THE M. A. C. RECORD

VOL. XXIV.

EAST LANSING, MICHIGAN, MAY 9, 1919.

NO. 29

A UNION VICTORY MASS MEETING at which the entire college will have an opportunity of doing honor to returned soldiers of M. A. C. is being arranged by the M. A. C. Union as a feature of the Commencement week program. The mass meeting will be held in the gymnasium in the afternoon of commencement day June 11. Because it is an "all college" meeting for students, alumni, faculty and friends the arrangements are being handled by the Union but a number of organizations will undoubtedly be called upon to assist in certain features of the meeting. It will be the first big "all M. A. C." mass meeting since the war and the only opportunity that the college community as a whole and the alumni body will have to show their gratitude and appreciation of the deeds of M. A. C. heroes.

THE CITY OF LANSING has appropriated \$8,000.00 from the city contingent fund for defraying the expenses incident to staging the big home-coming celebration for the 119th Field Artillery. The regiment is now in New York but expects to leave Camp Mills so as to arrive in Lansing Monday afternoon. Large committees have been appointed by the city fathers and elaborate preparations are being made for a welcoming entertainment for "Lansing's own," that will long be remembered.

THERE WILL BE NO CLASSES in college Friday, May 9th, on account of the annual military inspection. Lieut. Col. Hester of the General Staff at Washington will be the inspecting officer. Complete inspection of the entire R. O. T. C. unit that will include theoretical work as well as work in the field, will occupy the two days, Friday and Saturday. A sham battle, a parade and review, advance and rear guard and extended order formations will feature the field work.

THE RUINS AND DEBRIS of the fallen Williams Hall are being cleared away, to the very considerable improvement of the old dormitory site. It is surprising to a great many as they look across the center of the campus, now entirely cleared, to see the relative location of the other buildings about the grounds with respect to others opposite them which were formerly hidden by Old Williams. With the center of the campus cleared, many new vistas have developed from the old.

THE FORESTRY DEPARTMENT is being beseeched for trained Foresters and have a number of unfilled positions for men with Forestry training. Of the positions open several are with

the Internal Revenue Service on timberland valuation; one in Wisconsin State work, and a number with private lumber and timber companies.

AT A FACULTY MEETING Monday night a number of rather decided changes were made with reference to the rules for women students. The new order will permit girls to remain down town or off the campus until 8 o'clock in the evening and also changes the number of evening social affairs which each girl may attend during the term. Formerly, each woman student was allowed four parties a term. This number has been changed to six. The new and more liberal rules under which the women students are to live at M. A. C. was decided upon in an attempt to make the college social life more appealing to the girls and confine their pleasures as much as possible to the campus and its immediate environment.

SENIOR STUNTS began Wednesday of this week, when the 1919 class followed their "Swing-out" of Tuesday night, with a "farmer swing-out" in which the class appeared in farmer costumes. Men strolled about the campus in "jay" clothes including overalls, red bandanas and farmer hats, and the girls were tastily attired in unusually becoming gingham aprons and sunbonnets. After dinner the men gathered and marching with the band to the Senior House joined the girls and with them betook themselves for further social festivities.

PRESIDENT CHARLES MCKENNY, '81, president of the Ypsilanti Normal College, addressed the Christian Forum at the First Baptist church of Lansing last Sunday evening. Dr. McKenny was introduced by the Forum chairman as "one of our boys," because of his former associations as a student and graduate of M. A. C. Dr. McKenny's talk was on the League of Nations and the matters which are now engaging the attention of the Peace Conference representatives.

MISS ELIZABETH PARKER, head of home nursing and hygiene section of the home economics extension department of the college, was elected first vice-president of the Michigan State Nurses Association at their meeting at Battle Creek, on April 30th. Miss Parker is recognized as one of the foremost authorities on nursing in Michigan and her election as a directing officer of the State Association is an honor reflecting her standing among nurses and in Red Cross work in Michigan.

GOVERNOR SLEEPER has just issued his Mothers' Day proclamation setting aside Sunday, May 11th, as Mother's Day and asking, in accordance with a resolution of Congress that the people of Michigan display a flag in their homes as a fitting expression of their desire to pay homage to American motherhood.

THE FERRIS INSTITUTE CLUB of the college will entertain Ex-Governor Ferris, President of Ferris Institute, Big Rapids, at their second annual banquet which is being held Friday, May 9th, at Club D in Wells Hall. Ex-Gov. Ferris will be accompanied by several other members of the Ferris faculty. Besides the thirty or more Ferris Institute graduates now in college, Lansing, Jackson and Flint Ferris alumni expect to attend the banquet.

THE FORESTRY DEPARTMENT has been rejecting orders for trees during the past few weeks on account of the scarcity of labor in the nursery. About 150,000 trees have been shipped for forest planting this spring, but this week it was necessary to refuse orders for 30,000 trees because of inability to get help in shipping.

