover the many, weary Miles out Michigan Avenue and Claude ties the critter up to the hitching Post on the Hill by the Senior House, you will know that you are home again.

The idle rich of the Class of '20, who Baske on the Beach all summer, have promised to be on hand. Margaret, the Gardner, is planning on bringing a bouquet of Lillies and Red-fearns for the bride. Kunigunde Oeschle wires that, although she will Haight to leave off fishing in the Brook (s), she will Ceas and bring along a string of Carpp for the feed. If someone will only bring a Fowle, the dinner will be all arranged for, as we already have the Beer(s) and the Butler is hired. Hidrosollo Wrights that he is going to get out his Gillette and shave, so that he won't look any Wilder. Says he'll have to Hach his watch to get across the Pond, but he is bound and determined to take the Trippensee the Folks again. He'll get here Shumway or other. Silvere Vandecaveye has not been a very Wellman lately, but has decided that he

has Laidlaw long enough and will be here the Knight before.

It may be a Rainey day, so bring your Webb feet. We can't let old Jupe Pluvius make a Frost of the occasion. Let's all be on hand when the Parson(s) ties the knot and the bride, who lost her head and Hart, promises to Kling to the groom through thick and thin.

The date for the festivities has been set with an eye to business, for, besides being the first day of summer and the longest day of the year, June twenty-first is Commencement at the Best Old School in the Universe. And thrown in for good measure, is the inauguration of President Friday. Things are booming "back home" in East Lansing. Come on back and get in the swim. Let's answer roll call with "Hail! Hail! The Class of '20's all here!"

'20 Reunion Committee,

By Al Garratt.

A Call for '93

Owosso, May 29th, 1922.

Dear "93-ers":

Let's come back and look each other over and see and hear what practically 30 years has done to and for us.

Am going to be on deck from June 18th to 21st with the whole — family and if all the members of old "93" do the same we sure will have one grand time. Luther Baker can be depended on to take care of local arrangements, such as room reservations, etc. He is right at East Lansing and will take care of every request sent him by any of us old class mates.

Let's see you and yours June 18-21.

Yours as ever,

A. B. Cook.

How About It, 1910?

627 Madison Ave., Grand Rapids, Mich.

May 26, 1922.

To the members of the class of 1910.

Greetings:

Under the Dix Plan now in effect at M. A. C. the classes of 1909, 1910, 1911 and 1912 will meet in reunion Commencement week. Two years ago our class had a reunion but the attendance should have been larger. No excuse for not coming this year! Let's show them how "10'ers" can "reune!"

Don't miss President Friday's inaugural, the alumni luncheon, the alumni dance and the reception for President and Mrs. Friday, the many other big events. Let's show President Friday that M. A. C. alumni are loyal and interested in their alma mater.

Make arrangements to be back for at least Tuesday and Wednesday, June 20th and 21st. See May 19th Record for Commencement week program.

Yours for a big reunion,

Minnie Johnson Starr.

New York Alumni Hold Founders' Day Meet

Thirteen alumni of the New York district gathered at the Clarendon Restaurant in New York City on Friday evening, May 12, in recognition of M. A. C. Founders' Day. May E. Foley, '18, formerly connected with the alumni office here and now studying at Columbia University, sent in the following account of the meeting:

John J. Bush '84, president of the New York association, was the liveliest young man present. He goes in for all the latest dances. F. M. Morrison '03 of Jersey City, was just recovering from a long illness, but he came, even if he did have to bring a cane. Ensign L. K. Cleveland '17, who has been around the world several times in the last two or three years on the U. S. S. Olympia, was just then stationed in Philadelphia, and happened to be in New York for the meeting. The complete list of those present follows: John J. Bush '84 and Mrs. Bush, Wm. J. Meyers '90, F. M. Morrison '03, Mrs. Morrison and daughter, Albert N. Robson '06, F. M. Keating '18, May E. Foley '18, Winslow E. Dobson '18, A. C. Dick w'18, and Cecile VanSteenberg, who last year was on the home economics faculty at the college.

