Members of Executive Committee.

Elected at Large:

C. S. Langdon, '11, Hubbardston.  
A. C. Anderson, '06, Flint.  
Mrs. Helen Esselstyn Wood, '09, Lansing.

## MEMBERSHIP IN THE M. A. C. ASSOCIATION

which includes subscription to the Record, \$2.50 PER YEAR.

Make Remittances payable to the M. A. C. Association.

Unless members request a discontinuance it will be assumed that a renewal of membership is desired.

## M. A. C. ASSOCIATIONS.

### Central Michigan.

Pres.—Leslie H. Belknap '09, Highway Dept., Lansing.

Sec'y—Merritt Reeves, '20, East Lansing.

### Detroit Club.

Pres.—G. V. Branch '12, 1934 Livernois Avenue.

Sec.-Treas.—S. B. Lee '17, 8230 Lawton Avenue.

### Grand Rapids.

President—Roswell G. Carr '08, Association of Commerce Building.

Sec'y-Treas.—Luie Ball '13, 100 Madison Ave. S. E.

### Flint Club.

President—H. L. Froelich, '18, 139 W. Dayton St.

Secretary—Mrs. P. B. Pierce '05, 200 Josephine St.

Treasurer—A. C. Anderson, '06, 1640 Euclid Ave.

### Owosso.

President—R. S. Linton, '16, 329 W. Oliver St.

Secretary—H. E. Dennison, '11, 305 Miner Bldg.

### Jackson County.

Pres.—G. A. Sanford '11, 109 Third St., Jackson.

Secretary—Harry E. Williamson '04, 108 Winthrop Ave., Jackson.

### Kalamazoo Club.

President—Jason Woodman, '81, Paw Paw.

### Saginaw Ass'n.

Pres.—O. H. Frederick '16, 551 S. Weadock Ave.

Sec'y-Treas.—Daniel H. Ellis '07, 616 Owen St.

### Bay City Ass'n.

Pres.—A. C. MacKinnon, '05, 1214 Center Ave.

Sec'y-Treas.—J. Harry Nelson, '10, 1302 Webster.

### South Haven.

President—Floyd M. Barden, '08, South Haven.

Secretary—Virginia Flory, '20, South Haven, home; teaching in Sandusky.

### Upper Peninsula Association.

President—E. L. Kunze, '14, Sault Ste. Marie.

Secretary—Helen Pratt, '16, Sault Ste. Marie.

### Livingston County.

President—G. P. Burkhart, '10, Fowlerville.

Secretary—P. S. Dunks, '05, Court House, Howell.

### Barry County.

Pres.—R. M. Bates '85, Hastings.

Sec'y—Leta Hyde Keller '09, Hastings.

Treas.—Milton Townsend '20, Hastings.

### Berrien County.

President—Charles Richards, '16, Benton Harbor, R. R. Fair Plains.

Secretary—Kittie Handy, Sodus.

Treasurer—Willard Sanborn, w '13, Sodus.

### Calhoun County.

Pres.—Harold King '19, 47 Elizabeth St., Battle Creek.

Sec'y—Nenna Dunlap '19, 58 Grant St., Battle Creek.

Treas.—Don Stillson '11, 75 Central St., Battle Creek.

### Clinton County Ass'n.

Pres.—H. V. Kittle '16, St. Johns.

Sec'y-Treas.—Glenn Osgood '17, St. Johns.

### Ionia County.

President—Stanley Powell '20, R. F. D. 1, Ionia.

Sec'y-Treas.—Walter A. Wood '12, Tower Apts., High St., Ionia, Mich.

### Lenawee County.

Pres.—Oliver Cleveland '10, Adrian.

Sec'y-Treas.—Mrs. Maude Bennett Steger '11, Hudson.

### Northwest Michigan.

President—H. A. Danville, '83, Manistee.

### St. Joseph County.

President—H. C. Bucknell, '06, Centerville.

Secretary—Vern Schaeffer, '11, Sturgis.

### Washtenaw Club.

Pres.—E. L. Overholt '20, 426 Cross St., Ann Arbor.

Sec.-Treas.—Plummer Snyder '20, 423 S. Fourth Ave., Ann Arbor.

### Chicago.

President—Clem Ford, '05, 2 So. Catherine Ave., LaGrange, Ill.

Sec.-Treas.—H. P. Henry, '15, 4916 Glenwood Ave., Chicago.

### New York City.

President—John J. Bush, '84, 616 W. 137th St., New York City, N. Y.

Secretary—O. S. Shields, '16, 719 Hancock St., Brooklyn, N. Y.

### Northern Ohio.

President—L. L. Appleyard, '00, 14529 Lake Ave., Lakewood, Ohio.

Secretary—H. G. Smith, '17, 625 National City Bldg., Cleveland.

Treasurer—Helen Canfield, '05, 5808 Clinton Ave., Cleveland.

### Milwaukee, Wis.

Pres.—Wm. L. Davidson, '13, Scout Executive, 84 Mason St.

Sec'y—Geo. B. Wells, '00, Schroeder Lumber Co.

### Western Pennsylvania Ass'n.

Pres.—B. F. Bain '03, 1212 Western Ave. Pittsburg, Pa.

Sec'y-Treas.—W. M. Hallock w'15, 436 Oliver Bldg., Pittsburg, Pa.

### Portland, Oregon, Association.

Pres.—Roy G. Scofield, w'07, 1061 E. 6th St. N.

Sec.-Treas.—A. F. Douglass, w'08, 896 E. Yamhill

### Minneapolis Club.

Secretary—C. C. Cavanagh, '09, Hopkins, Minn.

### Washington, D. C.

Pres.—R. C. Potts '06, 3106 19th St. N. W., Takoma Park.

Sec.-Treas.—Mrs. H. S. Skeels, 210 Holly Ave., Takoma Park.

### Western New York.

Pres.—D. J. Crosby '03, Ithaca, 303 Cornell St.

Secretary-Treasurer—D. A. Brice '13, Rochester, 301 Laburnum Crescent.

