EAST LANSING

FEBRUARY 24, 1922

ALPHA PHI, NATIONAL WOMEN'S fraternity, installed an active chapter at M. A. C. during initiation ceremonies held Friday and Saturday, Feb. 17 and 18. The old Feronian Society was initiated as a unit, the former local society becoming the M. A. C., or Beta Beta chapter of the national organization. Nearly 40 Feronian alumnae, mostly of Lansing and East Lansing, were initiated as alumni members of the Alpha Phi chapter. The initiation team which installed the local chapter was composed of girls from the University of Michigan. A banquet at the Hotel Kerns, a reception in the parlors of the Woman's Bldg., and a formal party at the Lansing Woman's Club House were included among the entertainment features which marked the initiation week-end.

AN M. A. C. cow, Pauline Colantha Fayne, set a new Michigan state record for a year's milk production by junior two-year-olds, in a test which ended on February 10. Pauline produced 19,884.6 pounds of milk during the year, topping the former state record by more than 400 pounds. She was born and bred at M. A. C., making the record an all-college achievement.

THE LAST OF A LONG SERIES of special winter short courses in agriculture which have been held at the college this year will open on March 6. At that time the fourth and last Truck and Tractor course, and a special Ice Cream Makers course will accept registrations. Enrollment in the short courses has been heavy this winter, in spite of adverse economic conditions on the farm.

THE ANNUAL MILITARY BALL was held in the Gymnasium on Tuesday evening, February 21. Attractive decorations, good music, and a full attendance made the affair one of the best parties of the winter term.

THE COLLEGE DRUG STORE, operated for years by A. C. Bauer, better known to the M. A. C. family as "Heinic", has been bought by H. F. Monroe, of Lansing. Mr. Monroe has already taken over the management of the place, but Mr. Bauer will continue to be a familiar figure around the store, where he will remain as a clerk.

MOTION PICTURES TAKEN of the parade held during the recent Farmers Week are being shown at the Strand theater in Lansing this week. The movies, which were taken by the Detroit Free Press film edition, show the various units in the parade very well and give a good idea of the equipment of the different divisions of the college. "Close ups" of Acting-President Shaw and L. Whitney Watkins, chairman of the State Board, are features of the film.

A PUBLICATION KNOWN as the "Y's" News made its appearance on the campus this week. Published jointly by the college Y. M. C. A. and Y. W. C. A., the new paper covers news and activities of the two associations. It was gotten out in connection with the annual membership drives.

FINAL REHEARSALS for the "Fair Co-Ed," union opera to be given by M. A. C. players in three Michigan cities next week, were held this week and leave the cast in finished form for the showings. Many alumni are planning to attend the different appearances of the show, and indications are that capacity houses will be played to at each stop. Opening at Owosso on Monday, Feb. 27, the "Fair Co-Ed" will be taken to Jackson on March 1, and brought back to Lansing for two showings on March 2 and 3. Friday, March 3, is to be alumni and college night for Lansing. Clever dancing, catchy music, and real acting by the talented players in the various parts and choruses will give the show a near-professional tone, which will lift it out of the class of ordinary amateur productions.

A STYLE REVIEW, with a dozen M. A. C. co-eds, picked for beauty, wearing the designer's creations, will be a feature of the "Fair Co-Ed" when it is shown by the Union Opera players next week.

"GATLING GUN" FOGLEMAN, famous Chicago lecturer and business authority, lectured before a large audience in the college gym last Monday evening. Talking on "Business Psychology," Fogleman ran through an interesting discussion of modern business methods and principles. It was a number on the Liberal Arts Course.

A LUNCH STAND, operated during Farmers Week by members of the Horticultural Club, took in more than \$500, with a net profit of \$135. Proceeds are to be used for the annual Hort. Club banquet.

A BASKETBALL GAME, scheduled for March 3 with Hope College at East Lansing, has been postponed at the request of the Hope management. The postponement, while unfortunate from the point of view of the basketball schedule, will remove a conflict with the presentation of the "Fair Co-Ed" at Lansing on the same evening.

