THE M. S. C. RECORD

Established 1896

Published for the alumni and former students of the Michigan State College by the M. S. C. Association.

Published weekly during the college year and monthly during July, August and September; thirty-five issues annually.

Membership in the M. S. C. Association, including subscription to THE RECORD, \$2.50 per year.

Unless members request a discontinuance before expiration of their memberships it will be assumed a renewal is desired.

Checks, drafts and money orders should be made payable to the M. S. C. Association. Entered as second class matter at the postoffice at East Lansing, Michigan.

COMMENCEMENT SEASON STARTS JUNE 9

Lantern Night First Event On Program Concluding College Year; Alumni To Take Possession of Campus June 19; Graduation Set for Monday, June 21.

Activities of the commencement season this year are of more varied character and are spread over a greater period of time than has been the custom. Lantern Night will be inaugurated by the women of the College this year, being held on June 8. At this time the women of the class of 1926 swing out with lanterns and at the conclusion of the rite these will be passed on to their successors, the juniors.

Due to the fact that commencement activities have interfered somewhat with examinations to the three lower classes, many of the events have been scheduled a week earlier. Cap night will be held on June 9 on the cavalry drill field, between the stadium and old athletic field. On the following day the fourth annual water carnival will take place. The College itself is assisting the senior class considerably to insure the success of this event and make it attractive to visitors and residents of Lansing and vicinity.

On Tuesday June 15 the senior play will be given in the Forest of Arden. "Francesca da Rimini" has been selected for this year, a strict departure from former plays of Shakespearean type.

A band concert will be given on the Campus on Friday, June 18, 4:30 p. m.

Alumni Day on the 19th will probably be the busiest single day on the Campus. The entire day is crowded with events to insure a continuous succession of things of interest to the many visitors and "old timers" who will be at the College.

Class registrations at the Union Memorial building will occupy the major portion of the forenoon. At noon the general alumni luncheon, interspersed with the oddities and concoctions of "Jim" Hays, '11, will be the center of interest then. The luncheon and program will be followed by the annual meeting of the M. S. C. Association and the dedication of the memorial tablet presented by the Washington, D. C., M. S. C. Association. Thomas Gunson will be the principal speaker at the dedication.

Immediately following the program at the Union the Alumni-Varsity baseball game will be played. Advance information indicates that "Brownie" Springer is assembling the most capable ball tossers that the alumni boast in an effort to vanquish the undergraduates.

Class luncheons will occupy the stage between the ball game and the President's reception. The latter event and alumni dance, held in the Union Memorial building, will terminate the day's activities.

Baccalaureate in the new People's church will take place at three o'clock on June 20. A sacred concert is scheduled for Sunday, 7:00 p. m. in the Forest of Arden.

Commencement exercises will be held in the Forest of Arden, by vote of the senior class. This takes place at 10:00 a. m., June 21.

Dr. Lloyd C. Douglas, First Congregational church, Akron, Ohio, will deliver the Baccalaureate address. His address will be, "Research and Revelation". Bishop Francis J. McConnell, Methodist Episcopal church, Pittsburgh, Pa., will speak on "Social Imagination" at the Commencement exercises.

SET COMMENCEMENT WEEK AHEAD FOR 1927

One of the most notable changes in the College schedule as published in the new catalog just off the press is the setting ahead of commencement to the week preceding examinations. It is announced that the baccalaureate address will be delivered on June 5 and Commencement will be held on June 10 with College closing for the year on June 17.

This plan has been tried in previous years and was abandoned in favor of the present system which places commencement the week after College closes but next year, with a few alterations, it will again be in force so that students may witness the commencement exercises previous to those in which they participate. This change in the schedule will result in the advancing of such events as cap night, the water carnival, the senior play and Alumni Day and will assure in all cases that the affairs customarily listed for the final week will not interfere with examinations.

No action has as yet been taken by the Association setting the date for Alumni Day in 1927 but it is probable that it will be June 11 instead of June 18 as would be the case if the present schedule were followed. This will mean that it will be possible to schedule various attractions for Alumni Day which are not now possible and that it will be fitted into the general plan for the observance of the season so that alumni returning may have an opportunity to see the College at work, as much as it does work toward the end of June.

