## RAILROAD RATES.

A number of inquiries concerning railroad rates on the certificate plan have been received and we are able to make the following statement concerning same.

In the first place this rate is given by the Michigan Passenger Association and includes only the lower peninsula of Michigan. When purchasing your ticket to Lansing (full fare) you will be entitled to a certificate as well. This certificate will be deposited at the proper place at this end of the line. Upon your return, by presenting this certificate you can secure the rate of one-third fare for the return trip. The dates of purchase will be from Thursday, May 23, to Tuesday, May 28, inclusive. These certificates will be honored for reduced rate tickets to and including Tuesday, June 4.

## Y. M. C. A.

Prof. Jeffery spoke at the Union Meeting Sunday evening, and members of the choir from the Church of Our Father rendered three very beautiful selections. The associations have been fortunate in the special music that has been given at the Sunday evening meetings during the past year, and that of Sunday evening was no exception.

There will be no meeting next Sunday evening on account of the baccalaureate sermon to be delivered in the afternoon. There are but two remaining meetings this year and an effort will be made to make them well worth attending.

## INCORPORATION.

On account of an error in copying the boundaries of the proposed city of East Lansing, it was found necessary to return the bill to the starting point in the legislature. On this account registration and caucus has been postponed, the probable date being June 1. This depends, of course, on the movement of the legislature as the bill must pass early enough to allow ten days in which to advertise. The House, however, has already passed upon the correction and it is hoped that the day of registration will be not later than June 1, at the school house.

THE WINNING DEBATERS

H. L. KEMPSTER      W. E. PIPER      C. C. TAYLOR

## M. A. C. WINS THE ANNUAL DEBATE WITH YPSI.

The M. A. C. debating team, consisting of William E. Piper, H. L. Kempster, and C. C. Taylor, defeated the Ypsilanti Normal College team on Friday evening, May 17th. Ypsilanti was represented by J. M. Hover, L. W. Weber, and William Olds. The debate, which took place at Ypsilanti, was on the question, "Resolved, that a progressive inheritance tax should be levied by the Federal government." The affirmative was defended by Ypsilanti, while M. A. C. won by maintaining the negative.

An audience that filled the large assembly hall of the Normal College listened with the closest interest to the speakers of both sides. The courtesy of the Ypsilanti students was such in the matter of applause and "rah-rahs" that it was all but impossible to determine whether they were sympathizers with the negative or the affirmative. In every way the team felt that they were given the glad hand by their hosts, a feeling which was appropriately expressed in a neat little speech by Mr. Piper before the decision of the judges was announced.

The work of the team was such as to give pride to every loyal alumnus, student and friend of M. A. C. As one of the judges put it they showed throughout that they thoroughly understood their subject, that they had selected the right materials for effective use, that they had arranged their materials in the most logical manner, and that they had presented them most persuasively. Another of the judges, one who gave his decision in favor of M. A. C., stated that he came to the contest personally in favor of a progressive inheritance tax, but he was far from sure when the team

had finished its argument that such a tax would be expedient.

The affirmative based its argument on the facts that such a tax would be practical, just, and expedient, while the negative argued that it was undesirable, impracticable, and unnecessary, first, as a means of regulating wealth; second, as a means of raising revenue; and third, as a means of equalizing taxation.

In constructive argument each of the M. A. C. team depended largely upon a carefully prepared and accurately committed argument. They all gave these addresses without a break or indication of hesitation, and entirely without notes. In rebuttal, on the contrary, they had no set addresses, but depended upon their thorough knowledge of both sides of the question to enable them to answer any argument their opponents might advance. In this work they were no less skillful and effective than in their constructive work. All in all they were masters of their subject and of its presentation.

Piper is a senior mechanical, while Taylor and Kempster are sophomore-ags. Piper was on the team defeated by Ypsi a year ago, while Olds, the leader of this year's Ypsi team, was a member of that winning bunch.

The judges of the contest were Professor Claude Van Tyne, of the department of modern history, Ann Arbor; Professor Thomas Nadal, of the English department, Olivet; and Superintendent S. O. Hartwell, of the Kalamazoo public schools.

A. C. Dodge was around shaking hands with College friends yesterday. He comes all the way from Peru to—attend the Jubilee.

B. B. Ellsworth was among the visitors at the ball game on Saturday.

In his post graduate studies he has shown rare ability as an investigator, as his thesis is considered to be among the very best that has ever been presented in the history of the college. EUNOMIAN PICNIC.

