

The M. A. C. RECORD.

MICHIGAN STATE AGRICULTURAL COLLEGE.

VOL. 14.

LANSING, MICHIGAN, TUESDAY, SEPTEMBER 22, 1908.

No. 1.

LOOKS LIKE ANOTHER RECORD BREAKER.

ALL DEPARTMENTS CROWDED.

CHANGE IN REGISTRATION SYSTEM.

Judging from the crowds of new students waiting to be enrolled at the President's office, and the number of old students who are returning, it looks as though the attendance will outnumber the record breaking attendance of last year. All departments will be crowded. The new engineering building, however, will provide facilities for handling the engineering students and also provides rooms to be used for classes in mathematics and English. The agricultural and forestry departments may experience some difficulty until the completion of the stock judging annex to the new agricultural building. This part of the building is promised by Nov. 15th, and will provide ample room for classes in live stock work.

The women's department is full to overflowing. Every available room has been assigned, a suite of rooms in Howard Terrace, formerly occupied by Miss Paddock, has been overhauled and made to serve as a dormitory with Mrs. Peppord as matron, and still others, unable to find accommodations here, will be taken care of at Mrs. Martin's.

The office of Registrar, newly created last year, will somewhat simplify the method of classification. All old students now report direct to the class officer when they are classified. From there they go to the registrar in college chapel, where they are enrolled, and from there to the secretary's office where the fees are paid. The new students report first to the president's office from which they are assigned to the proper classes. From there they go to the class officer, and then follow the same route as the old students.

From present appearances it looks as though the total enrollment will be greatly in excess of that of last year.

PROMOTIONS.

Recognizing their efficient work in their respective departments the State Board has promoted the following instructors to the rank of assistant-professor as follows:

A. C. Anderson, assistant professor of dairy husbandry; Carl Gunderson, assistant professor of mathematics; S. C. Hadden, assistant professor of mathematics and civil engineering; C. P. Halligan, assistant professor of horticulture; H. W. Norton, assistant professor of animal husbandry; J. A. Polson, assistant professor of mechanical engineering; Otto Rahn, assistant professor of bacteriology.

R. S. Clarke, with '11, is with the Collingwood Ship Building Co. of Collingwood, Ontario. He will not return to college this year.

VICTOR T. WILSON
Professor of Drawing and Design.

NEW MEMBERS OF OUR TEACHING FORCE.

In addition to the new students we welcome to M. A. C. this year a large number of new professors and instructors as follows:

PROF. VICTOR T. WILSON, of the drawing department, was educated in the public schools at Philadelphia and at the Pennsylvania Museum and School of Industrial Arts, and at the Academy of Fine Arts. Later he was graduated from Cornell University with the degree of M. E. He has had practical experience in the drafting room and as a teacher. In 1893 he taught in the Central Manual Training School of Philadelphia. From there went to Cornell University as instructor in drawing. From there he went to Drexel Institute as instructor in experimental engineering, and from there to the University of Illinois, as assistant professor of engineering and drawing. Following this he held a similar position in Pennsylvania State College, which he resigned to accept the head of the department here. He is the author of several works on mathematics and drawing.

PROF. H. J. EUSTACE, now at the head of the department of horticulture, is an M. A. C. product, having been graduated with the class of 1901. Mr. Eustace is a native of New York, a graduate of the Rochester high schools, and was for some time in the nursery business at that city. After graduation Mr. Eustace was employed for five years as associate botanist at the New York experiment station at Geneva, giving special attention to plant pathology. He left this position, two years ago, to enter the employ of the Bureau of Plant Industry of the U. S. Department of Agriculture. He was here engaged in fruit storage and transportation investigations which afforded opportunity for study in many of the most important fruit regions of the country. He resigned this position to accept the responsibilities of the department here. Mr. and Mrs.

HARRY J. EUSTACE
Professor of Horticulture.

Eustace occupy the house on Faculty Row recently vacated by Prof. and Mrs. Taft.