WASHINGTON'S BIRTHDAY was observed quietly on the campus this year. Classes were, of course, dismissed for the day. Union dancing parties in the Armory and Agricultural building in the afternoon, and the Michigan basketball game in the evening were the special features.

Varsity Homecoming Set for March 11

The second annual Varsity Homecoming and "Old Athletes" reunion will be held at the college on March 11, according to final plans announced by N. O. Weil, executive secretary of the Varsity Club.

The Central Michigan Alumni Association will gather on the campus at the same time, with the result that many features of the Homecoming will be handled as joint affairs. The Varsity-Alumni banquet will be held in the East Lansing Masonic Temple at 6 o'clock in the evening, in conjunction with the annual banquet of the Central Michigan Association. The groups will also attend many of the entertainment features together.

Motion pictures taken on the campus during the general alumni homecoming last fall and during the recent Farmers Week, will be shown at the banquet, along with other special "stunts."

A special athletic program, including boxing, wrestling, swimming, etc., will be put on in the afternoon for the old varsity men. At night the big basketball game between the present varsity and a team composed of the stars of recent years will stand out as the leading event of the homecoming. With such men as Baldy Spencer, Frimodig, Kurtz, Garratt, Hammes, Murray, and the rest in the line-up, the alumni will be in a position to give the 1922 varsity the battle of their young lives.

Initiation ceremonies and a business meeting for the Varsity Club will mark the close of the scheduled events.

"It will be a day dedicated to Monogram men," said Weil, in discussing plans for the reunion. "We want every old athlete who is within reach of the campus to come back for the fun."

Chicago Association Dinner-Dance March 4

The twenty-seventh annual reunion of the Chicago M. A. C. Association will be held on Saturday, March 4, at the Monte Cucco Restaurant, 17 North Wabash Ave. The affair has been officially designated as a "dinner-dance," with dinner served at 7 o'clock.

The following reasons why all Chicago alumni should be on hand are given by H. P. Henry, secretary of the Chicago Association:

1. The whole gang will be there. It is an opportunity that comes but once a year to renew your acquaintances. Tete-a-tete corners with shaded lights are provided in the balcony for those who do not wish to dance, and there will be card playing if desired.

2. The place is centrally located, and easily reached. (A few doors north of the Madison and Wabash exit from the elevated).

3. The price is reasonable—\$1.75 per plate. Where else can you get a dinner and a dance at the price?

Forty Saginaw Alumni Hold "Country" Dance

The following account of an interesting meeting of Saginaw M. A. C.-ites has been received from Daniel H. Ellis '07, secretary of the Saginaw Association:

"On Friday evening the 17th, M. A. C. people and friends of Saginaw, to the number of about forty gathered at the Saginaw township town hall for an old-fashioned country dance, and a regular country party it was. Every one present voted it a big success and asked for more like it.

"During the evening a straw vote was taken on changing the name of the college, the result being 19 yes and 4 no, alumni only voting.

"The following M. A. C. people were present: Roy E. Culver '17, John F. Hill '14, A. G. Bovay '12, E. C. Geyer '13, N. J. Pitt '20, A. L. Alderman '16, A. L. Strang '18, George A. Willoughby '16, T. J. Warrington '16, Mint Nelson '17, K. C. Kernan '20, C. A. Hach '05, H. B. Vasold '14, Mrs. H. B. Vasold '10 (Catherine F. Benham), Emma Harms '17, Earl Wilson '16, A. C. Hobart '12, E. N. Morgan '11, W. R. Olmsted '11, Daniel H. Ellis '07, Rose Hogue '16, C. F. Meanwell '20, Marjorie Gile '22.

"E. N. Morgan '11, is a draftsman, living at 403 North Harrison Street. Marian Cravea Thomas '19, is teaching in the Arthur Hill Trade School and lives at 323 South Porter Street, Saginaw. John F. Yaeger '20, formerly of Saginaw, is now teaching at Menominee, Mich. D. E. Gower '17, is manager of the Cass River Nurseries, a recently organized concern of M. A. C. men, and can be reached at Bridgeport, Mich. A. L. Alderman '16, is production manager for Nelson Bros., manufacturers of gas engines. He lives at 115 South Granger Street. W. R. Olmsted '11, is with the same firm. F. S. Vaughn '15, is a teacher of agriculture and history in the Saginaw high school.

