THE M. A. C. RECORD

VOL. XX.

EAST LANSING, MICHIGAN, TUESDAY, JUNE 1, 1915.

NO. 33

EXECUTIVE BOARD MEETING.

That the meeting of the Executive Board of the M. A. C. Association, held last Saturday, was a success is attested to not alone by the number who answered the call, but also by the excellent spirit in which the business of the meeting was carried out. Members at large who were present are Mrs. Ranney, of Greenville; Leslie Belknap, of Lansing, and A. C. Anderson, of East Lansing. The local associations which sent representatives are: Chicago, Mrs. P. B. Woodworth; Detroit, H. S. Reed; Grand Rapids, T. O. Williams; Northeast Michigan, A. C. MacKinnon; Flint, C. B. Crawford; Lansing, W. O. Hedrick. President Haigh, of the general association, was present to act as chairman of the session. W. K. Prudden, treasurer, and C. S. Langdon, secretary, were the other officers of the association present. The meeting took place at the Chemistry Building, with adjournment to the Wildwood Tea Rooms for luncheon, where the business of the day was finished in time so that all could enjoy the ball game.

The matters discussed at this meeting will be brought to the attention of the general association at reunion time. One thing which should be emphasized at this time is the fact that there will be TWO BIG DAYS this year instead of one for the reunion. These will be Monday June 21, and Tuesday, June 22d. For you who are planning to be on hand the program committee has arranged some surprises for Monday that will be well worth hurrying your arrival for. More about the program next week.

CLASS OF '82.

W. T. Langley, '82, of Minneapolis, has been pushing the reunion of his class. He sends in the following notes regarding some of the "boys" who will be here June 21st and 22d: John R. Shelton is president of the Oil, Engine and Pump Co., of Topeka, Kan. James L. McClear is U. S. district attorney for the State of Idaho, headquarters at Boise. That is what Jim gets for being a Democrat. He says he is sentenced for four years. Theodore Frelinghuysen Millsbaugh, the shortest member of '82, but with the longest name, as a side issue is a breeder of buff and white Wyandottes at 1500 Scotten Ave., Detroit.

"Please add one more to the list for our gathering in June. If I should live to be a hundred I don't expect to miss any. In looking over my first catalog, I find a list of names of those attending at that time, only 61 in number. Many of these were not present at the dedication. Of those that were present that are still living I can only locate four besides myself. The dedication took place May 13, 1857."—GEORGE G. TORREY, ex-'61, 68 Hague Ave., Detroit.

TWELFTH ANNUAL MAY FESTIVAL.

A large attendance enjoyed M. A. C.'s Twelfth Annual May Festival which was held last Friday afternoon and evening. The artist's concert was given in the afternoon by Miss Leonora Allen, soprano; Miss Minert, contralto; Mr. Selva, tenor, and Mr. Harrison, baritone, with Mrs. Minnie Davis Sherrill, whose accompanying always adds so much to the pleasure of a performance at the piano. Miss Minert was perhaps best in the tragic "Women of Inver," by Loughborough, while Miss Allen, though versatile, pleased her audience most in her brighter selections, Botschaft by Brahms, and Gallie by Mobergs, and her dramatic instinct was apparent in her duets with Mr. Harrison. Mr. Selva was best received in his native Italian songs. Mr. Harrison was the general favorite and his singing has been the subject of much favorable comment.

In the evening the Festival chorus of two hundred voices under the able direction of Mr. Fred Killeen very creditably presented "The Golden Legend" by Sir Arthur Sullivan. The work of the chorus improves from year to year and much credit is due Mr. Killeen for the work he does, both in training the chorus and arousing interest in music at M. A. C. The soloists for the evening were Mr. Harrison, Mr. Walker, Miss Allen and Miss Minert. Miss Mabel Leffler and Mr. Bruce Hartsuch were the accompanists.

YOU "HAS BEENS" OF THE CLASS OF '95.

"Get your satchels packed and be on hand June 21st and 22d for all day and night sessions. I intend to land on the campus Monday, June 21st."—H. R. PARISH, Sec'y of Class of '95.

The class of '95 will celebrate this Commencement, since it has been 20 years since their graduation. According to M. G. Kains, everyone ought to be on hand except Yebina, of Japan, who has been lost track of, but "who knows but what he is planning on the Panama Exposition, and will surprise the boys of '95 by being on hand for reunion."

NORTHEAST MICHIGAN ASSOCIATION.

The Northeast Michigan Association will hold a banquet at the Canoe Club, Saginaw, on the evening of June 11th. All friends of the College, in addition to the alumni and former students in and around Saginaw and Bay City are cordially invited to be on hand. A good time is assured. Dean Shaw will be present for the College.