P. M. BAUKNIGHT, A. B., A. M., instructor in English. Mr. Bauknight is a teacher of some experience, having taught in the Louisiana A. and M. college. He has recently done graduate work at the University of Colorado.

MISS KATE M. COAD, B. S., instructor in domestic art. Miss Coad was graduated from M. A. C. with the class of '05, and since that time has been teaching in the public schools. She returns to M. A. C. from the Saginaw High Schools where she has had charge of the domestic science work.

MISS RUTH CARRELL, B. S., assistant in bacteriology and hygiene. Miss Carrell was graduated from M. A. C. with the class of '08 and soon after began work for the bacteriological department.

ARTHUR E. FISH, A. B., instructor in English. Mr. Fish is a graduate of Beloit College in 1908.

WARD GILTNER, D. V. M., M. S., Research Assistant in Bacteriology. Dr. Giltner is a graduate of the Habana Polytechnic Institute and has done graduate work at Cornell.

WALTER E. HAWKES, A. B., Instructor in Mathematics. Mr. Hawkes is a graduate of Amherst, Mass., with the class of '07.

LEE W. HARRINGTON, B. S., Instructor in Zoology. Mr. Harrington is a graduate of the University of Michigan.

HERMAN HENSEL, A. B., Instructor in English and German. Mr. Hensel is a native of Chicago and was graduated from Beloit College in 1907.

WILLIAM E. LAYCOCK, Instructor in Physics. Mr. Laycock has been superintendent of schools at Okemos, is a graduate of the Mt. Pleasant Normal School and has done work at the U. of M. Mr. and Mrs. Laycock will reside in Okemos until about Oct. 1, when

(Continued on page 2.)

ALUMNI

In the Record office there is kept a card catalogue of all students who have ever been connected with the college. In order that this may be kept up to date, please notify us of any change of address or occupation.

W. J. WRIGHT, Editor.

'75.

W. L. Kelly is a prosperous farmer at Lyons, Mich. He was one of the many alumni who visited the college during excursion week.

'88.

A. B. Cordley paid the college a visit during the summer. Mr. Cordley is now dean of the College of Agriculture at Corvallis, Oregon.

'99.

S. L. Ingerson is with Swift & Co. at Fort Worth, Texas, in the capacity of chemist. His private address is 1625 Galveston Ave.

E. R. Russell is with the Canadian Bridge Co., Ltd., Walkerville, Ont. Address, 370 Vinewood Ave., Detroit, Mich.

S. F. Edwards now assistant professor of bacteriology at Guelph, Ontario, paid the college a short visit last week.

'00.

W. T. Parks, who is now operating a creamery at St. Joseph, Michigan fell from the loft recently while repairing some machinery, breaking a leg and sustaining other injuries.

'01.

Miss Alice Gunn is at the head of the domestic science department of the Wisconsin Normal College, at Superior, Wisconsin.

With '01.

L. H. (Tilly) Taylor is with the Northwestern Railway Co., as assistant general bridge inspector. His headquarters are at Chicago.

'02.

H. L. Mills, formerly in the sales department of the Whiting Foundry Equipment Company, of Harvey, Ill., has resigned to accept the presidency of the American Specialty Company, 1440 Monadnock Building, Chicago, which is marketing the Use-Em-Up drill socket.

'04.

R. J. Baldwin, after a year's work at the University of Michigan, will teach the sciences in the Traverse city high school.

'08.

Miss Fannie Beal is teaching domestic science and domestic art in the public schools at Albion, Mich.

Miss Amy Hurlburt is teaching in the fourth and fifth grades of the Mason, Mich., public schools.

With '03.

Miss Norma Seering has charge of the work in physical culture at the University of Ohio.

R. E. Taylor is deputy state surveyor and county surveyor of Gregory Co., South Dakota. Address, Dallas, S. D.

TUESDAY, SEPT. 22, 1908

CALENDAR FOR THE WEEK.