Another announcement of interest is that concerning the Thanksgiving recess which will again be allowed the students. It was tried last fall as an experiment to see whether or not classes would be too much interrupted and apparently worked satisfactorily.

Freshman week will be continued on the schedule. The new students are directed to report for registration during the period

between September 16 and 18. Unlike last year the upperclassmen will register on Monday, September 20 and classes will begin on September 21. Last fall upperclassmen were required to register on the Friday and Saturday preceding the opening of College.

TRACK TEAM SECOND IN MID-WEST MEET

Notre Dame, Michigan State, Marquette and Butler finished in the order named in the first annual track and field meet of middle west colleges who have been barred from Big Ten track competition by recent ruling. This meet, held at Marquette university on June 6, was the result of the efforts of Coach Young of State, Coach Rockne of Notre Dame and Coach Jennings of Marquette, to perfect an organization of the larger "free lance" colleges of the Conference district.

A strong wind and a new track prevented exceptional marks in the meet. Notre Dame finished with a score of 72 1-2, State, 47, Marquette, 35 1-2, and Butler, with her one-man team, 10. Although the events were not run off in record time, a crowd of 3,000 witnessed the meet.

Alderman was high point man, winning first in the 100, 220 and broad jump. Grim took third in the 440, being the first race that he has lost this year in his favorite distance. Tillotson sprang a surprise by taking first in the discus with a distance of 133 feet 7 3-4 inches. State placed in every event but the javelin.

It has been announced that the second annual track and field meet of these colleges will take place at East Lansing next year.

880 yard run—Won by Phillips, Butler; Masterson, Notre Dame, second; Judge, Notre Dame, third; Wylie, Michigan State, fourth. Time, 1:50 4-5.

210 yard dash—Won by Alderman, Michigan State; Della Maria, Notre Dame, second; Heineman, Marquette, third; Morrissey, Notre Dame, fourth. Time, 2:22 1-5.

440 yard dash—Won by Phillips, Butler; Coughlin, Notre Dame, second; Grim, Michigan State, third; McDonald, Notre Dame, fourth. Time, 5:50.

1 mile run—Won by Judge, Notre Dame; Wylie, Michigan State, second; Murphy, Marquette, third; VanArman, Michigan State, fourth. Time, 4:27.

100 yard dash—Won by Alderman, Michigan State; Heineman, Marquette, second; Della Maria, Notre Dame, third; C. Riley, Notre Dame, fourth. Time, 1:10 1-5.

120 yard high hurdles—Won by Griffin, Notre Dame; VanNoppen, Michigan State, second; Doyle, Marquette, third; Barron, Notre Dame, fourth. Time, :17.

220 yard low hurdles—Won by Ruehl, Marquette; Barron, Notre Dame, second; VanNoppen, Michigan State, third; McCauley, Notre Dame, fourth. Time, :26.

Two mile run—Won by Shimek, Marquette; Harper, Michigan State, second; Belt, Michigan State, third; Thomas, Michigan State, fourth. Time, 9:26 2-5.

Mile relay—Won by Notre Dame (McCauley, Lahri, McDonald and Coughlin); Michigan State, second; Notre Dame No. 2, third; Marquette, fourth. Time, 3:28.

Broad jump—Won by Alderman, Michigan State; C. Riley, Notre Dame, second; Heineman, Marquette, third; Carey, Notre Dame, fourth. Distance, 22 ft. 9 1-4 in.

High jump—Doyle, Marquette, and Carey, Notre Dame, tied for first; Lahy and Griffin, Notre Dame, and Kurtz, Michigan State, tied for third. Height, 5 ft. 8 in.

Discus throw—Won by Tillotson, Michigan State; Dilweg, Marquette, second; Norton, Notre Dame, third; Smith, Michigan State, fourth. Distance, 113 ft. 7 3-4 in.

Shot put—Won by Boland, Notre Dame; Smith, Michigan State, second; Moes, Notre Dame, third; Dilweg, Marquette, fourth. Distance, 23 ft. 1-2 in.