On Saturday last the most perfect and delightful day that the reluctant season has thus far granted us, the annual Eunomian picnic was held at Pine Lake. The company composed of some thirty-odd couples arrayed in comfortable outing attire, and accompanied by such impedimenta as cushions, cameras, parasols, ball clubs, and quoits gathered at the curve and awaited the coming of the Pine Lake special which arrived shortly after 10 o'clock. The few minutes' ride through the exhilarating air of the morning, and the anticipation of a day's fun prepared the way for a burst of merriment which manifested itself on arrival and continued bursting all day.

After arrival at the car terminal the entire party rowed across the lake to the scene of the morning's pleasure, where swinging, bowling, quoit-pitching, strolling, and impromptu baseball were engaged in. At one o'clock all returned to a sumptuous dinner, the dispensation of which was entered into with a spirit born of fresh air and exercise, and to which "Old Sol" seemed to add his approval by shining his fiercest in the faces of the hungry candidates gathered around the long table spread in the open air. After the crowd was sufficiently regaled to "look pleasant" a few pictures were taken in which was included the row of "pie-faces."

After dinner the company dispersed, part remaining at the pavilion to enjoy dancing, some returning to the scene of the morning's sport, and others essaying whatever diversion fancy seemed to suggest. At eight o'clock the party returned to the college.

Prof. and Mrs. Sackett very kindly and efficiently acted as chaperones. It is hoped they derived some pleasure from the day's outing aside from the responsibility of looking after the younger people.

Special mention might be made of baseball. While no official record was obtainable, it is safe to say that the winning side always had the most scores. The games were characterized by splendid team work, spectacular fielding, and safe hitting (?) Pitchers changed too often to mention, umpires ditto. Several promising league team candidates

were noticed, especially among the gentler sex. Their throwing was a little wild, but this was offset by their earnest efforts to win. Some informal boat races were also attempted. The only prizes offered the contestants seemed to be blistered hands and sunburned faces. It is claimed one young lady was heard to remark, "My face will be one continuous freckle."

To get away from the routine of college work for a day, to feel the inspiring influence of spring, to engage in healthy sport, and to feel free to do as we will is certainly something all can appreciate. Such was the day we enjoyed, and such was the feeling expressed in the oft repeated phrase, "Everybody's happy."

ATHLETICS.

M. A. C. 15—HILLSDALE O.

M. A. C. won her second cup game Wednesday by defeating Hillsdale 15 to 0. It seemed to be our lucky day for every man on the team secured one or more hits, while the visitors seemed utterly at a loss to find Nies. Up to the ninth they had not secured one safe hit, and no one had reached second. In this inning with two men out, one man walked and Watkins got a hit. On an error by Mills the bases were filled. Vaughn then picked up a hot grounder and closed the game. Until the ninth only three of the visitors came to bat in any one inning, while M. A. C. batted once around in the first inning. Every man on the team scored except Vaughn.

The line up:

M. A. C.		HILLSDALE.				
	AB	H	O	A	E	
Ellis 1	5	1	2	0	0	
Vaughn s	4	1	3	0	0	
Mills 2	5	2	0	2	1	
Crissey c	5	1	6	1	0	
Thatcher m	4	1	3	0	0	
Harrison f	5	2	1	0	1	
Knapp 3	4	1	0	2	0	
Nies p	4	2	1	6	0	
Kratz 1	4	2	11	0	0	
	40	13	27	11	2	

HILLSDALE.		INNINGS.								
		1	2	3	4	5	6	7	8	9
M. A. C.	5	4	0	0	3	0	2	1	0	—15
Hillsdale	0	0	0	0	0	0	0	0	0	—0

Struck out by Nies 7, by Stewart 4. Bases on balls, Nies 1, Stewart 2. Stolen bases, Ellis, Crissey, Kratz. Three base hit, Crissey; two base hit, Harrison. Umpire, Dr. Crume, of Hillsdale.

YPSI 5—M. A. C. 2.

M. A. C. was defeated in base ball at Ypsilanti on Friday afternoon, but won out in fine shape on the debate. The game was a good one, one paper stating that there were 2700 people present, and a number of ground rules necessary to keep people off the diamond. Of the hits secured, Kratz got 2 and Ellis 2. The runs were made by Ellis and Vaughn. Steimle

struck out 8 men, while Akers had 6 to his credit. The Normals were unable to find Akers until the 5, when a double and two singles started things going. Johnson and Monks did a little more hitting in the 6, which were fortunate ones and two more men crossed the plate. Another was added in the 8. Ellis for M. A. C. scored in the first on Crissey's hit, and Vaughn's run was made in the ninth. This is the seventh game for Ypsi. this season.

