2017 FALL SEMESTER

MICHIGAN STATE
UNIVERSITY

COMMENCEMENT CEREMONIES

FALL 2017

“Your degree acknowledges that you are—and forever will be—a part of the amazing Spartan network that spans the globe. You are part of this university—our annals—and, I hope, MSU is in your heart forever. You have before you the opportunity to extend your positive influence into the wider world for years to come.”

Lou Anna K. Simon, Ph.D.
President
Michigan State University

Photo above: an MSU entrance marker of brick and limestone, displaying our proud history as the nation's pioneer land-grant university. On this—and other markers—is a band of alternating samara and acorns derived from maple and oak trees commonly found on campus. This pattern is repeated on the University Mace (see page 10).

Inside Cover: Pattern of alternating samara and acorns.

Michigan State University photos provided by Communications and Brand Strategy.

ENVIRONMENTAL STEWARDSHIP

Mock Diplomas and the Commencement Program Booklet
Commencement mock diplomas, which are presented to degree candidates at their commencement ceremonies, are 30% post-consumer recycled content. The Commencement program booklet is 100% post-consumer recycled content.

Caps and Gowns
Graduating seniors' caps and gowns and master's degrees' caps and gowns are made of post-consumer recycled content; each cap and gown is made of a minimum of 23 plastic bottles.

Graduating Seniors and Master's Degree Candidates
Once all of your favorite photos are taken on campus, please recycle your gown at the MSU Union Spartan Spirit Shop.

For additional information about environmental stewardship at MSU, please visit Be Spartan Green at bespartangreen.msu.edu.

MISSION STATEMENT

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders
- conducting research of the highest caliber that seeks to answer questions and create solutions to expand human understanding and make a positive difference, both locally and globally
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

December 2017

President

CONGRATULATORY LETTER

DEAR GRADUATES AND FAMILIES:

Graduation is an important milestone. At commencement ceremonies, we celebrate our graduates and their accomplishments at Michigan State University, and we acknowledge the encouragement and support that family and other significant individuals have provided them. Reaching this milestone marks the completion of a degree program and the beginning of the next chapter in each student's life.

Graduates become part of a tradition that spans more than 160 years. As a person with a long-standing connection to Michigan State, I have had many opportunities to interact with alumni, students, faculty, and staff who, on a daily basis, are advancing knowledge and transforming lives. Although much has changed along the banks of the Red Cedar River since I first enrolled in 1970, the core values of the University remain—quality, inclusiveness, and connectivity.

MSU leads as a "community-engaged university." Our faculty and students are involved in outreach and forge partnerships to serve the public good. Through research, education, and practice, we make the world and our campus better places. To be a Spartan is to be a part of something big. There are nearly 600,000 Spartans at work on every continent, rising to practically every challenge imaginable. Every day, we make the world more sustainable, healthy, safe, and beautiful, proving again and again that "Spartans Will."

Our graduates go forth as caring global citizens, and although we bid you farewell I ask you to recall what our legendary President John A. Hannah confirmed. A special bond is forged with our graduates.

Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University ...forever.

Forever starts now. May you have a very bright future and come home often.

Sincerely,

Lou Anna Kimsey Simon, Ph.D.
President

December 2017

Provost and Executive Vice President for Academic Affairs

CONGRATULATORY LETTER

DEAR GRADUATES AND FAMILIES:

Congratulations to our graduates and your families! As President Simon encourages you to come home often, so do I!

As you may or may not know, I earned my degrees at Michigan State University. This education has served me well.

It gives me great pleasure to be here at a time when Michigan State University continues to create new opportunities at home, in the state of Michigan, and around the world. With our students and faculty, we are achieving new levels of excellence even as we face many new challenges. Our students are enthusiastic in taking advantage of the opportunities to study and to expand their views, and to grow as individuals and global citizens.

As a student of Michigan State University you are a member of a vibrant community united by the common interest we share as scholars. I hope that even after earning your degree, you will always remain members of this community—that is, be hungry to learn, to seek new knowledge, and to share and apply that knowledge for the betterment of others and to contribute to a more sustainable planet for the generations of Spartans who follow you.

