## LOCALS.

Albert Blanding of Lowell Mich. died yesterday morning at 5:30 o'clock after a little over a week of sickness. Mr. Blanding was 19 years old, a member of the freshman class and of the Olympic society. A short exercise was held in the Chapel, conducted by Pres. Clute. A beautiful floral offering was laid on the casket by his friends. After the exercises a large number of students formed in line and led the procession as far as the College gate. A committee from the Olympic society and from the students association accompanied the body to Lowell. The sympathies of the entire body of students and faculty go with the poor father who is today bearing away the body of a dear and exceptionally bright son. May the Kind Father be with the stricken family and especially with the sisters who today are mourning the loss of an only brother.