### Southern California.

Pres.—H. E. Truax '12, 129 N. Mariposa St., Los Angeles.

Sec'y-Treas.—Eric E. Nies '08, 5215 DeLongpre Ave., Los Angeles.

### Northern California.

Vice-President—E. C. Bank, '84, 1972 Marin Ave., Berkeley, Calif.

Secretary—G. H. Freear, '10, 120 Jessie St., San Francisco.

### Seattle.

Vice-President—Capt. Wm. D. Frazer, '09, 4730 17th N. E., Seattle.

Sec'y-Treas.—Emma B. Barrett, '03, 4001 Whitman.

### New England.

Secretary—Glenn C. Sevey, '03, 57 Worthington St., Springfield, Mass.

Ask us any questions about your feeding problems. If your dealer cannot supply you with Buffalo Corn Gluten Feed, tell us who and where he is. Write today to Corn Products Refining Company, Feed Department, 17 Battery Place, New York City.

## "FEED UP"—and What This Means to Every Dairyman

**T**HE first flush of grass, and the way cows avail themselves of it, tempts many dairy-men to reduce the amount of feed at this time of the year.

This is the wise thing to do, but for a short time only.

Start feeding again lightly after the first flush of grass, or your cows will shrink to such an extent that they will not come back strong for the fall work.

If you feed *Buffalo Corn Gluten Feed*, with a fair

amount of mill feed, your cows should give from three to four pounds of milk per pound of grain fed.

Your herd needs Buffalo Corn Gluten Feed—in summer as well as in winter—in order to make it a real source of profit to you.

You cannot afford to overlook these facts, or neglect to take a broad view of the cost and return from your herd. Then you will order Buffalo Corn Gluten Feed.

# THE M. A. C. RECORD

VOL. XXVI. No. 32

EAST LANSING

JUNE 3, 1921

THE ATHLETIC FIELD WAS a gay spectacle on Tuesday afternoon this week when five thousand Knight Templars of the Commanderies of Michigan presented their exhibition drills during their annual state conclave which was being held in Lansing from May 31 to June 2. It was estimated that ten thousand visitors were on the campus during the afternoon, either to participate in the drill or to watch their favorites. The visiting Knights and ladies were conveyed from Lansing to the College by the automobiles of various Lansing fraternal and social clubs and organizations and the parade ground was literally packed with cars during the afternoon while the commanderies were drilling on the college field. Among the alumni who visited their Alma Mater were Eminent Sir Roy M. Norton '01, Eminent Commander of the Port Huron Commandery, Harry Williamson '04 of the Jackson Commandery, Bob Sloss of the Big Rapids Commandery, Ellis Ranney '00 of Greenville, and Dwight S. Cole '03, of the Grand Rapids Commandery. The College Band starred during the day leading the conclave procession of white plumed Knights down Washington Avenue in Lansing and later being the accompanists of Detroit Commandery No. 1, consisting of some two hundred and forty men which is spoken of as one of the largest and best drilled groups attending the conclave.

OVER 1000 ROTARIANS from the ninth district including Michigan and parts of Canada will hold a picnic on the campus June 14 as the guests of the Lansing Club. A luncheon will be served at 12:30 in the armory by Miss Hunt of Club C, after which the afternoon will be given over to athletic and other events. After a picnic supper they will view the annual pageant to be presented in the Forest of Arden.

THE PLAY "INGOMAR," to be given by the Dramatic Club in the Forest of Arden on Monday of Commencement Week, is unusual in that it is a serious comedy, and one that Prof. King has been anxious to present for several years. Progress in the rehearsals which are now being held on the outdoor stage, is reported as splendid, and the Dramatic Club promises Commencement visitors a real treat.

PI KAPPA DELTA, national honorary forensic fraternity, will install a chapter at M. A. C. on June 8, to be known as Michigan Delta. This organization will be made up of both men and women students who have done outstanding service in debates or oratory for their Alma Mater. Prof. Brees and L. J. Davidson of the English department are members of other chapters.

SEVERAL M. A. C. PEOPLE will sojourn in Europe this summer. Prof. and Mrs. Gunson sailed for Scotland on June 1; Dean Eudora Savage sails for Southampton on June 4 for a three months' trip; O. M. LeBell, professor of French, and Mrs. LeBell leave for France as soon as college closes, where Mrs. LeBell will remain next year; and Jack Heppinstall, well known athletic trainer, and Mrs. Heppinstall, sail the latter part of June to visit their relatives in England for the summer.

AN AGRICULTURAL AND ECONOMICS CONFERENCE, at which leading authorities of the country will discuss and consider vital agricultural questions of the day, has been scheduled at the college for June 22 and 23. Prof. David Friday, of the University of Michigan, who has been mentioned for President of M. A. C.; Thomas Nixon Carver, famous economist from Harvard University; Dr. G. F. Warren of Cornell; Hale Tennant, marketing specialist of the M. A. C. Extension Division, and Dr. Eben Mumford, Leader of Michigan County Agents, will be among the speakers. This economics meeting will be one of the conferences held in connection with summer school.

ALL OF THE SENIOR FORESTERS have just been notified that they have passed the civil service examination for Assistant in the Federal Forest Service. This examination is considered a severe test of their knowledge and training in forestry.

PICNIC PARTIES have already descended upon the campus. Last Friday 150 members of the Branch County Farm Bureau, under the leadership of their County Agent, C. L. Nash '09, picnicked here and inspected the college buildings and plats. Before the inspection of the plats under Prof. Cox of Farm Crops, Dean Shaw presented briefly the aims and work of the Experiment Station, and Director Baldwin '04 explained the Extension Work. On Tuesday of this week a group from Genesee County visited the college and enjoyed a picnic dinner on the picnic grounds.

MEMORIAL EXERCISES were conducted at the college on Friday, May 27 for M. A. C. men who lost their lives in the World War. At 4 o'clock in the afternoon the battalions formed for parade and passed in review before the reviewing staff comprised of Major Wrightson, President Kedzie and Col. Guy Wilson of Flint. Following the review the parade took up its march to the cenotaph in Memorial Grove. Colonel Wilson gave the address and wreaths were placed upon the cenotaph by the various societies and other campus organizations.