As you and your families celebrate your accomplishments at Michigan State University, we join you in that celebration and wish you the best in all of your personal and professional pursuits and in your future endeavors as Spartans. May the relationships you forged here with your professors and other students continue to inspire you.

Sincerely,

June Pierce Youatt, Ph.D.
Provost and Executive Vice President
for Academic Affairs

MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to advancing knowledge and transforming lives across the state, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 545 buildings. Today, nearly 20,000 acres are used throughout Michigan for agricultural and natural resources research and for education.

MSU has more than 50,000 students from all 83 counties in Michigan, all 50 states, and more than 130 other countries. There are more than one-half million Spartan alumni living around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, including graduate and graduate professional education. The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study.

Research and other grants total nearly \$600 million in 2014-15. The top federal funding agencies include the U.S. Department of Energy (DOE), the National Science Foundation, the U.S. Department of Health and Human Services, U.S. Agency for International Development, the U.S. Department of Agriculture, the U.S. Department of Education, and the U.S. Department of Defense. Other externally funded research programs include the MSU-U.S. DOE, Plant Research Laboratory, the Center for Advancing Microbial Risk Assessment, the Great Lakes Bioenergy Research Center, the Energy and

Automotive Research Laboratory Centers, the Composite Vehicle Research Center, the U.S.-China Center for Research on Educational Excellence, the Center for Advanced Study of International Development, and the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. DOE selected MSU to design and establish the Facility for Rare Isotope Beams (FRIB). The proposed \$730 million facility will bring together an international community of leading scientists. Their work will help unlock the mysteries of the universe and promote breakthrough applications for medicine, security, and industry.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The AgBioResearch encompasses the research of more than 300 scientists in a network of 13 research centers across the state. Their work ranges from agricultural production, alternative energy and biofuel production, food safety and environmental stewardship to childhood obesity, community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in education abroad among U.S. public universities with more than 275 programs on all continents in more than 60 countries. Nearly 3,000 MSU students participate in education abroad each year.

Michigan State University is a member of the Association of American Universities, the Association of Public and Land-grant Universities, the American Council on Education, the American Council of Learned Societies, the Council of Graduate Schools, and the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation).

CEREMONY LYRICS

THE STAR SPANGLED BANNER
O, say, can you see
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O, say, does that
star-spangled banner yet wave,
O'er the land of the free,
and the home of the brave.

AMERICA THE BEAUTIFUL
O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

ALMA MATER*
M.S.U., We love thy shadows,
when twilight silence falls,
Flushing deep and softly paling,
o'er ivy-covered halls.
Beneath the pines we'll gather,
to give our faith so true,
Sing our love for Alma Mater,
and thy praises, M.S.U.
When from these scenes we wander,

and twilight shadows fade,
Our mem'ry still will linger,
where light and shadows played;
In the evening oft we'll gather,
and pledge our faith anew,
Sing our love for Alma Mater,
and thy praises, MSU.

MSU FIGHT SONG**
On the banks of the Red Cedar,
is a school that's known to all;
Its speciality is winning,
and those Spartans play good ball;
Spartan teams are never beaten,
all through the game they fight;
Fight for the only colors,
Green and White.
Go right thru' for MSU,
watch the points keep growing.
Spartan teams are bound to win,
they're fighting with a vim.
RAH! RAH! RAH!
See their team is weakening,
we're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

*The lyrics of *Alma Mater* were written by Bernard Traynor (MSC Athletic Department, 1925-1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSU Shadows* was finally adopted as the official *Alma Mater*.

**Lyrics by Francis Irvin Lankey (MSU Engineering, 1916).

UNIVERSITY MACE

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150th birthday in 2005. The mace was designed by University Relations and produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries at commencement, inaugural, and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial depicts the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road and other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," that is, from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts in 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-1941) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU). If the institution has more than one color, the chevron is used to introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science. Generally, the code for the velvet of the hood is the same as listed for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials "HC." Candidates graduating "With Honor" or "With High Honor" wear a gold braid.

HONORARY DEGREES

Alumnus Eli Broad, for whom MSU's Eli Broad College of Business is named, is a renowned business leader who built two Fortune 500 companies from the ground up. Not only is he a successful entrepreneur, but Mr. Broad and his wife, Edythe, are engaged in many important philanthropic endeavors. In fall 2002, Michigan State University proudly awarded Mr. Broad an honorary doctorate of humanities.