H. H. Musselman, '08e, and C. S. Langdon, '11a, have been selected as alumni members of the Athletic Board of Control.

OUR SLOGAN:

"One Hundred New Subscribers This Term."

Will You Help?

PACIFIC COAST REUNION, SAN FRANCISCO,
AUGUST 12TH.

NOT FOR THE 900 BUT FOR THE 260.

Into which of the above classes do you fit? The latter number represents those whose renewals are due before the close of this term, many of whom are due from the beginning of this college year. We know that it must get just as tiresome for some of you to have us keep everlastingly harping on this question of renewals as it does for us to do so. We also appreciate that the Record subscription is such a small matter to most, that it is easily neglected, but we wish to call attention to the fact that with a large number of subscribers who do let this matter slide, the total is very impressive to us at this end of the line. Further, to call your attention to this matter by letter, costs us about three cents for every notice. Several of these notices eat into a dollar that isn't a bit too large at best. We must have a renewal of every one of the above number in order to meet our obligations. Will you, to whom this is directed, sign the proper check at once so that the matter will not have to be called to your attention by special notice?

* * *

Director George M. Carman, of the Lewis Institute, Chicago, has received a request from the authorities in San Francisco to release the professor of acoustics to serve as a member of the jury of awards at the Exposition. The person asked for is P. B. Woodworth, '86, who occupies the position of Dean and is in charge of the research laboratories. He is an electrical engineer, who, after graduation, specialized by taking courses in acoustics under Kundt and Helmholtz at the University of Berlin. He is well known as one of the leading experts in the United States and as the inventor of the electrical method of measuring of sound through walls. Mr. Woodworth is known to scientific and technical men, being at the present time a director of the Electrical Club, vice president of the Western Society of Engineers, and a committeeman of the American Institute of Electrical Engineers.

ALUMNI NOTES

A. W. Troupe, '81, is a practicing physician and surgeon at Pine Bluff, Ark.

Ethel Chapin, with the class of '09, who is teaching in St. Johns, was here for the Michigan game Saturday.

T. O. Williams, ex-'85, is the Kent county surveyor, Grand Rapids, Mich. His son, W. B., is a freshman engineer at M. A. C.

Rebecca Faringer, with the class of '13, now Mrs. Edmund Prouty, is living in Lansing. She attended the festivities at the College last week-end.

E. C. Lindemann, '11a, is spending this week in Washington, D. C., in attendance at a conference of the boys' and girls' club leaders of the various states.

L. C. Carey, '13a, is in the growers' service department of the Heinz Pickle Co., with headquarters at West Branch. "Laf" was here for the slaughter Saturday.

C. C. Georgeson, '78, special government agent in charge of Alaska investigations at Sitka, Alaska, has an article in the June *Journal of Heredity* on "Fruit Breeding in Alaska."

"Pinky" Pailthorp, '13a, of the Delaware Experiment Station, writes that while it will be impossible for him to be on hand for the reunion this June, he expects to be here about July 1st.

J. W. Chapin, '10a, county agriculturist in Branch county, spent last week at the College with C. P. Reed, '01, figuring on farm management studies which they have been making in Branch county.

Edith Lemon, with '15, who has been in attendance at Columbia University the past year, is spending a week at M. A. C. while enroute to her home in Washington. She has another year at Columbia.

We have announcement of the arrival of Edward C. Krehl, Jr., on May 21st, weight ten pounds. Krehl, '08a, star basketball tosser during college days, is now working for the Detroit Health Department.

A daughter, Rachel Ellen, weight six pounds, was born to Mr. and Mrs. M. T. Munn, of Geneva, N. Y., on May 26th. Munn graduated with the class of '12a, and Mrs. Munn will be remembered as Eunice Rosser, with '14.

A son, Robert Lyman, was born to Lieut. and Mrs. Roy R. Lyon at Fort Monroe, Va., on May 5th. Lyon, '09e, is a lieutenant in the U. S. Artillery Corps and is in the artillery school at Fort Monroe this year.

Langley, '82, writes that T. S. Major, '92, on his way from San Francisco to New York, was the first man to register at the Northwestern M. A. C. headquarters, 524 Nocollet Ave., Minneapolis, Minn., on May 24th.

Truman Yuncker, '14a, who receives the degree of M. S. in botany from the University of Nebraska this June, has recently been honored by election to the Sigma Psi, which is the honorary fraternity for science men.