TUESDAY, SEPT. 22, 1908

Entrance examinations.

WEDNESDAY, SEPT. 23, 1908.

Registration Day.

THURSDAY, SEPT. 24, 1908.

Classes begin at 8:00 a. m.

First chapel exercises 9:50-10:10 a. m.

Regular Y. M. C. A. meeting at 7:00 p. m.

SUNDAY, SEPT. 27, 1908.

Regular Sunday chapel service, 9:00 a. m. Sermon by Rev. O. J. Price.

THESE are the days when strangers are in our midst. A helping hand extended now

A Suggestion. to someone in need, an encouraging word to someone almost discouraged, a hearty welcome of the incoming class into college life and college activities will make better college spirit, more friends and less homesickness and discouragements. Let's all pull together this year in college work, in debate, in athletics, and in all college activities, and make a bigger, busier, better M. A. C. than we've ever had before. We can do it if each one does his individual part.

A NEW feature of THE RECORD for this year will be a calendar of events for the week,

Weekly Calendar. which will appear at the head of the editorial column. Its success and completeness will depend upon the promptness with which coming events are made known to the editor. Notice of club meetings, mass meetings, special lectures or entertainments, or anything of interest to the college, will be gladly given in this calendar. To be insured mention all such notices should be handed in not later than Monday morning of each week.

AN effort is being made to place this first issue of the year in the hands of every student,

Subscribe Now. particularly every new student. Remember THE RECORD is not run to make money but to give the college news. The subscription price is only 50c per year, and every stu-

dent subscriber is entitled to an extra copy sent to his home *free of charge*. If you want the college news and want your parents to know about M. A. C. subscribe now. If someone doesn't ask you for your subscription in the next few days leave your name on the editor's desk at the president's office, and don't forget to give your parents' address too. Have your subscription begin with the next number, Sept. 29. It will contain a list of the entering class.

JUDGING CONTEST AT THE STATE FAIR.

A new feature was instituted at the Michigan State Fair this year, the first judging contest for young men being held on the fair grounds during the state fair week. Prof. A. C. Anderson acted as superintendent of this contest and was assisted by Hon. T. F. Marston and also Mr. C. S. Bartlett as expert judge of swine, Mr. H. J. Reading as expert judge of horses, Dr. B. F. Miller as expert judge of sheep, and Mr. J. Lessiter as expert judge of cattle. Twenty four young men, all residents of this state, and all under 30 years of age, entered the contest. Some of them were regular students in this college, a good many of them were from the short courses, and some of them were farmers and live stock breeders. The State Fair Association granted four medals and a championship cup. One ring of horses was judged, in which Mr. Chas. J. Oviatt, '09, was tied with Mr. Irvin Elmer, of the short courses, for first place; Mr. Jas. R. Dice, '08, won the medal in sheep judging; Mr. A. R. Vincent, of the short courses, won the medal in swine, and Mr. Charles F. Dawson, a shorthorn breeder of Central Lake, Mich., won the medal in cattle. Mr. Dice also had the highest standing in all four classes and was awarded the championship cup.

THE SUMMER SCHOOL.

FIRST SUMMER SESSION FOR TEACHERS WELL ATTENDED.

The first summer school for teachers, designed for those who wish to prepare for teaching agriculture in the public schools, was held at the college from June 29 to July 24. Twenty representative teachers, most of them connected with the county normal schools took advantage of the opportunity offered. Considering the fact that this was the first year that the course has been given here the attendance was very gratifying.

THE EXCURSIONS.

The annual excursions to the college were held this year during the week beginning August 24 over the Pere Marquette, Grand Trunk, Michigan Central, Lake Shore and Ann Arbor railroads. The weather was ideal, the campus beautiful and everything seemed to combine to make a successful week. The band tournament at Lansing the 26th and 27th added greatly to the crowds brought in by the regular college excursions. It is estimated that 7,500 people visited the college during the week.