## VIEWS AND COMMENT

*Some influences act more directly upon one department of human interests and some upon another. It is the high function of a College to act more or less upon all human interests and relations. A College acts upon youth, and hence its influences radiate wherever youth go, and that, in this country, is everywhere.*

—Horace Mann, founder of Antioch College

The extent of the word of mouth advertising such as M. A. C. receives when conventions come to the campus, as

**PLAYING** the Knights Templar exhibition  
**HOST** drills on May 31 and the Rotary picnic on June 14, is inestimable.

The college has always thrown open its doors for meetings of agricultural or allied agricultural organizations with much benefit to itself and such groups, but if any institution—like any individual—is to grow and develop it must not confine its contacts to a few interests. In the past, we drew a large number of our student body from the rural and urban districts, but this condition is changing. While we realize that this institution was established for the betterment of agricultural interests, the development of engineering and home economics courses, and the addition of the new science course have greatly broadened the scope of our curriculum. This is not fully known and understood in the state, particularly in the cities. The contacts of city dwellers as those represented by the Knights Templar and the Rotarians are such as will bring a new understanding of M. A. C. and her work to thousands of the most powerful and influential men of Michigan. What can be more desirable than that what we have and the work we are doing should become known through actual contact to the business and professional men of Michigan?

Such gatherings as the college is host for this spring are very desirable and we hope more such organizations may be encouraged to make our acquaintance.

Considered from every angle, spring athletics at M. A. C. have experienced a very successful season. In base-

**SPRING** ball, actual scores and games  
**ATHLETICS** won and lost do not tell the inside story of the spring's accomplishments on the diamond. It is the story of the development of a new team and Coach Clark's work has been a mighty one even though not revealed in the tally register. With but four or five veteran players

as a nucleus, he has rounded up a machine largely of youngsters. Not a single pitcher was available from the veterans and the hurling staff of five sophomores was entirely a new development and one of which any coach might be proud. In reality three infielders also wore the Green and White for the first time and have delivered. With this wealth of sophomore material which has been thru the mill of one season and with the losing of only three of the squad by graduation—Willman, Carr and Oas, prospects for a winning team next spring have rarely been brighter. This year's work, that of a development which is bound to bear fruit next year, has been very successful. The team that represented the Green and White on the diamond was unique in college baseball in that it was much stronger at the bat than in the field.

In track the winning of the intercollegiate meet by almost twice as many points as the nearest competitor and the smashing of a dozen Michigan intercollegiate records, many by M. A. C. men, bespeaks louder than anything else the strength of Coach Art Smith's work with the track squad. Never before has there been the interest or the track ability on M. A. C.'s cinder path that our men have shown this spring. From every aspect spring athletics have been most successful this year.

This issue of the Record is the last one before Commencement and contains all of the last-minute changes and announcements that we were aware of up to **THE** Thursday, June 2: The alumni head-  
**LAST** quarters will be in the Gymnasium  
**WORD** as formerly and Commencement week programs will be available there so that returning alumni may post themselves on any of the week's events in which they are especially interested. A reception committee of local graduates and former students will assist in welcoming back the old boys and girls—and the young ones too. The next issue of the Record will be the Commencement number which will come forth under the date of June 24.

MEMBERS OF THE CLASS OF '21 at a class meeting held recently, voted to support the M. A. C. Association as a class, and individually becomes members of the M. A. C. Association

DETROIT ERO-ALPHIAN ALUMNAE held their monthly meeting and dinner at Beltrami's, 7621 Woodward Ave. on Thursday evening, May 27.

**In The Front Row**

**Dean Cordley '88 "Comes Back" On Diamond.**

To the clipping printed below and recently sent to President Kedzie, Dean A. B. Cordley '88 of the Oregon Agricultural College attached the following notation:

How is this "come back" for one of the ancients who belonged to the first M. A. C. team to take a baseball "series" from Michigan—"Corolary."

"Two home runs and a three-base hit won the baseball game yesterday afternoon for the Oregon Agricultural college faculty over the Benson Tech of Portland by a 15 to 7 score. Coach Rutherford, who pitched for the Aggies, pounded out a home run, as well as Ralph Coleman, rook track coach.

"Dean Cordley" was the big surprise when he was put in as a pinch hitter. He had never seen a baseball before he faced the Benson pitcher, but he landed on the ball. The hit should have been good for a home run, but on account of his excessive weight he was only able to make a three-base hit out of it."

**"Dick" Fowler '05 Joins Faculty of Antioch College.**

Antioch College, one of the pioneers in the middle west, but which has lain dormant for several years, has reopened this spring under a "new plan" and included in its faculty is Richard C. ("Dick") Fowler '05 who will direct the Department of Advertising and Salesmanship. He was formerly assistant sales manager of the Delco Light Co. and previously commercial manager of the Detroit Gas Co.

The new pioneer movement at Antioch to be started this year by Arthur E. Morgan, is said to be one of the greatest educational ventures ever attempted.

The new "Antioch Plan" provides that students will spend half-time at school and half-time at work, in alternate periods of five weeks.

Through half-time work and half-time study, the student can actually master a profession at the same time he is getting the

theory of it. Practice and theory should go together in the professional education of the future.

It aims to train men and women for administrative control, proprietorship and management, rather than for specialization.

Antioch will also offer an industrial service and consultation bureau to the industries in the Miami Valley and to the public in several lines, certainly in accounting, public and industrial health, personnel administration, advertising and publicity, purchasing, and civil engineering.

"Dick" is also organizing an advertising agency, which will be a branch of the Antioch Industrial Service in the Miami Valley.

"MICHIGAN FARMER TOUR ASSOCIATION," originated last year by J. H. Brown '87, will hold its first annual reunion at the college June 22 and 23. Last year they toured northern Michigan and the lower part of the upper peninsula. This year the tour starts on August 7, and Cleveland, Akron and Pittsburg will be among the cities visited. The tourists camp along the road and the only expense is for gasoline, oil and food. While at M. A. C. on June 22 and 23, they will be guests of the college and special entertainment will be provided for them. There will be a number of programs in the gymnasium on special agricultural and home economics subjects.