Eli Broad and his wife, Edythe, with a total gift of \$28 million, have made contemporary art available to the entire Michigan State University community and those who visit us from around the globe. The Eli and Edythe Broad Art Museum officially opened November 10, 2012. The world-class art museum is designed by Pritzker Prize-winning architect Zaha Hadid. For information about the facility, exhibitions, and programs, please visit broadmuseum.msu.edu.

We tell our graduates to "Come Home Often." We hope that you, and your family, will come home often and include a visit to the Eli and Edythe Broad Art Museum.

HONORARY DEGREE CITATIONS

PRIYA BALASUBRAMANIAM

Earlier this year, you were named the fifth most powerful female engineer by Business Insider for your role as Apple Inc.'s vice president of iPhone operations.

Leveraging your background in engineering, supply chain management, and quality assurance, you led an Apple executive team to India, where you successfully arranged a new agreement with government officials to manufacture Apple products in the city of Bengaluru, the center of India's high-tech industry. This new arrangement creates a significant market share expansion for Apple.

As a mechanical engineering alumna of Bangalore University, you launched your career with Apple after graduating from the MSU Eli Broad College of Business MBA program in 2001. During your time at Apple, you have quickly moved up the ranks, holding positions

that oversaw procurement for Apple's core technologies and flat panel displays.

In an increasingly global market, it is our alumni and future alumni who will continue to reinforce our land-grant mission and expand our leadership as a world-grant institution. As a global influencer, you are a strong supporter of the MSU student scholarship programs, helping to "pay it forward" to future alumni. Your success in business is an inspiration to all women and, especially, aspiring female engineers.

For your hard-working spirit and strategic mindset, I am pleased to award you the honorary degree of Doctor of Engineering from Michigan State University.

CARL FOLKE

A world-renowned environmental scientist, you have shaped the field of social-ecological systems and its application to environmental management and sustainability.

You are the director of the Beijer Institute of Ecological Economics, Royal Swedish Academy of Sciences, and the Stockholm Resilience Center, which you co-founded. You are also co-editor in chief of the journal Ecology and Society and serve on the editorial boards of 10 international journals. In addition to authoring more than 200 articles, you have been cited by other authors many thousands of times - an indication of your reputation among scholars.

You are a co-founder of the Resilience Alliance, an international research organization of scientists from many disciplines, which is committed to studying the dynamics of social-ecological systems. Through your leadership,

the center has had significant impacts on the field, from developing mathematical models of environmental and human systems to conducting deep ethnographic studies of human networks and their relationship to environmental stewardship.

You have been elected to the Royal Swedish Academy of Sciences and you are a foreign member of the US National Academy of Sciences. You were selected as a Pew Scholar in Conservation and the Environment. You have received the Sustainability Science Award of the Ecological Society of America and, recently, you were given the Gunnerus Award in Sustainability Science.

For your visionary leadership in this emerging field and your prolific scholarship, I am pleased to award you the honorary degree of Doctor of Science from Michigan State University.

CYNTHIA PASKY

As founder and chief executive officer of one of the top female-owned businesses in the nation, you are highly regarded for your ability – not only to surmount social and economic barriers, but also to eliminate them to help future generations.

You began your company, Strategic Staffing Solutions (S3), in 1990 with four goals: set the bar high for what a corporation should do; create jobs; offer people an opportunity to succeed and change their station in life; and make community and charity work a core part of the business. Under your leadership, Strategic Staffing Solutions has fulfilled this vision.

Today, the company is a \$300 million international IT and business services corporation, whose leadership is actively involved in civic and community organizations. You serve as chair of the Detroit Downtown Partnership Board of Directors, are a member

of the Business Leaders for Michigan Board of Directors, and you are the Founding Chair of the American-Lithuanian Business Council.

You are also a member of the boards of the Community Foundation for Southeast Michigan, Detroit Institute of Arts, Detroit Riverfront Conservancy, Reggie Jackson's DETERmined to Assist Foundation, Foreign Investment Advisory and Supervision Council in Lithuania, and Reading Works!. Additionally, you are a past chair of the Detroit Regional Chamber of Commerce Board of Directors and still serve as a member emeritus.

