IMPORTANT NOTICE.

The best musical entertainments of the College year are those given at the annual May Festival, given under the auspices and in part by the M. A. C. chorus. It is a part of student life that every student wishes to take in all that is best in everything, and no student should feel that he could afford to miss the May Festival, and this opportunity of supporting what is one of the best means of furthering the highest interest of the school, aside from the pleasure he would derive from hearing the concerts.

This year the May Festival will consist of an *afternoon recital* given by the assisting solo-artists and the evening performance of the *Oratorio "St. Paul"* by the M. A. C. Chorus, with help of soloists from New York.

Only 800 tickets will be sold, as this is the seating capacity of the Armory, and as soon as the canvas of the Faculty and student body is finished, which is to close this week, the remainder of the tickets will be offered to our down-town patrons.

Remember, if you want to attend the May Festival, or want your friends to attend, *this week is the time to have your seats reserved.*

You pay no money now, but sign a paper asking to have one or more tickets reserved for you. Tickets for the two concerts \$1; tickets to be transferable.

If those who are taking the canvass miss you, leave an order at the secretary's office stating the number of tickets you wish reserved. *Do it this week.*

VAUGHN ELIGIBLE.

Freely Conceded by Olivet When Facts in the Case Were Learned.

In order that his amateur standing might not be questioned in the future Ernest Vaughn went to Olivet last week to lay before the college authorities there the exact facts in his case. As a result they freely conceded him eligible. He did not play in Saturday's game however, because protest had been entered and was not recalled until after all arrangements had been made.

FIFTEENTH ANNIVERSARY.

Saturday evening about seventy-five of the college friends of Prof. and Mrs. Babcock gave them a surprise in honor of the fifteenth anniversary of their marriage. After a pleasant hour spent in conversation Pres. Snyder, in behalf of those present, presented Mr. and Mrs. Babcock with a beautiful cut glass set, to which Prof. Babcock responded in a few well chosen words. The guests then repaired to the rooms of Prof. and Mrs. Myers when a dainty lunch was served and each guest presented with a sprig of green as a memento of so pleasant an occasion, a continuance of which all joined in wishing it may be the lot of Mr. and Mrs. Babcock to enjoy.

M. A. C. STATE CHAMPIONS

WON OVER THE MUCH TOUTED OLIVET TEAM
SATURDAY BY A SCORE OF 55 TO 4

VIRTUALLY DECIDES THE CHAMPIONSHIP

DETAILED ACCOUNT OF THE GAME

With ideal weather conditions for a great foot ball contest, M. A. C. showed her supremacy over Olivet last Saturday by trouncing them by the overwhelming score of 55 to 4. Olivet invaded our campus over 300 strong and they made things lively with their songs and yells. They occupied the north side of the field during the game. About 3,000 saw the game, and the enthusiasm was intense. The rivalry between the two bodies was keen, but the best of spirit prevailed throughout the contest.

The farmers were the first to make their appearance on the field followed a few minutes later by Olivet. Both teams were greeted with a great cheer from the bleachers.

Both teams were in the best of condition and looked evenly matched, although our line was somewhat the heavier. The outcome was a surprise to almost every one as a very close game was looked for.

From start to finish, the game was the most spectacular ever seen on college field. Forward passes, long runs with good open field tackling were the features.

The game started at 2:20. M. A. C. won the toss and chose the west goal.

Capt. Hurlbert kicked to Small on the 45 yard line and Small carried the ball back to the 30 yard line. Small punted to Hurlbert. Thomas gained 5 yards on a cross buck, then M. A. C. held Olivet on a line buck. Hurlbert punted to Small on the 3 yard line. M. A. C. made first down and then Olivet held. M. A. C. punted to Olivet's 25 yard line. Thomas circled M. A. C.'s right end for ten yards. Olivet penalized 15 yards for holding. Hurlbert punted to Small at 37 yard line. Cortright made 12 yards on run around the left end. Small lost four yards on a quarter back run. M. A. C. penalized 15 yards for holding.

Fraser made 20 yards on a forward pass. McKenna made five yards on a straight punt. Small drop kicked goal from the 25 yard line. Score M. A. C. 4; Olivet, 0.

McKenna kicked off to Thomas on the 10 yard line. Thomas returned it 20 yards. Olivet punted to Small on the 50 yard line. McKenna made 20 yards on an end run. M. A. C. punted. Thomas made 30 yards for Olivet on a forward pass. Olivet penalized 15 yards for failure in making forward pass.