EAST LANSING ALUMNAE served soft drinks and lemonade to the Knight Templars during their exhibition drills on the athletic field on Tuesday of this week. The profits will be turned over to the practice house fund. Sandwiches, peanuts, and cakes have been sold on the campus for several weeks, two weeks ago a card party was given, on Saturday several of the alumnae will conduct a beauty shop, and the first of next week alumnae will open a tea room in the old tool house back of the Hort building; all in the interest of this fund. Besides this, three former co-eds demonstrated the practicability of their training by catering for a dinner party, and one is giving instruction in the mysteries of golf. At the end of this week, it is expected that \$500 will be on the right side of the ledger to the credit of East Lansing women.

MISS MARY SWEENEY, Dean of Home Economics was elected president of the local branch of the American Association of University Women, formerly Association of Collegiate Alumnae, at the annual meeting held in Lansing May 31. Mrs. H. H. Musselman was made Secretary, Mrs. Norma Gilchrist Roseboom director for two years, and Mrs. C. D. Ball a member of the membership committee.

AN ADDITION TO THE Hesperian House, just completed, will provide additional room for returning alumni. On the back of the house they have extended the second and third floors across the north end, and have converted the extra space into sleeping porches.

## WITH THE ALUMNI CLUBS

### The Local Time Card.

Central Michigan Association, Elks Club Cafe at noon every Monday.

Detroit Club, at Cadillac Hotel every Friday noon.

Grand Rapids Association, Board of Commerce every other Thursday noon.

Flint Club, first Thursday every month.

Saginaw Club, second Saturday each month.

Chicago Association, Y. M. C. A. 19 S. LaSalle St., every Thursday each month.

Saginaw Club, Arthur Hill Trade School, 2nd Saturday each month.

### Milwaukee.

A Once Famous Town—Still Famous.

The 64th birthday party was held at the home of George Wells, 549 Maryland Ave. It was the first at-home party ever given and its success bids fair to a removal of all future conclaves from down-town clubs.

The air was filled with hospitality and swell cats. All eating restrictions were declared off, and "Ironsides" Campbell ruined himself. All present proclaimed he would never regain normalcy. (Later—Patient shows no signs of distress and evidenced signs of hunger upon reaching home.)

Competition started early—between families. Our host and hostess introduced Bernice, Helen and George B. Jr. Next Mrs. Bill Merkel came right back with three of a kind, George, Louise and Jean. Then "Ironsides" presented a young sub deb Bernice. Davidsons offered Bill, Jr.

The kids ate first, and then began to furnish a program of follies, revues, monologues, duets and eccentric dancing. The Wells' youngsters are some dancers. The evening was slipping by nicely without a fight until Bill Davidson, Jr. yelled rotten—following a solo, and immediately the crowd took sides and finally dispersed in poor order.

We are going to do it again.

Among those present were: Mr. and Mrs. George B. Wells, Mrs. Bill Merkel, Mr. and Mrs. Frank Campbell, Mr. and Mrs. M. B. Langler, Mr. and Mrs. A. L. Pond, Mrs. Cunningham of Curuna, Mr. H. V. Hoffman, Mr. H. L. Smith, Mr. and Mrs. W. L. Davidson, Miss Hervey, Mr. F. A. Carlson, and Mr. and Mrs. Joe Van Kerchhove. The host and hostess invite any M. A. C. folks entering this port, to drop in.

A luncheon held at the City Club, May 26th, to hear Norman Weil, was well attended. We all want to go back to Michigan in June.

### Lenawee County.

A very enthusiastic meeting of the M. A. C. family in Lenawee County was held at the dinner in Gussenbauer's Cafe in Adrian, Friday, May 27. The gathering included graduates, former students, and prospective students, and Dean Sweeney and Alumni Secre-

tary McKibbin as representatives from the College. Orville Laidlaw '17 was introduced by President Cleveland as master of ceremonies and kept things going from the first course thru to the last dance.

Among those present were: Paul R. Bowen '99 and Mrs. Bowen, W. S. Horton '02, Mrs. Pauline Raven Morse '05 and Mr. Fred Morse and Ruth Morse '25, C. J. Hart '07 and Mrs. Hart, Ralph J. Carr '08 and Mrs. Carr, O. H. Cleveland '11, R. C. Pennington '14 and Mrs. Pennington, Mrs. Ayesha Raven Laidlaw '16, O. W. Laidlaw '17, B. A. Murbach '20, S. H. Yarnell '22, Floy Wilson special, A. E. Illenden, Mina Illenden, Mary Illenden, Marjorie Place club leader, Laura Blanche Rose, and a number of prospective students who were guests of the alumni.

### Detroiters' Column

Despite the fact that Uncle Sam fell down and didn't deliver the announcements until the day of the event, there was a fair turnout last week to meet Prof. Marshall and his group of Senior Horts. Our own room being taken, we had lunch in the main dining room not an M. O. battle! How did it happen?

Guess Branch was so busy bragging about his garden he didn't have a chance to start anything.

Speaking of gardens, City Forester Smith said he had various and sundry plants to give away. If your garden lacks something, call him up, he may have just what you want.

The names signed to last week's roster were as follows: E. C. Krehl '08, C. E. Smith '10, W. G. Knickerbocker '16, D. G. Brown '14, Eli Middlemiss '20, L. N. Hayden '07, H. W. Rigterink '20, R. A. Murdock '09, A. L. Pimo '17, H. D. Straight '17, C. L. Rowe '07, W. H. Urquhart '11, J. B. Wilkinson '06, T. H. Kay '11, J. H. Keynon '14, G. V. Branch '12, W. E. Webb '20, A. W. Barron '16, C. H. Chilson '12, Ray E. Marshall, Hort Dept., W. I. Crampton '21, W. R. Barger '21, F. C. Pinkham '21, G. W. Baldwin '22, H. D. Allen '21, T. S. Blair '21, J. H. Perman '21, E. M. Angove '21, G. L. Fick '21 and G. V. Panal '21.