FRESHMAN R. O. T. C. men are receiving some very realistic bayonet practice against half a dozen dummies strung from a standard near the armory. The class is under the direction of Lieut. Schroyer, who was a bayonet instructor in one of the country's largest camps during the last year of the war and he puts "pep" and realization into the work. The shrieks and yells of the instructor urge the bayoneters on, to a point of showing mercy to the dummies comparative with that shown Huns on November 10 last.

THE RESERVE OFFICERS TRAINING UNIT summer camp is to last six weeks, beginning Saturday, June 21st. The 6th and 7th divisions including students from M. A. C. are to combine at Camp Custer under Col. Edgar A. Frey. Railroad fares at the rate of 3 1-2c a mile will be allowed those attending. Commandant Major Wrightson has recently been asked by the War Department for recommendations as to whether or not the overseas cap is preferable to the campaign hat for R. O. T. C. wear during the academic year. Several companies have taken a vote on the question and in every case, voted to retain the campaign hat feeling that they are not justified in wearing the overseas cap because of the tradition of overseas service which goes with it.

THE M. A. C. RECORD

Entered as second-class matter October 30, 1916, at the post office at East Lansing, Michigan, under the Act of March 3, 1879.

FRIDAY, MAY 9, 1918.

ARE YOU COMING?

The enthusiasm that is being stirred up among alumni seems to be spreading very rapidly and is having an effect that one can even feel in the air about the campus. Everyone at school as well as almost everyone of the M. A. C. family outside are looking forward to a grand getting together at Commencement—a getting together such as the college has rarely known before. It is the first opportunity for a general meeting of old college friends since we began to feel the pinches of war. Now with restrictions of every sort thrown off and our returned soldiers back in numbers, to be greeted and welcomed there is a mighty incentive to "reune in June."

The Union Victory Mass Meeting has been placed in the commencement week program to give the M. A. C. family an opportunity to do honor to those of our men who went forth to fight for liberty. Here, we, alumni, students, faculty, and friends—all M. A. C.—may show our appreciation of what they have done, and honor their spirit that prompted them to go forth. Probably but one man will do the talking but the rest of us will be there and show our homage with our presence.

The Victory Mass Meeting is only one of the reasons why alumni should attend the June 10 and 11 reunions. The others are evident. The "old school" will be looking for you.

LIEUT. LANKEY '16 KILLED IN BURNING PLANE.

Great sorrow was brought to the campus last Friday by the news of the death of Lieut. Francis Irving Lankey, '16, who was killed at St. Petersburg, Florida, May 1st, in an

airplane accident. News dispatches say that he was burned to death when his machine burst into flames while he was making a flight and fell to the ground.

Lieut. Lankey was flying from Carlstrom Field, Arcadia, Florida, at the time of his death. He took his ground school work at Ohio State University at Columbus and trained for flying at Call Field, Wichita Falls, Texas. He had been at Carlstrom Field, Arcadia, Florida, since early September.

While in college Lankey was one of the most popular men on the campus. He was yell master and leader of the college orchestra and was a

pianist of considerable ability. He was probably as well known during his four years at M. A. C. as any student ever attending the college. He entered M. A. C. from Bay City and followed the civil engineering course. He was a member of the Engineering society, the Inter-Society Union, Saber Knot and a captain in the cadet regiment. Following graduation, he worked for the Duluth Massabe and Northern Railway Company at Duluth. Later he was in the civil engineering department of the Michigan Central R. R. and previous to the outbreak of the war was engineer for the State Accident Fund of Lansing. He entered the army in September, 1917, as a private of Co. L, 338th Inf. He was soon transferred to the 310th Engineers and then because of his training and ability was selected for the aviation branch.

The funeral at his home in Bay City was attended by a number from the college.

A letter written April 21st to the Alumni Office told the details of his service and the fact that he hoped "to be on hand for the big Peace Commencement" and "looked forward to it eagerly." In an earlier letter dated January 14th he wrote, "I have been stationed here since September in this school. It is the final Pursuit Training School in this country in which Pursuit Pilots get aerial gunnery. The work is very interesting and although instructing in this game may seem monotonous, it really isn't and one can always learn something new. So far have been pretty lucky with only a few smashes, but I am tapping on wood at the same time." Along with the letter was a very remarkable photograph of a 14 plane formation over the sea.

COLLEGE PLANTS GROVE FOR FALLEN HEROES.

In memory of the thirty-three M. A. C. men, graduates and students who gave their lives in the European conflict, the college is planting a grove of trees on the campus, to commemorate their sacrifice.

The grove is to be planted about halfway between the western college entrance, and the Senior house which was formerly the president's residence and will be on the brow of the ridge between the river and Michigan Ave. The grove is to be formally dedicated on May 29th, following the R. O. T. C. competition drill and the ceremonies will include the firing of a salute by the companies.