Pole vault—Won by Harrington, Notre Dame; Glazer, Marquette, and Hamill, Notre Dame, tied for second; Smith, Michigan State, fourth. Height, 11 ft. 6 in.

Javelin—Won by Moes, Notre Dame; Flaherty, Marquette, second; Lavelle, Notre Dame, third; Rapetti, Notre Dame, fourth. Distance, 185 ft. 2 1-2 in.

Jeanette Smits, '27, East Lansing, won first prize in the annual Eumonian-State News literary contest. The subject of her short story was "Tomorrow and Tomorrow and Tomorrow". Clifton Hill, '28, won first place in the poetry contest with a poem entitled, "To One Gone On, a Reverie"; while Paul Hickie, '20, won first in the Lawson contest. His essay was entitled "Eugene O'Neil."

Plans for a fraternity row were re-discussed this past week when a representative of the College architects met with members of the College social fraternities. No agreement was definitely reached although the number of fraternities favorable to the idea is steadily increasing. At present the plan calls for the use of the extreme east end of the Campus, facing Bogue street, as the most likely place for such a row for men's fraternities.

F. Dean Wilson, '22, who will receive the degree of doctor of philosophy from Johns Hopkins this spring, has accepted a position in the Ohio State university experiment station. Wilson is a plant physiologist.

Gordon T. Whitburne, '28, Royal Oak, has been elected president of Theta Alpha Phi, national honorary dramatic fraternity, for the coming year. The fraternity, in conjunction with the College dramatics division, is planning an extensive program for dramatics during the coming year. It has been announced that the presentation of the following plays will be included: "The Show Off," "Ice Bound," "Tarnish" and "Hell Bent for Heaven."

Your registration tag will be your ticket for the president's reception and alumni dance in the evening. Be sure to retain it and be ready to produce it when you come to the building for the final affair on June 19. This means is being taken to prevent the ballroom being filled with high school students and others who have in the past seized upon the occasion as an opportunity for a free dance. Register early and you will have the necessary badge. The registration fee is twenty-five cents.

Grand Rapids Junior college won the State Intercollegiate Tennis tournament at the College on June 5, score 37. The furniture city entry took an early lead in the preliminaries and continued its stride to win the meet.

Western State captured second with 27 points, Michigan State, third, with 21. The other entrants finished in the following order: Detroit City college, 18; State fresh, 11; Olivet, Highland Park junior, Central Michigan normal tied with 8 points; Battle Creek college and Kalamazoo tied with 6 points. Albion won but one set.

A. J. Hannah, '27, Grand Rapids, has been elected chairman of the Wolverine board for next year. Under the present system of publishing the Wolverine as a general student yearbook instead of by the Junior class, a general chairman directs the activities of the entire Wolverine staff, selecting his own department heads.

VIEWS AND COMMENT

With this issue THE RECORD begins a monthly schedule of publishing. For thirty years it has been printed more than twelve times per year but it has gone through a series of changes which developed it from an official publication of the College to the organ of the alumni.

It is regrettable that this long record of publication must be terminated, purely from the sentimental side as well as from the side which prompts the alumnus to feel that he can keep in closer touch with his alma mater through a weekly than through a monthly. There are, however, many considerations which have entered into the decision to make this change which outweigh the strength of sentiment, and these have often been enumerated in these columns. The matter of finances has been the foremost factor. No publication of this sort can hope to live on the present fee paid by the alumnus. Thus it has been necessary to request each year an appropriation from the College to keep the office and part of the alumni work going. This arrangement is an unjust one for both sides and the Association is especially to blame for allowing it to continue through the years. Any organization should be able to pay its own expenses, any individual should be willing to at least pay the cost of the service he asks. Under the schedule concluded with this number there was no chance for presenting a magazine of adequate proportions or proper contents. Under the new schedule THE RECORD would be a much more readable magazine, it should contain all of the news of general interest and it should be increasingly interesting because of the greater time allowed for the gathering and presentation of the material.