The message sent out by President Friday to all alumni clubs holding Founders' Day meetings was read at the meeting. The new president's outline of work to be done at the old college in the future was received with keen interest.

—M. E. Foley, '18.

Ionia County Alumni Celebrate Founders' Day

The following account of a Founders' Day meeting held by the Ionia County alumni has been received from W. A. Wood, '12:

The Ionia County M. A. C. Alumni Association celebrated Founders' Day Saturday, May 13, at the Hotel Bailey in Ionia. The number in attendance was not up to the usual record, but the spirit and pleasure has not been excelled.

We were proud to have a man with the loyalty and deep interest Prof. Gunson has in M. A. C. with us at this time. His greetings from the president, and an enlightening as well as delightfully interesting talk, were much appreciated.

A very informal atmosphere prevailed throughout the evening while the chicken dinner was excellent in appointment, taste and effect. It was deeply regretted by all that the critical illness of Alfred Locke, '91, prevented his presence, and it is our deep sorrow now that his passing away takes a most devoted alumnus and friend.

According to suggestions made, plans will be inaugurated to hold a meeting during the summer in the nature of a picnic, in all probability at some nearby lake.

Those present were: C. I. Goodwin '77, C. Calkins '74, Thos. Gunson '94, Mrs. Park Wilson '07, G. C. Edmonds '17 and wife, C. S. Langdon '11 and wife, Fred Tabor '12 and wife, S. F. Gates '03, Stanley Powell '20, Miss Eleanor Partridge, Hazen Hines w'24 Walter A. Wood '12.

THE LOCAL FERONIAN alumnae will hold their annual commencement picnic in honor of returning alumnae at the home of Mrs. R. E. Loree, in East Lansing, Monday, June 19, at 5:30 p. m.

MARRIAGES

PEPPARD-BRYANT

David L. Peppard '17 and Irene Elizabeth Bryant of Bloomington, Illinois, were married May 12 at the Church of the Redeemer, 56th and Blackstone Avenues, Chicago. They will be at home at 5479 Dorchester Avenue, Chicago.

1922 Reunion Schedule

The classes which are scheduled for reunions next June are as follows:

'71 regular	'97 Twenty-fifth
'72 regular, 50th	'02 Twentieth
'73 regular	'07 Fifteenth
'74 regular	'09 regular
'77 Forty-fifth	'10 regular
'82 Fortieth	'11 regular
'87 Thirty-fifth	'12 regular, 10th
'90 regular	'17 Fifth
'91 regular	'20 regular
'92 regular, 30th	'21 First
'93 regular	

CLASS NOTES

'81

A. H. Voight sends his blue slip from 936 South Westlake Avenue, Los Angeles. He is president of the California Furniture Company.

The following comes from Edward C. McKee, R. R. 11, Box 27A, Glendale, California, "I welcome the visits of the Record but would enjoy it more if the 'boys of '81, and whereabouts would write more frequently. Oh, I plead guilty, but come on boys of '81 to '84, let us hear from you. My occupation for the past two years has been principally trying to regain my health, after the severe nervous breakdown two years ago. We consider ourselves fortunate to have our home in beautiful Verdugo Woodlands, a suburb of Glendale, California, the fastest growing city in America, and only ten miles from the heart of Los Angeles."

'84

"To the eye of the ordinary layman it seems impossible. But when this same layman hears

Dr. Phillip B. Woodworth standing right on the grounds and knowing absolute facts and a few other things about it, say without hesitancy, 'Yes, I think it will, be possible for us to hold our Commencement exercises in the new Rose Polytechnic institute, June 8,' the same layman admits to himself that the day of miracles is once more with us. Most of the steel work skeleton of this splendid new institution is up and the concrete foundation has been finished, for some time. Just as rapidly as the steel work is completed, the roofing will be done. The center section of the large building covers perhaps an acre in space; so, with this covered and floored and provided with chairs and a platform, what more could be desired for an open-air June graduation?" From the Terre Haute Star of April 5.