A. K. Smith '17 has gone into the insurance business. His office is in the Lincoln building.

Doc Rigterink '20 is with the U. S. Radiator Corp. sales department.

The council of the Detroit Alumnae met at Glad Gruner's apartment last Monday to formulate plans for activities for M. A. C. women. They have several ideas in mind. Watch this column for further announcement.

## Dr. Kinnan, '86, Is President Harding's Choice As First Assistant Commissioner of Patents.

*Pays Tribute to Early College Leaders.*

When the nomination of Dr. William A. Kinnan '86 for First Assistant Commissioner of Patents was sent to the Senate last week by President Harding, another M. A. C. man was given recognition for his ability. Dr. Kinnan became connected with the Patent Office as Fourth Assistant of Patents in 1892 and has been a resident of Washington for thirty years. In 1918 he reached the position of examiner of classifications, one of the highest positions in the patent office. For ten years he acted as chief of the division of telephony, telegraphy, and signaling, and during his incumbency witnessed and handled some of the most important inventions that have to do with rapid communications.

Dr. Kinnan has always been an ardent supporter of M. A. C. and knowing the peculiar training given M.A.C. engineers and their ability to deliver, he has gathered about him from time to time a number of engineering graduates who have made names for themselves in the patent office. Something of the regard in which he holds M. A. C. is shown in the following letter to the Record:

"Measured in miles the Michigan Agricultural College is a long way from the City of Washington, and measured in years the time when I was a student there seems very long ago, but there is a kind of sentiment, a spirit, an affection, that abides with one thru all the years and that makes his Alma Mater seem less far away, and makes the years seem fewer than they really are.

"It was away back in 1886 that I was graduated from M. A. C. The memory of those splendid men, Dr. Kedzie, Prof. Cook, Dr. Beal, the Carpenter brothers, dear, lovable Dr. Abbott, and sturdy President Willetts, comes to me across this lapse of years, and in my heart I feel the debt I owe them for the help they gave me, for the ideals they awakened within me, and the vision they gave me, that have been such factors in what little success has come to me in life. It is a wonderful magic by which such men have been able to convert the awkward youths, such as I was,

—Copyright by G. V. Buck,  
Washington, D. C.

into earnest men who feel the pulse of ambition, and the thrill of labor and task well done.

"A couple of years after leaving M. A. C., I entered the Civil Service here in Washington, as a clerk in the War Department. I hardly know why I was selected for that department unless it be that some way or other the appointing man in that office knew I was a captain of one of the military companies at M. A. C., and concluded I had the proper warlike nature and bearing. However, I soon sought the more scientific work of an examiner in the U. S. Patent Office. I entered this latter service as a fourth assistant examiner, the lowest grade in the examining corps, in 1892.

"I found this corps composed of about four hundred men, all highly trained, technical men, electricians, chemists, metallurgists, mechanical engineers, etc., gathered from our best technical institutions; from Cornell, Worcester, Rose, Boston, Ann Arbor, and many colleges and universities of lesser note. These men quite generally had also taken courses in law. It was and is their task to examine, search for novelty, and adjudicate applications, sixty, seventy, or eighty thousand a year, relating to practically every art, machine, process, or manufacture known to mankind.

"I found promotions from grade to grade in this Patent Office were made as the result of competitive examinations in Patent Law and procedure. Due as I have always thought, to the fact that in M. A. C. I was taught *how to study*, I found no trouble in more than holding my own, so that I have held positions in all the intervening grades and finally, some years ago, reached the highest position in the corps. About the most interesting work I have had was during some ten years when I was in charge of the division relating to Telephony, Telegraphy, and Wireless Signaling. I know of few branches of science more fascinating than these.

"There have been several M. A. C. boys who have become members of the examining corps of this office. My brother, A. F. Kinnan '83, and who died in 1913, was here many years and was chief of a division of Electric Lighting and Special Applications of Electricity. Joe Freeman '90 (I think), what later took up the practice of patent law in New York City and died a few years ago. Max D. Farmer '10, who is now practicing patent law in New York City. There are still here in the corps W. D. Groesbeck '92, and Wm. Petrie '90.

"Regarding my appointment by the President to the position of First Assistant Com-

missioner, I can only state that possibly it was for the same reason the members of a colored church elected one of their number a deacon. The member had been there a long time, knew everybody, was good-naturd, and was a sort of all-around handy man. This office has over a thousand employees, and is more intimately related to our industrial and commercial life than the layman realizes.

"I trust any M. A. C. boys who visit this city will try my door and see how easily it swings inward."

## ATHLETICS

### Don't Miss This! Alumni-Varsity Baseball Game Commencement Week.

The annual Alumni-Varsity baseball game has been scheduled for Tuesday afternoon, June 14, at 3 p. m. The baseball game has been a regular event of the Commencement festivities but during the past two years alumni have been cheated out of the satisfaction of walloping the Varsity by the elements, rain having poured down in sheets during the last two Commencement afternoons. This year the old-timers are determined to get in their licks at the Varsity and slip one over on Father Pluvius by scheduling the game on Tuesday afternoon instead of Commencement Day. Be on hand early and furnish "more power to them."

### M. A. C. Easy Winner in Intercollegiate Meet. Records Broken.

Twelve state intercollegiate records went by the boards Saturday when the M. A. C. varsity track team won first honors by a large margin in the annual meet at College Field. Led by Captain Ernst, who piled up 15 points on his own hook, the Green and White athletes gathered a total score of 59, while Kalamazoo college, their nearest rival, was working towards a final of 33.

Western State Normal, winner of last year's meet, finished third, with Detroit college trailing by only two and a half points. The Normal school team failed to make first place in either of the 100-yard dash or the 220-yard dash, in which it was considered strong and received its single honor when Altemburg copped the broad jump with a state record smashing leap, and Hulsche won the shot put.

The record breaking orgy put on by the state athletes left only three of the meet records untouched. Two of these marks are held by athletes now with Michigan and the third, that in the pole vault is held by Casteel, of Kalamazoo college, the height being 11 feet 3 inches.

