MISSION STATEMENT

Michigan State University, a member of the Association of American Universities and one of the top 100 research universities in the world, was founded in 1855. We are an inclusive, academic community known for our traditionally strong academic disciplines and professional programs, and our liberal arts foundation. Our cross- and interdisciplinary enterprises connect the sciences, humanities, and professions in practical, sustainable, and innovative ways to address society's rapidly changing needs.

As a public, research-intensive, land-grant university funded in part by the state of Michigan, our mission is to advance knowledge and transform lives by:

- providing outstanding undergraduate, graduate, and professional education to promising, qualified students in order to prepare them to contribute fully to society as globally engaged citizen leaders
- conducting research of the highest caliber that seeks to answer questions and create solutions to expand human understanding and make a positive difference, both locally and globally
- advancing outreach, engagement, and economic development activities that are innovative, research-driven, and lead to a better quality of life for individuals and communities, at home and around the world.

CONGRATULATORY LETTER

DEAR SPARTAN GRADUATES:

I am pleased to offer my heartiest congratulations upon your earning a degree from Michigan State University and my best wishes for what comes next for you.

I hope these years have challenged you and, in so doing, offered you deeper insight into yourself and our world. And I hope the experience validated the anticipation you felt when you opened your letter of acceptance. Our lives rarely unfold as we think they will, but know that you go on to the next chapter in your life well equipped by your MSU degree.

Michigan State is a member of the prestigious Association of American Universities and is recognized as a top-100 global research university. In the land-grant tradition, we are known for our community engagement from East Lansing to East Africa and conducting vital research and developing extraordinary scholars through our programs and partnerships.

No matter your degree, the courses you completed here were designed to deliver career-supporting knowledge and skills,

making you competitive in an evolving economy and changing world. Your degree further attests to your fitness as an informed, critical and well-rounded citizen-scholar capable of leading your community and supporting our democracy.

You also join a network of more than 500,000 alumni worldwide. I encourage you to connect with your new group and continue to find ways to grow as a Spartan and to give back for the benefit of those coming behind you.

Go forth with Spartan pride and confidence, and never lose the love for learning and the drive to make a difference that brought you to MSU. Go Green!

Sincerely,

Samuel L. Stanley Jr., M.D.
President
Michigan State University

December 2019

Interim Provost and Executive Vice President for Academic Affairs

CONGRATULATORY LETTER

DEAR GRADUATES:

Congratulations to you and your families on the successful completion of your studies and the conferral of your degrees.

As Michigan State University students, you have been part of our vibrant community, united by the values and goals we share as scholars eager to make a positive difference in the world. While you are now preparing to leave campus for your next adventure, it is my hope that you remain active members of our Spartan community, that you engage with our worldwide alumni network, and that you come back often to visit campus. In much the same way that you are all lifelong learners, you are also lifelong Spartans.

Decades ago, I earned my bachelor's degree at Michigan State University, and while I earned advanced degrees at another institution, my experiences at MSU were formative in shaping my professional aspirations and sense of purpose. It is an honor to serve here in the role of provost at a time when MSU continues to create new opportunities at home, in the state of Michigan, and around the world. Our students and faculty continue to achieve new levels of excellence and discover innovative

solutions to the world's most pressing problems. I am confident your degrees will serve you well as you take on the many challenges and opportunities that await you.

As you and your families celebrate your accomplishments at Michigan State University, I wish you the very best in your personal and professional pursuits. You embody our greatest hopes. I have great faith in the future, because I have great faith in each of you.

Very truly yours,

Teresa A. Sullivan, Ph.D.
Interim Provost and Executive Vice President
for Academic Affairs

MICHIGAN STATE UNIVERSITY

Michigan State University, founded in 1855, is a leader in realizing the ideal of democratizing education and knowledge. Officially named the Agricultural College of the State of Michigan, it became the model for all land-grant institutions established by the Morrill Act, passed by Congress in 1862. The research and knowledge developed at land-grant institutions provides practical solutions that make a difference in the lives of individuals and in communities. Now, as a major public research university with global reach, Michigan State University continues this tradition with its commitment to advancing knowledge and transforming lives across the state, the region, and around the world.