Dorothy Brown, who started in at M. A. C. with the class of '11, and finished at Ann Arbor in 1911, getting her M. S. there last year, has recently accepted a position in Vassar College, where she will teach economics. She has been studying at Bryn Mawr the past year, and has been offered a fellowship there which would lead to a doctor's degree in two years, but she chose the Vassar position instead.

NEWS AND COMMENT

Harry L. Brown, '07a, chemist with the American Agricultural Chemical Co., and Roy W. Brown, ex-'12a, attorney at law, took in the events at the College last week-end. Both are living in Detroit at 215 24th St.

R. F. Kroodsmas, '13f, spent last week-end at the College. He has been teaching at Charlotte the past year and expects next year to take a post graduate course in forestry at Yale. Floyd Gibbs, '11a, will follow Kroodsmas at Charlotte.

C. P. Reed, '01a, in his farm management studies in Saginaw county, found that the average of the labor income of the 76 farms studied was \$497. On the ten best farms the labor income was \$1,410, while one-third did not make hired men's wages.

A. C. MacKinnon, ex-'95, of the MacKinnon Boiler Works, Bay City, says that he will start for M. A. C. for the reunion and commencement on the Sunday before this year so as to be sure and be here on time and feel that he doesn't have to hurry away.

The firm of Cox, Norton & Saver, Coldwater, Mich., holds some interest for M. A. C. people. C. C. Cox, '14e, is county surveyor of Branch county, while Tom Shaver, also '14e, is county surveyor of Hillsdale county. It rather looks as if the M. A. C. boys had a monopoly on the surveying work in that vicinity.

Prof. L. R. Taft was given a banquet at Bangor, May 14th, by a number of fruit men in that vicinity. C. B. Charles, '79, a prominent farmer in that vicinity, acted as toastmaster, and among those called on were: L. A. Bregger, '88, the champion alfalfa grower of that vicinity, and H. G. Clothier, '13, instructor in agriculture.

A. H. Voight, '81. G. C. Davis, '89, Charles E. Sumner, '79, J. T. Wight, '93, and D. D. McArthur, '94, met at a luncheon in San Diego, May 22d, and discussed matters of interest to M. A. C. It may be of interest to RECORD readers to know that Charles E. Sumner has recently been elected president of the Home Telephone Co., of San Diego.

William L. Davidson, '13a, is science teacher in Escanaba high school. He writes: "Please send the RECORD from now on. I realize I have been missing the news of the graduates. J. Wade Weston, '14, who is located here on Upper Peninsula extension work, and I talk a great deal about M. A. C., and have considered the proposition of forming an Upper Peninsula Association."

The Columbian Society entertained George Gilbert, '14, Hagerman, '13, and Pierson, '14, at their house over the week-end. Gilbert expects to do some graduate work at M. A. C. next year. Pierson is in the experiment department of the Dodge Motor Car Co., Detroit. Hagerman is teaching agriculture in St. Johns. The Columbians will hold an "open house" this week-end.

A. W. Dorgan, ex-'14, should now be listed as landscape architect and wholesale nurseryman, suite 628 Nicholas Building, Toledo. Dorgan spent last week-end at M. A. C., being one of the guests at the Athenaeum house party. He says that most of his time is taken in supervising building operations and sale of houses, together with furnishing complete landscape plans for the same.

Edwy B. Reid, who received his degree at M. A. C. in 1912, and who has been employed since graduation as one of the editors of the *American Agriculturist and Orange Judd Farmer*, has recently accepted a position in the office of Secretary of Agriculture at Washington. This new work, which is of an editorial nature, was secured as the result of a civil service examination in which Reid stood at the head of the list of competitors.

Dr. Edwin W. Bishop, of the Park Congregational Church, Grand Rapids, will deliver the baccalaureate address this year. This will be given June 20th.

The invitations are out for the wedding of John Farrel Macklin to Phoebe Mildred Weaver, of Williamsport, Pa., on June 12th, at First Presbyterian Church, Williamsport.

I. J. Matthews, a graduate with the class of '15, has secured a position as instructor of agriculture in the Rockford high school, Rockford, Ill. R. E. Brightup, '11e, teaches manual training at Rockford.

The Armory was decorated with the flags of 42 countries for the annual spring term Military last Saturday night. The Lyric orchestra furnished the music and about 130 couples enjoyed the party. Sargeant and Mrs. Cross were the patrons.

The M. A. C. tennis team won from Detroit Law College last Friday in every event. Vergeson and Moskowitz for M. A. C., won the doubles by scores of 6-1, 6-1. Moskowitz won from Meisenheimer, 6-1, 6-0. Crozier for M. A. C., won from Beyer, 6-3, 6-3.