While the Varsity took nine, first places, in eight of which they established new records, Ernst was the wonder of the meet.

Rated as one of the very best quarter-milers in the country, he was conceded first place and a record in the 440 and first place in the low hurdles.

When Thurston was forced into second place in the last lap of the two-mile run, it was the first time since he has worn the green and white that he was destined to lose a two-mile run. Wilcox of Kalamazoo who defeated him did the trip in 9:57 3-5, the best time ever done.

With one foot and ankle bound in tape to make it possible for him to run the event, Adolph responded to close competition and won the mile in 4:33 1-5. Houston, a track man uncovered this spring for the first time, nosed out Forman of Kalamazoo and Pillsbury of Detroit Junior, former record-holder, for second place.

Preston, a former Lansing high boy, now a yearling at M. A. C., tied with Atkins of the Varsity for first place in the high jump. The pair won their event with jumps of 5 feet 9 inches.

Fessenden and Schwei copped first places in the discus and javelin respectively, both of them setting records. Fessenden won with a throw of 131 feet 1 1/2 inches, this being seven feet less than he did at DePauw in the dual meet with the Hoosier Methodists.

### Interscholastic Track Meet Predicted Largest Ever.

More than forty Michigan high schools will vie with each other on College field here next Saturday for the state interscholastic track and field championships. The event will be the fifteenth annual and is the official meet of the Michigan interscholastic athletic association.

The meet this year is divided into three classes, A, B and C. In the premier class 19 institutions will enter teams, and it is expected Class B will be comprised of a similar number. In Class C many squads will compete but the list is not completed as yet so an estimate of the number is impossible.

### Tennis Team Takes Intercollegiate Matches.

For the first time in the history of intercollegiate tennis in Michigan, M. A. C. holds the championship trophy cup won by her quick and reliable quartet: Palm, Goss, Freeman and Croll. The tournament was near enough to all to make it full of pep and fight from the start and it was impossible to pick the winner until the final of the singles was reached. The Aggie court men lost the singles but already had such a lead in the doubles that Kalamazoo couldn't make it up.

The results of Saturday's tournament are as follows:

M. A. C. 7 points.

Kalamazoo College 6 points.

Mt. Pleasant Normal 4 points.

Hillsdale College 2 points.

Detroit Junior College 1 point.

Kalamazoo Normal, none.

M. A. C. Fresh, none.

The M. A. C. men played consistent tennis and Palm and Goss were especially strong in the doubles. They defeated the Kalamazoo pair that won from them earlier in the season. Freeman lost to Calkins in a close match. Croll played consistent tennis and came through to the finals but was finally eliminated by Pinel of Kalamazoo.

—Holcad.

### Last Game Lost to Michigan 8-5

The M. A. C. baseball team wound up its season June 1 with a return game with the University of Michigan on Ferry Field. Michigan took the contest by an 8 to 5 score and seemed to have the edge on the Green and White thruout the contest. Coach Clark's men came back toward the end of the game and brot in two runs in the last inning but were unable to overcome the lead that the Uni-

## The Reunion

at Commencement this year will be one of the largest the campus has ever known. The old beauty spot has rarely looked more beautiful, classmates and the old college friends (except Prof. "Tom" Gunson who has gone to Scotland) will be there with the glad hand and looking better than ever; the Pageant in which students and campus exert themselves to portray M. A. C. at her best, awaits you. See why there's "A Greater M. A. C. Straight Ahead."

These are just a few reasons why you should be here. You'll think of a dozen more.

Renew your College Days.

*You'll go home feeling  
years younger*

versity had rolled up from Kuhn and Ross in the early stages. Detailed account of the contest is not available for this issue.

## CLASS NOTES

'77

"W. O. Fritz, wife and daughter, sail from Montreal for Northampton June 4. They expect to make a leisurely educational and sight-seeing trip thru England, Scotland, Wales (and possibly Ireland,) France, Switzerland, Italy, Belgium and Holland. They will visit the birthplace of Mrs. Fritz' mother in France and of her father in Switzerland. They will probably sojourn in Europe for a year. All the 77ers will join in wishing them bon voyage and a good time."—W. E. Latta.

'92

This from H. Arnold White, "Left Bay City some time since. My official address is now 1810 Commonwealth Bldg., Pittsburg, Pa. I am special gent for the Pittsburg Fire Insurance Co., traveling in Pennsylvania. Would like any friend coming this way to drop in, and while I am on the road much of the time, a letter will always reach me.

'97

Ernest A. Robinson, 435 Pearl St., Boyne City, Civil Engineer and County Surveyor for Charlevoix Co. has two children, Edward 5¼ years, and Hudson 4 years old. His hobby is forest conservation.

'99

A. Thorne Swift of Harbor Springs was called to the college a few days ago because of the illness of his son Dean Swift '24, who was operated upon for appendicitis.

'00

W. T. Parks, 450 Britain Ave., Benton Harbor, sends greetings.

'01

Gordon E. Towar, orchardist at Salem, Oregon, Rt. 5, Box 84, has four children, William 14, Ellen 12, Wallace 6, and Eugene 4. His hobby is astronomy.

'01

George Severance is Professor of Farm Management at Pullman, Washington. Besides his regular job, he operates a 272 acre farm. He has three children, Percy Howard 12, Mable Grace 11, and Helen Katherine 7. His hobby is educating his children.

R. A. Whitney, fruit rancher at San Jacinto, Calif., has time also for outside activities. He is director and secretary of the executive committee of California Growers' Association, Inc., president of Fruitvale Mutual Water Co., and director of Hemet Union high school. He has four children, Albert Harold aged 15, Roswell A. 12, Helen E. 11, and Louise 9.

D. B. Jewell, county agent at Cheboygan, expects to get back for the reunion of '01, June 15. He has two young hopefuls, Robert E. 12, and Paul N. 9.

John B. Stewart, tobacco merchant at Windsor, Conn., holds the '01 record to date for number of children. He has five ranging from 6 to 13 years. He is president of the New England Tobacco Growers' Association, Inc., and director of the Hartford County Farm Bureau. His hobby is plant breeding and he has developed some improved strains. He does not think he can get back for Commencement, much as he would like to.