NEW MEMBERS OF OUR TEACHING FORCE.

(Continued from page 1.)

they will occupy a house now being erected on Evergreen Ave., East Lansing.

SHEPHERD LEFFLER, A. B. Instructor in History and Economics. Mr. Leffler is a graduate of the University of Mo., and comes here from the Military Academy at Marysville, Mo., where he has been teaching during the past year.

THOMAS W. MASON, B. S. Instructor in Chemistry. Mr. Mason is a graduate of the Chemical Department of the Pennsylvania State University with the class of '08.

CHARLES R. MANN, A. B., A. M., instructor in English. Mr. Mann is a graduate of Lawrence University and did graduate work at the University of Wisconsin. Mr. Mann has been teaching at the Waukesha, Wisconsin, high school during the past year.

WARD H. PARKER, B. S., instructor in chemistry. Mr. Parker was graduated from the agricultural course at M. A. C. last June.

MRS. LILLIAN L. PEPPARD, instructor in domestic science. Mrs. Peppard was employed last year as a teacher in the English department while doing work in home economics. She will act as matron in the young women's apartments in Howard Terrace.

PHILIP ROSENBERG, B. S., instructor in mathematics. Mr. Rosenberg is a graduate of the Ohio Western University at Delaware, Ohio, with the class of '08.

GEO. D. SHAVER, A. M., Ph. D. Research assistant in entomology. Mr. Schafer is a graduate of Indiana University, and has done graduate work at Leland Stanford and Cornell. He has had five years teaching experience.

MISS LULU SMITH, Ph. B. Assistant in bacteriology. Miss Smith is a graduate of Benzonia College. She began her work with the department last spring.

H. L. SLOBIN, A. B., Ph. D. Instructor in mathematics. Mr. Slobin is from Clark University, Worcester, Mass.

R. W. THACKER, Y. W. C. A. secretary and assistant athletic director. Mr. Thacker is from Olivet College.

JACOB WARSHAW, B. S. Instructor in chemistry. Mr. Warshaw is a graduate of the Sheffield Scientific School of Yale University, and comes here from Iowa State College, where he was assistant in the chemical department.

M. A. YOTHERS, B. S. Instructor in entomology. Mr. Yothers is a graduate of the University of Idaho with the class of '07. He did high school work last year. Mr. and Mrs. Yothers will reside in East Lansing.

'05.

Bessie Bemis is assistant in domestic science at State College, Pa.

Miss Lillian Taft is teaching domestic science in the school for the feeble minded at Columbus, Ohio. Miss Harriet Moore, sp. with '05, has charge of the physical culture work there.

CUPID'S DOINGS.

Cupid's arrows have found many victims in college circles during the vacation season. Even some of the members of the faculty have not escaped. The following have come to our notice:

Leslie J. Smith, '05, instructor in farm mechanics, and Miss Shirley Frances Pierce, August 26, 1908, at Petoskey, Mich. They occupy the rooms in Howard Terrace, formerly occupied by Prof. and Mrs. Babcock.

Walter H. Small, '08, and Miss Mildred R. Perrin, Sept. 2, 1908, at Lansing, Mich. At home after Sept. 28, at Port Huron, Mich., where Mr. Small will teach in the public schools.

J. C. Wilcox, '08, and Miss Bertha B. Mead, at Barryville, Mich., Aug. 13. At home at Irving, Mich.

Wm. L. Lodge, instructor in physics, to Miss Florence Agnes Briden, at Kingston, Ontario, July 6, 1908. Mr. and Mrs. Lodge will occupy the house formerly occupied by Mr. Wadleigh.

J. B. Wilkinson, with '06, to Miss Louise Hesse (sister of B. B. Hesse, '03,) at Napoleon, Mich., June 24, 1908. Mr. and Mrs. Wilkinson reside in Cleveland, Ohio.

Harry C. Meek, with '05, and Miss Bessie K. Paddock, '05, at East Lansing, Mich., August 13, 1908. Mr. and Mrs. Meek will reside at Crean Hill Mine, Ontario, Canada, via Victoria Mine.