A junior agricultural student, S. D. Semenow, has prepared and had copyrighted a hand chart of farm crops, showing time of seeding, method of planting, preparing a seed bed, soil adaptability, time of harvest and other valuable information relative to all the farm crops grown.

The spring Bulletin, gotten out under the direction of B. A. Faunce, is up to the usual excellence of his work. It gives "Glimpses of the Michigan Agricultural College, A National and State Institution" in such a way that it cannot help but have some excellent effects upon the some 15,000 people to whom it will be mailed. It contains short, concise write-ups of each department, pictures of all the faculty members, and some very fine new campus scenes.

On Friday and Saturday of last week members of the State Live Stock Sanitary Commission, bacteriologists and veterinarians at M. A. C., together with several county agriculturists interested in the subject, held a conference on hog cholera. Several talks were given in the bacteriology laboratory and demonstrations at the serum plant. M. A. C. men in attendance were Robinson, '07, of Saginaw county; Skinner, '01, of Kent; Brody, '04, of St. Clair; Chapin, '10, of Branch; C. B. Cook, '88, of Allegan.

As a result of the preliminary survey which is being conducted by O. E. Robey, '13e, extension household engineer, in Saginaw county, some interesting data has already been compiled. The farm mechanics department, under which Mr. Robey is working, and the bacteriology department are co-operating in this work and Robey has sent samples of drinking water which have been analyzed. The results show that the samples from 99 per cent. of the wells examined are contaminated either with sewage or surface water. It is usually considered that water, to be good for drinking purposes, should show 500 or less bacterial count per cubic centimeter. Only one of the wells examined was within this limit, and most of them were upwards of 100,000. The wells in this county, generally speaking, are shallow on account of the deep well water being so salty. This may account for the contamination, although in one well 150 feet deep the tests showed very strong sewage contamination. This survey is being continued and after all the requests have been attended to in Saginaw county it is quite probable that one of the southern counties will be taken up. A comparison of different localities will be interesting.

A GAME EACH, BUT M. A. C. WINS SERIES FROM MICHIGAN.

In spite of the stinging defeat administered by Coach Lundgren's men on Friday, 8-1, the Aggie fans were very well satisfied with the results of the week-end contests, the game Saturday resulting in a 4-2 victory for M. A. C. With the previous game won at Ann Arbor this gives M. A. C. two out of the three contests staged with the University this spring.

Sisler, the star southpaw, was in the box for U. of M. on Friday, and to say that he held the Aggies to two hits is stating mildly what his credit for the victory should be. In fact, it may be said that with Sisler in the box and someone to return the ball to him the University team would have gotten along about as well as they did, even when it came to batting, for out of five times up he registered four hits, two of which were three-baggers.

The local's lone run came in the third inning, when Sisler gave two passes, one man got on on an error, and then with bases full he walked a man home. Outside of this inning he was irresistible, Frimodig being the only man who found him for a clean hit. Blake Miller pitched the first eight innings for M. A. C., and Brown finished the game, his most notable feat being that of striking out Sisler.

The game Saturday was witnessed by 1,500 students, and a large number of alumni and out of town fans, who were eager to see the Aggies turn the trick with Ferguson in the box for the visitors. For the first four innings, in which the score man manufactured a string of zeroes, the game looked as if it would be a draw. Then the Aggies began to touch Ferguson up a bit, and in the fifth, ran in one score. Coach Lundgren could see the way the tide was turning and did the only thing he could think of to save the game—put in Sisler to continue the Friday jinx. It is true that some Aggie fans were troubled by this move and their fears seemed grounded when Sisler fanned the first two men. Then Brown came up and got a single, followed by Bibbins, who put one in the same place. Weeder, next up, was looked upon to follow suit, but he drew a walk which filled the bases. By this time Sisler was getting nervous and he walked Fick, forcing in Brown. Still three men on and tense excitement, Thomas knocked an easy one to Waltz, Michigan's third baseman, who fumbled, and then, instead of stepping on the bag at third, threw a wild one to the first baseman, and this let in two more scores. Incidentally this was the end of the scoring, but the game was sewed up for good, and the bleachers were "dec-lighted" that Sisler had been entered.

Weeder, who pitched for M. A. C., was hardly touched for the first five innings and then he weakened and was replaced by Springer in the eighth.

odig, Maltby, Ferguson, Labadie. Double play—Clark to Williams. Hits: Off Weeder, 7; off Springer, 0; off Ferguson, 6; off Sisler, 2.

