## VARSITY AGAIN HELD TO SCORELESS TIE.

### RESERVES SHOW GOOD FORM.

Battling desperately against heavy odds De Paul University today held the Michigan Agricultural College eleven to a scoreless tie in one of the fiercest struggles ever witnessed on De Paul field. In the standing the "Aggies" at bay, the Northsiders added another triumph to their long string of classy performances.

De Paul put the brakes on the farmer boys, chiefly through the great kicking of quarterback Nash and the hurricane offense of "Bunny" Burson, the fleet right half-back who was forced to quit the field after fracturing a bone in his right elbow shortly after the start of hostilities in the second half.

The Aggies swept the field time after time on long end runs, in which McKenna proved a tower of strength, but frequent penalizations heaped upon the visitors after a flash of brilliant work invariably set the Aggies back to the point where they were forced to seek salvation through the medium of kicking.

Cotch Haggerty's squad was cornered in their own territory for the major portion of the initial half, when the Aggies threw every ounce of their beef and assault against the locals, but the clever stand of the De Paul host slowly robbed the rushing Aggies of their steam, and in the second half honors were about even, although Nash was forced to swing his mighty boot against the pigskin in many ticklish positions.—Record-Herald.

### SECOND TEAM 22—OWOSSO 5.

In their first game of the season, the 'varsity second team decisively defeated the Owosso High School team Saturday by a score of 22-5. The game was scrappily contested throughout, but the good coaching, and continuous playing against the 'varsity, made it easy for the scrubs to pile up the score they did. Except for the first few minutes, when Owosso held stubbornly, everything was M. A. C.'s.

Jack Thome was the star of the game, and showed form which should place him on the first squad before the end of the season. His line charging was the feature of the afternoon, as he repeatedly carried the ball for gain of from 5 to 15 yards. Nothing really seemed to bother him, as he mowed Owosso's line down time after time. Barrett, a Hudson High man, playing his first year of college ball, also showed considerable ability as an end. He had a knack of getting around and downing the play from behind. Ballard also played a good game at end, saving several long gains, by sure tackling. McGraw ran the team well, and used the forward pass for big gains on various occasions.

Owosso was considerably heavier than was expected, and as a result, Coach Thacher was forced to keep

## AS OTHERS SEE US.

### A BOUQUET FROM MODERATOR-TOPICS.

"Nearly all the references to the U. of M. and M. A. C. tie game of football show an entirely erroneous conclusion as to its lesson. Reporters fly to the conclusion that the University team this year must be exceptionally weak, and seem unable to realize that the M. A. C. team has come to be a mighty worthy competitor. To be sure Yost's team that day had a very vulnerable spot in its line and did not show its old time snap and vigor, doubtless it felt the absence of its captain; but just the same, it will not meet this fall many worthier opponents. From now on M. A. C. will prove a most wholesome teacher to the U. of M. teams. And why not? The growth of our Agricultural College now brings the enrollment up to 1,400 of whom three-fourths are young men. They are for most part husky representatives of the simple life. They have been used to tackling hard jobs, and sticking to them. They have a fine athletic field and live close to it. They have a brainy, skillful, magnetic coach. They hit the line hard. They are successful contestants in other athletic contests, in debate and oratory, and the graduates make touchdowns in life's contests in a manner highly creditable to the school. We would not take this space merely to talk football, though we must confess to an alarming weakness for the game, but we think it high time that the people of our state waken to the fact that in the Michigan Agricultural College we have a tip-top school, growing better and bigger all the time, and it is no disgrace to a team that comes out second best in a contest with it in any field that it enters."

## BAND GETS NEW INSTRUMENTS.

When the band turns out for the Wabash game next Saturday, it will appear with a new outfit of drums and cymbals, made especially for the band by Willard Bryant of Detroit. The new drums are much heavier in tone than those used heretofore and will add much to the work of the band. A York bass has also been obtained this fall from Grinnell Bros.

The band numbers 30 men at the present time, and is in very good condition for so early in the year. The promenade concerts will be continued this year, the first one to be given Friday evening, Nov. 20. These promenades were popular last year. Let us make them even more popular this year. Mark the date on your calendar.

There was a young man from Japan,  
Whose name on a Tuesday began;  
It lasted through Sunday,  
Till twilight on Monday,  
And sounded like stones in a can.