Edwy B. Reid, with '09, and Miss Bess M. Cornell, at East Lansing, Wednesday, Sept. 9, 1908. Mr. and Mrs. Reid will reside with Mrs. Reid's parents, East Lansing. Mr. Reid will finish his college course this year.

Forest G. Bates, with '07, and Miss Maude Cragg, August 26, 1908. They will reside at their farm at Moline, Mich.

Mr. Avery T. Leavitt and Miss Clara Campbell, '05, Sept. 16, 1908. Mr. and Mrs. Leavitt will reside at Pueblo, Colo.

Lieut. W. Pegram Wilson, '06, and Miss Marie Piatt, sp. with '06, Saturday evening, Sept. 12, 1908. Lieut. and Mrs. Wilson will reside at Fort Revere, Mass.

James G. Halpin, assistant professor of poultry culture, and Miss Ione Blake, July 1, 1908. Prof. and Mrs. Halpin will reside on Evergreen Ave., East Lansing, as soon as their house is completed.

Duncan McMillan, with '10, and Miss Grace Ellis, at Tallmadge, Mich., Sept. 10, 1908. Mr. and Mrs. McMillan will reside at Laramie, Wyo. Mr. McMillan is foreman of the experiment station farm there.

Prof. Louis G. Michael, '03, and Miss Lyle McCullom, at Troy, Pa., August 25. Prof. and Mrs. Michael will reside at Ames, Iowa, where he is chemist of the experiment station. Mrs. Michael will assist in the department of English and modern languages.

Mr. Wendell S. Merrick, '04, and Miss Ethel Cecilia Carroll, Sept. 16, 1908, at Madison Park, Chicago.

Mr. F. C. Rork, '03, and Miss Jessie Palmer, '04, Sept. 12, 1908. Mr. and Mrs. Rork will reside at Alvin, Mo., where Mr. Rork is employed by the Doerun Lead Co.

Mr. A. J. Clark, instructor in chemistry, and Miss M. Elva Crawford, June 24, 1908, at Barron, Wis. Mr. and Mrs. Clark will occupy Mrs. Kedzie's cottage on Evergreen Ave.

ABOUT THE CAMPUS

An addition to the postoffice has
been put up this summer.

J. A. Cavanaugh took work toward
his degree at the University
Summer School at Ann Arbor.

The east end of Howard Terrace
is to be connected with the college
heating system.

Hand in your notices for the cal-
endar not later than Monday morn-
ing of each week.

An East Lansing community pic-
nic was held on the campus last
Saturday afternoon.

Regular meeting of the Y. M. C.
A. in the rooms, first floor Wil-
liams Hall, Thursday, 7:00 p. m.

Many new improvements are to
be seen about the campus in the
way of new walks, painted build-
ings, etc.

J. C. DeCamp had charge of the
Free Press fresh air camp at Syl-
van Lake, Oakland Co., during the
summer.

You can get M. A. C. pennants
and souvenirs at the co-operative
book store. A good assortment at
reasonable prices.

D. A. Spencer, with '10, will not
be in college this year on account of
ill health. He will remain at his
home, Quincy, Mich.

G. L. Stevens, instructor in Eng-
lish and German at M. A. C. for
several years, is now head master at
the State Reform School at Miles
City, Montana.

A new supply of hymnals has
been placed in the chapel.

The well for East Lansing's new
waterworks system is being driven.

C. E. Bushnell is now a drafts-
man for the Tennessee Copper
Co.

Several colleges throughout the
state report an increase in attend-
ance.

Prof. Norton is making the round
of the fairs with the M. A. C. ex-
hibit.

Secretary Brown was called to
Ann Arbor last week by the death
of a brother.

A special election for the purpose
of deciding the question of water-
works and sewers for the city of
East Lansing will be held at the
school house Sept. 26.