"The bunch here are planning on a smoker for the near future, and another dancing party with the M. A. C. Club of the college during Spring vacation."

ATHLETICS

Close Game Goes to Michigan

In one of the best and hardest fought basketball games ever seen in the college Gym, the M. A. C. varsity basketball team dropped an even contest to Michigan last Wednesday night by the score 19-17. It was anybody's game from whistle to whistle, the lead alternating between the teams constantly.

At no time during the entire 40 minutes of play did either five have a lead of more than four points, with the result that the crowd of 4,000 spectators was kept on its feet

constantly. Clever foot work, fast passing, and air-tight defense marked the play of both squads. Taken all-in-all, it was about the prettiest exhibition of the court game seen at East Lansing in recent years.

Long shots by Gilkey gave M. A. C. a lead in the first few minutes of play. At one time in this half the score stood at 9 to 5, with M. A. C. on the long end, but three sensational shots in the closing two minutes of the period enabled the visitors to reach the half-way mark two points up, the score standing 11-9.

The count was tied in the first minute of the second half, and from this point the game was fought out on even terms until the final whistle, each team scoring 8 points in the second half. The M. A. C. forwards rained shot after shot at the basket in the closing minutes in a desperate attempt to tie the score, but the gods of basketball turned thumbs down, three or four shots toppling on the edge before rolling outside.

Eddie Gilkey, diminutive forward, played a sensational game for the varsity, scoring 15 of the 17 points.

Notre Dame Defeated by 30 to 24 Score

Frimodig's basketball squad evened up the count with Notre Dame University last Thursday evening, winning a 30 to 24 decision from the Irishmen on the home floor.

Although the game was hard fought all the way, the varsity held a comfortable lead most of the time, and seemed to have the game well in hand. Late in the second half the visitors spurted long enough to tie up the count at 23 all, but at this point Captain Hearsley and his mates drew away rapidly, finishing with a 6 point margin.

Notre Dame showed a strong, aggressive team, and forced the play every minute, but the passing of the veteran M. A. C. offense was too hard to solve.

Jack Foster had a great night at center, covering the floor cleverly and dropping in five baskets. Gilkey, who counted 12 out of 16 foul shots, and scored three times from the floor, was another important offensive factor.

Minor Sport Teams Lose

M. A. C.'s three winter minor sport teams were all defeated in intercollegiate competition over the last week-end. The wrestling team lost to Iowa State, at Ames; the hockey and swimming teams both lost to Michigan, at East Lansing.

The fact that this is the first year of competition for M. A. C. teams in all these sports, and that they met the strongest opposition in the West, meant that the defeats were not unexpected. The general impression on the campus is that the minor sport teams have made a very successful start, and that rapid development may be looked for in coming years.

Track Team Defeats DePauw

The varsity track squad continued its winning streak last Saturday by winning from DePauw University by the score 64½ to 30½, in a dual indoor meet in the college Gym. Coach Barron showed a well balanced team, placing in all but one of the ten events.

Captain Ernst, with three firsts, was high score man of the meet.

The annual M. A. C. invitational winter track carnival will be held in the Gym tomorrow night. Practically every Michigan college, including the U. of M., will have entries in the different events.

Meeting of the State Board of Agriculture

President's Office

February 15, 1922,

11 o'clock a. m.

Present: President Shaw, Mrs. Stockman, Messrs. Brody, Doelle, Watkins and Woodman.

The minutes of the two previous meetings, held Jan. 18, and February 6, respectively, were read and approved with the exception of Dr. Mumford's salary, which was fixed at the former meeting. This was changed to read at a new rate per annum.

On motion of Mr. Doelle, the expenses of Mr. Tennant in attending the National Agricultural Conference at Washington were authorized to be paid.

