ADDED EQUIPMENT FOR INSTRUCTION IN EN- GINEERING.

During vacation a Corliss engine has been added to the equipment of the steam engineering laboratory. The engine is rated at 100 horse-power and was furnished by the Nordberg Manufacturing Co., of Milwaukee. The valve gear is of the three eccentric type, two being for the operation of the admission and exhaust valves and the third for the cut-off, its effect being determined by the governor. The engine is designed and set so as to provide for compounding at a future time. A separate surface condenser with independent air pump and absorption brake are installed for convenience in experimental work.

It is expected that a producer gas plant with engine will be placed in the laboratory in a few weeks.

The equipment of the hydraulic laboratory has been increased by the installation of a large accumulation tank, which with accessories will facilitate instruction and research work in the flow of liquids through orifices, nozzles, etc. A detailed description of this apparatus will be given later.

A portion of the gallery space in the machine shop, hitherto used for storage, has been converted into an annex to the wood shop to accommodate the freshmen engineers of the four-year course. Ten additional places for bench work are thus provided.

A special stock room and office has been set off by grill partition in the southeast corner of the machine shop.

Mr. C. C. Wilcox has been promoted to succeed Mr. Chapelle as foreman instructor of the machine shop.

FORESTRY WALK.

On Saturday, October 10th, the Forestry Walking Contest will take place. All regularly classified forestry men will be eligible and the prizes are as follows:

First prize, a 38 cal. Colt's Automatic. Donated by Larrabee, Lansing, Michigan.

Second prize, one marine pocket compass. Donated by Keuffel & Esser Company, New York.

Third prize, one woodsman's hand axe and sheath. Donated by the C. A. C. Axe Company, Boston.

Fourth prize, one hunting knife. Donated by Bascom & Smith, Lansing, Mich.

The contest will consist of a continuous walk for ten hours. All men desiring to enter the contest must register before Monday noon, October 5th, 1908, at the Forestry Department office.

D. R. Stillson, in writing for THE RECORD, states that he will be unable to return to college this year. His address is 93 North Avenue, Battle Creek, Mich.

FOOTBALL OUTLOOK BRIGHT.

SNAPPY PRACTICE GAME SAT-
URDAY.

The cool weather of the last two days has put a quality of ginger in the football practice which looks good to the spectator, so much so that extravagant hopes are entertained as to the outcome of the game with Michigan Oct. 10.

Saturday a practice game in which almost every candidate was tried out showed an exceptionally fast team. From what can be gleaned thus early in the season it looks as though the following line-up will stand with perhaps a few changes:

Moore, c.; A. L. Campbell, l. g.; Shedd, l. t.; Burroughs, l. e.; C. Lemmon and Bennett, r. g.; Wheeler and J. F. Campbell, r. t.; Frazer and Cogsdill, r. e.; Court-right and McGilvray, q.; McKenna, r. h.; Allen, Lee and Ballard, l. h.; Exelby and Maliskey, f. b.

Thursday a regulation game will be played between the Varsity and second teams, beginning at 4 p. m. Two 20 minute halves will be played. Saturday the Varsity will go up against the Flint State School team which will be the last regular before the Michigan game, Oct. 10.

Much classy new material is showing up which will be given every opportunity to try out. The present team is probably the heaviest as well as the fastest team ever representing M. A. C.

SEASON TICKETS.

Season tickets are now on sale which admit to all home games except Michigan. The price for the season is \$1.25 for men, \$1.00 for ladies. Each coupon is exchangeable for a reserved seat without extra charge.

SOPH.-FRESH. RUSH.

At a meeting of the Student Council it was agreed to hold the annual Soph.-Fresh. rush at 12:30, Saturday, Oct. 3.

The following events in their order were agreed on: Football fight, canvas pull, tug-of-war and flag fight.

The football fight and canvas pull will be held on the athletic field, the tug of war across the Red Cedar river, and the flag fight on the drill grounds.

Sec. Student Council.

Y. M. C. A. RECEPTION.

The Y. M. C. A. will hold their annual reception for new students in the armory, Friday evening at 7:00 o'clock. Come and get acquainted.

The College Extension Reading Course has been reorganized. A circular describing the same may be had by addressing Prof. W. H. French.

ALUMNI

In the Record office there is kept a card catalogue of all students, who have ever been connected with the college. In order that this may be kept up to date, please notify us of any change of address or occupation.

W. J. WRIGHT, Editor.

A. C. Digby, '03, was married to Miss Laura Van Nettei, September 2, 1908. Mr. and Mrs. Digby will be at home to their friends at Deckerville, Mich., after Oct. 15, where Mr. Digby is manager of a creamery.

'05.

Miss Katherine McNaughton, '05, is teaching in the Normal College at Greensboro, N. C.

With '06.

Wallace R. Kimball, who entered college with the class of '06, was recently killed in a fire in the railway tunnel under the Detroit river, in which he was assistant superintendent. He lost his life in returning to assist a fellow workman after he had once safely escaped.

'07.

Scott Lilly, '07, and Miss Jean McCoy, sp. were married Sept. 12, 1908. Mr. Lilly is an instructor in Cornell University.

ATHLETIC BOARD MEET- ING.

At a meeting of the athletic board on Thursday it was decided to sell football season tickets to men for \$1.25, and to women for \$1.00. The tickets for the Wabash and Alma games will be exchanged for reserved seats without extra cost.