From its beginnings on the site where Beaumont Tower now stands, the East Lansing campus has grown from 677 to 5,200 acres, and from three to 545 buildings. Today, nearly 20,000 acres are used throughout Michigan for agricultural and natural resources research and for education.

MSU has more than 50,000 students from all 83 counties in Michigan, all 50 states, and more than 130 other countries. There are more than one-half million Spartan alumni living around the globe.

Since its agricultural beginnings, MSU has grown to 17 degree-granting colleges offering more than 200 programs of study, including graduate and graduate professional education. The Honors College attracts academically talented scholars and enables these students to pursue individualized, enriched programs of study.

Research and other grants total nearly \$600 million in 2014-15. The top federal funding agencies include the U.S. Department of Energy (DOE), the National Science Foundation, the U.S. Department of Health and Human Services, U.S. Agency for International Development, the U.S. Department of Agriculture, the U.S. Department of Education, and the U.S. Department of Defense. Other externally funded research programs include the MSU-U.S. DOE, Plant Research Laboratory, the Center for Advancing Microbial Risk Assessment, the Great Lakes Bioenergy Research Center, the Energy and

Automotive Research Laboratory Centers, the Composite Vehicle Research Center, the U.S.-China Center for Research on Educational Excellence, the Center for Advanced Study of International Development, and the Center for International Business Education and Research.

The National Superconducting Cyclotron Laboratory is the premier rare isotope research facility in the nation. In December 2008, the U.S. DOE selected MSU to design and establish the Facility for Rare Isotope Beams (FRIB). The proposed \$730 million facility will bring together an international community of leading scientists. Their work will help unlock the mysteries of the universe and promote breakthrough applications for medicine, security, and industry.

MSU Extension reaches into all 83 counties in Michigan to provide practical, university-based knowledge. The AgBioResearch encompasses the research of more than 300 scientists in a network of 13 research centers across the state. Their work ranges from agricultural production, alternative energy and biofuel production, food safety and environmental stewardship to childhood obesity, community development, and the quality of life of Michigan youth and families.

University Outreach and Engagement connects faculty with external audiences and constituencies to address community issues through research and collaboration. MSU Global extends academic and professional degree and certificate programs to off-campus learners.

MSU is a national leader in education abroad among U.S. public universities with more than 275 programs on all continents in more than 60 countries. Nearly 3,000 MSU students participate in education abroad each year.

Michigan State University is a member of the Association of American Universities, the Association of Public and Land-grant Universities, the American Council on Education, the American Council of Learned Societies, the Council of Graduate Schools, and the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation).

CEREMONY LYRICS

THE STAR SPANGLED BANNER

O, say, can you see
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O, say, does that
star-spangled banner yet wave,
O'er the land of the free,
and the home of the brave.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

ALMA MATER*

M.S.U., We love thy shadows,
when twilight silence falls,
Flushing deep and softly paling,
o'er ivy-covered halls.
Beneath the pines we'll gather,
to give our faith so true,
Sing our love for Alma Mater,
and thy praises, M.S.U.
When from these scenes we wander,

and twilight shadows fade,
Our mem'ry still will linger,
where light and shadows played;
In the evening oft we'll gather,
and pledge our faith anew,
Sing our love for Alma Mater,
and thy praises, MSU.

MSU FIGHT SONG**

On the banks of the Red Cedar,
is a school that's known to all;
Its speciality is winning,
and those Spartans play good ball;
Spartan teams are never beaten,
all through the game they fight;
Fight for the only colors,
Green and White.
Go right thru' for MSU,
watch the points keep growing.
Spartan teams are bound to win,
they're fighting with a vim.
RAH! RAH! RAH!
See their team is weakening,
we're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

*The lyrics of *Alma Mater* were written by Bernard Traynor (MSC Athletic Department, 1925-1927). The melody is based on Donizetti's *Lucia di Lammermoor*. It was not until March 30, 1949, after a vote by the students, that the popular song on campus known as the *MSU Shadows* was finally adopted as the official *Alma Mater*.