There is an opportunity for THE RECORD and the Association to become entirely self-supporting under the new plan. The results of the first year will demonstrate how far this is possible and what will have to be

done to accomplish that end. There is a possibility of a greatly increased advertising revenue, a probability of a notable decrease in publishing costs and from the returns of the past year, a continuation of increase in the subscription returns. THE RECORD and the Association are on the verge of a period of development which will carry them just as far as the membership is willing to decide. At least the past thirty years have witnessed beneficial changes looking toward the end of a self-supporting organization.

There is still time to pack your bag, cancel your engagements for the day and be on the Campus on June 19. Alumni Day promises to be unusually important. It will give the once-a-year visitor his first glimpse of the Union Memorial building in operation, for last year it was not completed on June 20 and the building is not the only change in the Campus which the last year has witnessed. There are many others, almost as important and interesting. So the point is be on the Campus early on June 19, if you fail to make your connections on the day before. Register in the lobby of the Union, attend the luncheon and the baseball game and the dance in the evening. See it all through for once and you will not be burdened with that regret which bears down upon the person who wilfully misses an opportunity.

Myrl Bottomley, '16, who is overseeing the new Campus planting for T. Glen Phillips, '02, landscape architect, reports that he and Ethel Taft Klaver and W. G. Knickerbocker have completed their preliminary work for the tenth reunion of the class and expect a strong turn out for the Alumni Day program, including a class dinner at the Union Memorial building at 6 o'clock in the evening.

"Close Beside The Winding Cedar"

Don't miss June 19 on the Campus.

The College band will give a concert at 10 o'clock on the morning of Alumni Day in front of the Union Memorial building.

J. O. Brady, '23, was one of the high school track coaches with entries in the class B and C meets. He had charge of the representation from Grand Rapids vocational school.

High school students competing in the state track meets for Classes A, B and C schools made the Union Memorial building their headquarters during the two days they were on the Campus.

"Shine 'em up day" was held on May 26, by the Women's Self-Government association. On this day co-eds knelt to their Spartan lords and shined shoes for the shekels they received. Last year a total of \$75 was realized on such a day.

Your classmates will be on the Campus June 19.

When you drive onto the Campus find a place to park your car which will keep it off the pavement at the entrance for that spot will be the center of congested traffic Alumni Day.

Clifford W. McKibbin, '11, has been elected president of the Lansing Lions club for the coming year. O. L. Snow, '10, was elected second vice president and Howard Rather, '17, third vice president.

The executive committee of the Association will meet at the Union Memorial building for dinner on the evening of June 18 to discuss the final business of the year preparatory to the annual meeting.

Jackson county alumni will dance at the Consumers' Power club house at Clark Lake on the evening of June 15, according to an announcement from F. W. Schmidt, '14, and students are invited to take advantage of the opportunity to enjoy the party with the graduates.

The Wolverine and State News will both be placed upon the registration fee next fall as a result of a recent student vote to determine the subsidy question, long discussed, on student publications. The increased subscription which will result makes it possible to give both for five dollars, instead of \$7.50 as has been the case under voluntary subscription.

Detroit Alumni have planned a dinner dance for the evening of June 12. Information may be obtained concerning the location of the country club north of Windsor where the festivities will take place, the time and expenditure necessary at the office of the bureau of markets in police headquarters building in Detroit. G. V. Branch, '12, and C. E. Johnson, '23, are at that address to pass out the dope.

Please to Come Early!

The Campus will be ready for you on Friday, June 18, in anticipation of your coming for

Alumni Day

*When you arrive, register at the
Union Memorial Building*

Saturday morning you can look around the Campus and see the new buildings.

Do it then for there will be no time the rest of the day.

At 12 o'clock, noon, "Jimmy" Hays wants you lined up ready to start for the luncheon also in the Union Memorial building.

**AT 3:30 THE VARSITY AND ALUMNI
BASEBALL TEAMS WILL TRY
THEIR SKILL ON COLLEGE FIELD**

From 5:30 to 8:30 is the time for class dinners.

At 8:30 the president's reception and alumni dance in the ballroom of the Union Memorial building.

Be Sure to Be on Time !!

And Stay Late ! ! ! !