The planting work is being supervised by the Forestry department. Prof. Chittenden being chairman of the faculty committee to arrange for the memorial and its dedication. In front of the grove and facing the road will be set a field stone which will hold a bronze tablet containing a brief inscription and a list of the names of M. A. C. men who have given their lives. Arrangements are being completed for brief but fitting exercises at the dedication of the memorial, at which the entire college community will be present.

PROF. EUSTACE TO LEAVE HORT. DEPARTMENT.

Prof. Harry J. Eustace, '01, head of the Horticultural Department and vice-director of the Experiment Station, has resigned his position at the college to enter commercial work. His resignation is to take effect at the close of this college year.

Prof. Eustace leaves M. A. C. to go with the Curtis Publishing Company and will be connected with their Pacific Coast office at San Francisco. His work will be in connection with the company's advertising and business interests among Pacific Coast producers and manufacturers. Un-

doubtedly, much of his field will be that of the large fruit growers and co-operative marketing organizations of California.

Prof. Eustace has been with the Horticultural Department since 1908 and this work has been constructive and of a nature that has always kept his department up and abreast with the latest in horticultural practice and education. No greater testimony of his success as head of the department can be cited than the excellent standing of horticultural graduates of the past few years and the success with which they are meeting in business and commercial fields.

Following graduation in 1901, Prof. Eustace was assistant botanist at the Agricultural Experiment Station at Geneva, N. Y. From there he went with the Department of Agriculture and for two years was connected with fruit storage and transportation investigations. From August, 1917, until October, 1918, his services were contributed to the Federal Food Administration at the request of Herbert Hoover. During that time, his work was in Washington with the Perishable Food Division.

Prof. Eustace's work at the M. A. C. and his wide acquaintance with the horticulture interests of Michigan and the United States for that matter makes his loss to M. A. C. one that will be felt decidedly.

Prof. and Mrs. Eustace expect to leave for California immediately upon the close of the college year.

PROF. H. B. DIRKS, PRINCETON, HEADS M. E. DEPARTMENT.

Prof. H. B. Dirks of Princeton University has just been secured by Dean Bissel to fill the position of Professor of Mechanical Engineering, left vacant by Prof. Tolson at the close of last term.

Prof. Dirks is a graduate of the University of Illinois and after graduation, taught there for a number of years. He had five years of practical experience in manufacturing work in Chicago before going to Princeton. He has been at that institution for the past three years as assistant professor of mechanical engineering.

FLINT ALUMNI MEETS MAY 16.

M. A. C. people in Flint have arranged a supper-meeting to be held Friday evening, May 16, at the Y. M. C. A. at six o'clock. Prof. French of the college will be the principal speaker. H. R. Estes, '17, desires that M. A. C. men and women around Flint get in touch with him at once at the Y. M. C. A., Flint.

COLLEGE TO HONOR 119TH F. A.

College classes are to be dispensed with on Tuesday, May 13th, the day of the Lansing celebration for her returning heroes of the 119th Field Ar-

tillery. The Lansing committee who are arranging for the celebration for the returning batterymen have asked the college to participate in the welcoming reception and it is scarcely necessary to say that the school will turn out en masse for the affair.

M. A. C. has particular reason for celebrating the return of the 119th Field Artillery because of the large number of M. A. C. men in the organization. Of the 59 officers of the regiment, ten are M. A. C. men and there is a large sprinkling of former students among the enlisted ranks.

Four former M. A. C. men and members of the 119th will not return with their regiment. They are the men who made the supreme sacrifice in the cause of liberty. Louis K. Hice, '18, who fell June 16, 1918, was the first man of the regiment to be killed in action. Others who gave their lives were Corp. Frank Esselstyn, '18, of the Headquarters Company, Corp. Cosmer Leauveaux, '17, Battery A, and Corp. Geo. C. Monroe, '18, Battery F.

Of the 59 officers on duty with the 119th, ten are M. A. C. men, one lieutenant-colonel, three captains and six lieutenants. The following is the list of those now with the regiment:

Lieut. Colonel Amos Ashley, '08; Capt. Frank G. Chaddock, '15, commanding Second battalion; Capt. Harold H. Borgman, '13, commanding Battery F; Capt. Corwin P. Schneider, '14, commanding Headquarters Co.; Lieut. Herman B. Hale, '19, commanding Battery E; Lieut. William G. Stillwell, '19, Headquarters Co.; Lieut. Charles H. Jarvis, '19, Headquarters Co.; Lieut. Kenneth Hutton, '15, Battery B; Lieut. Howard C. Oldenburg,

'09, '99, '89, '79, '69, '04, '94, (and '93 too) '84, and '74, '65, '66, '67, '83, '84, '85, '86, '02, '03, '04, '05.

WHAT A YEAR FOR REUNIONS

M. A. C. men are getting back from 'across' and into civilians again. What an opportunity for an after the war meeting with all your old friends at the old school.