The four-year freshmen engin-
eers will use a revised edition of
Prof. Wilson's Notes on Practical
Mechanical Drawing in their me-
chanical drawing classes this term.
Prof. Wilson will publish a text on
descriptive geometry during the
winter.

'08.

J. A. Rosen is now employed by
the Russian government to look up
agricultural crops in this country
suitable for the Russian climate;
also to report on American farming
methods, etc. His headquarters are
at Minneapolis, Minn.

REGULATIONS AND CUSTOMS.

At the request of the Student
Council we publish herewith the
official resolutions adopted by the
student body last March for the
maintenance of the college tradi-
tions and customs. These regula-
tions are not designed to impose a
hardship on anyone, but simply that
the uniformity of customs may be
preserved. The council is com-
posed of three seniors, two juniors
and one sophomore, elected by the
classes named during the first week
of the fall term.

REGULATIONS AND CUSTOMS.

I. Class numerals can be worn only
by members of its football, baseball,
basketball, or track teams, or by those
who have earned a position on the first
or second varsity teams, and then only
when these numerals have been awarded
by the Athletic Council upon the recom-
mendation of the class.

II. Each and every freshman and sub-
freshman shall wear at all times during
the Fall and Spring terms, except on
Sunday, caps of the following descrip-
tions: For freshmen an official brown
cap with a small visor and a green but-
ton, (amended, that present freshmen
caps be worn for remainder of this
year); for sub-freshmen a gray cap with
a black button. They shall not at any
time while in college wear a pin repre-
senting their preparatory school in any
manner, nor shall they wear any em-
blem or insignia of that institution.

III. "Student night" shall be the last

Thursday night of the Spring term,
when a celebration in the form of a
"Night Shirt Parade" shall be held un-
der the supervision of the Junior class.
At this time the freshmen and sub-fresh-
men caps shall be burned. All classes
shall participate in this celebration.

IV. No freshman or sub-freshman
shall be allowed to go without a cap or
hat about the campus.

V. There shall be no hazing. Occa-
sionally some individual first year man
may be made to feel that one can know
too much from the first, but hazing is
severely condemned as a general prac-
tice.

VI. The old class rushes have been
abolished and the "Organized Rush"
on the second Saturday of the Fall term
substituted.

VII. No student shall be allowed to
loaf around the college barber shop.

VIII. Freshmen and sub-freshmen
shall at all times show due respect to
upper classmen.

IX. All students shall show their re-
spect to college professors by tipping
their hats.

X. The most important social func-
tion of the college course is the "Junior
Hop," given by each class during the
Winter term of its junior year.

XI. The week of commencement shall
be known as "Senior Week."

PRIVILEGE.

I. Only seniors shall be allowed to
wear stiff hats about the campus.

TRADITION.

I. A time honored tradition at M. A.
C. is that no student shall smoke on the
campus.

VARSITY WILL PLAY BALL —SOME.

Most of Last Year's Champion Team
Will be Back.

PLENTY OF NEW MATERIAL.

With all but three of last year's champion team back for the game this season and with a wealth of new material, football prospects look very bright indeed. Coach Brewer had a squad of 14 men out for a week's practice before the opening of college, and is now having workouts twice daily. Beginning Wednesday regular practice will begin at 4 p. m.

Of the old team More c, Campbell g, Wheeler and Exelby t, Capt. Shedd and Frazer e, and McKenna and Courtright of the backfield will be back as will also Burrows of the '05 and '06 teams. There is also a possibility that "Billy" Holdsworth, of the '05 team, will be in the game this season. A few new men, among whom may be mentioned Lee, of Hart, Mich., and Bennett, of Muskegon, were out for early practice and show up well. Monday brought out an abundance of new material, and it is expected that a squad of at least 60 will be working out before the end of the week.

The back field positions as usual will be the hardest to fill. McKenna will probably hold his old position, Courtright and Mills will be tried out for quarter and Maliskey is making some sensational practice punts.

