## *Do's and News of State 4-H Club Show*

MONDAY, AUGUST 26, 1963

WELCOME TO MICHIGAN STATE UNIVERSITY FOR OUR Annual State 4-H Show. Every indication is that you'll be part of the best attended State Show yet. There're more exhibits and more activities and events than ever! We know you will

enjoy and respect the many campus facilities made available to us. Michigan can take pride in our State 4-H Show as it is unique among 4-H events across the country. State Show is a highlight of the 4-H year as it serves as a climax for the past year and the launching for the new year. This is especially true this year as Michigan's new 4-H Project Guide Bulletin will be issued this fall. Many project areas have planned programs designed to announce the new and exciting projects open to Michigan 4-H'ers. Check your programs for time and place of the ones that interest you.

MSU CLOVER...will be issued daily at the cafeteria lines during breakfast. Copies will be available at the Registration Desk in 151 Brody, Auditorium Information office and Stadium News Headquarters. Be sure to get your copy each day! Important information and announcements will be made via the CLOVER... stay on top of State 4-H Show activities through the CLOVER.

BULLETIN BOARDS will be in several places this year--at the southeast lobby of Brody Hall, Auditorium Lobby, Union Ballroom and Demonstration Hall. Winners lists will be posted daily. EVENING PROGRAMS -- Don't miss any of the programs staged at the Auditorium building on Monday, Tuesday and Wednesday evenings. You'll see some of the best 4-H entertainment from Share-The-Fun Festivals set to a "Water Wonderland" theme. Nightly themes will feature: "Meet the Crew" on Monday; "Maiden Voyage" on Tuesday, and "Everything's Ship Shape" for Wednesday's grand finale.

STATE 4-H CHORUS...over 300 voices strong will present a star performance at Tuesday evening's Auditorium Program. The schedule for Tuesday, Wednesday and Thursday is posted on bulletin boards located on the playing field south of the Intramural Building.

BE ALERT--PROMPTNESS PAYS! It's hoped that contestants and exhibitors will be prompt. To avoid any misunderstandings about what is expected of State Show delegates, you are referred to pages 9 and 12 of your printed program. Delegates are expected in their rooms at 10:40 p.m. and lights out by 11:15 p.m. Please check with the adult leaders in your delegation if you have any questions about expected behavior.

## *Do's and News of State 4-H Club Show*

WEDNESDAY, AUGUST 28, 1963

**4-H PARENTS - A GENUINE SALUTE!** Today's program is dedicated to all parents whose loyalty and encouragement serve to make 4-H the important educational program that it is today. Without the guidance, interest and individual concern of parents, this State 4-H Club Show would not be possible. Highlights of today's program include the rifle shoot, Club meeting demonstration, entomology program, special evaluation sessions, tractor operators, tours, horse show, chicken barbecue, and the evening program in the University Auditorium.

**OUTDOOR MEALS PROJECT FEATURES NEW APPROACH TO EDUCATION SESSION** -- A complete chicken barbecue with all the trimmings will be in store for outdoor meal delegates and their guests today. Scheduled for 9:00 a.m. at 150 Brody, registered members only, will learn the fine points of preparing a chicken barbeque for large groups. Charles Sheppard, Extension Poultry Specialist, and Mrs. Mildred Jones, Assistant Manager of MSU Resident Halls, will conduct the training session that will climax with an actual B-B-Q on the lawn in front of Brody Hall. This is one of the first "learn by doing" educational sessions staged at State Show, but plans are to include many more of this type in future Shows.

**GIRL MEETS BOY-TODAY**....This program shapes up to be as interesting as the title suggests. Dr. Eugene Peisner will explain dating customs in other countries, then he will compare these with our own. You'll be able to see the "reasons why" our dating patterns have developed as they have...as well as some of our beliefs about dating. Teenagers and parents won't want to miss this special session at 10:00 a.m., Room 31, Union (see bus schedule).

**DOG PROGRAM**....About 20 dogs, ranging from a 100 pound St. Bernard to a one pound Chihuahua, are on exhibit in Demonstration Hall. This is the first year for this 4-H project to have more than one county with exhibits at State Show. Officials and members themselves are both helping with judging. Wednesday's Dog Program will be at 3:30 p.m. on the Parade Field near Dem Hall.