Dedication of the memorial tablet, "Tom" Gunson, speaker, will follow the alumni luncheon in the ballroom.

The annual meeting of the Association will precede the Dedication

LINE UP WITH YOUR CLASS FOR THE LUNCHEON

"Jimmy" Hays will have complete charge of the early program. His special stunts will not be detailed in advance.

IT WILL COST YOU \$1.25 TO ATTEND THE LUNCHEON AND PAY YOUR REGISTRATION FEE

One dollar per plate for the luncheon, and worth all of it

DON'T FORGET TO REGISTER, IT WILL COST YOU
TWENTY-FIVE CENTS

Be Sure to Come Early !!

BASEBALL TEAM ADDS TWO VICTORIES

Notre Dame and Armour Defeated On College Field; Western Normal Takes Second Game by Shut Out; Kuhn Keeps Hits Scattered to Let Down South Bend Nine.

George Kuhn pitched State to a 5-3 victory over Notre Dame on College Field, Saturday June 5. Although State was out-hit 9-4, the Irishmen made nine errors in the field, virtually handing the Varsity the decision.

After two were out in the first the Varsity put four runs across, aided greatly by the errors of the visitors. Kuhn scattered the Notre Dame hits well, allowing but little in the pinches. The game was featured by four double plays, two by each team. Tolles, playing left field in place of Haskins, collected two of State's four hits, one of which went for three bases in the first inning.

On Saturday the Varsity plays at South Bend in the feature game of the Notre Dame alumni day celebration.

Michigan State 4 0 1 0 0 0 0 0 X-5

Summary: Three base hits—Tolles. Two base hits—Tolles, Smith. Struck out—By Walsh, 3; by Bastian, 2; by Kuhn, 5. Balk—Kuhn. Stolen bases—Rowley, Spiekerman. Left on bases—State 8, Notre Dame 10. Bases on balls—Kuhn 3, Bastian 4, Walsh 1. Sacrifice hits—Fleser, Fremont, Rowley. Double plays—Walsh to Wilson, Walsh to Pearson, Baynes to Kiebler to Spiekerman, Kuhn to Fremont to Rowley. Umpire—Daly.

The Varsity defeated Armour institute on May 20, 9-1, but on June 2, in the return game with Western State at Kalamazoo, was let down, 7-0.

In the Armour game Wakefield had little difficulty in keeping the visitors in check throughout the nine innings. As an after-

math of the horse show and the Class A state interscholastic track meet, the game drew a large attendance.

Against Western State "Lefty" Tolles pitched stellar ball all the way. Only six hits were collected from his delivery while State was gathering seven to their credit. However, five infield errors, combined with two scratch hits, spelled doom to the Spartan invaders. Several times when the Varsity did get men on bases clever field work coupled with double plays usually retired State in quick order.

A large crowd of students accompanied the team to Kalamazoo.

Edward Jerue, '26, Benton Harbor, has announced the program for the fourth annual water carnival and festival, June 10. In addition to the customary canoe tilts, canoe filling contests and single and double races on the Red Cedar course, a series of vaudeville acts will be presented on a specially constructed stage on the opposite bank of the river.

These acts, put on by students of the College, will include dances, black face acts and humorous stunts. David Stouffer, '26, East Lansing and Millicent Clark, '26, Bad Axe, president and vice president of the senior class, will act as king and queen of the carnival.

CLASS NOTES

'86

Dear Classmate:

This is the last Class '86 letter you will receive before the big event. There is not much to add regarding the dinner at the Hotel Downey, Saturday evening June 19th, that was not mentioned in my letter of May 20th.

To facilitate matters you should arrive not later than 5:30. We can have a good hand-shaking time and be ready to sit down to the dinner at 6:00. We will all want to go to the President's Reception at the College which begins at 8:30. Automobiles will be provided. The going to the College will be an easy matter.

A list of those who will attend was sent in a previous letter. I am pleased to tell you that Fred Rogers with Mrs. Rogers has changed his mind and will drive through from Enid, Oklahoma.