For your commitment to advance the common good and as a role model for young, diverse, and striving people everywhere, I am pleased to award you the honorary degree of Doctor of Business from Michigan State University.

HENRY REGIER

Through the course of your highly accomplished career as one of the world's preeminent environmental scientists, you have had a significant impact on the field of fisheries and aquatic ecosystems.

You retired in 1995 after serving the University of Toronto for thirty years, as well as serving as an adjunct professor at the University of Waterloo and Michigan State University. During that time, you conducted scholarly work on topics ranging from ecology and ekistics (the science of human settlements) to ethics and ecogenics. You also immersed yourself in practical, empirical issues that were related to the human use of aquatic systems, serving in advisory roles for such organizations as the Toronto Metro Planning Department and the Waterfront Regeneration Trust.

Since the 1960s, you have been much sought after as an interdisciplinary expert in North America, Africa, and Europe. You have served

as a Canadian commissioner on the Great Lakes Fishery Commission and as a member of the Great Lakes Science Advisory Board of the International Joint Commission of Canada and the USA.

You are well-known to be a generous, dedicated teacher, with a commitment to ecological responsibility and progressive advocacy, whose impact is felt on both an individual level as well as in the larger sphere of policymaking. In 2008, you were appointed to membership in the Order of Canada, the country's highest honor, in recognition of your academic and community leadership in environmental issues, particularly those affecting the Great Lakes.

For your scholarship and service in the cause of solving one of humanity's greatest challenges, I am pleased to award you the honorary degree of Doctor of Science from Michigan State University.

HONORARY DEGREE CITATIONS

MICHAEL VANROOYEN

A tireless Spartan since your early days as a Lyman Briggs student at MSU, you now serve as the director of the Harvard Humanitarian Initiative (HHI) at Harvard University and the chairman of Emergency Medicine at Brigham and Women's Hospital. Your commitment to saving lives under almost unbearably stressful conditions is an inspiration.

You have worked for twenty-five years as an emergency physician with numerous relief organizations in countries affected by war and disaster, including Somalia, Bosnia, Rwanda, Iraq, North Korea, Darfur-Sudan, Chad, and the Democratic Republic of Congo. With your field experience, you have been in great demand as a relief expert with several non-governmental organizations, including CARE, Save the Children, Oxfam, Physicians for Human Rights, and Samaritans Purse International Relief – all while tending to US disasters, including the Terrorist Attacks of 911 and Hurricane Katrina.

You have also been a policy advisor to the World Health Organization and the United Nations Office for the Coordination of Humanitarian Affairs. You are a member of the Inter-Agency Standing Committee Health Cluster and serve on the Board of Directors for the International Rescue Committee. You have testified before Congress and at numerous United Nations briefings on policy issues related to Iraq, Darfur, and the Democratic Republic of the Congo, and served on a National Academies/GAO review of mortality in Darfur.

For your compassion for those suffering throughout the world and your ceaseless energy in pursuing relief for human despair, I am pleased to award you the honorary degree of Doctor of Humanities from Michigan State University.

BACCALAUREATE DEGREES

- 25 undergraduate programs ranked in the top 20 nationally by U.S. News & World Report, including six No. 1-ranked programs
- Times Higher Education of London today ranked MSU #83 in its 2017 World University Rankings, an 18-place improvement over 2016. This puts MSU in the top 8 percent of 1,102 universities assessed around the world.
- Places 38th among the 303 U.S. universities ranked in Washington Monthly's 2017 College Guide and Rankings
- Ranks seventh in the nation for study abroad participation

BACCALAUREATE DEGREES

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as Academic Scholars (A), from the Honors College (H), With Honor (*), or With High Honor (**). Academic Scholars completed a two-year honors program including at least four honors-caliber courses. Honors College graduates are academically talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses.