JUNE 10 AND 11 ARE ALUMNI DAYS

Classes are planning their reunions and dinners for the night of June 11th. The Cap Night Parade will be that evening just at dusk. When the band starts playing and your class forms behind its banner

YOU'LL WANT TO BE THERE

'19, Battery D; Lieut. Edwin C. Hamann, '17, Battery C; Sergt. Emery Crocker, '17, Battery A; Private Ross Barger, '18, Battery A; Bugler Charles Engle, '18, Battery A; Corp. Marvin C. Lindeman, Battery B; Corp. Ralph D. Hale, Battery C, and Battalion Sergt.-Maj. Floyd G. Dana, '19; Sergt. Vernon D. Redford, '17; Band Sergt. Glenn D. Evans, '13; Corp. Emmett Denning, '19; Corp. Carl L. Warren, '18; Corp. Frank A. Johnson, '18; Private First-Class Robert F. Blatchford, '20; Private First-Class William E. Jarm, '19; Corp. Edward E. Williams, '19, all of Headquarters Co.

GRAND RAPIDS MEETING.

Enthusiasm, enjoyment and enlivened college spirit ran high at the annual supper party of Grand Rapids Alumni held at Park Congregational Parish House last Friday, May 24. The dinner and the program which followed have rarely if ever been surpassed at any gathering of M. A. C. alumni. Eighty attended.

Following the dinner, President H. J. Duthie, '11, presided over a short business meeting after which the meeting was turned over to C. Fred Schneider, '85. During his remarks the toastmaster drew very illustrative comparisons of the size and work of M. A. C. during its early years of existence and at the present time and showed the wonderful development that had been made at the college in the past few years outlining the part that alumni had played in carrying on the work and furthering the interests of the college. Secretary McKibbin spoke briefly on the M. A. C. Union and the proposed Memorial Building, and Lieutenants Russel Crozier, '17, and E. C. Wandell, '11, told of their experiences in France, particularly those at the battle of Chateau Thierry. Professor Gunson gave an enlivening talk which brought to the surface the old time college spirit and enthused every one with the desire to get back on the campus at commencement. Mr. Graham, president of the State Board of Agriculture, also gave a brief talk and told of the wonderful growth of the college during the 18 years that he has served as a member of the Board.

The following were present and enjoyed the meeting:

Hon. R. D. Graham, president of the Board of Agriculture, and Mrs. Graham; Prof. Thos. Gunson, of East Lansing; C. E. Hodgman, with '69; Frank L. Carpenter, '73; Lyman A. Lilly, '77, and Mrs. Lilly, Allegan; Chas. Bloodgood, '77, and Mrs. Bloodgood; Mrs. Eva Coryell McBain, '79, and daughters, Helen and Jean; Joseph Ware, with '82, and Mrs. Ware; Alice Weed Coulter, '82; Joseph E. Coulter, '82; Geo. T. Appleyard, with '83; Colon C. Lillie, '84, and Mrs. Lillie, Coopersville; C. F. Schneider, '85, and Mrs. Schneider; T. O. Williams,

with '85, and Mrs. Williams; Fred S. Robinson, with '90, and Mrs. Robinson; John F. Nellist, with '96; J. P. Munson, 'special '99, and Mrs. Munson; Mrs. Teresa Bristol Ranney, '99, Greenville; Ellis W. Ranney, '00, Greenville; Samuel J. Kennedy, '01, Chicago; J. Hackley Skinner, '01, and Mrs. Skinner, Belmont; L. B. Littell, '01; Mrs. Lulu Pepple Baarman, with '02, and Mr. Baarman; Mrs. Clara Waterman Nellist, '02; Mrs. Dorothy Swift Thompson, with '03, and Dr. Thompson; Mrs. L. B. Littell, with '03; Gordon C. Dudley, '07, and Mrs. Dudley; Roswell G. Carr, '08, and Mrs. Carr; Mrs. P. V. Atkinson, with '09, and Mr. Atkinson; Mrs. Minnie Johnson Starr, '10, and Mr. Starr; Hugh E. Lynch, '10; H. J. Duthie, '11; C. W. McKibbin, '11, East Lansing; Mrs. Mary Pennington Otte, '11, and Mrs. Otte; E. P. Wandel, '11; Myssie Bennett Wandel, with '11; H. Gertrude Alden, with '11; Mrs. Ruth Mead McKibbin, '12; Arthur D. Wolf, '13; Mrs. Hazel Lamereaux Lynch, with '13; Luie H. Ball, '13; Clara G. Rogers, with '14; Mrs. Frances Kirk Patch, '14; Frederick H. Mueller, '14; Mrs. Mary Darrah Mueller, '15; Dan D. Henry, '15; F. Marguerite Erickson, '15; Gerald Bos, '16, and Jennie M. Bos, Byron Centre; Gifford Patch, Jr., '16, Greenville; Howard Thurtell, with '16; George H. Dettling, '17; G. A. Himebaugh, '17, and Mrs. Himebaugh, Lowell; Sabra Oliver, '18, and sister.

DETROIT CLUB DANCE.