Olivet punted to Cortright on the 45 yard line. He returned it 25 yards. Small got 10 yards on a

quarter-back run. Wheeler returned the ball to the 10 yard line. Olivet held and Small dropped kicked a goal from the field. Score, M. A. C., 8; Olivet, 0.

Hurlbert kicked to McKenna on the 25 yard line. He returned to 10 yards. Small punted to Olivet's 40 yard line. M. A. C. blocked Olivet's punt, an Olivet man getting the ball, however, in the center of the field. On a quarter-back kick by Hurlbert, McKenna got the ball and ran 55 yards for a touchdown. Small missed goal. Score, M. A. C. 13; Olivet, 0.

Hurlbert kicked off to Cortright on the 25-yard line. He ran 70 yards through the entire Olivet team, being downed on Olivet's 30-yard line. Small tried for a goal from the field. The ball fell short, an Olivet man getting it on the 5-yard line. Hurlbert punted to Cortright on the 30-yard line. He returned the ball 5 yards. Shedd carried the ball to the 10-yard line. Cortright made 5 yards. Small missed a goal from the field.

Hurlbert punted out to Cortright on the farmer's 50 yard line. Cortright smashed through for 15 yards. Small punted to Hurlbert on Olivet's 25-yard line. Frazer got the ball on a forward pass on the 35-yard line.

Weed got the ball on a forward pass, and ran to the 25-yard line, he hurdled Small and Olivet was penalized 15 yards. Olivet was penalized 15 yards more, a forward pass striking the ground. Ball on Olivet's 5-yard line. M. A. C. was penalized 15 yards for holding. Hilliar made four yards. Hurlbert punted to Cortright on the 55-yard line. He ran the ball back 12 yards. Shedd made 5 yards through right tackle. M. A. C. held for downs. Blake made 8 yards on a forward pass. Olivet penalized 15 yards for holding. Hurlbert punted to M. A. C.'s 50-yard line. Small returned the ball 10 yards.

Cortright went through left tackle for 7 yards. Olivet held. Small punted to Hurlbert, who was downed in his tracks on Olivet's 13 yard line. Hurlbert punted to Small on the 41-yard line. Shedd carried the ball 36 yards on a forward pass. Cortright made a touchdown on a delayed pass. Small kicked goal. Score: M. A. C. 19; Olivet, 0.

Hurlbert kicked off to Cortright on 15-yard line. He ran the ball back 20 yards. McKenna circled right end, for 70 yards and a touchdown. Small kicked goal. Score: M. A. C. 25; Olivet 0.

ALUMNI.

'88 with '94.

Guy E. Mitchell with '94, pays a very pleasing tribute to W. A. Taylor, '88, in a recent issue of the *Prairie Farmer* for his work with promising new fruits. Among these new fruits which give evidence of promise is the avocado which Mr. Taylor introduced, and only one tree of which is now growing in this country at Monrovia, California. If the avocado ever becomes anything like as famous as the Navel orange, it will have the same record to point back to—of one single, parent tree, introduced by the Department of Agriculture from which all others have sprung.

The demand for avocado fruit is constantly greater than the supply and out of his single tree, Mr. Chappelow has realized well. In addition to fruits retained for home use, he sold from it in 1903, \$32 worth, in 1904, \$54 worth, in 1905, \$130 worth and in 1906, \$65 worth. In 1905 it bore more than 1,200 fruits.

'04

G. S. McMullen was at M. A. C. to witness the Olivet game last Saturday. He is now on his farm at Grand Ledge.

H. T. Ross of Milford stopped at the College Saturday on his way home from Chicago where he had been to purchase feeding steers. Mr. Ross is now running a large farm at Milford.

C. P. McNaughton of the above class attended the M. A. C.—Olivet game last Saturday.

AN ADVISORY COUNCIL.

Six Members of the M. A. C. Alumni Appointed to Confer With State Board.

As a result of the action of the Alumni Association last spring in accepting an invitation of long standing from the State Board of Agriculture a committee of six representative members of the Alumni were recently appointed whose duty it is to meet with the State Board at least once a year for the purpose of mutual conference in matters pertaining to the work and welfare of the college.

In accepting the invitation at the time the alumni association delegated the officers of their association with the duty of making the appointments to the council. At a recent meeting of these officers, consisting of President William L. Carpenter, '75; Vice President Paul M. Chamberlain, '88; and Secretary Wilbur O. Hedrick, '91, the following appointments to this council were made: Chairman, Ray Stannard Baker, '89, of East Lansing; William K. Prudden, '78, of Lansing; L. Whitney Watkins, '93, of Manchester; Prof. Eugene Davenport, '78, of Urbana Ill.; George J. Jenks, '89, of Sand Beach; E. N. Pagle-son, '89, of Detroit.