'95

Merritt W. Fulton, a former Detroit dairyman and recently a fruit farmer in West Virginia, together with Frank Smith and John Russell, have purchased the Royal Oak Creamery plant at Royal Oak, Michigan, and will organize a company, to be incorporated for at least \$50,000. Mr. Fulton was in the dairy business in Detroit from 1900 to 1906, leaving there to go west and later buying a fruit farm in West Virginia, which he operated for 11 years. He states that he will retain his orchard interests in West Virginia and that his son, Stanley, will take his place as manager.

'97

The following paragraphs are taken from the press bulletin of the World's Dairy Congress Association. "President H. E. Van-Norman went to Europe on April 22, where America's diplomatic representatives will aid him in establishing contact with government officials, scientists, health workers and business men. He went to Europe to discuss subjects, speakers and plans for the World's Dairy Congress with officials, scientists, industrial leaders, child welfare workers, etc., in Italy, Switzerland, France, Belgium, Holland, Denmark, Germany, Sweden, Norway and the British Isles. He expects to return to Washington, D. C., in July. Before his departure, the Secretary of State appointed him a delegate of the United States to the General Assembly of the International Institute of Agriculture, meeting at Rome, Italy, May 8 to 18, and the Secretary of Agriculture appointed him an Honorary Commissioner of Agriculture to report on the dairy situation of Europe."

'07

C. J. Hart is one of the Lenawee County Holstein breeders and lives at Clayton, Michigan.

Dalton Moomaw is living in South Bend, Indiana, at 1121 Blainé Ave.

'11

"Hi" Greenleaf is with the Columbus Oil Refining Company at Columbus, Indiana.

'12

R. B. Delvin has moved in Evanston, Illinois, to 2409 Hartail Street.

'13

Lafayette C. Carey receives his mail at Benton Harbor, Michigan.

Herman Waagbo calls himself a "plain farmer" and lives up to it at Northport, Michigan.

'14

This comes from H. Blakeslee and Muriel Smith Crane, "You can record the arrival of Emily Knight Crane, May 24, Standard Central Time. Both father and mother are doing nicely and the girl—well, she speaks for herself. If any of our friends have lost count, this is number 4.

Ernest H. Burt, Captain 14th Infantry, Mrs. Burt (Lela Mead '19), and their two children are living at Fort Davis, Canal Zone, where Burt is Post and Regimental Adjutant.

Paul Calrow and Mrs. Calrow (Jean Fry '15), announce the arrival on May 22, of their third son, Paul Emerson.

'15

Arda Strong Boucher has moved from Coldwater, Michigan, to 339 W. Morrell Street, Jackson, Michigan.

W. Roy Thompson has given up farming near Suttons Bay, Michigan, and is now living in Grindstone City, Michigan.

'16

An eight-page magazine entitled "The System Furfural-Water" has recently been published by Gerald H. Mains of the Color Investigation Laboratory, Bureau of Chemistry, Washington, D. C.

Olaf A. Olson has asked us to change his address to 1322 Eighth Avenue South, Escanaba, Michigan.

Ed Hamlin is back again at Kilton, Gogebic County, Michigan, with the John Schroeder Lumber Company.

'18

Winslow E. Dobson is living in New York City at 147 Fourth Avenue.

'21

Asa Winter stopped in at the Alumni office Saturday and left his new address, Addison, Michigan.

Ernest D. Menkee may be reached at Belding, Michigan.

The following is taken from a letter from Wesley Malloch: "After having spent some time in Louisville and Russell, Kentucky; Ironton, Ohio; Indianapolis, Indiana; and Chicago, Illinois, since the middle of January, I am now located in Seattle, Washington. Although my permanent address will be 912 Fifth Avenue South, Escanaba, Michigan, indefinitely, I wish you would send my Record to the Hotel Wintonia, Seattle, Washington, until further notice. Present indications are that I will be in the West for at least a year or two, but 'One never knows, does one?' As in 'Campus Days'—'Here's to Old M. A. C.'—"