## THE COLLEGE BELL.

Ahum! Ahum! a sound! a sound!  
That makes me raise my head.  
The air-waves 'gainst my ear rebound,  
As I slowly creep from bed.  
And what is this that makes me swear,  
As I feel the cold, clear, shivery air!  
Perhaps I shouldn't tell;  
Alas! Alas! I must confess,—  
It is the College Bell.

Two instructors will debate the question: Resolved that Bryan should be elected President, at the regular debating club Thursday evening.

## WABASH HERE SATURDAY.

On next Saturday M. A. C. plays the game of the season, when the Wabash team lines up on College field. This is the game everybody has been waiting for, and will be a game worth coming miles to see. Wabash was here last year and gave us the fastest game of the season, and they come up fully determined to wipe the earth with us this fall.

To fully prepare for the game, Coach Brewer has decided to hold secret practice, beginning Tuesday, and lasting until Friday night. This means a bunch of new plays will be given out for the squad to work on, and perfect, and with those already in use, will give the team plenty of opportunities to score on Wabash. The team came out of the DePaul contest in good condition, except for a few sore spots, and are in good shape to begin preparing for the game Saturday.

A special coaching staff is here ready to begin work. Among the men who will assist Coach Brewer are: Ex-Capt. McKenna, of '06; Ashley, '04; Parker, '07, guard; Prof. Halligan, former Amherst tackle; and Ass't Coach Thacher. There is a possibility of Small's coming back also, to coach the quarter-backs on some special plays. This makes a coaching staff that will be hard to equal, and should give M. A. C. a hard week's work.

## HORTICULTURAL CLUB.

Secretary Brown addressed the last meeting of the Hort. club on the subject of, "The Home Garden."

Mr. Brown gave us his idea of a model home garden and also some of the most essential points in the selection of such a garden.

Location, soil, and shape should all be taken into consideration.

The garden should always be located near the house and, if a choice is possible, select a rich, loamy, well drained soil.

Its shape should be such that the greatest economy in time and labor can be practiced in its cultivation. Long rows are most conducive to this end.

Plant those varieties that will prolong the season as much as possible. Plant early, as the first fruits and vegetables always taste the best.

During the general discussion Mr. Brown's remarks were ably supplemented by Mr. Halligan who brought out several points not mentioned by the speaker.

Apples and grapes were served; the former were of the Canada Red variety and had been in cold storage since the fall of 1907.

## NEW ATHLETIC APPOINTMENTS.

### ENTERTAINMENT PLANNED FOR "BETWEEN THE HALVES."

At a meeting of the athletic board held Tuesday evening the following appointments were made: Chas. H. Edwards as athletic editor for the RECORD, and Chas. W. Mason for assistant football manager.

It was suggested that something should be planned to interest the crowd between the halves of the coming Wabash game. After some discussion it was decided that a push ball contest, to be an annual affair between Wells and Williams halls, would be inaugurated next Saturday. Twenty men will be selected to represent their respective dormitory. A lively contest is expected as the men from Williams say that they are going to retrieve their athletic honors lost in an indoor meet last winter to the men from Wells.

After allowing the bills for the month the board adjourned.

## SOPHOMORE BARBECUE.

The sophomore class has made arrangements for a Barbecue to be held Friday evening of this week, which will hereafter be an annual affair. The program this year will consist of an ox roast in front of Wells Hall, speeches, snake and war dances, etc. All students and faculty are invited. One of the ceremonies will be the tying of the freshman class president H. W. Jewell hand and foot, the cords to be cut by the sophomore president, L. G. Kurtz.

Mr. Palmer is one of the enthusiastic horse breeders of the state. Other animals of merit which will be at the college this week are a Belgian stallion owned by a Mr. Sprague of Vermontville, Mich., and a Clydesdale and Belgian stallion owned by Williamston parties. These animals will be of great assistance in familiarizing the students with the different breeds of horses. This work is under the direction of Dr. Hurt.