**Lyrics by Francis Irvin Lankey (MSU Engineering, 1916).

UNIVERSITY MACE

Michigan State University is pleased to include the University mace in commencement ceremonies. The introduction of the mace, at the 2005 Founders' Day celebration and inauguration of MSU's twentieth president, serves to commemorate the sesquicentennial celebration. The University, founded in 1855, celebrated its 150th birthday in 2005. The mace was designed by University Relations and produced by Physical Plant staff.

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a university's mace is carried before the president or chancellor and platform-party dignitaries at commencement, inaugural, and other academic ceremonial processions.

The Michigan State University mace, 42 inches in length, includes important institutional symbols in its finial, crown, and shaft. The finial depicts the circular University seal, which includes an image of "Old College Hall." This oak-carved seal derives from an 1869 State Board of Agriculture (now, Board of Trustees) authorization for a woodcut to be used as the frontispiece of the college academic catalog. College Hall, built in 1856, was the first instructional building erected in the United States for the teaching of scientific agriculture. When it collapsed in 1918, John Beaumont (class of 1882) provided funds to erect Beaumont Tower in 1928 at the same location. The tower stands as a symbol of Michigan State's beginnings as the first land-grant college dedicated to teaching "agriculture and the mechanic arts" with a "liberal and practical curriculum."

The mace's crown is trimmed with a maple samara and acorn pattern carved from walnut, a pattern drawn from the "Michigan State College" limestone relief at the Abbot Road and other campus entrances. An image of Beaumont Tower lies in the crown's oak center. Below the crown is the cylindrical shaft, whose alternating, horizontal oak and walnut bands descend to a brass tip. Its oak is purported to be "Beaumont oak," that is, from one of the original saplings surrounding College Hall. Its walnut is from a tree removed to clear land for the Wharton Center for Performing Arts in 1982.

In its soaring verticality, Beaumont Tower continues to inspire the MSU community and is an appropriate symbol for the MSU mace. As President Robert S. Shaw (1928-1941) stated at the tower's dedication, it has served as "a unifying factor" to remind us, even through our individual activities, of the overall mission of Michigan State University to inspire us by "appealing to many of the better things in us" and to encourage us to "live up to higher standards, scholastically, socially, morally, and spiritually in all of our affairs."

ACADEMIC ATTIRE

In 1895, the Intercollegiate Commission, a group of leading American educators, introduced an academic costume code which by design of gowns and hoods would indicate the various degrees, and which by colors would identify the various faculties.

Three types of gowns are indicated by the code. Those worn by the bachelors have long, pointed sleeves. Those worn by masters have long, closed sleeves with the arc of a circle near the bottom. Doctoral gowns are faced with velvet. The sleeves are full, round, and open with three bars of velvet on each sleeve. The velvet facing of the bars on the sleeves may be black or the same color as the binding of the hood.

Hoods are made of material identical with the gown and are lined in the official academic color of the institution conferring the degree (e.g., green and white for MSU). If the institution has more than one color, the chevron is used to introduce the second color. Colored velvet or velveteen binds the hoods and indicates the department of faculty to which the degree pertains.

The color of the velvet of the hood is distinctive of the subject to which the degree pertains. For example, the trimming for the degree of Master of Science in Agriculture should be maize, representing agriculture, rather than golden yellow, representing science. Generally, the code for the velvet of the hood is the same as listed for tassels.

At Michigan State University, it is customary to identify the candidates graduating from the different areas of study by tassels of the official color as established by the Intercollegiate Code. Candidates graduating from the Honors College wear a white stole with the initials "HC." Candidates graduating "With Honor" or "With High Honor" wear a gold braid.