**TOUR THE DAVISON CHEMICAL COMPANY** at 1:30 p.m. The Davison Chemical Company manufactures fertilizer in Lansing. This tour is for members, leaders and parents. Tours are also featured today in poultry, landscaping, and soils. See your program and the bus schedule on the back of CLOVER for details.

**DRESSING BY DESIGN**....This fall it's the "sportive look" that counts, and teenagers will hear all about it at 2:00 p.m. in the Union Ballroom. The "sportive look" will be found this fall in textured stockings, the suede vest, bulky wool turtle necks, dickeys, knit gloves and short pigskin gloves according to Miss Margaret Reed, Clothing Specialist, who will be in charge of this session. Girls can make their clothing accessories work for them by careful planning and "dressing by design." Color, texture and shape of accessories are all a part of appearing harmonious. The "Dressing by Design" session should be especially interesting in these "back to school" days.

**LEATHERCRAFT DEMONSTRATION**....In the lobby of the Auditorium, Midland County has set up a demonstration area in leathercrafts. Kay Carrigan and Gordon Swinson, under the leadership of Ellen Hingston and Marian Randall, are showing what can be

done with scraps of leather. They have made book-markers, purses, and even pictures from leather. They are very interested in showing other county people this new project. Kay and Gordon are having members "try their hands" at leathercraft for free, and you are welcome to stop by and try. See you there!

HOME DESIGN TOUR...Selected delegates from counties will leave early Tuesday for a tour at Detroit. They will tour the "Top-of-the-Flame" to see far Eastern decor, the Detroit Edison Building, and Metropolitan Art Museum.

RESULTS IN LIVESTOCK JUDGING CONTEST...In Monday's program, high placing individuals were--(1st) Tom Wieringa, Barry County, (2nd) James Snider, Ingham County, (3rd) Ben Alexander, St. Joseph County. They will represent Michigan in the National Judging Contest in Chicago, November 28-30. Top team honors were achieved by Washtenaw County. ## *Do's and News of State 4-H Club Show*

FOUR BUSY DAYS...It's been a BIG State 4-H Show. Many new and exciting experiences were gained and shared by the well over 3000 Michigan 4-H'ers from nearly every county. Programs were well attended: over 280 participated in the evaluation and educational sessions held in home economics areas Tuesday at the Union. Some 115 boarded buses Wednesday morning for the Home Improvement and Design Tour to Detroit. Sixty of the 124 photography exhibitors participated in the individual evaluation interviews and attended the "Photo-Fact" session. National 4-H Conference Delegates were named, and a news conference was held with Michigan's radio, television and press representatives on Tuesday. Climaxing today's activities will be the Livestock Auction at the Stadium and the Dress Revue at the Auditorium. Both are set for 1:30 p.m. The important question remains...what was the week's highlight for you? What will you share with others at home? Plan now to use your State 4-H Show experience to "Make The Best Better" for the future!

1963 4-H DRESS REVUE...Approximately 135 girls, representing every county in the Lower Peninsula and most counties from the Upper Peninsula, will perform this afternoon in the 1963 Dress Revue. The theme this year is "Portraits in Fashion." The girls will be presented in huge frames in groups of 3 to 6. The three main groups will include sports wear, suits, and formals. Mrs. Jean Beardsley, Mrs. Homemaker from Lansing, will be the narrator. Excitement will mount as the top ten honor group is announced at the close of the program. The climax will be the announcement of the girl who will represent Michigan at the National 4-H Club Congress in Chicago. Don't miss this fabulous program Thursday at 1:30 in the Auditorium.

SHARE-THE-FUN TALENT TOPS...Hat's off to the many fine talent acts we have had for our evening entertainment. They are enjoyed by all, and we hope you keep up the good work, kids!

DEMONSTRATION FESTIVAL...See winning State 4-H Show demonstrations for yourself! The week's outstanding demonstrations will be presented in Fairchild Theater beginning at 10:00 a.m. today. Here's an opportunity to get demonstration ideas for next year. Preparing and presenting a demonstration is one of the most challenging parts of 4-H Club work...it's very rewarding too!

NOTICE TO EXTENSION AGENTS...Don't forget to pick up your bulletin order in Room 10 Agriculture Hall.

ROOM CHECK...The 1963 delegates to State Show have demonstrated outstanding conduct and leadership. We know you will continue "To make the best better" by leaving rooms in better condition than they were in when you arrived. After rooms have been cleaned, please check out at the headquarters room in your dormitory. Have a safe trip home!