On motion of Mr. Woodman, the resignation of Mr. R. M. Hain as Extension Specialist in Entomology, was accepted to take effect April 1.

On motion of Mr. Woodman, the transfer of Mr. J. W. Weston from county agent work in the Upper Peninsula to the position of Extension Specialist in Potatoes and Vegetables, was approved.

On motion of Mr. Doelle, the recommendations contained in the following communication from Director Baldwin, were approved.

Feb. 15, 1922.

Dean R. S. Shaw,
East Lansing, Michigan.

Dear Dean Shaw:

The following items are submitted for consideration by the Board of Agriculture:

We wish to recommend the appointment of Mr. Nevels Pearson as Assistant Club Leader, to take effect in the lower peninsula. Mr. W. A. Anderson had charge of this work and since his resignation it has been cared for in a temporary manner. Mr. Pearson is a graduate of Kansas Agricultural College, and is now in charge of live stock clubs in that state.

Ontonagon County again desires to co-operate in the employment of an agent. Mr. R. W. Clark has been accepted by the county and we wish his appointment made effective Feb. 15, 1922, at the usual rate.

We wish to transfer Mr. Roy T. Shane from Chippewa to Shoulerait County, effective March 1. It is my understanding that Chippewa County will take up the work again in the spring.

Authorization of the following out-of-state trips is desired:

Mr. Tennant to Chicago on request of Michigan Live Stock Exchange and Ohio Farm Bureau to appear before Committee of 15 on Live Stock Marketing to secure certain changes in their general plan. Also to Wisconsin to attend Tri-State Development Convention on request of Mr. Doelle.

A conference of Extension workers of the north central states has been called by the Federal office and Land-Grant College Committee to meet at Chicago on March 2, 3, 4. This conference will be confined to live stock and marketing only. I have not had opportunity to consider who should attend

and would recommend that this matter be left with President Shaw with power to authorize the accounts.

Very truly yours,
(Signed) R. J. BALDWIN,
Extension Director.

On motion of Mr. Watkins, Mr. Richard Rauch was appointed Assistant Football Coach and Assistant in the Department of Physical Training, for the year beginning Sept. 1, 1922.

On motion of Mr. Watkins, the salary of Mr. Schepers, Acting Secretary, was increased for the interim period beginning Jan. 1, 1922.

On motion of Mr. Woodman, Dr. McCool's request for permission to spend three or four days in Washington, D. C., to study methods of soils correlation employed by the Bureau of Soils, was granted.

On motion of Mrs. Stockman, the resignation of Miss Hilda Faust, Professor of Home Economics, as per telegram to Dean Sweeney, was accepted. Miss Dorothy Shank of Olympia, Washington, was appointed Assistant Professor of Home Economics, her contract to read from Feb. 25 to July 1.

On motion of Mr. Woodman, a committee consisting of Messrs. Watkins, Brody and Acting Secretary Schepers, was appointed to procure an appraisal of the Union Literary Society House and make recommendation to the Board at the next meeting.

On motion of Mr. Watkins, Miss Edith Butler was reappointed Instructor in Drawing for the months of April, May, and June.

On motion of Mr. Brody, the Secretary was instructed to write a letter of acceptance to Mr. Scripps of Detroit, thanking him for the donation of a prize winning Aberdeen Angus bull, given by him to the college.

On motion adjourned.

M. A. C. Football Season Shows Profit

Financial statement for the M. A. C. 1921 varsity football season, recently announced by Director C. L. Brewer, shows a net profit of more than \$5,000 for the season's activities.

In spite of increased expenses in all phases of football training work and in handling of games and trips, increased attendance at games, larger guarantees from other colleges for trips, and an advanced student fee enabled the athletic authorities to end the season in good financial condition.

"It was the best season financially we ever had," says Brewer.

This summer I shall be teaching agricultural economics (for the second summer session) in the George Peabody College for Teachers, Nashville, Tennessee. I expect my book on 'Fundamentals of Farm Economics' will be published by the American Book Company during this year. I favor changing our college name simply to 'The Michigan State College.'"