R. L. Brown of Dallas, Texas, is in the ice-cream manufacturing business, under the name of Crystal Ice Cream Co.

Mary Knaggs Stone, Box 449, Sanford, Fla., gives as her occupation, "A little of everything—assistant manager of three truck farms, chauffeur, chief cook and bottle washer, but now am letting George do it, and mine is simple household engineering." She has two children, James Allan 16 years, and Elizabeth Carol aged 14.

F. L. Radford, Assistant Engineer at the Reo Motor Car Co., Lansing, lives at 925 W. Ionia St. He has two children, Scott 12, and Marilyn 5.

G. W. Kaylor, Manager of the Helvetia Milk Condensing Co. at Mulvane, Kansas, has one daughter, Mabelle Maurine, aged 10.

C. A. McCue, Newark, Delaware, Dean of Agriculture and Director of the Experiment Station, also director of agricultural extension, at the University of Delaware, finds that his principal trouble is keeping his avoirdupois down. He has a son John, 13 years old.

A. H. Hayes, 230 Sheridan St., Kendallville, Ind., sends greetings.

'04

F. H. Sanford, East Lansing, is now manager of the Michigan Forest Production Bureau.

'07

E. A. Willson, Court House, Fargo, N. D., sends greetings.

B. J. Manahan, 2067 Chalmers Bldg., Detroit, is treasurer and general manager of the Pontiac Nursery Co. He has one son, O. J., aged 6. His hobby is doing a good business and having a good time doing it.

Clyde Wilcox, Florist, Hastings, children two, hobby golf.

V. A. Phelps has developed a philosophy of his own. He is thoroly satisfied with life, contented and happy, and does not worry about a single thing. He is salesman for the Eagle Roller Mill Co. of New Ulen, Minn., and lives at 216 Gage St., Saginaw. He has two children, Virginia Helen 12, and James Fielding 11.

C. B. Peck, Western Mechanical Editor of Railway Age, 1646 W. 102nd St., Chicago, has two children, Elizabeth aged 6, and Helen 4. His hobby this year is birds.

'08

H. M. Conolly is farming at Sellersville, Pa.

'10

James G. Winsor, 1253 Belvidere Ave., Detroit, is transportation engineer for the Transportation Equipment Co.

Wilhelmina Bates Overstreet, 1832 W. Grand Blvd., Detroit, is a new addition to the M. A. C. Association family. She is teaching, "an incurable disease with some people."

'11

Last call for the tin anniversary of the Nineteen One Oners. Just you come back and act natural

for a single day and we'll have the whole college gasping for air at the pep (new word since our time) and steam of the old-timers who rocked the campus and ruffled the Cedar, a few years back. Yes, it's the 15th, and Commencement day too, but that won't bother us any.

'12

A. B. Mead, Dickinson, North Dakota, hopes to be back Commencement week.

'13

A daughter, Ruth Kellog, was born to Walter and Mrs. Fields on April 16.

Laura Crane Eaton, 912 6th St., Fargo, N. Dakota, is sorry she cannot get back for Commencement.

This from Almyra Lewis von Thurn, 607 Cody St., Hibbing, Minn., "Wish our trip south this year came a week or two later at the time of the big doings, but hope to have a look at the lovely campus the last week in May as my husband and I are making flying visits to our homes in Indiana and Michigan. The Van Wagenens are the only M. A. C.ites near us and we see them often. Should any others come to this north country camping or fishing, hope they will find us too."

A. E. Warner, 5527 KiMnKlark Ave., Chicago, writes, "Still with the Union Stock Yards & Transit Co. Have used my spare time during the past year studying accounting, going one night each week to the Northwestern University School of Commerce. Have recently finished a correspondence course in accounting and business administration with Pace Institute, New York City."

'14

The '14 committee in East Lansing announces that the class supper will be held on the lawn at the home of Robert Snyder on Commencement evening.

E. C. Zeluff, Box 283, Tampa, Florida, doing quarantine work with the State Plant and Horticultural Board, hopes to get back for Commencement. He has not been on the campus since 1915. His hobby is collecting butterflies from all over the world.

Percy C. Pratt, manager of the seed department of the Templin-Crockett-Bradley Co., lives at 5700 Detroit Ave., Cleveland, Ohio.

Gladys MacArthur Evans, 1606 Main St., Anderson, Ind., has a daughter, Catherine Ann seven months old.

Leta Moore Reed lives at 10 Museum Road, Boston, Mass.

## SUBPOENA

Class of 1911

*The Reunion Committee to the Members of the Class of '11—*

*Greeting:*

You are hereby summoned and required to be and appear in person on the 15th day of June at the old campus, then and there to testify and give evidence by various and sundry whoops and oompahs that you do recognize that then and there takes place the 10th anniversary reunion of the said class of 1911; and you are hereby required to bring with you, to be used as evidence in said case, the following described object, to-wit: A brother or sister '11 who otherwise wouldn't get back.

And have you then and there this precept.

THE REUNION COMMITTEE.

Dated this first day of June, 1921, so help us Bob.

W. R. Cartwright, husband of Jessie Whitney Cartwright, "merely married into the M. A. C. family," sends this. "Mrs. Cartwright and Betty Rae are spending the summer at our summer place in Port Austin. Please send her the Record. We are moving to Chicago, but don't expect Mrs. Cartwright to be here until the late summer. She will be glad to renew old M. A. C. friendships when she arrives. If any M. A. C. people happen to be near my office I'll be glad to see them. Am connected with District office of the Firestone Tire & Rubber Co., 1920 S. Michigan Ave.

'15

Anna Cowles, Assistant to the National Director of the Junior Red Cross, Hotel Cairo, Washington, D. C., says her chances for getting back to the reunion are fifty-fifty. She hopes to make it. Charles B. Norton of Grand Rapids, Carl Peterson of Mt. Pleasant, and Nina Rose Kirshman of Menominee are also hopeful.