TUESDAY, NOV. 19, 1907.

THE result of Saturday's game proved conclusively what has long been conceded yet not openly avowed, viz., that M. A. C. has outgrown the M. I. A. A. The very fact that a college team must of necessity change some each year and entirely every four years makes the keeping of a team of even strength an impossibility and the gradual tightening down of the rules, making the importation of men for athletics only out of the question, has seriously handicapped many of the smaller colleges of the state while the rapid growth of M. A. C. in the past few years has brought in a wealth of material.

It is hardly to be expected then that M. A. C. should be tied down to the confines of the M. I. A. A. nor is it fair to the smaller colleges of the state to be obliged to contend against such odds. Their excellent spirit has carried them bravely through as is shown by the excellent interest they have maintained in the field meets though for many years M. A. C. has won with no close rival. Should M. A. C. withdraw it will not necessarily mean that we will have no more games with our highspirited friends nor does it guarantee that we may not at times be badly beaten by the teams which at times represent the other colleges of the M. I. A. A.

PROMENADE CONCERTS.

A Series to be given by The Band This Winter.

FIRST CONCERT DEC. 6.

"There is in souls a sympathy with sounds,
And as the mind is pitched, the ear is pleased.
With melting airs, or martial, brisk or grave,
Some chord in unison with what we hear
Is touched within us, and the heart replies."

—Cowper.

There is no doubt about it. In the college where you find the best musical organizations, backed by the student body and the faculty, there you find the best spirit and the best college life.

The band has been fortunate this year in having several new men of ability join the organization. The enrollment at present is as follows:

Cornets, Johnson, Spurway, Werner, Cools, Brault, Wilhelm, Kei h; clarinets, Hoppah, Applin, Saier, Baden, Jordan, Bursna; altos, Hodgeman, Fowler, Kurtz, Clark, Yuill; trombones, Clippert, Shaw, Cavanaugh, Beardsley; euphonium, Hallock; basses, VanWagenen, Hill; drums, Ellison, Crosby; piccolo, Martin; drum major, Gilbert. The instrumentation is good, and from the interest taken in the work by all the members, the indications are that M. A. C. will have a band which will rank with the best bands in the state before the close of the year.

Although the band is strictly under the supervision of the military department of the college, it is, nevertheless, a valuable aid to all other departments. In order that these other departments may have a better opportunity to cooperate with the organization, a band committee has been appointed. This committee, composed of President Snyder, Professor Kedzie, Captain Fuger, Mr. Brewer and A. J. Clark, will devise ways and means for developing the band so that it shall be most successful as a musical organization, and of the greatest help in the college life.

The "college sings" of last spring did more than prepare for the jubilee; they brought the whole student body together from time to time in what might be termed an "all college affair." It is a thing which every college needs.

The band is now planning a series of "Promenade Concerts" which will in a measure supply this need. The promenade will be given in the Armory on stated Friday evenings from 7 until 9, and the admission will be placed as low as possible. The programs will consist partly of concert numbers, partly of dance numbers, and partly of college songs. They will be entirely informal, and it is hoped the student body will join in to make these promenades truly "all college affairs."

The first one will be given on December 6th. Don't fail to reserve this date on your calendar.

SOME WESTERN IMPRESSIONS.

Dr. Blaisdell Talks Before Farmers' Club.

With his usual ability, Dr. Blaisdell spoke for nearly an hour at the Farmer's Club last Tuesday evening. His subject was, "Some Western Impressions," but before discussing his western trip of last summer, he dwelt a little on his eastern, southern and European travel. In speaking of the west, Dr. Blaisdell summed up his many impressions in the single one of "Immensity;" the great breadth and depth of the west appealing to him more, perhaps, than any other one thing.

In his description of the wonderful country through which he passed, he didn't forget to tell us of the agricultural pursuits, and gave us some startling statistics of population and crop production. After closing the doctor answered many questions relative to the West, and told of the many opportunities in Agriculture there. It was one of the best talks we have ever had, and all enjoyed it immensely.

Tonight Dr. L. M. Hurt will speak before the Club on a topic of his own choosing. All come out and make his acquaintance.