M. A. C. 13—KAZOO 1.

Kazoo was snowed under on Saturday morning of last week by the above score. The day was quite ideal for the game, the first of its kind for some time. M. A. C. seemed at her best, making 12 clean hits, while her opponents secured but 5. The home team played a perfect fielding game, not an error being registered against them. This, together with a perfect battery record, were the features. Not a single wild pitch, passed ball, nor stolen base were recorded while M. A. C. were in the field. The hitting was perhaps the best ever seen on our diamond and kept the visitors in the air continually. Nies pitched two innings and was then relieved by Knapp, Akers going in at 3d.

Knapp showed splendid form, striking out ten men and allowing but five hits. His work was such as to place him in the pitching class without a doubt. Only one run was secured. Reed pitched three innings for the visitors and was then relieved by Shepard. He, however, was able to strike out but one man, but held the home team down better during the last three innings. M. A. C. had 12 stolen bases and two sacrifice hits. Thatcher got one three bagger and two singles; Crissey one double and one single.

M. A. C. goes to Hillsdale on Thursday of this week and to Albion on Saturday. Albion has played and won three cup games, and has M. A. C. and Alma yet to meet. It looks very much by the following schedule that it would be Alma, M. A. C. and Albion in the final contests on Field Day, and we believe we stand an equal chance with the others to win the trophy. Here's hoping.

Team	Won	Lost	Per Cent.
Alma	3	0	1000
Albion	3	0	1000
M. A. C.	2	1	666
Kalamazoo	2	2	500
Olivet	1	3	250
Hillsdale	0	5	000

U. OF M. GAME.

On May 29, Wednesday of the big week, will occur the ball game between M. A. C. and the U. of M. This will be the next home game and great preparations will be made for it. It is planned to reserve all seats, both grand stand and bleachers, making in all 650. There will be no extra charge, but the seat will be sold with the general admission ticket. This is done to protect the alumni and old students who will be with us at that time and for whom we should make every possible effort to give them the best old M. A. C. affords. This will be the big game of the season. Called at 4:00 p. m.

Some 25 or 30 chairs are being used in the botanic laboratory which were purchased for the old building in 1880 and are still in fine condition.

SORORIAN COMMENCEMENT PARTY.

Friday evening, May 17, the Sororian Literary Society gave their spring party in the armory. The decorations were very unique and simple, the lattice intertwined with roses being a very effective part of them. A pleasant feature of the evening was the grand march ending in the form of a letter S. The programs carried out the same idea bearing the Sororian seal. The enthusiasm and spirit with which the orchestra played made the time pass very quickly, and all too soon were heard the strains of "Home Sweet Home."

Prof. and Mrs. Sackett as chaperones helped to make the evening a pleasant one for all.

INTERSCHOLASTIC MEET.

The second interscholastic meet held at M. A. C. on Saturday, resulted in a complete victory for the Ann Arbor boys. The day was fine and all seemed to enjoy the sports. There were twenty high schools represented and several of last year's records were broken. Ann Arbor carried off the grand pennant, securing 41 points out of a possible 108. Gifford of Olivet, tied Richards of the University City, for the highest number of points of a single athlete. Aside from these the number of points ranged as follows: Belding, Freeport and Saginaw each 9; Memphis 6; Jackson and Bay City each 5; St. Johns, Mason and Charlotte, each 3; Battle Creek 4, and Lansing 1. About 175 men took part in the meet and this necessitated many preliminaries. Each athlete who secured a first was awarded a gold medal, and a pennant was given the best high school team as well as the team winning the relay. Lansing won in base ball from Williamston.

*New Orleans Times-Democrat.*—"The jewel of the instrumental programme was Wagner's 'Prelude to Lohengrin.' Prof. Bach and his musicians did nobly and delighted all who heard them. The prelude was wonderfully well given. \* \* \* After the overture of 'Tannhauser' Prof. Deiler enthusiastically left his stand and shook Chr. Bach, director of the Sanger-Fest orchestra, by the hand. \* \* \* The band was not only in thorough sympathy with the motive of the great composer (Wagner's 'Rienzi') but followed the score with unusual correctness. Mr. Bach has his musicians under thorough control."

*Hans Balatka, Director of the Chicago Musical Society.*—In a letter to Mr. Bach: "The Chicago Musical Society instructs me to convey to you and to the musicians under your charge its sincere thanks for the very capable and artistic manner in which you and your orchestra assisted in the grand success achieved by our concerts in your city a few days ago. In discharging this pleasant duty I beg to add my personal thanks, and to express the hope, that this acknowledgment of your worth may be considered by you to be of the same great value as your grand achievements at these concerts have been and ever will be by us.