The Themian society entertained Saturday afternoon and evening in honor of the new girls. During the afternoon for two hours an automobile ride was enjoyed about the city and was followed by dinner at Hotel Downey at 5:45 o'clock. The place cards were hand painted in water lilies and gave the program for the evening and the names of the chaperones. Dean Gilchrist, Miss MacDonald, Miss Coad and Miss Kedzie. Covers were laid for forty. After dinner a program in the form of a "Fairy Story" was given in the society rooms in the Women's building. Miss Harriet Weston gave "The Loss of Hans Anderson," Miss Dorothy Brown, "Readings from Peter Pan," Miss Helen Hull, "An Original Fairy Story." Miss Amy Hurlbert, of the class of '08, was critic. Music was interspersed with the literary articles. At the close of the program a half hour was spent in dancing.

Miss Hallie Landis, State Student Secretary of the Y. W. C. A., was a guest of the local organization over Sunday. In the afternoon she spoke to the young women in the parlors of the Women's Building about the state conference which will be held at Hillsdale College Nov. 12-15.

The Misses Gilchrist entertained in the parlors of the Women's Building Saturday evening from 8 to 11, in honor of Miss Grace Chapman. The rooms were prettily decorated for the occasion, and an unique scheme whereby each gentleman was presented with a card directing him to escort the lady named to refreshments, served to bring about a delightful informality. In the receiving line were: Mrs. H. C. Gilchrist of Laurens, Iowa; Miss Chapman, Dean Gilchrist and Miss Norma Gilchrist. The guests were the younger members of the faculty and their wives, the new instructors, President and Mrs. J. L. Snyder, and Secretary and Mrs. A. M. Brown. A program of music was rendered by Miss Hopson, Miss Michelides and Miss Northrup and readings given by Miss Pearl MacDonald and Mr. Fish. The young women of the senior class assisted in serving and ushering and in the dining room Miss Coad and Miss MacDonald presided at the coffee urns. Miss Chapman will be sorely missed by the many friends she has made during her ten years stay at the college as instructor in gymnasium.

## VARSITY AGAIN HELD TO SCORELESS TIE.

(Continued from page 1.)

several of the lighter men whom he had intended to play, for part of the game at least, on the sidelines.

The squad showed up well Saturday, and every one was surprised and pleased by the quality of ball the boys played.

Games are scheduled with Olivet's second team at Olivet and here, Owosso Y. M. C. A. at Owosso, and Flint school at Flint. Charlotte high school will also be played if satisfactory arrangements as to dates can be made.

The squad lined up as follows: Ballard, Barrett, l. e.; Thome, l. t.; Hoest, l. g.; McDermid, c.; McNeil, r. g.; Culver, Ashley, r. t.; Krecht, Ballard, r. e.; McGraw, g.; Sanford, r. h.; Loveland, Yogeley, Stone, l. h.; Linderman, Western, t. b.; Mills, referee; King, Owosso, umpire; Tanner, head linesman; Peterson and Prof. Biff, timers. Time of halves, 20 and 15 minutes.

### GRIDIRON NOTES.

In the first of the class championship games the freshmen defeated the juniors by the close score of 5-0 Saturday afternoon on the college field. The only score of the game came as the result of a well executed forward pass, which brought the ball to the juniors' ten-yard line. The next play pushed it over. Ballard failed to kick goal.

The game was a good exhibition of football, and the strength of the freshmen greatly surprised those present. Mills and Krecht for the juniors were the stars of the game, while for the freshmen Ballard played a great game.

The result of this game eliminates the juniors from the race, the freshmen playing the winner of the senior-sophomore game next Saturday before the Wabash game is called.

The senior baseball team have received their class sweater vests which are "quite the thing," being of heavy navy blue wool, with a yellow '09 on the left side.

A dispatch from the Olivet camp declares that the preachers are getting ready to defeat the farmers when we play there a week from Saturday. Maybe—but there are a lot of students here who are of the opinion that last year's score is only a beginning to what will be run up on Olivet this year. But there's nothing like allowing them to have a good dream before the game.

Chicago papers gave us space enough to print full length pictures of "M. A. C.'s shifty back field"—Courtright, Allen, McKenna, and Exelby. That's better than the Detroit papers will do for us.

According to latest reports, the sub-freshmen are to organize a class football team, and will play in the class championship series. Permission to enter the series was given by Coach Brewer last Friday afternoon.

Notre Dame has offered \$500 if we will take them on for a game Thanksgiving day. The Catholics are very anxious to play since we played Michigan to a stand-still Oct. 10, but it will not be possible to arrange a game for the desired date, as a game is already scheduled with Detroit Athletic Club, at Detroit.