M. A. C. State Champions.

No wonder Albion cancelled her
game with M. A. C. Look at this!
Olivet swamped the Methodists to
the tune of 73 to 0. Saturday M.
A. C. walloped Olivet 55 to 4.
Now, according to the dope, we
would have defeated Albion by a
score of 1004 to 0. Seniors, get out
your slide rules and find Albion's
place in the M. I. A. A.

The second team went to Char-
lotte last Friday and clashed with
the strong high school team defeat-
ing them by a score of 12 to 0.
Although the reserves somewhat
outweighed the high school lads,
the latter put up a strong defense
and showed good team work. Ma-
lisky did some good work punting
while Seibel, Lindeman, Sanford
and Shurtleworth also did good
work. Our second team has been
doing good work this fall, and de-
serves much credit for their efforts.

The debaters are working hard
for the first preliminary, which oc-
curs December 6.

In the collision between the col-
lege car and the Pine Lake car Sun-
day evening, Mrs. Dandeno sus-
tained painful injuries to both limbs.
When the impact occurred, the long
side seat was forced back against
the adjoining cross seat upon which
Mrs. Dandeno was sitting, pinning
her limbs between the two. Dr.
and Mrs. Dandeno were on their
way to church.

**HAZING SHOULD BE ABOL-
ISHED.**

So Decided at Debating Club.

Yes! Hazing should be stopped.
This is the verdict handed out last
Thursday night when the question,
“Resolved that hazing should be
abolished at the M. A. C.,” was
debated by four of our young debat-
ors. They did themselves credit
and handled the subject well. The
affirmative, upheld by Messrs. Hel-
ler and Perrine and the negative by
Barcroft and Runner.

It is only to be regretted that
more were not present to get the
spirit of debate. We need an audi-
ence as well as debaters to get the
most out of the club. The atten-
dance has been good this year, and
the spirit has not dragged. Let us
keep it up. Let more come in to
hear these debates and join the club.
It meets at 7 o'clock every Thurs-
day night after Y. M. C. A.

LIVE STOCK STUDENTS MAY ATTEND THE INTERNATIONAL LIVE STOCK EXPOSITION.

The eighth International Live Stock Exposition is to be held at the International Amphitheater, Union Stock Yards, Chicago, Nov. 30th to December 7th, 1907. This is the largest show of breeding and fat animals in the world. In December, 1906, there were assembled there the following numbers of live stock, viz.: Breeding cattle 813, fat steers 254, breeding sheep 602, fat sheep 289, swine 257, draft horses 430, coach horses 36, and ponies 14, making a grand total of 2695 head.

Some of the most perfect living types in existence are presented as models for the student, while animals competing for dressed carcass prizes can be inspected and studied while living, and the carcasses compared after slaughter. The exposition grounds are located just outside the Union Stock Yards, the largest of the kind in the world; visitors can also inspect the live stock exchange. The several large packing plants are open for inspection, with guides furnished to show strangers all the processes of slaughtering, dressing, packing, etc.

In the Record Association building, only a few yards distant, are to be found the executive offices of most of the leading breeds of live stock in America.

During the time of the exposition several public auctions of horses, cattle and sheep will be held, the offerings consisting of consignments from the best herds and flocks in America.

The principal fat classes are to be judged by an expert from England.

At this time the American Federation of Agricultural College Students meets to transact the necessary business and participate in a banquet at which short talks are given by students and professors representing many of the colleges. This is the one great opportunity to meet instructors and students from nearly every agricultural college in the country.

The faculty has granted the freshmen and senior live stock students, who desire to attend the International, leave of absence from college Monday and Tuesday, Dec. 2 and 3. The management of the exposition has generously offered season admission passes to students from this college. Those who can afford to go should not fail to take advantage of one of the greatest education institutions in America, so far as the live stock business is concerned.

Y. W. C. A.

Miss Koch led Y. W. C. A. this week. The subject for the evening was "Friendship."

After having a few verses from the Bible read by different girls she read a very interesting paper on "Friendship."

Miss Hibbs favored us with a solo. These Y. W. meetings are very interesting and we are glad to see so many take an interest in them. We hope that every seat will be taken next Thursday night, and if necessary we can bring in chairs. Let every girl in the building be present and we will have another good meeting.

AVERAGE men are as colorless as average clothes. College men are outside the average—their togs *have* to be—College Brand Clothes *are*. Just a bit more dash to 'em, a great sight more style—and the precisely right amount of fit. Though exclusive their price isn't enough to *exclude* you from wearing 'em. For the young man and the "like-to-be-young."