HONORARY DEGREES

Alumnus Eli Broad, for whom MSU's Eli Broad College of Business is named, is a renowned business leader who built two Fortune 500 companies from the ground up. Not only is he a successful entrepreneur, but Mr. Broad and his wife, Edythe, are engaged in many important philanthropic endeavors. In fall 2002, Michigan State University proudly awarded Mr. Broad an honorary doctorate of humanities.

Eli Broad and his wife, Edythe, with a total gift of \$28 million, have made contemporary art available to the entire Michigan State University community and those who visit us from around the globe. The Eli and Edythe Broad Art Museum officially opened November 10, 2012. The world-class art museum is designed by Pritzker Prize-winning architect Zaha Hadid. For information about the facility, exhibitions, and programs, please visit broadmuseum.msu.edu.

We tell our graduates to "Come Home Often." We hope that you, and your family, will come home often and include a visit to the Eli and Edythe Broad Art Museum.

HONORARY DEGREE CITATIONS

TAWANA KUPE

You are a scholar and visionary educator. You exemplify what it means to be a globally engaged citizen, serving local needs with a focus on the most pressing challenges we face across the world.

As vice-chancellor and principal of the University of Pretoria, one of the largest research universities in South Africa, you are a leader in providing quality education to more than 53,000 students.

You are a champion for UP's new Future Africa campus, where scholars from across the world will come together to leverage the benefits of transdisciplinary research to address the grand challenges that face Africa and the world – a goal of Michigan State University as well.

At your previous institution, the University of the Witwatersrand, you served as the executive dean of the Wits Faculty of Humanities and led several new initiatives, including the creation of the Media Studies

Department and development of the Wits Arts and Literature Experience. You also founded the Africa Centre for the Study of the United States – a multidisciplinary center focusing on rigorous analysis of the U.S. as a nation and society.

A scholar of media studies and journalism, you have a notable record in both publication and activism. You have worked on several books outlining recommendations for public access to media across the region. You are also chairman of the board of Media Monitoring Africa, an entity dedicated to media accountability and promoting the role of the media as an institution integral to sustaining democracy.

For your dedication to developing well-informed and professionally skilled people for a global society, I am pleased to award you the honorary degree of Doctor of Humanities from Michigan State University.

DOUGLAS MEIJER

You are a highly accomplished philanthropist, community leader, and business executive. You serve on the board of Meijer, a retailer that has grown to more than 245 locations in six states, providing jobs for nearly 80,000 employees.

You joined the family business at a young age, working in the receiving area of the stores. Upon graduation from the University of Michigan with a bachelor's degree in business administration, you resumed your career with the company in 1976 and later held the position of co-chair.

In recent years, you have become an advocate for mental health care. You are actively involved with and serve on the board of *i understand*, an organization that works to raise awareness around the topic of mental illness and supports those who have lost a loved one to suicide. You are also passionate about research and new treatments for cancer

and have invested significant resources with Michigan State University and other cancer research entities in West Michigan and beyond.

Building on your family's legacy of giving back to the community, you have shared your time and talents with many influential boards and groups. You currently serve as a trustee of the Meijer Foundation and as a board member of the Frederik Meijer Gardens & Sculpture Park. You are past chair and a current board member of Blessings in a Backpack, and you formerly served on the boards of Grand Bank and Davenport College, as well as the DeVos Children's Hospital Foundation.

For your dedication to philanthropy and community service, I am pleased to award you the honorary degree of Doctor of Humanities from Michigan State University.

HONORARY DEGREE CITATIONS

HAROLD MOONEY

You are a world-renowned ecologist and environmental scientist and your work has generated profound impacts on science and policies worldwide.

As the Paul S. and Billie Achilles Professor of Environmental Biology at Stanford University, your research has ranged from advances in the physiological ecology of plants to global environmental stability. A prolific writer, you have authored more than 500 publications with over 130,000 citations.