The complimentary dancing party of the M. A. C. Club of Detroit will be given May 16th at the Detroit Yacht Club. Dinner from 6 to 8 is being arranged by reservation only which must be made before May 13.

The Detroit Club membership is continually increasing as is also interest in the organization and the social affair May 16th will undoubtedly rival the membership rally held on March 28 at which over 300 Detroit M. A. C. folks attended.

Newcomers in Detroit should get in touch with J. H. Kenyon, '13, secretary and treasurer of the Detroit Club at 80 Griswold St.

CHICAGO ASSOCIATION PLANNING A DINNER.

The Chicago M. A. C. Association is planning on giving a dinner at which M. A. C. spirit in and about the windy city will receive a rousing rejuvenation. Harry J. Ruppert, '00, president of the Chicago organization, is now making the arrangements for the meeting and it is possible that the Milwaukee M. A. C. people will join with the Chicago crowd for the meeting. Mr. Ruppert is at 6332 Maryland Ave., and newcomers in Chicago should get in touch with him as soon as possible, so as not to be left out on the gathering.

R. O. T. C. UNIT MAY INCLUDE SEVERAL BRANCHES.

Besides the regular infantry training branch of the Reserve Officers Training Corps unit at M. A. C., negotiations are just being made with the War Department for the establishment of training in the branches of Coast Artillery, Signal Corps and Cavalry. Within the past two weeks an acceptance of application has been made by the War Department for the specialized training in Coast Artillery work and the college has been notified also of its eligibility for the establishment of a cavalry unit here. The installation of training in these two branches of service and the signal corps, which is being applied for, will no doubt hinge somewhat upon the result of this week's inspection by Lieut.-Col. Hester.

These four different branches of the R. O. T. C. training course will mean considerable diversifying of instruction and from the standpoint of military department and students will be a very effective step toward the efficiency of the unit as a whole. It will mean for instance that engineering students will be able to elect Coast Artillery work for which their college course especially fits them and a choice of the branches of service will be offered those of other departments so that their academic and military training may be more or less correlated.

Arrangements for the training in the additional branches of service being asked for will necessitate a larger instructional staff in the military department and will no doubt bring to M. A. C. a number of officers who are specialists in their particular branches of service.

PORTLAND, ORE., OFFICERS OMITTED.

Through an unpardonable oversight—which nevertheless we hope will be pardoned—the officers of the Portland, Ore., M. A. C. Association were omitted from the list published on Page 8 of the RECORD of April 25th and now being regularly printed on Page 2. The officers of the Portland organization are J. V. Gongwer, '08, president; John Decker, '04, vice-president, and C. W. Bale, '00, secretary and treasurer. Mr. Bale's address is 39 Barnes Road, Portland, Oregon.

ECLECTICS PLANT MEMORIAL TREE.

Members of the Eclectic society of M. A. C. assisted by members of the faculty, planted an evergreen on the lawn at the Eclectic house Friday afternoon Arbor day to commemorate their brothers who lost their lives while in service.

The young men honored were Geo. Monroe, '18, Hugh Wiley, '18, and Samuel McNair, '20. The ceremony opened with a short talk by Richard

Kingery, president of the society, who told of the splendid character of the three students. Rev. N. A. McCune read a prayer and Lieut. Carl Miller, formerly with the 338th Inf., dedicated the tree. President Frank S. Kedzie spoke of how the spirit with which these honored dead gave their all is symbolic of the spirit of the entire college.

Faculty members assisting were: President Kedzie, Dean Shaw, Dean Lyman, Prof. Plant, Prof. Hedrick, Prof. Ryder, Prof. Stewart and Prof. Reed.

Lieut. Chynoweth '17 Cited.

Lieut. John B. Chynoweth, with '17, has been cited for meritorious service in France. The citation is made known in a copy of general order, No. 48, from the headquarters of the 77th Division, signed by Major-General Robert Alexander and dated December 20, 1918. It reads as follows:

"I desire to record in the General Orders of this division a tribute to the valorous conduct of the following officers and enlisted men who have distinguished themselves by their splendid courage, service and sacrifice:

"* * * 2nd Lieut. John B. Chynoweth, 306th Infantry, who was in charge of the Divisional Observation Group from its entrance in the line in the Baccarat sector on June 20th, through the work of the division on the Vesle, on the Aisne, in the Forest d'Argonne, up to the withdrawal of the division from the line on the Meuse November 18th. This officer by his untiring devotion to duty, supervising the work of the Divisional O. P.'s, furnished valuable information as to the enemy and our front lines. During the occupation of the Vesle and Aisne sectors, he daily passed through heavy shell fire and on numerous occasions visited, with great personal risk, different points in selecting possible observation points for the division. His conduct was such as to keep up the courage and spirit of the members of the observation group in their trying work."