THE SCHEDULE.

Oct. 1—
Oct. 3—Flint State School at Lansing.
Oct. 10—MICHIGAN at Lansing.
Oct. 17—Kalamazoo Normal at Lansing.
Oct. 24—DePaul University at Chicago.
Oct. 31—WABASH at Lansing
Nov. 7—Olivet at Olivet.
Nov. 14—Hillsdale at Hillsdale.
Nov. 21—ALMA at Lansing.
Nov. 26—Detroit Athletic Club at Detroit.

Of the ten scheduled games six will be home games, which will include Michigan and Wabash.

Sixty running feet has been added to the south bleacher and 192 feet will be erected on the north side of the field making the total seating capacity about 3,000.

FABLE OF THE FRESHMAN.

Once a Freshman was washed on an African coast, where a cannibal monarch held sway,
And they served up that Freshman on slices of toast on the eve of that very same day.
But the vengeance of Heaven soon followed their act, and before the next morning was seen,
By the cholera morbus that tribe was attacked, for that Freshman was terribly green.

—Exchange.

New students can get the official Freshman caps at Mifflin's.

Grand Opening Sale Millinery Cloaks, Suits, Skirts, Furs.

WEDNESDAY, THURSDAY, FRIDAY and SATURDAY are opening days in the big store. We promise to show the prettiest and newest styles in Up-to-date Millinery. Suits, Coats, Skirts and Furs ever shown in the city. Don't forget the Opening Days.

Women's Tailored Suits - \$15 to \$50
New Directoire Coats - \$5 to \$50
Swell Directoire Skirts - \$5 to \$20

FREE FARES TO LANSING.

CAMERON & ARBAUGH CO.

COLLEGE ROAD TO BE RE- PAIRED.

IMMEDIATE ATTENTION NECES-
SARY IF ROAD IS TO BE
SAVED.

The contract has been let to the Indian Refining Co. of Cincinnati, Ohio, to repair the stone road from Lansing to the college, work on which will be begun immediately. Crushed stone and asphalt will be the materials used. The cost will be \$1,500.

When the road was built four years ago it was by private subscription and state reward and there was none better in the state. Since that time there has not been one dollar put on it for repairs, and because of the large amount of traffic, especially automobile traffic which sucks out the filler, it has become badly worn and must be repaired at once if it is to be saved. The Lansing Business Men's Association has taken the initiative and have assumed the responsibility of having it put in first class condition again when it can be maintained at a small annual expense. The repairs, like the first cost, will have to be met largely by private subscription. The East Lansing council has voted to contribute \$200; the township will be asked to stand part of the expense, as it has expended nothing on this stretch of road since the year before it was macadamized, and each of the automobile owners in the city will be asked to contribute. The Business Men's Association are standing back of the deal. J. H. Cowley, of East Lansing, will superintend the work. O. A. Jenison, of Lansing is custodian of the road repair fund.

Y. M. C. A. EMPLOYMENT BUREAU.

The need of an employment agency has long been felt about the campus, both by the student body and those who desire to find help. A great many times different people need a fellow who can do odd jobs, and the fellow is looking for the work at the same time; it is the desire of the Y. M. C. A. to bring the two parties together.

Anyone who wishes the services of any of the fellows will confer a great favor on the new secretary by stating their wants to him at Williams Hall or by a line through the postoffice.

WHEN IN NEED OF
CALLING CARDS
122 OTTAWA ST. E

ALL MEATS...

May look alike to you, but there is a very great difference in the quality we handle and that sold by some other markets. We handle none but the very best. Like the pudding, the proof of good meats is in the eating. A trial will convince you that you ought to trade with us. We make daily trips to the College.

BOTH PHONES. Careful attention given to phone orders.

Gottlieb Reutter.

322 Washington Ave. South.

"We Have the Goods."

J. H. LARRABEE
SPORTING & ATHLETIC GOODS
325 Washington Ave. S., Lansing, Mich.