Graduation Honors: the current minimum grade point average for seniors graduating With Honor is 3.71 and those graduating With High Honor is 3.89 (which is approximately 20 percent of graduating seniors who have earned the highest grade point averages). Recognition of graduation honors in the commencement program is based on the grade point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

BOARD OF TRUSTEES AWARDS

Awards are made at fall and spring commencements to the six or more graduating seniors who achieved the highest cumulative scholarly records by the close of the preceding semester. At least three-fourths of the credits for the

degree must be earned at Michigan State University with numerical grades by the close of the preceding semester. Fall, spring, and summer graduating seniors are eligible. The President of the University acts for the Board in determining the recipients of the awards.

Summer 2017

Nicole A. DeLaurence
Jessica A. Hengesbach
Annette Kim
Kristina M. Zalewski
Zachary A. Bordeaux
Morgan A. Kiryakoza

Fall 2017

Matthew J. Baas

MILITARY SCIENCE

Infantry	Nursing	Transportation Corps	Unassigned
S Michael James Bouchard II	S Alexis Jo Winston	S Zachary J. Natrass	Conrad Matthew Keurejian John Patrick Letarte

These students have completed their Reserve Officers Training Corps education at Michigan State University and have received their commissions as reserve officers of the United States Air Force or the United States Army.

GRADUATE DEGREES AND
GRADUATE PROFESSIONAL DEGREES

- Notable discoveries include homogenization of milk and the anticancer drug cisplatin
- *U.S. News & World Report* ranks MSU first in the nation for the last 22 years for graduate programs in elementary and secondary education
- External funding totaled nearly \$600 million in 2014–2015. The top federal funding agencies: National Science Foundation, U.S. Department of Health and Human Services, U.S. Department of Energy, and U.S. Department of Agriculture
- *U.S. News & World Report* ranks MSU first in the nation for graduate programs in nuclear physics, organizational psychology, and rehabilitation counseling
- MSU was selected by the U.S. Department of Energy to design and establish the Facility for Rare Isotope Beams, a more than \$700 million facility that will advance understanding of rare nuclear isotopes and the evolution of the cosmos and provide research opportunities for scientists and students from around the globe

Photo above: Russell Thayer, *Windrapiers II*, steel, 2008. South entrance to the Biomedical Physical Sciences Building.

ADVANCED DEGREES

ORDER OF CEREMONIES

Presiding

Lou Anna Kimsey Simon, President
Michigan State University

Processional

The MSU Jazz Orchestra II
Etienne Charles, Conductor

The Star Spangled Banner (lyrics, page 9)

Composed by Francis Scott Key, Arranged by Michael D. Sailors
Led by Alexandria Kirkbright, Guest Vocalist
The MSU Jazz Orchestra II and Audience

Presentation of Honorary Degree Candidates

Stephen D. H. Hsu, Vice President for Research and Graduate Studies

Address

Michael J. VanRooyen, MD, MPH
1984 Bachelor of Science, Lyman Briggs College
Chairman, Department of Emergency Medicine
Brigham and Women's Hospital
Professor, Harvard Medical School
Professor, Harvard School of Public Health
Director, The Harvard Humanitarian Initiative
Director, The Humanitarian Academy at Harvard
Boston, Massachusetts

Special Music

Honeysuckle Rose

Composed by Fats Waller, Arranged by Etienne Charles
Vocalist: Alexandria Kirkbright
Instrumental Soloists: Tim Blackmon Jr., trumpet;
Matt Heilmann, trumpet; Tommy Pancy, saxophone

Introduction and Remarks

The Honorable Joel I. Ferguson, Vice-Chairman, MSU Board of Trustees

Conferring of Degrees

Lou Anna Kimsey Simon, President

Alma Mater (lyrics, page 9)

Composed by Bernard Traynor, Arranged by Michael D. Sailors
(The Orchestra, Ms. Kirkbright, and Audience)

Recessional

The MSU Jazz Orchestra II
Etienne Charles, Conductor

Professor Laura McCabe, Chairperson, The Steering Committee, MSU Academic Governance, is the academic mace bearer.

The audience is requested to remain seated while those in the processional are entering and leaving the arena.

Thomas D. Jeitschko, Associate Provost
for Graduate Education and Dean of
The Graduate School

“Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever.”

John A. Hannah (1902-1991)
President, Michigan State University (1941-1969)

Photo above: Bruce Wolfe, *John A. Hannah*, bronze, 2004. Hannah Administration Building plaza.