A letter from Edling states that he will arrive in Lansing on the 18th. Joe Cotton will be here early on that day and so will Judson. Billy Rummier, Pete Woodworth and Launstein will arrive from Chicago. Hank Jenner brings Mrs. Jenner with him. We have not heard from Jakway, Park, Spangler and Welch. They all wrote encouraging letters some time ago.

Nichols and Hooker have not written at all. Kedzie, Collingwood, Thomas, Towar and Diehl with their wives will all be present. President Butterfield cannot meet with us. His class has their 35th anniversary reunion at the same hour. Hon. L. Whitney Watkins, '03, State Commissioner of Agriculture and Chairman of the State Board of Agriculture has accepted an invitation to be with us.

Letters of regrets have just been received from Kinnan and Davis. We wish they might yet change their minds. We think Congress will get along if Kinnan breaks away and the golden dollars that come to Davis will come just the same even if he tears himself away for a brief period.

Those who have not responded, please hunt up the postal cards and mail them. My telephone numbers are, office 2-4811, house 2-4738. Headquarters will be established near the Alumni building.

Sincerely,

JASON HAMMOND.

'01

Maj. Mark L. Ireland, Q. M. C., U. S. Army, says writing a circular class letter is lots of fun because everyone seems so pleased to hear from their classmates and so many answer with information concerning themselves which all of the others desire to hear. From the replies received, he furnishes the following:

H. S. Bradford replies from his cigar store in Grand Rapids National Bank Bldg., giving his residence address as R. 7, Lewis ave., Grand Rapids, Mich., and says of our 25th Anniversary Reunion, "I will be there unless transportation ceases." He gives L. B. Littell's address as 216 John street, N. E., Grand Rapids.

Harry L. Brunger is located at 1124 W. Main street, Lansing, Mich. and will be on hand for the reunion.

Wayne E. Dunston is with the Jenks and Muir Manufacturing Co., Detroit, Mich., and expects to attend.

Homer D. Fay is with the Allis Chalmers Co., Milwaukee, Wis. and will be on hand if possible.

Delmar B. Finch has been on industrial educational work since 1905 in Portland, Ore., Mt. Pleasant, Ia., Parkersburg, W. Va., Columbus, Ohio, and Montgomery, W. Va. He was married in 1903 and expects that his daughter Marian will enter M. S. C. as a freshman this fall. Because his summer school term opens on June 14th he will not be able to attend the reunion much to his regret.

J. C. Green of the J. C. Green Construction Co., 400 Penobscot Bldg., Detroit, plans to be on hand. He has called on Oscar Mead, 218 Highland Park, Mich., to get him back for the reunion too. Major Ireland has also written to Oscar at the address given that the reunion will not be counted a success without him. Green gives C. L. Dean's address as 1527 1-2 Grand Central avenue, Tampa, Fla., but there are no returns yet from the letter sent there. The letter to Dean's home address while in college, Colon, Mich., has been returned.

Max G. Hillman lives at 158 Eason avenue, Detroit, Mich., and is with the Consolidated Battery Co. He says that he does not see how anyone is going to keep him away from the reunion.

Norman B. Horton, Fruit Ridge, Mich., says, "I had the pleasure of attending two junior hops, so I should be allowed two quarter century reunions. I think it will be safer to attend one this year and another next year than to wait 25 years for the second one."

Clara Ohlhard Russell, 5089 Oregon avenue, Detroit, Mich., will be present with her hubby, Ed. Russell, '09, who has accepted the conditions laid down for him, namely, that he would not work the first sergeant stuff off on us as he used to do in the fall of 1897. They lost their daughter, Helen, two years ago. One son is studying law at the U. of Michigan. They have two sons.

Gordon E. Towar, writing from Route 5, Box 84, Salem, Ore., wishes that his name was on the "lost list" because the circular letter has so aroused his desires to be present at the reunion. He returned to Michigan last summer on ac-

Boys!—Here's Something New!

When you lunch down town come to BARRON'S, when you want just a tasty after-the-theater "bite" come in to BARRON'S, when you want to try the best Ice Cream served in Lansing—then you'll have to come to BARRON'S. You'll see all the M. S. C. students and "grads" there because it is owned and operated by an M. S. C. man, who caters only to those who demand a little more from everyday life.