Lieut. Chynoweth was commissioned as a 2d Lieut. from Fort Sheridan, November 27, 1917. He sailed for overseas duty on January 3, 1918, and after training behind the lines joined the 305th Infantry as regimental intelligence officer. He was made divisional observation officer in May, 1918, and continued in this capacity until after the armistice when he was assigned to Co. G, 306th Infantry. He was in the Baccarat sector, the Vesle during the August fighting and the Aisne in September and in the Argonne from September till the signing of the armistice.

'15.

W. S. Reiterman is now at Cashmere, Washington.

AGGIES DEFEAT NOTRE DAME, 2-1.

The Michigan Aggies led off with a victory on their three-game jump into Hoosier territory by defeating Notre Dame last Wednesday by a score of 2 to 1.

Twirling a fine game, Hartwig was backed by brilliant support. The Aggies bunched four hits in the third for two winning runs. Snyder, Carr, "Home Run" John Hammes and Johnson hitting in succession. The third man was caught at home.

Score by innings:

Notre Dame100000000—1 9 3
M. A. C.002000000—2 8 2

The Aggies lost the return game with the University of Indiana Friday by a score of 1 to 0. Hartwig pitched throughout the game for the East Lansing boys, allowing but one hit. He was backed by fine fielding. The Aggies could not bunch their six hits and spectacular fielding by Indiana cut off runs.

The University Daily said the game was the cleanest and cleverest exhibition of baseball ever played on the University field. Coach Brewer was especially pleased over the performance of Hartwig, new and green to the Aggie box this year.

Rain prevented the DePauw game Thursday.

Western State Normal will meet the Aggies next Saturday afternoon. That game is always counted as one of the big games of the season, and an occasion for some real baseball. It has been practically a draw between the two teams for several years in the matter of punishment given and taken.

The high water flooding the field for a third time this season prevented the Albion and St. Marys games scheduled for Monday and Wednesday of this week.

COLLEGE CIRCUS WITH INTER-SCHOLASTIC MAY 31.

College students, state high school athletes and visitors get together at the close of the twelfth annual inter-scholastic track and field meet at M. A. C. May 31 for the annual college circus. The day is to be a gala day at M. A. C. and open house and the big fun feature in the evening in which every college organization will have a stunt is expected to enlarge delegations of supporters who will accompany between 35 and 40 Michigan high school track and field event squads.

The big increases in entries is believed assured through a re-classification of high schools. By creating a class C, for schools of 200 student enrollment or less, Coach Gauthier believes that interest among the smaller schools will be stimulated.

Providing trophies for three classes has been a real job. Gold medals will be awarded all first place winners.

Gold medals will be awarded relay winners. Silver medals go to second place winners and bronze medals to third and fourth place winners.

Events start at 1:30 p. m., Saturday, May 31, with the high jump and 120 yard hurdle trial heats.

ERO ALPHIA ALUMNAE.

The Ero Alpha alumnae and former students of Lansing and East Lansing held their Bohemian get-together at the home of Mrs. Lenna Whitlock Keith, '15, in Lansing on Tuesday evening, May 6. Florence Stoll, '16, was elected president.

CHICAGO NOTES.

Being extracts from a letter from—well—just a gink in Chicago:

"Marg and I just finished our perusal of this week's scandle in the Record when it occurred to us that we were mighty poor contributors—so here goes for a few personal glimpses in the home lives of some of our most exclusive members of the Chicago M. A. C. crowd.

"Yesterday Pat and Linda Henry, '15, had some of us over to call the roll. Peg Pratt, '14, was visiting in town and heads the list. Pat Henry is dying of gold dust poisoning contracted in the fruit brokerage business. He has a live young Pat, Jr., that makes an excellent sparring partner for our young hopeful. Bimmy Fisher and Mrs. (Jean Avery, '13), were among those, etc., etc. Bimmy, like myself, is a slave to the mighty packers, he being with Swift and I with Morris. He, however, has one of the most desirable jobs in these parts, being commercial research assistant to Prof. Weld, formerly of Yale.

"Mrs. Ruth Hurd Snyder, '16, and her husband have recently joined our clan, while Van Taggart, '16, and Grace Bryant have apparently been stricken by the bug and are sinking rapidly. Van is now a member of Pat's firm. Keith Estelle, '16, wife and Allen are faithful members and Don Allen shows up quite regularly. He expects to graduate from Northwestern Dental College this spring. We have been fortunate in seeing quite a few transients, such as Wayne Adams, '17, Rusty Crozier, '17, Bill, '18, and Howdy Coulter, '14, Walt Sprang, '16, Kike Hood, '17, etc.

A few weeks ago we noticed the announcement in the Record of the birth of a child to Mrs. Ellis (wife of Ben Ellis, '11), at 5486 University Ave. Now, as that is in the very building that we live in, you can bet that we got together in a hurry."

MASS FIELD EVENT MAY 10.

The greatest single program of mass athletics ever staged at M. A. C. will take place on Saturday, May 10, when 300 or more students will compete with a like number of Notre

Dame athletes on its own field and wire the results to the opposing team.