You have influenced generations of scientists and students around the world, including those at MSU, in implementing an integrated approach that couples human and natural systems to enhance sustainability.

Your efforts have brought together scholars from around the world to examine some of the most pressing global sustainability challenges in the face of climate change and to provide clear recommendations for a path forward. This includes chairing and coordinating

numerous groups and leading a United Nations Global Diversity Assessment, among others.

You were instrumental in the development of the Global Invasive Species Programme and you promoted the establishment of the prestigious journal Ecological Applications while serving as president of the Ecological Society of America.

Widely honored, you have been recognized by election to the National Academy of Sciences, the American Academy of Arts and Sciences, the American Philosophical Society, and many other scholarly societies. In 2010, your citation for the Volvo Environmental Prize called you "a leading voice in the biology of global change."

For your unwavering dedication to better understanding global environmental change, your leadership in the international scientific community, and your development of the next generation of environmental scientists, I am pleased to award you the honorary degree of Doctor of Science from Michigan State University.

HONORARY DEGREE CITATIONS

SUSAN PACKARD

You are an entrepreneur, author, and role model.

A College of Communication Arts and Sciences and Honors College alumna, you earned your bachelor's and master's degrees in advertising in 1977 and 1979.

You were the co-founder of Scripps NetworkS Interactive and assisted in the creation of television networks that have become household names, including CNBC, HGTV, Food Network, and DIY Network. HGTV became one of the fastest-growing networks in cable history and today brings home and garden joy to more than 99 million U.S. homes and 175 countries and territories.

A top contributor to the cable and telecommunications industry, you were inducted into the Cable Hall of Fame in 2008 and named Woman of the Year by Women in Cable Telecommunications, among numerous other accolades. You are also the recipient of the MSU College of Communication Arts and Sciences' Outstanding Alumni Award.

Leveraging your personal experiences, today you write, speak, and work with individuals who are curious about their promise and motivated to grow their potential. You have authored books covering topics from strategies for women leading in the workplace to growing one's emotional intelligence for personal fulfillment and success.

You remain active in national and local business and community affairs and conduct significant outreach and mentorship work. You currently serve as a board member on The Committee of 200, a select group of senior women executives dedicated to inspiring future women leaders in business. You also facilitate workshops and retreats on leadership and mindfulness.

For exemplifying Spartan values and inspiring success, I am pleased to award you the honorary degree of Doctor of Humanities from Michigan State University.

HONORS

The University acknowledges candidates for the bachelor's degree who will graduate as Academic Scholars (A), from the Honors College (H), With Honor (*), or With High Honor (**). Academic Scholars completed a two-year honors program including at least four honors-caliber courses. Honors College graduates are academically talented students who have participated in rigorous, highly individualized programs of study, including at least eight honors-caliber courses.

Graduation Honors: the current minimum grade point average for seniors graduating With Honor is 3.77 and those graduating With High Honor is 3.92 (which is approximately 20 percent of graduating seniors who have earned the highest grade point averages). Recognition of graduation honors in the commencement program is based on the grade point average of all work at MSU completed prior to the opening of the semester of graduation. To be eligible for graduation honors, transfer students must earn a minimum of 50 semester credits at MSU.

BOARD OF TRUSTEES AWARDS

Awards are made at fall and spring commencements to the six or more graduating seniors who achieved the highest cumulative scholarly records by the close of the preceding semester. At least three-fourths of the credits for the

degree must be earned at Michigan State University with numerical grades by the close of the preceding semester. Fall, spring, and summer graduating seniors are eligible. The President of the University acts for the Board in determining the recipients of the awards.

“Until the moment degrees are conferred and diplomas presented, a university and its students are in a temporary relationship. Either can disclaim the other at any time before that final moment. But when commencement is concluded, Michigan State University places its stamp of approval upon you. You become part of this University . . . forever.”

John A. Hannah (1902–1991)
President, Michigan State University (1941–1969)