BARRON'S is at 205 N. Wash. Ave., in the Tussing Building.

THE PEOPLE'S CHURCH, East Lansing

An **INTERDENOMINATIONAL, EVANGELICAL CHURCH** which serves the students of Michigan State College and the residents of East Lansing. Four denominations—the Baptists, Congregationalists, Methodists, Presbyterians—are officially co-operating in the church program. A score of other denominations are represented in the membership. The **College Y. M. C. A.** and **Y. W. C. A.** are also affiliated with the church. The church is open every day.

The new church, with large student parlors for men and women, and an auditorium seating 1,400, will be dedicated May 16th, Deo volente.

count of his father, then 81 and who was not expected to live long, therefore he does not feel that he can make the trip again this year. We shall certainly miss him especially when we tender to the class of 1900 his message of good will in spite of certain "stony" episodes that formerly separated the two classes.

H. T. Thomas, writing from 114 Walnut street, S. Lansing, Mich., is anxious for me to locate Guy Aldrich and Oscar Mead and bring him back for the reunion. Thomas speaks of his ill health during the past year as a possible cause for his absence. He says however, "I am going to be at the reunion if it is a possible thing for me to get there."

W. M. Treadwell, 2521 First Avenue North, Great Falls, Montana, nurseryman and landscape architect, has been back to Michigan three years and one year ago but may conclude to come to our reunion in spite of that. That is the spirit that pleases all of us. He went to North Dakota in 1907 and to his present address in 1911. He has one son who is a junior in the high school.

Zaïdee B. Vosper, associate editor, The Booklist, American Library Association, 80 East Randolph street, Chicago, Ill., says: "I haven't been so honored in a long time as I was when I received your letter insinuating that I belonged to 1901. Candor compels me to confess that 1902 was my gang. I'd like to come just the same but cannot just at that time." We always did appreciate respect from 1902 and particular-

ly from such a source. I recall a commencement when even her respect for 1901 wore through in one spot. Time however mends all things and, knowing how hard it was to find a place on her program, if she does come, I shall certainly make her our guest and apply early for place on her program.

Lost! My letters to the following have been returned: John F. Coate, 1024 East 8th ave., and 1111 S. Wall st., Spokane, Wash.; T. G. Agnew, Corunna, Mich.; Roy L. Brown, Monterey, Mich.; Chas. A. Mosier, Aquarium, Miami, Fla.; Leon F. Pierce, Lansing, Mich.; Roger Southwick, Houseman, South Beardman and Grand Rapids, Mich. Can anyone supply information which will enable me to locate these classmates?

A Different Kind of Job

Not a desk and time-clock job, at either end of a push button; not the selling of an article, be it an automobile, or any other thing which creates in the buyer more needs, more wear and tear on mind and nerves.

But the selling of absolute future security, creating a calm mind, a serenity of outlook in the buyer.

Not waiting for your predecessors to die; not depending on the lucky chance.

But receiving immediately the amount of money and reward commensurate with what ability you show.

This job is selling life insurance.

It has been noted that many college graduates suddenly give up working for someone else, go into life insurance, and in a short time find places on the lists of high-ranking insurance producers.

There is a reason for this which is worth thinking over.

Complete and confidential information, without any obligation on your part, can be obtained by writing to the Inquiry Bureau, John Hancock Mutual Life Insurance Company, 197 Clarendon Street, Boston, Massachusetts, or by application to any of our General Agents.

The things we depend upon most we appreciate least

5¢ worth of ELECTRICITY

What a wonderful buy is this nickel's worth of electricity!

It will operate a washing machine for two hours; or a sewing machine for seven hours; or an electric fan for ten hours; or a reading lamp for two long evenings.

Use electricity freely. It is one of the few necessities whose cost has stood still while the cost of all else soared.

The General Electric Company has made many contributions to this all-important industry. It has built giant generators; it has made the motors which do hard and tiresome tasks; it has developed better MAZDA lamps to light our factories, highways, and homes.

GENERAL ELECTRIC