The Aggie track team journey to Ann Arbor last Saturday and engaged the Michigan All-Fresh team, making it straight wins for M. A. C. for the day by taking the meet by the score of 70 1-3 to 59 2-3. The M. A. C. men that took the trip are Beatty, Alderman, Peppard, Brusselbach, Krebs, Sheldon, Furlong, Murray, Hamill, Blue, Loveland, Blacklock, Lukins, Sargent, Barnett and Frazier. Captain Beatty took first in both hurdles, and took third in the broad jump. Peppard took second in the 100-yard dash and second in 220. Alderman took third in both dashes. Brusselbach won the 440, and Sheldon the 880, besides taking second in the mile. Furlong and Murray took first and third in the mile, making a clean sweep for M. A. C. Hamill placed third in the low hurdles. Blue won the shot put and discus. Blacklock took second in the hammer throw and third in the discus. Lukins won one point with the hammer. Michigan took all places in the high jump. Loveland won the polevault, while Sargent tied with Goodspeed and Scott for the All-Fresh for third. Five points were annexed in the two mile by Barnett. Frazier practically won the relay for M. A. C.

This week-end, on Saturday, will see the annual State Interscholastic pulled off at M. A. C. High schools to the number of 22 have already entered, this including all the large high schools in the State, and it is expected that the number will be swelled to 30. A large number of new prizes have been put up, in addition to the cups that are up every year. The visiting high school men will be entertained royally at M. A. C. and be given an excellent chance to see the College from all angles. On Friday evening the program of the engineering show will be attractive, and the annual class cane rush will take place. Saturday morning there will occur the famous canoe tilting contest on the Red Cedar, the various classes participating. The meet is scheduled to begin at 12 o'clock.

The committee on gymnasium, authorized by the State Board at their last meeting, consisting of Coach Macklin, Architect Bowd, Board Members Doherty and Wallace, will visit this week some near-by gymnasiums in the hope to gather a large number of ideas that will be useful in planning the new gym. for M. A. C.

Spring football practice has closed after a very successful try-out in all forms of gridiron maneuvers. The work has been very largely in charge of "Carp" Julian and some of the other veterans of last season's squad, and it is their opinion that the men are fit.

The last baseball game of the season will take place this week Thursday when M. A. C. meets Notre Dame on the home field.

Born, to Mr. and Mrs. Gordon Cavanaugh, 606 East Thirty-sixth St., Chicago, May 27th, a seven and three-fourths pound son. Cavanaugh graduated from the civil engineering course in 1910.

ALUMNI NOTES.

Burt Wermuth, '02a, assistant editor of the *Michigan Farmer*, is delivering a series of lectures this spring before a class in "back yard farming," at the Detroit Y. M. C. A.

Alice Madeline Gunn, '01, was mar-ried on May 19th to Isaac Newton Van Tassel. They will be at home after July 1st at Jamestown, N. Dak. Miss Gunn has been director of home eco-nomics in the State Normal and Indus-trial School, Ellendale, N. Dak.

Helen R. Hull, a special student at M. A. C. from 1905 to 1907, has been teaching for the past few years in Wellesley. Recently she has received an appointment as an English teacher in Barnard College, Columbia Uni-versity, her duties to begin this fall. As proof of her literary ability, *Harper's* for March contains an excellent short story of hers, "The Soul Maker."

George E. Lawson, ex-'83, has just been elected president of the People's State Bank of Detroit, to fill a vacancy created by the death of George H. Rus-sell. Mr. Lawson started in as cash-ier of the bank. For the past several years he has been vice president. In speaking of this promotion, the *De-troit Free Press* says: "Mr. Lawson is recognized as being a banker of great ability and broad experience."

ALUMNI REGISTERS.

Headquarters of General Associa-tion—Forestry Building, Michigan Ag-ricultural College. All former stu-dents visiting College should register.

Minneapolis, Minn.—Register kept in the Tailoring Parlors of Charles F. Herrmann, '97, 524 Nicollet Ave. Rec-ords will be found here of all M. A. C. men in the surrounding country.

San Francisco, Cal.—All alumni and former students visiting San Fran-cisco are requested to register at 424 Holbrook Building, with George H. Freear, ex'10.

ALUMNI LUNCHEONS.

Every Saturday noon the M. A. C. Association of Chicago has luncheon at the New Morrison Hotel, Clark and Madison Sts. Any M. A. C. men who happen to be in Chicago at this time will find some friends here and a hearty welcome.

Luncheon meetings of the Northern California Association are held the last Saturday in every month at the Hotel Sutter, San Francisco, Cal.