'16

"Just a line to warn you that you had better refrain from telling in the paper about the good times that are to take place at the college in June or you will have all former students back there to crowd you off the campus. As for myself I had thought it would be impossible for me to get back, but now I am making efforts to leave here in time to meet my classmates of the best class that ever came out of M. A. C., which you all know is '16. I would be glad to know if there are other M. A. C. men in this part of the world.—W. A. Wright, Corsicana, Texas."

"Let's have plenty of class festivities outside of the general Commencement activities this year" suggests Ruth Hurd Snyder. Katherine Vedder Chapman is planning to be here for the first time since graduation. William J. Rettenmier of Detroit will be back "with many bells on." These East Lansing people can't get away from it, L. C. Wheating, Stanley Brownell, Russell A. Runnells, Florence Stoll, Karl McDonel.

Other '16ers who are planning on returning are: Wallace S. Bedeu, Blake Miller, Elsie M. Johnson, L. R. Stanley, George W. Pellett, Olaf Olson, Earle M. Hough, Harold Clark, William Betts, George Willoughby, Helen Petrie, Ayesha Raven Laidlaw, Ima Morrow Sandhammer, Emma Zieske, Vera Gruner Oviatt, C. R. Oviatt, Louis Wells, William Atchison, T. L. Jackson, E. J. Menerey, Herbert Cooper, C. J. Couchois. "Doubtfuls" are: Allan B. Robinette, M. R. Freeman, Gerald Box, Glenn Carey, Paul Tower, L. Earl Wilson, Kittie Handy, Grace McKinley Peterson, Lucius D. Sears, Wilbur A. Wright, Martin DeYoung, Rose Hogue, Will Murphy, Julia L. Harvey, H. Earl Morton,

**The Song Book You've Wanted Is  
Coming.**

Have you ever wished for a collection of M. A. C. songs, some of the old ones that you sang when you were in college, or some of the new ones that you hear about? The M. A. C. Association has made a 16-page collection of these songs for distribution among alumni and students. This publication will be delivered from the publishers on June 5. If you are coming back for Commencement you can buy a copy then. It will be on sale at alumni headquarters, the music house, and the book store. If you are not coming back, we will be glad to send a copy. The price is 50 cents, including postage.

Ralph Yeatter is managing a 400 acre farm in Branch County, near Colon, the estate of his father.

V. G. "Andy" Anderson '11 of Mansfield, Ohio, writes "Put me down for a Re-union suit, 1911 Bust 'em up."

If you belong to any of these classes which are reuning June 12-15, and cannot possibly come back, be sure to send a word of greeting to your old classmates who will be here. And include a snapshot of yourself if possible. Send these either to your class secretary or in care of the M. A. C. Record office. Your classmates will appreciate a message,

# COLGATE'S "HANDY GRIP" The Refill Shaving Stick

Putting a  
Colgate "Refill"  
in the  
"Handy Grip"

is like putting a new blade in a razor—easy and simple. The soap itself is threaded to screw into the socket. There is no waste.

With Convenience and Economy, you get Comfort also in shaving with Colgate's. The softening lather needs no mussy rubbing in with the fingers. It leaves your face cool and refreshed.

Colgate's Shaving Stick not only produces the most soothing lather for the average man but it is a little more economical in use than powder and much more economical than cream. As we make all three, we can give you this impartial advice.

COLGATE & CO.  
Dept. 212  
199 Fulton St., New York

The metal "Handy Grip," containing a trial size stick of Colgate's Shaving Soap, sent for 10c. When the trial stick is used up you can buy the Colgate "Refill," threaded to fit this Grip.

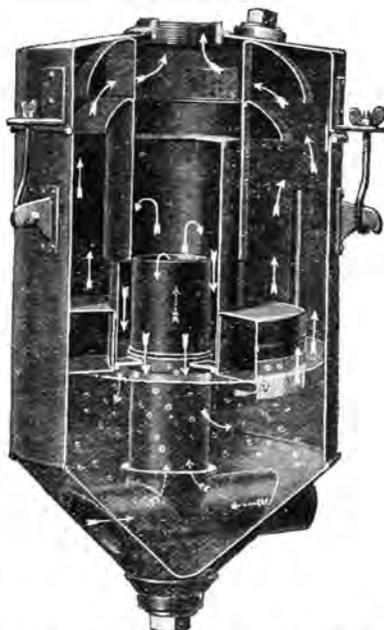

## Clean Air Essential For Prolonged Life of Tractor Motor

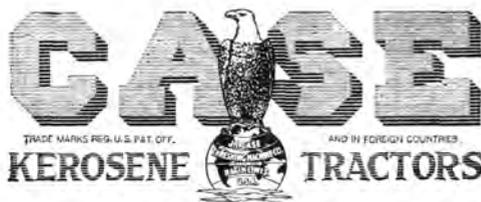

**E**VEN the best automobile or truck motors are unsuited for continuous successful tractor operation. They are likely to be too short-lived to stand the grind of constant heavy draw-bar work in dusty fields. Aside from having inadequate bearings and shafting for such work, the cylinder walls, pistons and piston rings would be worn down quickly by dust-laden air as if by emery powder. Result: low compression, loss of power, waste of fuel.

All Case Kerosene Tractors are equipped with the Case patented air washer of our own design and manufacture. It thoroughly cleanses the air that is drawn with the fuel into the cylinders. The air is drawn through water and two screens, the latter preventing bubbles from carrying dust through the carburetor to the motor. In this way all grit is removed and a clean, moist, highly explosive mixture is delivered to the cylinders.

Clean air is just as essential to tractor motor life as it is to human life. In designing and building Case Kerosene Tractors, every known safeguard has been provided to insure long life, and economical, efficient operation.

**J. I. Case Threshing Machine Company**  
Dept. F306                      Racine,                      Wisconsin

*This is No. 6 of a series of brief treatises dealing with correct tractor design and construction. Keep a complete file for future reference. Students especially interested in tractors are invited to visit the Case factories at Racine, Wisconsin and learn the details of modern tractor construction, at first hand.*