The meet will include seven events and each man will take part in all events. The scheme has been worked out so that the entire program will not require more than two hours. A new system of point scoring will be used. The idea is a new one in college athletics and is modeled after the army practice in mass athletics.

Alumni Notes

'86.

At a meeting of the Michigan Retail Dry Goods Association in Lansing last week, Jason E. Hammond was appointed manager of the Association. The central office of the Association will be located at 311 Capital National Bank Building, which will be Mr. Hammond's headquarters.

'00.

H. J. Westcott has recently severed his connection with the Manhattan Rubber Mfg. Co. of Passaic, N. J., to become business manager of the Raymond Riordon School for boys at Highland, N. J. He "celebrated moving to the country by getting a badly infected right hand" which is now improving. His school is now perfecting arrangements to take care of the New York Summer School for Physical Training which is to be held there during July and August.

'02.

Ward R. Shedd directs a change of address from 409 South First St., to 719 Ashland Ave., Rockford, Ill. Shedd is plant engineer with the Barber-Colman Co. of Rockford.

'06.

R. Rasmussen is "still in the same old stand as superintendent for the Bates and Rogers Construction Co.," at 875 Old Colony Bldg., Chicago. His residence address is 6236 Kimbark Ave., Chicago.

'08.

Roswell Carr who has been in County Agent work in the Upper Peninsula, has just been transferred to Grand Rapids as county agent of Kent county. His headquarters are in the Association of Commerce Bldg.

'09.

Word has been received in East Lansing that William D. Frazer, formerly a major in the Coast Artillery who recently returned from France, has just been promoted to Lieut.-Col. At present Lieut.-Col. Frazer is establishing training units of Coast Artillery in universities and colleges in a section of the west.

Alice L. Latson, with the American Red Cross in France, is now at Camp Hospital 107, A. P. O. 909, A. E. F., University Center, France.

'10.

A. H. Perrine, proprietor of the Arrow Head Farm at Rives Junction, has recently been elected supervisor for Rives township, Jackson county, and "was appointed health officer for

good measure." His brother, R. D. Perrine, with '19, was discharged from the army in December and is now living on one of his father-in-law's

farms, Jackson, R. F. D. No. 3. Furthermore he is the proud father of a son, Leonard Henry, born recently.

'11.

Dr. Arao Itano, assistant professor of microbiology at the Mass. Agricultural College, has just issued two scientific papers "A Method for the Counting of Certain Protozoa in the Soil," and "Influence of Temperature and Hydrogen Ion Concentration upon the Spore Cycle of *Bacillus Subtilis*."

'12.

Anna L. Scott, with, who has been professor of science for the past two years at Baylor College for Women at Belton, Texas, sailed from San Francisco for Siberia on May 1st in a relief party, sent out by the American Red Cross. She accompanies some 400 Red Cross nurses in the capacity of an educational and personnel aid. She left M. A. C. in her senior year and received her degree from the University of Chicago.

Arlie D. Badour, formerly of the Photo Detachment of the Aviation Section is now landscape gardener for the Sherman Nursery Co., at Charles City, Iowa.

L. Spencer Esselstyn was discharged from the Coast Artillery at San Francisco on Feb. 24th, and is now in the service department of the Goodyear Tire and Rubber Co. at San Francisco.

B. C. McCurdy, with, Battalion Sergeant-Major of the 312th Field Artillery, has been assigned to University College, University of London, and is taking the work there under the army arrangement for college men of the Expeditionary Forces. His address is Grafton Hotel, Tottenham Court Road, London West.

O. W. Schluessner has left the Bureau of Markets of the Department of Agriculture for a very attractive position with the American Fruit Growers Company, a fruit growing and marketing company. It is backed by Pittsburg interests and they are planning on engaging in fruit growing and marketing on an extensive scale. They have purchased properties in California, Washington, Pennsylvania, Maryland, Virginia and Florida. Schluessner will be in charge of their activities in Southern California.

'13.

Harry A. Schuyler is sales manager for the Leffingwell Orange and Lemon Rancho at Whittier, California, and is also the newly elected secretary of the Southern California M. A. C. Association. M. A. C. folks in his vicinity should communicate with him relative to meetings of the Southern California M. A. C. Association.

I. J. Woodin is sales manager for the T. H. Peppers Company of Los Angeles and reports a splendid business.

Capt. R. G. Chamberlain of the 63d Coast Artillery, known as "Seattle's Own" has returned from overseas and with a brother officer of the regiment

has just been assisting Seattle in putting across its Victory Loan quota. Mrs. Chamberlain (Iva Wilson, '11) is with her husband in Seattle. A recent clipping from the Post Intelligencer sent by Mrs. Rena Crane Loomis shows a picture of Capt. Chamberlain in connection with an article on the Liberty Loan drive and tells of his record as commander of Battery D of the 63d Regiment. It is reported that the Chamberlains expect to remain in the northwest some time.

'15.