Season tickets do not include the Michigan game. The prices for this game will be 75 cents for the east bleacher and grand stand, and \$1 for the west bleacher. 700 seats have been reserved by the U. of M. and its alumni, and so it was thought best to use the east bleacher as the M. A. C. rooting section.

R. L. Kurtz was elected football manager for the season of 1908.

CORN.

A popular bulletin on corn—the selection, storing, curing, and testing for seed, by Prof. Jeffery, has been published by the experiment station, and deserves more than passing notice. It is fully illustrated, showing the best methods now in use for handling the seed corn and directions for testing. This is the third of a series of popular bulletins on the ordinary farm operations. It will be sent free on application.

Prof. French has just issued a course of study in agriculture for use in the public schools. It is receiving much favorable comment.

ABOUT THE CAMPUS

Albion College is offering a
course in electrical engineering this
year.

Mrs. H. J. Eustace returned Sat-
urday from a 10 days' visit at Pitts-
burg, Pa.

There are few changes in the
football rules for this season that will
affect the game from a spectator's
point of view.

The College Song has been
placed in the back of the new
Chapel Hymnals. Learn it—Sing
it at ma-s meeting tomorrow night.

Season football tickets are now
on sale at the Secretary's office and
elsewhere. \$1.25 for men and
\$1.00 for ladies. Each coupon may
be exchanged for a reserved seat
without extra charge.

The following have been elected
by the various classes as members
of the student council for the ensu-
ing year: Seniors, W. D. Frazer,
D. L. Boyd, H. L. Kempster; Ju-
niors, P. G. McKenna, A. L. Camp-
bell; Sophomore, I. J. Courtright.
W. D. Frazer has been elected
president of the council and P. G.
McKenna secretary.

At the special election held Sat-
urday for the purpose of settling
the question of bonding the city of
East Lansing for \$10,000 for the
purpose of providing sewage and
waterworks for the city, 94 votes
were cast, 89 being in favor and 4
against. Work has already been
commenced on the well and it is
hoped to have the water system; at
least, in by Jan. 1.

Remember the Michigan game October 10.

R. L. Kurtz was elected football
manager for the season at the last
meeting of the athletic board.

Prof. Norton and the senior live
stock class leave tomorrow morning
for the Hillsdale Fair. They will
get in some judging practice.

The team is practicing on the
field every afternoon at 4 o'clock.
Turn out and see the practice and
get a few pointers on the game.

With 13 of her last years' squad
back Wabash is counting on a team
every bit as strong as last year. So
is M. A. C. Oct. 31 will tell the
story.

Of special significance this year is
the fact that, not only is the enter-
ing class much larger this year than
ever before, but it includes a large
majority of four-year men.

A welcome letter from C. D.
Sterling, '05, states that he is work-
ing with the Jeffery Mfg. Co. of
Columbus, Ohio. Christenson, with
'02, Emery, with '09, Bell, '05,

cisco, '03, are also with the same
company.

The first football mass meeting
of the year will be held tomorrow
(Wednesday) evening in the Ar-
mory. Prexy, the Deans and other
members of the faculty will be there
and speak. Don't fail to come.
Bring your voice with you. There
will be new songs and yells to prac-
tice.

A good oak folding bed for sale.

Prof. Taft is in Grand Traverse
county this week inspecting or-
chards and also acting as judge of
fruit at the Traverse City fair.

A children's party was given in
the gymnasium of the Women's
building by the Y. W. C. A. Sat-
urday evening. About 150 young
women were present.

Rev. F. W. Corbett, formerly of
Adrian, has been secured as pastor
by the East Lansing People's
church. Regular preaching services
are held in the college chapel at
11:15 a. m., Sunday School at 10
a. m.

Miss Jessie Llewellyn Reynolds,
daughter of Mr. H. G. Reynolds,
former secretary of this college,
was married at the home of her
father, Pasadena, Cal., September
14, 1908, to Lieut. Frederick
Braham Terrell. They will be at
home to their friends after Novem-
ber 1 at Fort Bliss, Texas.

Mr. E. B. Calbert of the meteo-
rological department at Washing-
ton, D. C., was at the college last
week looking up a site for the new
meteorological building. It will
probably be located on one of the
following sites: Southwest of the
armory, where the old botanical
laboratory stood, west of the college
hospital, or west of the deer park
facing the delta. Work will not be
begun on the building until next
spring.

WANTED.—Three copies of
Pierce's Plant Physiology. Please
leave at library.

DEBATING CLUB.

The first regular meeting of the
Debating Club will be held on
Thursday night in Room 7, College
Hall. For the benefit of the new
men it might be well to state that
this club is open to all. There are
no dues to pay, and a man becomes
a member merely by placing his
name upon the rolls. The purpose
of the club is open debate, and for
each weekly meeting a question is
chosen by the program committee,
a man selected to lead each side,
and everyone is free to take part in
the discussion if he so desires. In
this manner a great deal of practice
in debate may be acquired, which is
invaluable to any man. A formal
debate has been held each year with
Ypsilanti, and in the meeting this
week the possibility of another will
be discussed. There will be no de-
bate this week, but every man inter-
ested is urged to be present, as im-
portant business is to be transacted.
The meeting begins at 7 p. m. sharp
and lasts about an hour.

The officers of the club for this
term are as follows:

President, C. T. Nash.
Vice President, J. T. Graybill.
Secretary-Treasurer, A. L. Camp-
bell.
Chairman of Program Commit-
tee, K. D. Van Wagenen.