L. A. Cobb, formerly in the army at Camp Humphreys, Va., was discharged late in November within three weeks of receiving his commission in the Engineers. He is now a partner in the firm of Billingham and Cobb, Architects and Engineers of Kalamazoo and writes of having plenty to do. He is located at 404 Press Bldg. there.

W. W. Lavers, assistant district engineer of the State Highway Department, is now located at Port Huron, Michigan, Box 198.

'16.

Anna Rutherford, formerly at Penney Sanitarium, Kenosha, Wis., has returned to Michigan and is now at Valley Grove Farm, R. F. D. No. 2, Clio.

Reeva Hinyan is assistant dietitian in the New York hospital at 8 West 16th St., New York City. The New York hospital is maintained by the Society of the New York hospital, incorporated 1771, which also maintains the House of Relief, the Bloomingdale Hospital for Mental Diseases and Convalescent Cottages at White Plains, New York.

Frank M. Granger, sergeant in the 3d Heavy Artillery, Mobile Ordnance Repair Shops, is still in France with his organization.

'17.

F. W. Stafford was discharged from service February 28th and is at present working in the ship yard at San Diego on Concrete Ships. His address is 2611 Logan St., Dahlia Apts., San Diego, Calif.

Austin E. Ford is in France with the Headquarters Detachment of the First Replacement Depot, care Mail Directory Service, American E. F. He has been working in the postoffice at A. P. O. 727 for the past six weeks but expects to be home before long.

Russel E. Hetrick, Corporal of Co. C. Central Record Office, is with General Pershing's Headquarters troops, H. G. 2, at Bourges, France. His address is A. P. O. 902, A. E. F.

Philip Hodgkins with the Headquarters Detachment, 20th Engineers, is now attending the University of Toulouse, France, A. P. O. 948. Hodgkins was on the Tuscania which was torpedoed in the Irish Channel on Feb. 5, 1918, and with the sinking of which Wm. R. Johnson, '12, lost his life.

A. C. BAUER, Pharmacist
Opposite M. A. C. East Lansing

Co., has just arrived in New York City, and is with his regiment at Camp Mills, N. J. It is expected that the 119th will parade in Lansing next week preparatory to their being demobilized at Camp Custer.

Axel A. Colson, Lieut. of Infantry, at Camp Lee, Va., has been discharged

from the army and is now at Grand Haven, Michigan.

'18.

Glen I. Blades is in the Department of Dairy Industry, Cornell University, Ithaca, N. Y.

Burton T. Dougherty, with, is now a Pharmacist's Mate, 2d class, in the navy, and his address is 338 Ward Ave., Norfolk, Va. Dougherty since his enlistment, has been a greater part of the time with the North Atlantic Fleet. He made one trip across and since then has had charge of a stores office at Norfolk, Va. He has also had three months' service with the Marines on this side.

John H. Harman has been released from service and is at his home at Geneva, N. Y. His brothers, Milton, '19, and Willard, have also been released and are with him at Geneva.

Walter O. Dow was transferred to the 472d Engineers, a special mapping regiment, about the 1st of September, 1918, and remained on detached service at Camp Humphreys and Washington, D. C., until he was discharged in December. He is now at Lansing where his address is 111 W. Kalamazoo St.

Calvin J. Overmeyer has been discharged from service at Camp Grant and is at 614 Court St., Freemont, Ohio.

Dwight C. Cavanaugh, 1st Sergeant of the Headquarters Detachment, of the 310th Engineers, American Army of Occupation, Germany, has just sent some very interesting snapshots of points of interest along the Rhine. Mrs. Cavanaugh (Vera Foster) is at her home in Haslett, Michigan.

Orva A. Kimball received his discharge from the army at Camp Kearney, California, December 24th. He was with the 47th Field Artillery. At present he is at Fillmore, California.

'19.

Carroll M. March, Headquarters Company of the 21st Engineers, is still in France with his organization. His regiment was attached to the first army throughout the war and was mentioned in U. S. orders twice and was cited twice by the French.

William G. Stillwell, First Lieutenant 119th Field Artillery, recently arrived in America and is waiting transfer to Camp Custer for demobilization. The 119th supported eleven combat divisions during their service at the front. Stillwell had fourteen months in foreign service.

Bruce McKim is with the 6th Balloon Company of the American Expeditionary Forces. At present he is stationed at Laburne, but expects to be sent home within the next five or six weeks.

Eben K. Myers who has been in the Army of Occupation at Coblenze, left the Rhine March 8th and is now waiting in Nantes, France, for an early return to the United States. He is on duty with a hospital and is surgical assistant with a field operating

team. Myers took part in five different offensive operations from May 23d until November 11th, 1918.

"THE SPARROW HOSPITAL TRAINING SCHOOL for nurses, Lansing, Michigan, has vacancies for a limited number of probationers. The applicant must have had one year of High School work or its equivalent. The course is three years, the student receives a monthly remuneration, and is eligible to the degree of R. N. upon graduation. Make application to the Superintendent of the Hospital, for further information."
